Indenture and Sale of Senior Secured Notes due 2023

On April 25, 2018, LSB Industries, Inc. (the “Company”) completed its previously announced issuance and sale of \$400 million aggregate principal amount of its 9.625% Senior Secured Notes due 2023 (the “Notes”). The Notes were issued pursuant to an indenture, dated as of April 25, 2018 (the “Indenture”), by and among the Company, the subsidiary guarantors named therein, and Wilmington Trust, National Association, a national banking association, as trustee and collateral agent (the “Notes Trustee”). The Notes were issued at a price equal to 99.509% of their face value in a transaction exempt from the registration requirements under the Securities Act of 1933 (the “Securities Act”) and will be resold to eligible purchasers in reliance on Rule 144A and/or Section 4(a)(2) under the Securities Act and to non-U.S. persons in accordance with Regulation S under the Securities Act. The Notes will mature on May 1, 2023 and rank senior in right of payment to all of the Company’s debt that is expressly subordinated in right of payment to the notes, and will rank pari passu in right of payment with all of the Company’s liabilities that are not so subordinated, including the Company’s revolving credit facility (the “Revolving Credit Facility”). The Company’s obligations under the Notes are jointly and severally guaranteed by the subsidiary guarantors named in the Indenture on a senior secured basis.

Interest on the Notes accrues at a rate of 9.625% per annum and is payable semi-annually in arrears on May 1 and November 1 of each year, beginning on November 1, 2018, to the holders of record on the immediately preceding April 15 and October 15.

On or after May 1, 2020, the Company may redeem the Notes at its option, in whole or in part, at the redemption prices set forth below, plus accrued and unpaid interest to but excluding the redemption date, on the Notes redeemed during the twelve-month period commencing on May 1 of the years indicated below:

<u>Year</u>	<u>Percentage</u>
2020	107.219%
2021	103.609%
2022 and thereafter	100.000%

Prior to May 1, 2020, the Company may redeem some or all of the Notes at a redemption price of 100% of the principal amount of the notes to be redeemed plus a “make-whole” premium, plus accrued and unpaid interest, if any, to but excluding the redemption date. In addition, the Company may redeem up to 40% of the aggregate principal amount of the notes on or prior to May 1, 2020 with an amount equal to the net cash proceeds of certain equity offerings at a redemption price of 109.625% of the principal amount of the notes to be redeemed plus accrued and unpaid interest, if any, to but excluding the redemption date. If the Company experiences a change of control, it must offer to purchase the notes at 101% of their principal amount, plus accrued and unpaid interest, if any, to but excluding the date of purchase.

The Indenture contains covenants that limit, among other things, the Company and certain of its subsidiaries’ ability to (1) incur additional indebtedness; (2) declare or pay dividends, redeem stock or make other distributions to stockholders; (3) make other restricted payments, including investments; (4) create dividend and other payment restrictions affecting its subsidiaries; (5) create liens or use assets as security in other transactions; (6) merge or consolidate, or sell, transfer, lease or dispose of all or substantially all of the Company’s assets; and (7) enter into transactions with affiliates. Further, during any such time when the Notes are rated investment grade by each of Moody’s Investors Service, Inc. and Standard & Poor’s Investors Ratings Services and no Default (as defined in the Indenture) has occurred and is continuing, certain of the covenants will be suspended with respect to the Notes.

The Indenture provides for customary events of default (subject in certain cases to customary grace and cure periods), which include nonpayment, breach of covenants in the Indenture, payment defaults or acceleration of other indebtedness, a failure to pay certain judgments and certain events of bankruptcy and insolvency. Generally, if an event of default occurs and is continuing, the Trustee or holders of at least 25% in principal amount of the then outstanding Notes may declare the principal of and accrued but unpaid interest on all the Notes to be due and payable.

The foregoing description of the Indenture is not intended to be complete and is qualified in its entirety by reference to the complete text of the Indenture (including the forms of the Notes and the form of Guarantee Agreement included therein), a copy of which is attached as Exhibit 4.1 to this Current Report on Form 8-K and is incorporated herein by reference.

Amendment to the Intercreditor Agreement

In connection with the issuance of the Notes, the Intercreditor Agreement, dated as of August 7, 2013 and previously entered into by and between Wells Fargo Capital Finance, LLC, as agent (the “Revolving Facility Agent”) under the Revolving Credit Facility, and UMB Bank, n.a., as trustee and collateral agent (the “Existing Notes Trustee”) under the Company’s 8.50% Senior Secured Notes due 2019 (the “Existing Notes”), was amended (the “Intercreditor Amendment”) to, among other things, replace the Existing Notes Trustee with the Notes Trustee as the “Notes Agent” thereunder and replace the Existing Notes with the Notes as the “Notes” referenced therein, and to make certain other changes as described therein with respect to the rights and remedies of the Revolving Facility Agent and the Notes Trustee with respect to the shared collateral securing the Revolving Credit Facility and the Notes.

The foregoing description of the Intercreditor Amendment is not intended to be complete and is qualified in its entirety by reference to the complete text of the Intercreditor Amendment, a copy of which is attached as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information included in Item 1.01 of this Current Report on Form 8-K is incorporated by reference into this Item 2.03 of this Current Report on Form 8-K.

Item 7.01 Regulation FD Disclosure.

On April 25, 2018, the Company issued a press release announcing the completion of its refinancing transactions (the “Refinancing Transactions”), including the issuance and sale of the Notes as well as the settlement of the Company’s previously announced cash tender offer (the “Tender Offer”) for any and all of its Existing Notes. The Company accepted for purchase \$337,525,000 principal amount of its Existing Notes in the Tender Offer, representing all of the Existing Notes validly tendered and not validly withdrawn prior to the Tender Offer deadline. In connection therewith, the Company submitted an irrevocable notice of redemption to redeem \$37,475,000 principal amount of its Existing Notes, representing all of the outstanding Existing Notes not validly tendered in the Tender Offer, at a redemption price equal to 101.938% of the principal amount thereof, plus accrued and unpaid interest on the Existing Notes redeemed to but excluding the redemption date, which is scheduled for May 25, 2018.

Also on April 25, 2018, LSB satisfied and discharged its obligations under the indenture governing the Existing Notes by irrevocably depositing with the trustee for the Existing Notes funds sufficient to redeem the Existing Notes in full and to pay related fees and expenses.

A copy of the press release announcing the completion of the Refinancing Transactions is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

Article 1

Definitions and Rules of Construction

SECTION 1.01 Definitions.

“ABL Priority Collateral” means “ABL Priority Collateral” as defined in the Intercreditor Agreement.

“Acquired Indebtedness” means Indebtedness of a Person or any of its Subsidiaries existing at the time such Person becomes a Restricted Subsidiary of the Company or at the time it merges or consolidates with or into the Company or any of its Restricted Subsidiaries or Indebtedness that is assumed in connection with the acquisition of assets from a Person and, in each case, not incurred by such Person in connection with, or in anticipation or contemplation of, such Person becoming a Restricted Subsidiary of the Company or such acquisition, merger or consolidation.

“Additional Refinancing Amount” means, with respect to any Refinancing Indebtedness, the amount of any premium required to be paid under the terms of the instrument governing the Indebtedness to be Refinanced plus the amount of fees, expenses and original issue discount incurred by the Company in connection with such Refinancing.

“Additional Securities” means additional Securities (other than the Initial Securities) issued under this Indenture in accordance with Section 2.13, Section 4.03 and Section 4.09 hereof, as part of the same series as the Initial Securities.

“Adjusted Treasury Rate” means, with respect to any redemption date, (i) the yield, under the heading that represents the average for the immediately preceding week, appearing in the most recently published statistical release designated “H.15” or any successor publication that is published by the Board of Governors of the Federal Reserve System and that establishes yields on actively traded United States Treasury securities adjusted to constant maturity under the caption “Treasury Constant Maturities”, for the maturity corresponding to the Comparable Treasury Issue (if no maturity is within three months before or after May 1, 2020, yields for the two published maturities most closely corresponding to the Comparable Treasury Issue shall be determined and the Adjusted Treasury Rate shall be interpolated or extrapolated from such yields on a straight-line basis, rounding to the nearest month) or (ii) if such release (or any successor release) is not published during the week preceding the calculation date or does not contain such yields, the rate per year equal to the semi-annual equivalent yield to maturity of the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable

Treasury Price for such redemption date, in each case calculated as of the earlier of (x) the third Business Day immediately preceding the redemption date and (y) the date on which the Securities are defeased or satisfied and discharged in accordance with this Indenture, plus 0.5%.

“Affiliate” means, with respect to any specified Person, any other Person who directly or indirectly through one or more intermediaries controls, or is controlled by, or is under common control with, such specified Person. The term “control” means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of a Person, whether through the ownership of voting securities, by contract or otherwise; and the terms “controlling” and “controlled” have meanings correlative of the foregoing.

“Applicable Premium” means with respect to a Security at any redemption date the greater of (1) 1.00% of the principal amount of such Security and (2) the excess (if any) of (A) the present value at such redemption date of (i) the redemption price of such Security on May 1, 2020 (such redemption price being described in Section 3.06(a), exclusive of any accrued interest) plus (ii) all required remaining scheduled interest payments due on such Security through May 1, 2020 (but excluding accrued and unpaid interest to the redemption date), computed using a discount rate equal to the Adjusted Treasury Rate, over (B) the principal amount of such Security on such redemption date. The Company shall determine the Applicable Premium and the Trustee shall have no duty to confirm any such determination.

“Asset Acquisition” means (1) an Investment by the Company or any Restricted Subsidiary of the Company in any other Person pursuant to which such Person shall become a Restricted Subsidiary of the Company or any Restricted Subsidiary of the Company, or shall be merged with or into the Company or any Restricted Subsidiary of the Company, or (2) the acquisition by the Company or any Restricted Subsidiary of the Company of the assets of any Person (other than a Restricted Subsidiary of the Company) which constitute all or substantially all of the assets of such Person or comprises any division or line of business of such Person or any other properties or assets of such Person other than in the ordinary course of business.

“Asset Sale” means any direct or indirect sale, issuance, conveyance, transfer, lease (other than operating leases entered into in the ordinary course of business), assignment or other transfer for value by the Company or any of its Restricted Subsidiaries to any Person other than the Company or a Restricted Subsidiary of the Company of:

“Bank Collateral Agent” means Wells Fargo Capital Finance, LLC and any successor under the Credit Agreement, or if there is no Credit Agreement, the collateral agent or other representative of lenders or holders of Lenders Debt designated pursuant to the Intercreditor Agreement and the terms of the documents governing the Lenders Debt.

(b) immediately before and immediately after giving effect to such designation, no Default or Event of Default shall have occurred and be continuing.

Any such designation by the Board of Directors shall be evidenced to the Trustee by promptly filing with the Trustee a copy of the Board Resolution giving effect to such designation and an Officers' Certificate certifying that such designation complied with the foregoing provisions.

Article 2

The Securities

SECTION 2.01 Form and Dating. Additional provisions relating to the Securities are set forth in the Transfer and Exchange Appendix attached hereto (the “Appendix”) which is hereby incorporated in, and expressly made part of, this Indenture. The Securities and the Trustee’s certificate of authentication shall be substantially in the form of Exhibit 1 to the Appendix which is hereby incorporated in, and expressly made a part of, this Indenture. The Securities may have notations, legends or endorsements required by law, stock exchange rule, agreements to which the Company is subject, if any, or usage (provided that any such notation, legend or endorsement is in a form acceptable to the Company).

Each Security shall be dated the date of its authentication. The terms of the Securities set forth in the Appendix are part of the terms of this Indenture.

SECTION 2.02 Execution and Authentication. Two Officers shall sign the Securities for the Company by manual or facsimile signature.

If an Officer whose signature is on a Security no longer holds that office at the time the Trustee authenticates the Security, the Security shall be valid nevertheless.

A Security shall not be valid until an authorized signatory of the Trustee manually signs the certificate of authentication on the Security. The signature shall be conclusive evidence that the Security has been authenticated under this Indenture.

On the Issue Date, the Trustee shall authenticate and deliver \$400,000,000 of 9.625% Senior Secured Notes Due 2023 and, at any time and from time to time thereafter, the Trustee shall authenticate and deliver Securities for original issue in an aggregate principal amount specified in such order, in each case upon a written order of the Company signed by two Officers or by an Officer and either an assistant Treasurer or an assistant Secretary of the Company. Such order shall specify the amount of the Securities to be authenticated and the date on which the original issue of Securities is to be authenticated and, in the case of an issuance of Additional Securities pursuant to Section 2.13 after the Issue Date, shall certify that such issuance is in compliance with Section 4.03 and Section 4.09.

The Trustee may appoint an authenticating agent reasonably acceptable to the Company to authenticate the Securities. Unless limited by the terms of such appointment, an authenticating agent may authenticate Securities whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as any Registrar, Paying Agent or agent for service of notices.

SECTION 2.03 Registrar and Paying Agent. The Company shall maintain an office or agency where Securities may be presented for registration of transfer or for exchange (the "Registrar") and an office or agency where Securities may be presented for payment (the "Paying Agent"). The Registrar shall keep a register of the Securities and of their transfer and exchange. The Company may have one or more co-registrars and one or more additional paying agents. The term "Paying Agent" includes any additional paying agent.

The Company shall notify the Trustee of the name and address of any such agent. If the Company fails to maintain a Registrar or Paying Agent, the Trustee shall act as such and shall be entitled to appropriate compensation therefor pursuant to Section 7.06. The Company or any Wholly Owned Subsidiary incorporated or organized within the United States of America may act as Paying Agent, Registrar, co-registrar or transfer agent.

The Company initially appoints the Trustee as Registrar and Paying Agent in connection with the Securities.

SECTION 2.04 Paying Agent To Hold Money in Trust. Prior to each due date of the principal and interest on any Security, the Company shall deposit with the Paying Agent a sum sufficient to pay such principal and interest when so becoming due. The Company shall require each Paying Agent (other than the Trustee) to agree in writing that the Paying Agent shall hold in trust for the benefit of Securityholders or the Trustee all money held by the Paying Agent for the payment of principal of or interest on the Securities and shall notify the Trustee of any default by the Company in making any such payment. If the Company or a Subsidiary acts as

Paying Agent, it shall segregate the money held by it as Paying Agent and hold it as a separate trust fund. The Company at any time may require a Paying Agent to pay all money held by it to the Trustee and to account for any funds disbursed by the Paying Agent. Upon complying with this Section, the Paying Agent shall have no further liability for the money delivered to the Trustee.

SECTION 2.05 Securityholder Lists. The Registrar shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Securityholders. If the Trustee is not the Registrar, the Company shall furnish to the Trustee, in writing at least five Business Days before each interest payment date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of Securityholders.

SECTION 2.06 Transfer and Exchange. The Securities shall be issued in registered form and shall be transferable only upon the surrender of a Security for registration of transfer. When a Security is presented to the Registrar or a co-registrar with a request to register a transfer, the Registrar shall register the transfer as requested if the requirements of this Indenture are met. When Securities are presented to the Registrar or a co-registrar with a request to exchange them for an equal principal amount of Securities of other denominations, the Registrar shall make the exchange as requested if the same requirements are met.

Notwithstanding anything contained herein to the contrary, neither the Trustee nor the Registrar shall be responsible for ascertaining whether any transfer complies with the registration provisions of or exemptions from the Securities Act, applicable state securities laws, ERISA (or, in the case of a governmental plan or a church plan (as described in ERISA Sections 3(32) and 3(33), respectively) any substantially similar federal, state or local law), the Code or the Investment Company Act.

SECTION 2.07 Replacement Securities. If a mutilated Security is surrendered to the Registrar or if the Holder of a Security claims that the Security has been lost, destroyed or wrongfully taken, the Company shall issue and the Trustee shall authenticate a replacement Security if the requirements of this Section are met, neither the Company nor the Trustee have notice that the Security has been acquired by a bona fide purchaser and the Holder satisfies any other reasonable requirements of the Trustee. If required by the Trustee or the Company, such Holder shall furnish an indemnity bond or other security sufficient in the judgment of the Company and the Trustee to protect the Company, the Trustee, the Paying Agent, the Registrar and any co-registrar from any loss which any of them may suffer if a Security is replaced. The Company and the Trustee may charge the Holder for their expenses in replacing a Security.

Every replacement Security is an additional Obligation of the Company.

SECTION 2.08 Outstanding Securities. Securities outstanding at any time are all Securities authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation and those described in this Section as not outstanding. A Security does not cease to be outstanding because the Company or an Affiliate of the Company holds the Security.

If a Security is replaced pursuant to Section 2.07, it ceases to be outstanding unless the Trustee and the Company receive proof satisfactory to them that the replaced Security is held by a protected purchaser (as defined in Section 8-303 of the Uniform Commercial Code).

If the Paying Agent segregates and holds in trust, in accordance with this Indenture, on a redemption date or maturity date money sufficient to pay all principal, premium, if any, and interest payable on that date with respect to the Securities (or portions thereof) to be redeemed or maturing, as the case may be, then on and after that date such Securities (or portions thereof) cease to be outstanding and interest on them ceases to accrue.

SECTION 2.09 Temporary Securities. Until definitive Securities are ready for delivery, the Company may prepare and the Trustee shall authenticate temporary Securities. Temporary Securities shall be substantially in the form of definitive Securities but may have variations that the Company considers appropriate for temporary Securities. Without unreasonable delay, the Company shall prepare and the Trustee shall, upon receipt of a written order of the Company signed by two Officers or by an Officer and either an assistant Treasurer or an assistant Secretary of the Company, authenticate definitive Securities and deliver them in exchange for temporary Securities.

SECTION 2.10 Cancellation. The Company at any time may deliver Securities to the Trustee for cancellation. The Registrar and the Paying Agent shall forward to the Trustee any Securities surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else shall cancel all Securities surrendered for registration of transfer, exchange, payment or cancellation and shall dispose of such cancelled Securities in accordance with its customary procedures (subject to the record retention requirements of the Exchange Act). Certification of the cancellation of cancelled Securities shall be delivered to the Company upon written request. The Company may not issue new Securities to replace Securities it has redeemed, paid or delivered to the Trustee for cancellation.

SECTION 2.11 Defaulted Interest. If the Company defaults in a payment of interest on the Securities, the Company shall pay defaulted interest (plus interest on such defaulted interest to the extent lawful) in any lawful manner. The Company may pay the defaulted interest to the persons who are Securityholders on a subsequent special record date. The Company shall fix or cause to be fixed any such special record date and payment date in a manner not deemed impractical for the Trustee and shall promptly mail to each Securityholder (with a copy to the Trustee) a notice that states the special record date, the payment date and the amount of defaulted interest to be paid.

Notwithstanding the foregoing, any interest which is paid prior to the expiration of the 30-day period set forth in Section 6.01(1) shall be paid to Holders as of the Record Date for the Interest Payment Date for which interest has not been paid.

SECTION 2.12 CUSIP Numbers, ISINs, etc. The Company in issuing the Securities may use "CUSIP" numbers, ISINs and "Common Code" numbers (in each case if then generally in use) and, if so, the Trustee shall use "CUSIP" numbers, ISINs and "Common Code" numbers in notices of redemption as a convenience to Holders; provided, however, that any such notice may state that no representation is made as to the correctness of such numbers either as

printed on the Securities or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Securities, and any such redemption shall not be affected by any defect in or omission of such numbers. The Company shall advise the Trustee in writing of any change in any "CUSIP" numbers, ISINs or "Common Code" numbers applicable to the Securities.

SECTION 2.13 Issuance of Additional Securities. After the Issue Date, the Company shall be entitled, subject to its compliance with Section 4.03 and Section 4.09, to issue Additional Securities under this Indenture, which Securities shall have identical terms as the Initial Securities issued on the Issue Date, other than with respect to the date of issuance and issue price. The Securities and the Additional Securities, if any, shall be treated as a single class for all purposes of this Indenture, including waivers, amendments, redemptions and offers to purchase; provided, however, that in the event that any Additional Securities are not fungible with the Securities for U.S. Federal income tax purposes, such nonfungible Additional Securities, if they are Global Securities, shall be issued with a separate CUSIP or ISIN number so that they are distinguishable from the Securities.

With respect to any Additional Securities, the Company shall set forth in a resolution of the Board of Directors and an Officers' Certificate, a copy of each which shall be delivered to the Trustee, the following information:

- (1) the aggregate principal amount of such Additional Securities to be authenticated and delivered pursuant to this Indenture and the provision of Section 4.03 and Section 4.09 that the Company is relying on to issue such Additional Securities; and
- (2) the issue price, the issue date and the CUSIP number of such Additional Securities.

Article 3

Redemption

SECTION 3.01 Notices to Trustee. If the Company elects to redeem Securities pursuant to Section 3.06, it shall notify the Trustee in writing of the redemption date, the principal amount of Securities to be redeemed and the paragraph of the Securities pursuant to which the redemption will occur.

The Company shall give each notice to the Trustee provided for in this Section at least 60 days before the redemption date unless the Trustee consents to a shorter period. Such notice shall contain such information required by Section 3.03 and be accompanied by an Officers' Certificate and an Opinion of Counsel from the Company to the effect that such redemption will comply with the conditions herein.

SECTION 3.02 Selection of Securities to Be Redeemed. In the event that the Company chooses to redeem less than all of the Securities at any time, selection of the Securities for redemption shall be made by the Trustee upon the Company's written request either: (1) in compliance with the requirements of the principal national securities exchange, if any, on which

the Securities are listed as notified to the Trustee in writing, or (2) on a pro rata basis, to the extent practicable, by lot or by such method as the Trustee shall deem fair and appropriate (subject to the applicable procedures of the Depository). The Trustee shall make the selection from outstanding Securities not previously called for redemption. The Trustee may select for redemption portions of the principal of Securities that have denominations larger than \$2,000. Securities and portions of them the Trustee selects shall be in principal amounts of \$2,000 or any greater integral multiple of \$1,000 thereof. Provisions of this Indenture that apply to Securities called for redemption also apply to portions of Securities called for redemption. The Trustee shall notify the Company promptly of the Securities or portions of Securities to be redeemed.

SECTION 3.03 Notice of Redemption. Notice of redemption will be sent by the Company not less than 30 nor more than 60 days before the redemption date to each Holder of Securities to be redeemed at its registered address (with a copy to the Trustee) (except that redemption notices may be mailed more than 60 days prior to the redemption date if the notice is issued in connection with a defeasance of the Securities or a satisfaction and discharge of this Indenture). Any inadvertent defect in the notice of redemption, including an inadvertent failure to give notice, to any Holder selected for redemption shall not impair or affect the validity of the redemption of any other Security redeemed in accordance with provisions of this Indenture.

The notice shall identify the Securities to be redeemed and shall state:

(1) the redemption date;

(2) the redemption price;

(3) any Security that is being redeemed in part, the portion of the principal amount of such Security to be redeemed and that (in the case of Global Securities, to the extent required by the procedures of the Depository) after the redemption date, upon surrender of such Security redeemed in part, the Company shall execute and the Trustee shall authenticate for the Holder (at the Company's expense) a new Security equal in principal amount to the unredeemed portion of the Security surrendered;

(4) the name and address of the Paying Agent;

(5) that Securities called for redemption must be surrendered to the Paying Agent to collect the redemption price;

(6) if fewer than all the outstanding Securities are to be redeemed, the identification and principal amounts of the particular Securities to be redeemed;

(7) that, unless the Company defaults in making such redemption payment, interest on Securities (or portion thereof) called for redemption ceases to accrue on and after the redemption date;

(8) the "CUSIP" number, ISIN or "Common Code" number, if any, printed on the Securities being redeemed;

(9) that no representation is made as to the correctness or accuracy of the “CUSIP” number, ISIN, or “Common Code” number, if any, listed in such notice or printed on the Securities; and

(10) if the redemption is subject to one or more conditions precedent, a description of each such condition and, if applicable, a statement that, in the Company’s discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied, or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the redemption date, or by the redemption date as so delayed.

At the Company’s request, as set forth in an Officers’ Certificate, the Trustee shall give the notice of redemption in the Company’s name and at the Company’s expense. In such event, the Company shall provide the Trustee with the information required by this Section 3.03.

Any redemption or notice thereof may, at the Company’s discretion, be subject to one or more conditions precedent, including, but not limited to, completion of a corporate transaction or other event. If any redemption is so subject to the satisfaction of one or more conditions precedent, the notice thereof shall describe each such condition and, if applicable, shall state that, in the Company’s discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied, or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the redemption date, or by the redemption date as so delayed.

SECTION 3.04 Effect of Notice of Redemption. Once notice of redemption is mailed, unless the related redemption is subject to one or more conditions pursuant to Section 3.03, Securities called for redemption become due and payable on the redemption date and at the redemption price stated in the notice. Upon surrender to the Paying Agent, such Securities shall be paid at the redemption price stated in the notice, plus accrued interest to, but excluding, the redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the related interest payment date), and such Securities shall be canceled by the Trustee. Failure to give notice or any defect in the notice to any Holder shall not affect the validity of the notice to any other Holder.

SECTION 3.05 Deposit of Redemption Price. Prior to 10:00 a.m. (New York City time) on the redemption date, the Company shall deposit with the Paying Agent (or, if the Company or a Subsidiary is the Paying Agent, shall segregate and hold in trust) money sufficient to pay the redemption price of and accrued interest on all Securities to be redeemed on that date other than Securities or portions of Securities called for redemption which have been delivered by the Company to the Trustee for cancellation.

SECTION 3.06 Optional Redemption.

(a) Except as set forth in Sections 3.06(b), (c) and (d), the Securities are not redeemable before May 1, 2020. On or after May 1, 2020, the Company may redeem the Securities at its option, in whole or in part, upon not less than 30 nor more

than 60 days' notice to the Holders (with a copy to the Trustee) (except that redemption notices may be mailed more than 60 days prior to the redemption date if the notice is issued in connection with a defeasance of the Securities or a satisfaction and discharge of this Indenture), at the following redemption prices (expressed as percentages of the principal amount thereof), plus accrued and unpaid interest to but excluding the redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date), if redeemed during the twelve-month period commencing on May 1 of the years set forth below:

Year	Percentage
2020	107.219%
2021	103.609%
2022 and thereafter	100.000%

(b) In addition, at any time, or from time to time, on or prior to May 1, 2020, the Company shall be entitled, at its option, to use an amount equal to the net cash proceeds of one or more Equity Offerings to redeem up to 40% of the aggregate principal amount of the Securities (which includes Additional Securities, if any) originally issued under this Indenture at a redemption price of 109.625% of the principal amount thereof plus accrued and unpaid interest thereon, if any, to but excluding the date of redemption (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date); provided that:

(1) at least 60% of the aggregate principal amount of Securities (which includes Additional Securities, if any) originally issued under this Indenture remains outstanding immediately after any such redemption (other than Securities held, directly or indirectly, by the Company or its Affiliates); and

(2) the Company makes such redemption not more than 150 days after the consummation of any such Equity Offering.

(c) If, in connection with a Change of Control Offer in accordance Section 4.08, Holders of not less than 90% in aggregate principal amount of the outstanding Securities validly tender and do not withdraw their Securities in such Change of Control Offer and the Company, or any third party making a Change of Control Offer in lieu of the Company, as set forth under Section 4.08, purchases all of the Securities validly tendered and not withdrawn by such holders, the Company or such third party will have the right, upon not less than 30 nor more than 60 days' prior written notice to the Holders (with a copy to the Trustee), given not more than 30 days following such purchase pursuant to the Change of Control to redeem all Securities that remain outstanding following such purchase at a price in cash equal to the Change of Control Payment.

(d) Prior to May 1, 2020, the Company shall be entitled at its option to redeem some or all of the Securities at a redemption price equal to 100% of the principal amount of the Securities plus the Applicable Premium as of, and accrued and unpaid interest to, but excluding, the redemption date (subject to the right of Holders on the relevant record date to receive interest due on the relevant interest payment date).

SECTION 3.07 Mandatory Redemption; Offer to Purchase; Open Market Purchases.

The Company is not required to make any mandatory redemption or sinking fund payments with respect to the Securities. However, under certain circumstances, the Company may be required to offer to purchase Securities pursuant to Section 4.04, Section 4.06 or Section 4.08. The Company may at any time and from time to time purchase Securities in the open market or otherwise.

Article 4

Covenants

SECTION 4.01 Payment of Securities. The Company shall promptly pay the principal of and interest on the Securities on the dates and in the manner provided in the Securities and in this Indenture. Principal and interest shall be considered paid on the date due if, by 10:00 a.m. (New York City time) on such date the Trustee or the Paying Agent holds in accordance with this Indenture money sufficient to pay all principal and interest then due.

The Company shall pay interest on overdue principal at the rate specified therefor in the Securities, and it shall pay interest on overdue installments of interest at the same rate to the extent lawful.

SECTION 4.02 Reports to Holders. Whether or not the Company is subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act, the Company shall file with the Commission, subject to the next sentence, and provide the Trustee and Holders with such annual and other reports as are specified in Sections 13 and 15(d) of the Exchange Act and applicable to a U.S. corporation subject to such Sections, such reports to be so filed and provided at the times specified for the filing of such reports. If, at any time, the Company is not subject to the periodic reporting requirements of the Exchange Act for any reason, the Company shall nevertheless continue filing the reports specified in the preceding sentence with the Commission within the time periods required unless the Commission will not accept such a filing. The Company agrees that it shall not take any action for the purpose of causing the Commission not to accept such filings. If, notwithstanding the foregoing, the Commission will not accept such filings for any reason, the Company shall post the reports specified in the preceding sentence on its website within the time periods that would apply if the Company were required to file those reports with the Commission. To the extent any such report or information is not so filed or provided, as applicable, within the time periods specified and such information is subsequently filed or provided, as applicable, the Company will be deemed to have satisfied its obligations with respect thereto at such time and any Default with respect thereto shall be deemed to have been cured; provided that such cure shall not otherwise affect the rights of the Holders under Article 6 if Holders of at least 25% in principal amount of the then total outstanding Securities have declared the principal, premium, if any, and interest on the Securities to be due and payable and such declaration shall not have been rescinded or canceled prior to such cure. The Trustee shall have no duty to monitor the filings of the Company of such reports with the Commission or the posting of such reports on its website.

At any time that any of the Company's Subsidiaries are Unrestricted Subsidiaries, then the quarterly and annual financial information required by the preceding paragraph shall include a reasonably detailed presentation, either on the face of the financial statements or in the footnotes thereto, and in "Management's Discussion and Analysis of Financial Condition and Results of Operations," of the financial condition and results of operations of the Company and its Restricted Subsidiaries separate from the financial condition and results of operations of the Unrestricted Subsidiaries of the Company.

In addition, for so long as any Securities remain outstanding, the Company shall furnish to the Holders and to securities analysts and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

Delivery of reports, information and documents such as the above to the Trustee is for informational purposes only, and the Trustee's receipt of any such reports, information or documents shall not constitute actual or constructive notice of any information contained therein or determinable from the information contained therein, including the Company's compliance with any of its covenants under this Indenture (as to which the Trustee is entitled to rely exclusively on an Officers' Certificate).

SECTION 4.03 Limitation on Incurrence of Additional Indebtedness. (a) The Company shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, assume, guarantee, acquire, become liable, contingently or otherwise, with respect to, or otherwise become responsible for payment of (collectively, "incur") any Indebtedness; provided, however, that the Company or any of its Restricted Subsidiaries that is, or upon such incurrence becomes, a Guarantor may incur Indebtedness if on the date of the incurrence of such Indebtedness, after giving effect to the incurrence thereof, the Consolidated Fixed Charge Coverage Ratio of the Company is greater than 2.0 to 1.0.

(b) The foregoing limitations in Section 4.03(a) shall not apply to:

(1) Indebtedness under the Initial Securities (and excluding any Additional Securities) and the related Guarantees;

(2) Indebtedness incurred pursuant to the Credit Agreement; provided that immediately after giving effect to any such incurrence, the then outstanding aggregate principal amount of all Indebtedness incurred under this clause (2) does not exceed the greater of:

(a) \$75,000,000; and

(b) the sum of (i) 85.0% of the book value of the receivables of the Company and its Restricted Subsidiaries plus (ii) 65.0% of the book value of the inventory of the Company and its Restricted Subsidiaries;

(3) other Indebtedness of the Company and its Restricted Subsidiaries outstanding on the Issue Date (other than Indebtedness described in clause (1) or (2) of this Section 4.03(b));

(4) Indebtedness represented by Capitalized Lease Obligations, Attributable Debt or Purchase Money Indebtedness of the Company and its Restricted Subsidiaries, not to exceed, together with Refinancing Indebtedness (other than any Additional Refinancing Amount) incurred pursuant to clause (10) below in respect of Indebtedness incurred pursuant to this clause (4) (or in respect of any other such Refinancing Indebtedness), the greater of (i) \$35,000,000 and (ii) 3.0% of Total Assets (measured at the time of incurrence) of the Company and its Restricted Subsidiaries;

(5) Hedging Obligations (excluding Hedging Obligations entered into for speculative purposes) for the purpose of limiting interest rate risk, exchange rate risk or commodity pricing risk;

(6) Indebtedness owed to the Company or to a Restricted Subsidiary of the Company for so long as such Indebtedness is held by the Company or a Restricted Subsidiary of the Company; provided that (A) if as of any date any Person other than the Company or a Restricted Subsidiary of the Company holds any such Indebtedness, such date shall be deemed the incurrence of Indebtedness not constituting permitted Indebtedness under this clause (6) by the issuer of such Indebtedness; (B) any subsequent issuance or transfer of any Capital Stock that results in any such Restricted Subsidiary ceasing to be a Restricted Subsidiary shall be deemed to constitute the incurrence of such Indebtedness by the obligor thereon; (C) if the Company or any Guarantor is the obligor on such Indebtedness owed to a Restricted Subsidiary that is not a Guarantor (except in respect of intercompany current liabilities incurred in the ordinary course of business in connection with the cash management, tax and accounting operations of the Company and its Subsidiaries or for similar or related purposes), such Indebtedness shall be expressly subordinated to the prior payment in full in cash of all Obligations with respect to the Securities and the Guarantees;

(7) Indebtedness arising from the honoring by a bank or other financial institution of a check, draft or similar instrument inadvertently (except in the case of daylight overdrafts) drawn against insufficient funds in the ordinary course of business; provided, however, that such Indebtedness is extinguished promptly upon the Company's or any Restricted Subsidiary's obtaining knowledge of its incurrence;

(8) Indebtedness of the Company or any of its Restricted Subsidiaries in respect of performance bonds, bankers' acceptances, workers' compensation claims, surety or appeal bonds, payment obligations in connection with self-insurance or similar obligations, and bank overdrafts (and letters of credit in respect thereof) in the ordinary course of business;

(9) Indebtedness of the Company or any Restricted Subsidiary supported by a letter of credit or bank guarantee issued under the Credit Agreement, for so long as such letter of credit or bank guarantee has not been terminated and such Indebtedness is in a principal amount not in excess of the stated amount of such letter of credit or bank guarantee;

(10) Refinancing Indebtedness;

(11) Indebtedness represented by guarantees by the Company or its Restricted Subsidiaries of Indebtedness otherwise permitted to be incurred under this Indenture;

(12) Indebtedness of the Company or any Restricted Subsidiary consisting of guarantees, indemnities or other obligations in respect of purchase price adjustments in connection with the acquisition or disposition of assets;

(13) Indebtedness of the Company or any of its Restricted Subsidiaries that is, or upon such incurrence becomes, a Guarantor and that is incurred to finance any acquisition, merger, consolidation or amalgamation, or any Acquired Indebtedness; provided, however, in each case, that on the date of the underlying acquisition and after giving pro forma effect thereto and the incurrence or assumption of such Indebtedness, either (x) the Company would have been entitled to incur at least \$1.00 of additional Indebtedness pursuant to Section 4.03(a) or (y) the Consolidated Fixed Charge Coverage Ratio of the Company would be not less than immediately prior to such acquisition or merger, consolidation or amalgamation;

(14) Indebtedness of the Company or any Restricted Subsidiary, the proceeds of which are promptly deposited to satisfy and discharge the Securities in accordance with Section 8.01(a);

(15) Indebtedness of the Company or any Restricted Subsidiary consisting of (a) the financing of insurance premiums or (b) take-or-pay obligations contained in supply arrangements, in each case, in the ordinary course of business;

(16) Indebtedness consisting of Indebtedness issued by the Company or a Restricted Subsidiary to current or former officers, directors, managers and employees thereof or any direct or indirect parent thereof, their respective estates, spouses or former spouses, in each case to finance the purchase or redemption of Capital Stock of the Company pursuant to Section 4.04(b)(4); and

(17) additional Indebtedness of the Company and its Restricted Subsidiaries in an aggregate principal amount not to exceed, together with Refinancing Indebtedness (other than any Additional Refinancing Amount) incurred pursuant to clause (10) above in respect of Indebtedness incurred pursuant to this clause (17) (or in respect of any other such Refinancing Indebtedness), the greater of (x) \$35,000,000 and (y) 3.0% of Total Assets (measured at the time of incurrence) (which amount may, but need not, be incurred in whole or in part under the Credit Agreement).

(c) For purposes of determining compliance with this Section 4.03, in the event that an item of Indebtedness meets the criteria of more than one of clauses (1) through (17) of Section 4.03(b) above or is entitled to be incurred pursuant Section 4.03(a) above, the Company shall, in its sole discretion, be entitled to divide and classify (or later reclassify) an item of Indebtedness in more than one of the types of Indebtedness described above; provided that all Indebtedness outstanding under the Credit Agreement up to the maximum amount permitted under Section 4.03(b)(2) above shall be deemed to have been incurred pursuant to Section 4.03(b)(2) and shall not be reclassified. Accrual of interest, accretion or amortization of original issue discount, the payment of interest on any Indebtedness in the form of additional Indebtedness with the same terms, and the payment of dividends on Disqualified Capital Stock in the form of additional shares of the same class of Disqualified Capital Stock shall not be deemed to be an incurrence of Indebtedness or an issuance of Disqualified Capital Stock for purposes of this Section 4.03.

(d) The Company shall not, and shall not permit any Restricted Subsidiary that is a Guarantor to, directly or indirectly, incur any Indebtedness that by its terms (or by the terms of any agreement governing such Indebtedness) is expressly subordinated in right of payment to any other Indebtedness of the Company or such Guarantor, as the case may be, unless such Indebtedness is also by its terms (or by the terms of any agreement governing such Indebtedness) made expressly subordinate to the Securities or the applicable Guarantee, as the case may be, to the same extent and in the same manner as such Indebtedness is subordinated to other Indebtedness of the Company or such Guarantor, as the case may be. For purposes of the foregoing, no Indebtedness shall be deemed to be subordinated in right of payment to any other Indebtedness of the Company or any Guarantor solely by virtue of such Indebtedness being unsecured or by virtue of the fact that the holders of such Indebtedness have entered into one or more intercreditor agreements giving one or more of such holders priority over the other holders in the collateral held by them.

(e) For purposes of determining compliance with any U.S. dollar restriction on the incurrence of Indebtedness where the Indebtedness incurred is denominated in a different currency, the amount of such Indebtedness shall be the U.S. Dollar Equivalent determined on the date of the incurrence of such Indebtedness; provided, however, that if any such Indebtedness denominated in a different currency is subject to a Currency Agreement with respect to U.S. dollars covering all principal, premium, if any, and interest payable on such Indebtedness, the amount of such Indebtedness expressed in U.S. dollars shall be as provided in such Currency Agreement. The principal amount of any Refinancing Indebtedness incurred in the same currency as the Indebtedness being Refinanced shall be the U.S. Dollar Equivalent of the Indebtedness Refinanced, except to the extent that (1) such U.S. Dollar Equivalent was determined based on a Currency Agreement, in which case the Refinancing Indebtedness shall be determined in accordance with the preceding sentence, and (2) the principal amount of the Refinancing Indebtedness exceeds the principal amount of the Indebtedness being Refinanced, in which case the U.S. Dollar Equivalent of such excess shall be determined on the date such Refinancing Indebtedness is incurred.

(f) Notwithstanding any other provision of this Section 4.03, the maximum amount of Indebtedness that the Company and its Restricted Subsidiaries may incur pursuant to this Section 4.03 shall not be deemed to be exceeded, with respect to any outstanding Indebtedness, solely as a result of fluctuations in the exchange rate of currencies.

(g) With respect to any Other Pari Passu Lien Obligations or Junior Lien Debt incurred by the Company or any Guarantor, the Other Pari Passu Intercreditor and Collateral Agency Agreement or Junior Lien Intercreditor Agreement, as applicable, will have terms substantially consistent in all material respects with the descriptions thereof contained in the “Description of Notes” section of the Offering Circular under “—Other Pari Passu Lien Obligations” or “—Junior Lien Debt,” as applicable. In addition, the credit agreement, indenture or other definitive documentation with respect to any Other Pari Passu Lien Obligations (other than Additional Securities), will contain a provision substantially to the effect that the holders of such Other Pari Passu Lien Obligations, by their acceptance of the Other Pari Passu Lien Obligations, agree to be bound by the Other Pari Passu Intercreditor and Collateral Agency Agreement, and shall be deemed to have instructed their representative to enter into and otherwise appoint the Notes Collateral Agent to act on their behalf in respect of the Pari Passu Intercreditor and Collateral Agency Agreement.

SECTION 4.04 Limitation on Restricted Payments. (a) The Company shall not, and shall not cause or permit any of its Restricted Subsidiaries to, directly or indirectly, make a Restricted Payment if at the time of such Restricted Payment or immediately after giving effect thereto:

- (1) a Default or an Event of Default shall have occurred and be continuing (or would result therefrom);
- (2) the Company is not able to incur at least \$1.00 of additional Indebtedness under Section 4.03(a); or

(3) the aggregate amount of Restricted Payments (including such proposed Restricted Payment) made subsequent to the Issue Date (the amount expended for such purposes, if other than in cash, being the Fair Market Value of such property) shall exceed the sum of, without duplication (such sum, the “Cumulative Credit”):

(a) 50% of the cumulative Consolidated Net Income (or if cumulative Consolidated Net Income shall be a loss, minus 100% of such loss) of the Company beginning with the first full fiscal quarter after the Issue Date occurs (treating such period as a single accounting period) to the end of the most recent fiscal quarter ending at least 45 days prior to the date of such Restricted Payment; plus

(b) without duplication of any amounts included in Section 4.04(b)(4), 100% of the aggregate net cash proceeds received by the Company since immediately after the Issue Date from the issue or sale of Qualified Capital Stock of the Company or cash contributed to the capital of the Company (in each case other than proceeds of sales of Qualified Capital Stock to, or contributions received from, any Restricted Subsidiaries of the Company) to the extent such net cash proceeds or cash do not constitute Excluded Contributions; plus

(c) the amount by which the principal amount of Indebtedness of the Company or any Restricted Subsidiary (other than Indebtedness owing to the Company or any Restricted Subsidiary) is reduced upon the conversion or exchange subsequent to the Issue Date of any Indebtedness of the Company or any Restricted Subsidiary for Qualified Capital Stock of the Company (less the amount of any cash, or the Fair Market Value of any other property, distributed by the Company upon such conversion or exchange); provided, however, that the foregoing

amount shall not exceed the aggregate net cash proceeds received by the Company or any Restricted Subsidiary from the initial issuance, incurrence or sale of such Indebtedness (excluding net cash proceeds from sales to a Subsidiary of the Company or to an employee stock ownership plan or a trust established by the Company or any of its Subsidiaries for the benefit of their employees); plus

(d) without duplication, the sum of (i) the aggregate amount returned in cash on or with respect to Investments (other than Permitted Investments) made subsequent to the Issue Date whether through interest payments, principal payments, dividends or other distributions or payments, (ii) the net cash proceeds received by the Company or any of its Restricted Subsidiaries from the disposition of all or any portion of such Investments (other than to a Subsidiary of the Company), (iii) the aggregate amount of dividends or other distributions or payments received in cash from any Unrestricted Subsidiary; and (iv) upon redesignation of an Unrestricted Subsidiary as a Restricted Subsidiary, the Fair Market Value of such Subsidiary.

(b) Notwithstanding the foregoing, the provisions set forth in Section 4.04(a) shall not prohibit:

(1) the payment of any dividend or the consummation of any redemption within 60 days after the date of declaration of such dividend or giving of the redemption notice, if the dividend or redemption would have been permitted on the date of declaration or redemption notice;

(2) the acquisition of any shares of Capital Stock of the Company, either (A) solely in exchange for shares of Qualified Capital Stock of the Company or (B) through the application of net proceeds of a substantially concurrent sale for cash (other than to a Subsidiary of the Company) of shares of Qualified Capital Stock of the Company;

(3) the acquisition of any Subordinated Indebtedness either (A) solely in exchange for shares of Qualified Capital Stock of the Company, or (B) through the application of net proceeds of a substantially concurrent sale for cash (other than to a Subsidiary of the Company) of (i) shares of Qualified Capital Stock of the Company or (ii) Refinancing Indebtedness;

(4) repurchases by the Company of Capital Stock of the Company from officers, directors and employees of the Company or any of its Subsidiaries or their authorized representatives upon the death, disability or termination of employment of such employees or termination of their seat on the Board of Directors of the Company, in an aggregate amount not to exceed \$5,000,000 in any calendar year (with unused amounts in any calendar year being carried over to the next two immediate succeeding calendar years subject to a maximum of \$15,000,000 in any calendar year); provided that such amount in any

calendar year may be increased by an amount not to exceed the sum of (A) 100% of the net cash proceeds from the sale of Qualified Capital Stock of the Company to officers, directors and employees of the Company and its Subsidiaries that occurs after the Issue Date to the extent such net cash proceeds do not constitute Excluded Contributions and do not increase the Cumulative Credit, plus (B) the cash proceeds of key man life insurance policies received by the Company or its Subsidiaries after the Issue Date; provided, further, that cancellation of Indebtedness owing to the Company or any of its Restricted Subsidiaries from any future, current or former officers, directors and employees (or any permitted transferees thereof) of the Company or any of its Subsidiaries, in connection with a repurchase of Capital Stock of the Company from such Persons will not be deemed to constitute a Restricted Payment for purposes of this Section 4.04;

(5) payments of cash in lieu of the issuance of fractional shares upon (i) the exercise of options or warrants, (ii) the conversion or exchange of Capital Stock or (iii) stock dividends, splits or combinations or business combinations;

(6) other Restricted Payments in an aggregate amount taken together with all other Restricted Payments made pursuant to this clause (6) not to exceed the greater of (x) \$25,000,000 and (y) 2.0% of Total Assets (measured at the time of payment);

(7) so long as no Default or Event of Default shall have occurred and be continuing, the making of any Restricted Payments if, at the time of making such payments, and after giving effect thereto (including the incurrence of any Indebtedness permitted to be incurred pursuant to Section 4.03 to finance such payment), the Company's Consolidated Leverage Ratio would not exceed 3.00 to 1.00;

(8) the declaration and payments of dividends on Disqualified Capital Stock or any class or series of Preferred Stock of a Restricted Subsidiary, in each case permitted under Section 4.03;

(9) repurchases of Capital Stock deemed to occur upon exercise of stock options if such Capital Stock represents a portion of the exercise price of such options;

(10) in the event of a Change of Control, and if no Default or Event of Default shall have occurred and be continuing, the payment, purchase, redemption, defeasance or other acquisition or retirement of Subordinated Indebtedness of the Company or any Guarantor, in each case, at a purchase price not greater than 101% of the principal amount of such Subordinated Indebtedness, plus any accrued and unpaid interest thereon; provided, however, that prior to such payment, purchase, redemption, defeasance or other acquisition or retirement, the Company (or a third party to the extent permitted by this Indenture) has made a Change of Control Offer with respect to the Securities as a result of such Change of Control and has repurchased all Securities validly tendered and not withdrawn in connection with such Change of Control Offer;

(11) payments of intercompany Subordinated Indebtedness either (A) owed to the Company or any Guarantor or (B) so long as no Default or Event of Default shall have occurred and be continuing (or would otherwise result therefrom), owed to any other Restricted Subsidiary, the incurrence of which was permitted under Section 4.03(b)(6);

(12) the declaration and payments of dividends on shares of Series B Preferred Stock outstanding on the Issue Date, up to an amount not to exceed 12% per annum of the liquidation preference of such shares issued and outstanding at the time of the declaration of such dividend, and shares of Series D Preferred Stock outstanding on the Issue Date, up to an amount not to exceed 6% per annum of the liquidation preference of such shares issued and outstanding at the time of the declaration of such dividend, in an aggregate amount not to exceed \$300,000 in any calendar year (with unused amounts in any calendar year being carried over to the next two immediate succeeding calendar years subject to a maximum of \$900,000 in any calendar year); provided, that at the time of declaration and the payment of such dividend, no Default or Event of Default shall have occurred and be continuing or result therefrom;

(13) Restricted Payments in an amount not to exceed 100% of the net cash proceeds from the sale of Qualified Capital Stock of the Company or cash contributed to the capital of the Company (in each case other than sales of Capital Stock to, or contributions received from, any Restricted Subsidiaries of the Company) that occurs after the Issue Date to the extent promptly designated as Excluded Contributions pursuant to an Officers' Certificate ("Excluded Contributions");

(14) the purchase, redemption or other acquisition or retirement for value of, or the declaration and payment of dividends on, shares of Series E Preferred Stock outstanding on the Issue Date; provided, that (A) at the time of such purchase, redemption or other acquisition or retirement for value or declaration and payment of such dividend, (i) Total Liquidity is at least \$65,000,000 and (ii) no Default or Event of Default shall have occurred and be continuing or result therefrom; (B) the Company makes a Restricted Payment Offer in connection with such purchase, redemption or other acquisition or retirement for value or declaration and payment of such dividend pursuant to the provisions described below and (C) such repurchase, redemption, or other acquisition or retirement for value, or the declaration and payment of such dividend, and the related Restricted Payment Offer, are not financed with the proceeds of any Indebtedness (i) incurred pursuant to Section 4.03(b)(4) or (ii) secured by a Lien incurred pursuant to clause (29) of the definition of Permitted Liens; and

(15) the declaration and payment of dividends on the Capital Stock of the Company pursuant to a publicly announced regular dividend policy of the Company in an amount not to exceed in any fiscal quarter the greater of (a) \$3,000,000 and (b) so long as the Company's Capital Stock is traded on a nationally recognized stock exchange, 1.25% of the Company's Market Capitalization (determined at the time of declaration thereof).

In determining the aggregate amount of Restricted Payments made subsequent to the Issue Date to calculate the Cumulative Credit, amounts expended pursuant to clauses (2) through (15) of this Section 4.04(b), shall be excluded from such calculation.

(c) The amount of all Restricted Payments (other than cash) will be the Fair Market Value on the date of the Restricted Payment of the asset(s) or securities proposed to be transferred or issued by the Company or such Restricted Subsidiary, as the case may be, pursuant to the Restricted Payment. For purposes of determining compliance with this Section 4.04, in the event that a Restricted Payment meets the criteria of more than one of the categories of Restricted Payments described in clauses (1) through (15) of Section 4.04(b) or is entitled to be incurred pursuant to Section 4.04(a), the Company will be entitled to classify such Restricted Payment (or portion thereof) on the date of its payment or later reclassify such Restricted Payment (or portion thereof) in any manner that complies with this Section 4.04 or the definition of "Permitted Investment".

(d) Prior to declaring or making any Restricted Payment in reliance on clause (14) of Section 4.04(b), the Company shall commence an offer to repurchase (a "Restricted Payment Offer") an aggregate principal amount of the Securities (the "Maximum Tender Amount") equal to the amount of such Restricted Payment. Each Restricted Payment Offer will have a settlement date not more than 30 Business Days from the date of commencement of such Restricted Payment Offer. Each Restricted Payment Offer shall be made to all Holders at a purchase price in cash equal to the lesser of (1) 103% of the principal amount thereof plus accrued and unpaid interest, if any, to, but not including, the date of purchase and (2) the then-current redemption price (which includes, for avoidance of doubt, accrued and unpaid interest, if any, to, but not including, the redemption date) pursuant to Section 3.06(a), assuming such redemption were to occur on the settlement date of the applicable Restricted Payment Offer (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date). For avoidance of doubt, if the Securities could not be redeemed pursuant to Section 3.06(a) on the settlement date of the applicable Restricted Payment Offer, the applicable Restricted Payment Offer will be made to all Holders at a purchase price in cash equal to 103% of the principal amount thereof, plus accrued and unpaid interest, if any, to, but not including, the date of purchase. After making such offer, the Company will then be permitted to make the proposed Restricted Payment in an amount equal to the Maximum Tender Amount. After making the proposed Restricted Payment relating to such Restricted Payment Offer, the Company will not be permitted to withdraw or terminate such offer, and will be required to repurchase all Securities validly tendered (and not validly withdrawn) pursuant to such offer. With respect to each Restricted Payment Offer, each Holder will have the right to tender any and all of its

Securities, or to decline to tender any Securities pursuant thereto, subject to pro rata as provided below only in the event that the aggregate principal amount of all Securities validly tendered in the Restricted Payment Offer and not validly withdrawn prior to the expiration thereof (the “Tendered Amount”) exceeds the Maximum Tender Amount. In the event that the Tendered Amount is less than the Maximum Tender Amount, an amount in cash equal to the difference between the Maximum Tender Amount and the Tendered Amount will be deemed to be “Declined Amounts.” Any Declined Amounts may be retained by the Company and used for any purpose not otherwise prohibited by this Indenture, including the making of Restricted Payments, at any time or from time to time, in reliance on Section 4.04(b)(14) to the extent otherwise permitted under this Indenture. For the avoidance of doubt, the Company will not be required to make a Restricted Payment Offer in connection with any Restricted Payment to the extent such Restricted Payment is proposed to be made with Declined Amounts (however, if such Restricted Payment is to be made in reliance on Section 4.04(b)(14), the Company would need to meet the requirements of clause (A) of the proviso to Section 4.04(b)(14) at the time of the making of such Restricted Payment).

Example: The Company proposes to declare or make a Restricted Payment equal to \$10,000,000 in reliance on clause (14) of Section 4.04(b) on a date on or about the first anniversary of the Issue Date. Prior to declaring or making such Restricted Payment, the Company shall commence a Restricted Payment Offer to all Holders on a pro rata basis to repurchase \$10,000,000 in aggregate principal amount of the Securities at a price in cash equal to 103% of the principal amount thereof, plus accrued and unpaid interest, if any, to, but not including, the date of purchase. Upon the commencement of such Restricted Payment Offer, the Company shall be permitted to make the proposed Restricted Payment in the amount of \$10,000,000 (to the extent otherwise permitted under this Indenture). In the event that only \$7,000,000 in aggregate principal amount of the Securities are tendered for repurchase (resulting in \$3,000,000 of Declined Amounts), then upon such repurchase, the Company will be permitted to make an additional \$3,000,000 of Restricted Payments to the extent otherwise permitted under this Indenture. The Company will be permitted to use such Declined Amounts to make a Restricted Payment pursuant to clause (14) of Section 4.04(b) without first making a Restricted Payment Offer (but must meet the requirements of clause (A) of the proviso to clause (14) of Section 4.04(b) at the time such Restricted Payment is made).

(e) Subject to applicable procedures of the Depository in the case of global notes, Holders electing to have a Security purchased pursuant to a Restricted Payment Offer will be required to surrender the Security, with the form entitled “Option of Holder to Elect Purchase” on the reverse of the Security completed, to the Paying Agent or tender agent appointed for such purpose at the address specified in the notice prior to the close of business on the third Business Day prior to the date the Securities are proposed to be purchased (the “Restricted Payment Offer Purchase Date”).

(f) If more Securities are tendered pursuant to a Restricted Payment Offer than the Company is required to purchase, selection of the Securities for purchase will be made by the Paying Agent or tender agent appointed for such purpose either:

- (1) in compliance with the requirements of the principal national securities exchange, if any, on which the Securities are listed; or
- (2) on a pro rata basis (subject to applicable procedures of the Depository).

(g) No Securities of a principal amount of \$2,000 or less shall be purchased in part. Notice of a Restricted Payment Offer will be sent to each Holder of record at such Holder's registered address at least 30 but not more than 60 days before the Restricted Payment Offer Purchase Date (other than as may be required by law), with a copy to the Trustee, which notice shall include, among other things:

(1) the amount and purpose of the proposed Restricted Payment, the provision of this Indenture pursuant to which such payment is proposed to be made and the amount of the Restricted Payment Offer;

(2) that such Holder has the right to require the Company to purchase a pro rata portion of such Holder's Securities on the Restricted Payment Offer Purchase Date at a purchase price in cash equal to 103% of the principal amount thereof, plus accrued and unpaid interest, if any, to, but not including, such purchase date (subject to the right of Holders of record on the relevant record date to receive interest on the relevant interest payment date); and

(3) the instructions, as determined by the Company, consistent with the covenant described hereunder, that a Holder must follow in order to have its Securities purchased.

(h) The Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations to the extent such laws or regulations are applicable in connection with the repurchase of the Securities pursuant to a Restricted Payment Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Indenture, the Company will comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Indenture by virtue thereof.

(i) Securities repurchased by the Company pursuant to a Restricted Payment Offer will have the status of Securities issued but not outstanding or will be retired and canceled at the option of the Company.

SECTION 4.05 Limitation on Dividend and Other Payment Restrictions Affecting Restricted Subsidiaries. The Company shall not, and shall not cause or permit any of its Restricted Subsidiaries to, directly or indirectly, create or otherwise cause or permit to exist or become effective any encumbrance or restriction on the ability of any Restricted Subsidiary of the Company to:

- (1) pay dividends or make any other distributions on or in respect of its Capital Stock;

(2) make loans or advances to the Company or any other Restricted Subsidiary or to pay any Indebtedness or other Obligation owed to the Company or any other Restricted Subsidiary of the Company; or

(3) transfer any of its property or assets to the Company or any other Restricted Subsidiary of the Company,

except in each case for such encumbrances or restrictions existing under or by reason of:

(a) applicable law, rule, regulation or order;

(b) this Indenture, the Securities and the Guarantee;

(c) customary non-assignment provisions of any contract or any lease governing a leasehold interest of any Restricted Subsidiary of the Company;

(d) any instrument governing Acquired Indebtedness, which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person or the properties or assets of the Person so acquired;

(e) agreements existing on the Issue Date to the extent and in the manner such agreements are in effect on the Issue Date;

(f) the Credit Agreement, the Security Documents and the Intercreditor Agreement, in each case in effect on the Issue Date;

(g) restrictions on the transfer of assets subject to any Lien permitted under this Indenture imposed by the holder of such Lien;

(h) customary provisions in joint venture agreements and other similar agreements (in each case relating solely to the respective joint venture or similar entity or the equity interests therein);

(i) an agreement governing Indebtedness incurred to Refinance the Indebtedness issued, assumed or incurred pursuant to an agreement referred to in any of clauses (b), (d), (e) and (g) above; provided, however, that the provisions relating to such encumbrance or restriction contained in any such Indebtedness are no less favorable to the Company in any material respect as determined by the Board of Directors of the Company in its reasonable and good faith judgment than the provisions relating to such encumbrance or restriction contained in agreements referred to in such clause (b), (d), (e) or (g);

(j) restrictions on cash, Cash Equivalents or other deposits or net worth imposed under contracts entered into in the ordinary course of business, including such restrictions imposed by customers or insurance, surety or bonding companies;

(k) any encumbrance or restriction with respect to a Restricted Subsidiary imposed pursuant to an agreement entered into for the sale or disposition of all or substantially all the Capital Stock or assets of such Restricted Subsidiary pending the closing of such sale or disposition;

(l) provisions contained in any license, permit or other accreditation with a regulatory authority entered into in the ordinary course of business;

(m) purchase money obligations, mortgage financings and Capitalized Lease Obligations that impose restrictions on the property acquired or financed of the nature described in clause (3) of this Section 4.05;

(n) provisions limiting the disposition or distribution of assets or property in joint venture agreements, asset sale agreements, sale-leaseback agreements, stock sale agreements and other similar agreements, which limitation is applicable only to the assets that are the subject of such agreements;

(o) encumbrances and restrictions arising or agreed to in the ordinary course of business, not relating to any Indebtedness, and that do not, individually or in the aggregate, detract from the value of property or assets of the Company or any Restricted Subsidiary of the Company or the ability of the Company or such Restricted Subsidiary to realize such value, or materially affect the Company's ability to make anticipated principal or interest payments on the Securities, in each case, as determined by the Company in good faith; and

(p) any encumbrances or restrictions of the type referred to in clauses (1), (2) and (3) of this Section 4.05 imposed by any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings of the contracts, instruments or obligations referred to in clauses (a) through (o) above; provided that such amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings are, in the good faith judgment of the Company, no more restrictive as a whole with respect to such dividend and other payment restrictions than those in effect prior to such amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing.

SECTION 4.06 Limitation on Asset Sales. (I)(a) The Company shall not, and shall not permit any of its Restricted Subsidiaries to, consummate an Asset Sale, unless:

(1) the Company or the applicable Restricted Subsidiary, as the case may be, receives consideration at the time of such Asset Sale at least equal to the Fair Market Value of the assets sold or otherwise disposed of;

(2) at least 75% of the consideration received by the Company or the Restricted Subsidiary, as the case may be, from such Asset Sale shall be in the form of cash, and/or Cash Equivalents and is received at the time of such disposition; provided that the amount of:

(a) any liabilities (as shown on the Company's or such Restricted Subsidiary's most recent balance sheet) of the Company or any such Restricted Subsidiary (other than liabilities that are by their terms subordinated to the Securities or any Guarantee of a Guarantor) that are assumed by the transferee of any such assets or are otherwise extinguished by the transferee in connection with such Asset Sale and for which the Company or such Restricted Subsidiary has been validly released by all creditors in writing;

(b) any securities, notes or other Obligations or assets received by the Company or such Restricted Subsidiary from such transferee that are converted by the Company or such Restricted Subsidiary into cash or Cash Equivalents (to the extent of such cash or Cash Equivalents received) within 180 days following the closing of such Asset Sale; and

(c) any Designated Non-Cash Consideration received by the Company or any Restricted Subsidiary in such Asset Sale having an aggregate Fair Market Value, taken together with all other Designated Non-Cash Consideration received pursuant to this clause (c) that is at that time outstanding, not to exceed the greater of (x) \$15,000,000 and (y) 1.25% of Total Assets (measured at the time of the receipt of such Designated Non-Cash Consideration) (with the Fair Market Value of each item of Designated Non-Cash Consideration being measured at the time received and without giving effect to subsequent changes in value);

shall, in each case, be deemed to be cash for purposes of this clause (2); and

(3) without limitation of the provisions described in Section 4.13, to the extent that any consideration received, directly or indirectly, by the Company or any Guarantor in such Asset Sale consists of assets that constitute Notes Priority Collateral, such assets are added to the Notes Priority Collateral as promptly as practicable using commercially reasonable efforts, and in any event within 120 days of their acquisition.

(b) Upon the consummation of an Asset Sale, the Company shall apply, or cause such Restricted Subsidiary to apply, the Net Cash Proceeds relating to such Asset Sale within 365 days of receipt thereof:

(1) to the extent such Net Cash Proceeds are from Asset Sales of ABL Priority Collateral, to reduce Indebtedness under the Credit Agreement or any other Indebtedness of the Company or a Guarantor that, in each case, is secured by a Lien on the ABL Priority Collateral that is prior to the Lien on the ABL Priority Collateral in favor of the Holders, in each case other than Indebtedness owed to the Company or a Subsidiary of the Company;

(2) to make one or more offers to the Holders (and, at the option of the Company, the holders of Other Pari Passu Lien Obligations) to purchase Securities (and such Other Pari Passu Lien Obligations) pursuant to and subject to the conditions contained in this Indenture as further described below; provided, however, that in connection with any prepayment, repayment or purchase of Indebtedness pursuant to this clause (2), the Company or such Restricted Subsidiary shall permanently retire such Indebtedness and shall cause the related loan commitment (if any) to be permanently reduced in an amount equal to the principal amount so prepaid, repaid or purchased; provided further that if the Company or such Restricted Subsidiary shall so reduce any Other Pari Passu Lien Obligations, the Company will equally and ratably reduce Indebtedness under the Securities by making an offer to all Holders to purchase at a purchase price equal to 100% of the principal amount thereof, plus accrued and unpaid interest, if any, the pro rata principal amount of the Securities, such offer to be conducted in accordance with the procedures set forth below for a Net Proceeds Offer but without any further limitation in amount;

(3) to make an investment in properties and assets that replace the properties and assets that were the subject of such Asset Sale or in properties and assets (including Capital Stock) that will be used in the business of the Company and its Restricted Subsidiaries as existing on the Issue Date or in businesses reasonably related thereto (“Replacement Assets”); provided that, without limitation of the provisions described in Section 4.13, any such Replacement Assets, including the assets of any Person that becomes a Guarantor as a result of such transactions, acquired with Net Cash Proceeds from an Asset Sale of Notes Priority Collateral are added to the Notes Priority Collateral as promptly as practicable using commercially reasonable efforts, and in any event within 120 days of their acquisition; or

(4) to the extent such Net Cash Proceeds are from Asset Sales of assets that do not constitute Collateral, to permanently reduce Indebtedness of a Restricted Subsidiary that is not a Guarantor, other than Indebtedness owed to the Company, a Guarantor or a Restricted Subsidiary;

provided that, in the case of Section 4.06(I)(b)(3), if and to the extent that, within 365 days after the Asset Sale that generated the Net Cash Proceeds, the Company or any Restricted Subsidiary has entered into and not abandoned or rejected a binding agreement to consummate any such investment (an “Acceptable Commitment”) and such investment is thereafter completed within 180 days after such 365-day period, the Company and its Restricted Subsidiaries shall be deemed to have complied with Section 4.06(I)(b)(3);

provided further that if any Acceptable Commitment is later cancelled or terminated for any reason before such Net Cash Proceeds are applied, then such Net Cash Proceeds shall constitute a part of the Net Proceeds Offer Amount.

(c) If the aggregate amount of Net Cash Proceeds that have not been applied as permitted in clauses (1), (2), (3) and (4) of Section 4.06(I)(b) on or before the 366th day (or, if extended in accordance with the proviso in the preceding paragraph, the 546th day) after an Asset Sale (including any such Net Cash Proceeds that have not been applied from a prior Asset Sale) equals or exceeds \$30,000,000 (such Net Cash Proceeds,

the “Net Proceeds Offer Amount”), then such 366th day (or, if extended in accordance with the fourth proviso in Section 4.06(I)(b), such 546th day) shall constitute a “Net Proceeds Offer Trigger Date”. Within 10 Business Days of any Net Proceeds Offer Trigger Date, the Company shall make an offer (the “Net Proceeds Offer”) to all Holders and, to the extent required by the terms of any Other Pari Passu Lien Obligations, to all holders of such Other Pari Passu Lien Obligations, to purchase the maximum aggregate principal amount of the Securities and any such Other Pari Passu Lien Obligations that may be purchased out of the Net Proceeds Offer Amount at an offer price in cash in an amount equal to 100% of the principal amount of the Securities and Other Pari Passu Lien Obligations, in each case, plus accrued and unpaid interest, if any, to, but not including, the date of purchase (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date), in accordance with the procedures set forth in this Indenture or the agreements governing the Other Pari Passu Lien Obligations, as applicable, on a date not less than 30 nor more than 60 days following the date such offer is made (or such longer period as may be required to comply with the provisions in Section 4.06(I)(d)), from all Holders (and holders of any such Other Pari Passu Lien Obligations) on a pro rata basis but in round denominations, which in the case of the Securities will be minimum denominations of \$2,000 principal amount or any greater integral multiple of \$1,000 thereof.

(d) Each Net Proceeds Offer shall be mailed to the record Holders as shown on the register of Holders, with a copy to the Trustee, and shall comply with the procedures set forth in this Indenture. Upon receiving notice of the Net Proceeds Offer, Holders may elect to tender their Securities in whole or in part in minimum denominations of \$2,000 principal amount or any greater integral multiple of \$1,000 thereof in exchange for cash. To the extent Holders properly tender Securities and holders of Other Pari Passu Lien Obligations properly tender such Other Pari Passu Lien Obligations in an amount exceeding the Net Proceeds Offer Amount, the tendered Securities and Other Pari Passu Lien Obligations will be purchased on a pro rata basis based on the aggregate amounts of Securities and Other Pari Passu Lien Obligations tendered (and the Trustee shall select the tendered Securities of tendering Holders on a pro rata basis based on the amount of the Securities tendered or as may otherwise be provided by applicable procedures of the Depository). A Net Proceeds Offer shall remain open for a period of 20 Business Days or such longer period as may be required by law. If any Net Cash Proceeds remain after the consummation of any Net Proceeds Offer, the Company may use those Net Cash Proceeds for any purpose not otherwise prohibited by this Indenture. Upon completion of each Net Proceeds Offer, the amount of Net Cash Proceeds subject to this Section 4.06 will be reset at zero.

(II) Pending the final application of Net Cash Proceeds pursuant to this Section 4.06, the Company may temporarily reduce borrowings under the Credit Agreement or any other revolving credit facility.

(III) For the purposes of this Section 4.06, any sale by the Company or a Restricted Subsidiary of the Capital Stock of a Restricted Subsidiary that owns assets constituting Non-ABL Priority Collateral or ABL Priority Collateral shall be deemed to be a sale of such Non-ABL Priority Collateral or ABL Priority Collateral (or, in the event of a Restricted

Subsidiary that owns assets that include any combination of Non-ABL Priority Collateral and ABL Priority Collateral, a separate sale of each of such Non-ABL Priority Collateral and ABL Priority Collateral). In the event of any such sale (or a sale of assets that includes any combination of Non-ABL Priority Collateral and ABL Priority Collateral), the proceeds received by the Company and the Restricted Subsidiaries in respect of such sale shall be allocated to the Non-ABL Priority Collateral and ABL Priority Collateral as described in the Intercreditor Agreement.

(IV) (1) Not later than the date upon which a copy of a Net Proceeds Offer is delivered to the Trustee as provided in Section 4.06(I)(d), the Company shall deliver to the Trustee an Officers' Certificate as to (A) the Net Proceeds Offer Amount, including information as to any Other Pari Passu Lien Obligations included in the Net Proceeds Offer, (B) the allocation of the Net Cash Proceeds from the Asset Sale pursuant to which such Net Proceeds Offer is being made and (C) the compliance of such allocation with the provisions of Section 4.06(I). On such date, the Company shall also irrevocably deposit with the Trustee or with the Paying Agent (or, if the Company is acting as its own Paying Agent, segregate and hold in trust) an amount equal to the Net Proceeds Offer Amount to be held for payment in accordance with the provisions of this Section 4.06(IV). If the Net Proceeds Offer includes Other Pari Passu Lien Obligations, the deposit described in the preceding sentence may be reduced accordingly by a corresponding deposit made with any other paying agent in respect of such Other Pari Passu Lien Obligations as necessary or appropriate. Upon the expiration of the period for which the Net Proceeds Offer remains open, as described in Section 4.06(I)(d) (the "Offer Period"), the Company shall deliver to the Trustee for cancellation the Securities or portions thereof which have been properly tendered to and are to be accepted by the Company. The Trustee or the Paying Agent shall, on the date required by the applicable Net Proceeds Offer (such date, the "Offer Payment Date"), mail or deliver payment (or cause the delivery of payment) to each tendering Holder in the amount of the purchase price. In the event that the aggregate purchase price of the Securities delivered by the Company to the Trustee is less than the Net Proceeds Offer Amount applicable to the Securities, the Trustee shall deliver the excess to the Company upon its written request immediately after the expiration of the Offer Period for application in accordance with this Section 4.06.

(2) Holders electing to have a Security purchased shall be required to surrender the Security subject to applicable procedures of the Depository, with an appropriate form duly completed, to the Company at the address specified in the notice at least three Business Days prior to the Offer Payment Date. Subject to applicable procedures of the Depository, Holders shall be entitled to withdraw their election if the Trustee or the Company receives not later than one Business Day prior to the Offer Payment Date, a telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Security which was delivered for purchase by the Holder and a statement that such Holder is withdrawing his election to have such Security purchased. Holders whose Securities are purchased only in part shall be issued new Securities equal in principal amount to the unpurchased portion of the Securities surrendered.

(3) At the time the Company delivers Securities to the Trustee which are to be accepted for purchase, the Company shall also deliver an Officers' Certificate stating that such Securities are to be accepted by the Company pursuant to and in accordance with the terms of this Section. A Security shall be deemed to have been accepted for purchase at the time the Trustee or the Paying Agent, mails or delivers payment therefor to the surrendering Holder.

(V) The Company shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws and regulations are applicable in connection with the repurchase of Securities pursuant to a Net Proceeds Offer. To the extent that the provisions of any securities laws or regulations conflict with this Section 4.06, the Company shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Section 4.06 by virtue thereof.

SECTION 4.07 Limitation on Transactions with Affiliates. (a) The Company shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, enter into or permit to exist any transaction or series of related transactions (including, without limitation, the purchase, sale, lease or exchange of any property or the rendering of any service) with, or for the benefit of, any of its Affiliates involving aggregate payments or other property with a Fair Market Value in excess of \$5,000,000 (each, an "Affiliate Transaction"), other than (1) Affiliate Transactions permitted under Section 4.07(b) and (2) Affiliate Transactions on terms that are not materially less favorable than those that might reasonably have been obtained in a comparable transaction at such time on an arm's-length basis from a Person that is not an Affiliate of the Company or such Restricted Subsidiary.

All Affiliate Transactions (and each series of related Affiliate Transactions that are similar or part of a common plan) involving aggregate payments or other property with a Fair Market Value in excess of \$10,000,000 shall be approved by a majority of the non-employee directors of the Board of Directors of the Company disinterested with respect to such Affiliate Transaction, such approval to be evidenced by a Board Resolution stating that such disinterested non-employee directors have in good faith determined that such transaction complies with the foregoing provisions.

(b) The restrictions set forth in Section 4.07(a) shall not apply to:

(1) reasonable fees and compensation paid to, and indemnity provided on behalf of, officers, directors, employees or consultants of the Company or any Restricted Subsidiary of the Company as determined in good faith by the Company's Board of Directors or senior management;

(2) transactions between or among the Company and any of its Restricted Subsidiaries or between or among Restricted Subsidiaries; provided that such transactions are not otherwise prohibited by this Indenture;

(3) any agreement as in effect as of the Issue Date or any amendment thereto or any transaction contemplated thereby (including pursuant to any amendment thereto) in any replacement agreement thereto so long as any such amendment or replacement agreement is not more disadvantageous to the Holders in any material respect than the original agreement as in effect on the Issue Date;

- (4) Permitted Investments and Restricted Payments permitted by this Indenture;
- (5) any issuance of securities, or other payments, awards or grants in cash, securities or otherwise pursuant to, or the funding of, employment arrangements, stock options and stock ownership plans approved by the Board of Directors of the Company;
- (6) loans or advances to employees, but in any event not to exceed \$5,000,000 in the aggregate outstanding at any time;
- (7) the payment of reasonable fees to directors of the Company and its Restricted Subsidiaries who are not employees of the Company or its Restricted Subsidiaries;
- (8) transactions with customers, clients, vendors, suppliers or other purchasers or sellers of goods or services, in each case in the ordinary course of business (including pursuant to joint venture agreements);
- (9) the issuance or sale of any Qualified Capital Stock of the Company;
- (10) any transaction on arm's-length terms with any non-Affiliate that becomes an Affiliate as a result of such transactions; and
- (11) any transaction with respect to which, prior to the consummation thereof, the Company or the relevant Restricted Subsidiary obtains a favorable opinion as to the fairness of such transaction or series of related transactions to the Company or the relevant Restricted Subsidiary, as the case may be, from a financial point of view, from an Independent Financial Advisor and delivers the same to the Trustee.

SECTION 4.08 Change of Control. (a) Upon the occurrence of a Change of Control, each Holder shall have the right to require that the Company purchase all or a portion of such Holder's Securities pursuant to the offer described below (the "Change of Control Offer"), at a purchase price equal to 101% of the principal amount thereof plus accrued and unpaid interest, if any, to, but excluding, the date of purchase (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date) (such amount, the "Change of Control Payment").

(b) Within 30 days following the date upon which the Change of Control occurred (unless the Company has previously or concurrently mailed a redemption notice with respect to all outstanding pursuant to Section 3.06), the Company shall send a notice to each Holder, with a copy to the Trustee, which notice shall govern the terms of the Change of Control Offer. Such notice shall state, among other things:

(1) that a Change of Control has occurred and that such Holder has the right to require the Company to purchase such Holder's Securities at a purchase price in cash equal to 101% of the principal amount thereof on the date of purchase, plus accrued and unpaid interest, if any, to the date of purchase (subject to the right of Holders of record on the relevant record date to receive interest on the relevant interest payment date);

(2) the circumstances and relevant facts regarding such Change of Control;

(3) the purchase date (which shall be no earlier than 30 days nor later than 60 days from the date such notice is mailed, other than as may be required by law) (the "Change of Control Payment Date"); and

(4) the instructions, as determined by the Company, consistent with this Section 4.08, that a Holder must follow in order to have its Securities purchased.

(c) Holders electing to have a Security purchased pursuant to a Change of Control Offer shall be required to surrender the Security, with the form entitled "Option of Holder to Elect Purchase" on the reverse of the Security completed, to the Paying Agent at the address specified in the notice prior to the close of business on the third Business Day prior to the Change of Control Payment Date. Purchases of Global Securities will be effected through the applicable procedures of the Depository. Holders shall be entitled to withdraw their election if the Trustee or the Company receives not later than one Business Day prior to the Change of Control Payment Date, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Security which was delivered for purchase by the Holder and a statement that such Holder is withdrawing his election to have such Security purchased.

(d) On the Change of Control Payment Date, all Securities purchased by the Company under this Section shall be delivered by the Company to the Trustee for cancellation, and the Company shall pay the purchase price plus accrued and unpaid interest, if any, to the Holders entitled thereto.

(e) Notwithstanding the foregoing provisions of this Section, the Company shall not be required to make a Change of Control Offer upon a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Company and purchases all Securities validly tendered and not withdrawn under such Change of Control Offer.

(f) A Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer.

(g) The Company shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws and regulations are applicable in connection with the repurchase of Securities pursuant to a Change of Control Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.08, the Company shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Section 4.08 by virtue thereof.

SECTION 4.09 Limitation on Liens. (a) The Company shall not, and shall not cause or permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, assume or permit or suffer to exist any Liens ("Initial Lien") of any kind against or upon any property or assets of the Company or any of its Restricted Subsidiaries whether owned on the Issue Date or acquired after the Issue Date, or any proceeds therefrom, or assign or otherwise convey any right to receive income or profits therefrom other than:

(1) in the case of the Notes Priority Collateral, any Initial Lien that is a Permitted Collateral Lien;

(2) in the case of the ABL Priority Collateral, any Initial Lien (a) securing Indebtedness incurred pursuant to Section 4.03(b)(2) if the Securities and the Guarantees are secured on a second-priority basis by such ABL Priority Collateral or (b) that is a Permitted Lien (other than a Permitted Lien pursuant to clause (29) of the definition thereof); and

(3) in the case of any other asset or property, any Initial Lien (a) if the Securities and the Guarantees are equally and ratably secured with (or on a senior basis to, in the case such Initial Lien secures any Subordinated Indebtedness) the obligations secured by such Initial Lien or (b) that is a Permitted Lien.

(b) Any Lien created for the benefit of the Holders of Securities pursuant to Section 4.09(a)(2) or (3) will be automatically and unconditionally released and discharged upon the release and discharge of each Initial Lien to which it relates, which release and discharge in the case of any sale of any asset or property shall not affect any Lien that the Notes Collateral Agent may have on the proceeds from such sale.

(c) Any reference to a Permitted Collateral Lien or a Permitted Lien is not intended to subordinate or postpone, and shall not be interpreted as subordinating or postponing, or as any agreement to subordinate or postpone, any Lien in favor of the Notes Collateral Agent in respect of the Notes Priority Collateral or the ABL Priority Collateral.

(d) With respect to any Lien securing Indebtedness that was permitted to secure such Indebtedness at the time of the incurrence of such Indebtedness, such Lien shall also be permitted to secure any Increased Amount of such Indebtedness. The "Increased Amount" of any Indebtedness shall mean any increase in the amount of such Indebtedness in connection with any accrual of interest or fees, any accretion of accreted

value, any amortization of original issue discount, any payment of interest in the form of additional Indebtedness containing the same terms or in the form of Qualified Capital Stock of the Company, any payment of dividends on Preferred Stock in the form of additional shares of Preferred Stock of the same class or any accretion of original issue discount or liquidation preference and any increase in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies or increases in the value of property securing Indebtedness.

SECTION 4.10 Future Guarantors. The Company shall not permit any of its Wholly Owned Subsidiaries that is organized in the United States or any State thereof or the District of Columbia (other than a Pass-Through Foreign Holdco), directly or indirectly, by way of the pledge of any intercompany note or otherwise, to incur any Indebtedness or assume, guarantee or in any other manner become liable with respect to Indebtedness of the Company or any Guarantor, including under the Credit Agreement, unless such Restricted Subsidiary is a Guarantor or contemporaneously executes and delivers to the Trustee a Guarantee Agreement pursuant to which such Restricted Subsidiary shall guarantee payment of the Securities on a senior secured basis on the same terms and conditions as those set forth in this Indenture and applicable to the other Guarantors, and the Company delivers to the Trustee an Officers' Certificate and an Opinion of Counsel stating that all applicable conditions and covenants contained in this Indenture have been complied with and an Opinion of Counsel that such Guarantee Agreement has been duly authorized, executed and delivered by such Restricted Subsidiary and constitutes a legal, valid, binding and enforceable obligation of such Restricted Subsidiary.

Notwithstanding the foregoing, any such Guarantee by a Wholly Owned Subsidiary of the Securities shall provide by its terms that it shall be automatically and unconditionally released and discharged, as described under Article 10 of this Indenture.

SECTION 4.11 Compliance Certificate. The Company shall deliver to the Trustee within 120 days after the end of each fiscal year of the Company an Officers' Certificate stating that in the course of the performance by the signers of their duties as Officers of the Company they would normally have knowledge of any Default and whether or not the signers know of any Default that occurred during such period. If they do, the certificate shall describe the Default, its status and what action the Company is taking or proposes to take with respect thereto.

SECTION 4.12 Information Regarding Collateral. (a) The Company shall furnish to the Notes Collateral Agent, with respect to the Company or any Guarantor, written notice within 35 days of any change in such Person's (i) organizational name, (ii) jurisdiction of organization or formation, (iii) identity or organizational structure or (iv) to the extent that such Person is organized or owns mortgaged property in a jurisdiction where an organizational identification number is required to be included in a Uniform Commercial Code financing statement for such jurisdiction, organizational identification number. The Company and the Guarantors shall agree to make all filings under the Uniform Commercial Code or equivalent statutes or otherwise that are required by applicable law in order for the Notes Collateral Agent to continue at all times following such change to have a valid, legal and perfected security interest in all the Collateral.

(b) The Company shall (i) furnish to the Trustee and the Notes Collateral Agent prompt written notice of any casualty or other insured damage to any material portion of the Collateral or the commencement of any action or proceeding for the taking of any material portion of the Collateral under power of eminent domain or by condemnation or similar proceeding and (ii) ensure that the net proceeds of any such event (whether in the form of insurance proceeds, condemnation awards or otherwise) are collected and applied in accordance with the applicable provisions of the Security Documents.

SECTION 4.13 Further Assurances and After-Acquired Property. (a) Subject to the applicable limitations set forth in the Security Documents and this Indenture (including with respect to Excluded Assets), the Company and the Guarantors shall execute any and all further documents, financing statements, agreements and instruments, and take all further action that may be required under applicable law, or that the Notes Collateral Agent may reasonably request, in order to grant, preserve, protect and perfect the validity and priority of the security interests created or intended to be created by the Security Documents in the Collateral. Subject to the applicable limitations set forth in the Security Documents and this Indenture (including with respect to Excluded Assets), if the Company or a Guarantor acquires property that is not automatically subject to a perfected security interest under the Security Documents and such property constitutes or would constitute Collateral (including any asset of the Company or a Guarantor that becomes Collateral subsequent to the Issue Date as a result of such asset ceasing to be an Excluded Asset) or an entity becomes a Guarantor, then the Company or such Guarantor shall, within 120 days after acquisition or after such entity becomes a Guarantor, or 120 days after the date such asset ceases to be an Excluded Asset, provide a security interest over such property (or, in the case of a new Guarantor, its assets that would constitute Collateral under the Security Documents) in favor of the Notes Collateral Agent and deliver certain joinder agreements or supplements as required by this Indenture and the Security Documents. Notwithstanding the foregoing, until the Discharge of ABL Obligations, the Company and the Guarantors shall only be required to comply with the foregoing requirements with respect to any ABL Priority Collateral to the extent that such ABL Priority Collateral is concurrently being pledged to secure the obligations under the Lenders Debt.

(b) In addition, the Company and the Guarantors shall:

(1) on or before the date that is 120 days after the Issue Date, deliver to the Notes Collateral Agent (A) counterparts of a mortgage, deed of trust or similar instrument (each a "Mortgage") with respect to all Issue Date Real Property Collateral, duly executed and delivered by the Company or the Guarantor, as applicable, which owns such real property, (B) a policy or policies of title insurance (or fully committed pro forma therefor) issued by a nationally recognized title insurance company insuring the Lien of such mortgage as a valid and enforceable Lien on a first-priority basis on the mortgaged property described therein, free of any other Liens except Permitted Collateral Liens, together with customary endorsements, coinsurance and reinsurance, (C) if such mortgaged property is located in an area determined by the Federal Emergency Management Agency to have special flood hazards, evidence of such flood insurance as may be required under applicable law, including Regulation H of the Board of Governors, and (D) such surveys, abstracts, appraisals, legal opinions and other documents as necessary (or the Notes Collateral Agent may reasonably request) with respect to any such mortgage or mortgaged property;

(2) on or before the date that is 120 days after the Issue Date, deliver to the Notes Collateral Agent control agreements and related pledge agreements in respect of deposit accounts and securities accounts (if any) required pursuant to the Security Documents; and

(3) on or before the date that is 120 days after the Issue Date, amend the limited liability company agreements of each limited liability company that is a Guarantor to address treatment of the relevant membership interests under Article 8 of the Uniform Commercial Code and to provide for a pledgee to become a member of such limited liability company without member consent upon exercise of the pledge.

(c) Upon satisfaction of its covenants under either clause (a) or (b) above in respect of any Guarantor or after-acquired property, the Company shall deliver to the Trustee and Notes Collateral Agent an Officers' Certificate to such effect.

SECTION 4.14 Further Instruments and Acts. As necessary (or upon request of the Trustee), the Company shall execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture at the Company's expense.

SECTION 4.15 Covenant Suspension. If on any date following the Issue Date, (i) the Securities have Investment Grade Ratings from both Rating Agencies, and (ii) no Default has occurred and is continuing under this Indenture then, beginning on that day (the occurrence of the events described in the foregoing clauses (i) and (ii) being collectively referred to as a "Covenant Suspension Event"), the covenants specifically listed in the following sections will not be applicable to the Securities (collectively, the "Suspended Covenants"):

- (1) Section 4.03;
- (2) Section 4.04;
- (3) Section 4.05;
- (4) Section 4.06;
- (5) Section 4.07;
- (6) Section 4.10; and
- (7) Section 5.01(a)(2).

If and while the Company and its Restricted Subsidiaries are not subject to the Suspended Covenants, the Securities will be entitled to substantially less covenant protection. In the event that the Company and its Restricted Subsidiaries are not subject to the Suspended Covenants under this Indenture for any period of time as a result of the foregoing, and on any subsequent date (the "Reversion Date") one or both of the Rating Agencies withdraw their Investment Grade Rating or downgrade the rating assigned to the Securities below an Investment Grade Rating, then the Company and its Restricted Subsidiaries will thereafter again be subject to the Suspended Covenants under this Indenture with respect to future events. The period of time between the Covenant Suspension Event and the Reversion Date is referred to in this description

as the "Suspension Period". The Company will provide the Trustee with written notice of each Covenant Suspension Event or Reversion Date within five Business Days of the occurrence thereof. The Trustee will have no duty to monitor or provide notice to the Holders of the Securities of any Covenant Suspension Event or Reversion Date.

On each Reversion Date, all Indebtedness incurred or issued during the Suspension Period will be classified as having been incurred or issued pursuant to Section 4.03(a) or one of the clauses set forth in Section 4.03(b) (to the extent such Indebtedness would be permitted to be incurred or issued thereunder as of the Reversion Date and after giving effect to Indebtedness incurred or issued prior to the Suspension Period and outstanding on the Reversion Date). To the extent such Indebtedness would not be so permitted to be incurred or issued pursuant to Section 4.03(a) or Section 4.03(b), such Indebtedness will be deemed to have been outstanding on the Issue Date, so that it is classified as permitted under Section 4.03(b)(3).

Calculations made after the Reversion Date of the amount available to be made as Restricted Payments pursuant to Section 4.04 will be made as though Section 4.04 had been in effect since the Issue Date and prior to, but not during, the Suspension Period. Accordingly, Restricted Payments made during the Suspension Period will not reduce the amount available to be made as Restricted Payments under Section 4.04(a). No Subsidiary may be designated as an Unrestricted Subsidiary during the Suspension Period, unless such designation would have complied with the covenant set forth under Section 4.04 as if such covenant were in effect during such period. During the Suspension Period, any reference in the definition of "Unrestricted Subsidiary" to Section 4.03 or any provision thereof shall be construed as if such covenant had remained in effect since the Issue Date and during the Suspension Period. In addition, for purposes of Section 4.07, all agreements and arrangements entered into by the Company or any Restricted Subsidiary with an Affiliate of the Company during the Suspension Period prior to such Reversion Date will be deemed to have been entered into pursuant to Section 4.07(b)(3), and for purposes of Section 4.05, all contracts entered into during the Suspension Period prior to such Reversion Date that contain any of the restrictions contemplated by such covenant will be deemed to have been entered into pursuant to Section 4.05(3)(e).

No Default or Event of Default will be deemed to have occurred on the Reversion Date as a result of any actions taken by the Company or its Restricted Subsidiaries during the Suspension Period.

For purposes of Section 4.06, on the Reversion Date, the unutilized Net Cash Proceeds amount will be reset to zero.

Article 5

Surviving Entity

SECTION 5.01 Merger, Consolidation and Sale of All or Substantially All Assets. (a) The Company shall not, in a single transaction or series of related transactions, consolidate or merge with or into any Person, or sell, assign, transfer, lease, convey or otherwise dispose of (or cause or permit any Restricted Subsidiary of the Company to sell, assign, transfer, lease, convey or otherwise dispose of) all or substantially all of the Company's assets (determined on a consolidated basis for the Company and the Company's Restricted Subsidiaries) to any Person unless:

(1) either:

(a) the Company shall be the surviving or continuing corporation; or

(b) the Person (if other than the Company) formed by such consolidation or into which the Company is merged or the Person that acquires by sale, assignment, transfer, lease, conveyance or other disposition all or substantially all of the Company's assets (the "Surviving Entity") (i) shall be a corporation organized and validly existing under the laws of the United States or any State thereof or the District of Columbia, and (ii) shall expressly assume, by supplemental indenture or other documents or instruments, executed and delivered to the Trustee, the due and punctual payment of the principal of, and premium, if any, and interest on all of the Securities and the performance of every covenant of the Securities and this Indenture on the part of the Company to be performed or observed, and all obligations of the Company under the Security Documents, the Intercreditor Agreement, the Pari Passu Intercreditor and Collateral Agency Agreement (if any) and the Junior Lien Intercreditor Agreement (if any);

(2) immediately after giving effect to such transaction and the assumption contemplated by clause (1)(b)(ii) above (including giving effect to any Indebtedness and Acquired Indebtedness incurred or anticipated to be incurred in connection with or in respect of such transaction), the Company or such Surviving Entity, as the case may be, (x) shall be able to incur at least \$1.00 of additional Indebtedness pursuant to Section 4.03(a) or (y) the Consolidated Fixed Charge Coverage Ratio of the Company would be not less than immediately prior to such transaction and the assumption contemplated by clause (1)(b)(ii) above;

(3) immediately after giving effect to such transaction and the assumption contemplated by clause (1)(b)(ii) above (including, without limitation, giving effect to any Indebtedness and Acquired Indebtedness incurred or anticipated to be incurred and any Lien granted in connection with or in respect of the transaction), no Default or Event of Default shall have occurred or be continuing;

(4) the Company or the Surviving Entity shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, merger, sale, assignment, transfer, lease, conveyance or other disposition and, if a supplemental indenture or other documents or instruments are required in connection with such transaction, such supplemental indenture, documents or instruments, as applicable, have been duly authorized, executed and delivered are legal, valid and binding agreements enforceable against the Surviving Entity, comply with the applicable provisions of this Indenture and that all conditions precedent in this Indenture relating to such transaction have been satisfied;

(5) to the extent any assets of the Person that is consolidated with or merged with or into the Surviving Entity are assets of the type that would constitute Collateral under the Security Documents, the Surviving Entity shall take such action as may be reasonably necessary to cause such property and assets to be made subject to the Lien of the Security Documents in the manner and to the extent required in this Indenture or any of the Security Documents and shall take all reasonably necessary action so that such Lien is perfected to the extent required by this Indenture and the Security Documents; and

(6) the Collateral owned by or transferred to the Surviving Entity shall: (a) continue to constitute Collateral under this Indenture and the Security Documents, (b) be subject to the Lien in favor of the Notes Collateral Agent for the benefit of the Securityholder Secured Parties and (c) not be subject to any Lien other than Permitted Collateral Liens or Permitted Liens, as the case may be, and other Liens permitted under Section 4.09.

For purposes of this Section 5.01, the transfer (by lease, assignment, sale or otherwise, in a single transaction or series of transactions) of all or substantially all of the properties or assets of one or more Restricted Subsidiaries of the Company, the Capital Stock of which constitutes all or substantially all of the properties and assets of the Company, shall be deemed to be the transfer of all or substantially all of the properties and assets of the Company.

Notwithstanding the foregoing clauses (2) and (3), the Company may merge with an Affiliate that is a Person that has no material assets or liabilities and that was organized solely for the purpose of reorganizing the Company in another jurisdiction in the United States, any State thereof or the District of Columbia so long as the amount of Indebtedness of the Company is not increased thereby.

Upon any consolidation, combination or merger or any transfer of all or substantially all of the assets of the Company in accordance with this Section 5.01 in which the Company is not the surviving or continuing corporation, the Surviving Entity shall succeed to, and be substituted for, and may exercise every right and power of, the Company under this Indenture, the Security Documents and the Securities with the same effect as if such Surviving Entity had been named as such.

(b) Each Guarantor (other than any Guarantor whose Guarantee is to be released in accordance with the terms of the Guarantee and this Indenture in connection with any transaction complying with Section 4.06) shall not, and the Company shall not cause or permit any Guarantor to, consolidate with or merge with or into any Person other than the Company or any other Guarantor, or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of such Guarantor's assets to any Person other than the Company or any other Guarantor unless:

(1) the entity formed by or surviving any such consolidation or merger (if other than the Guarantor) or to which such sale, assignment, transfer, lease, conveyance or other disposition shall have been made is a corporation organized and existing under the laws of the United States or any State thereof or the District of Columbia;

(2) such entity assumes by supplemental indenture or other documents or instruments all of the obligations of the Guarantor on the Guarantee and the applicable Security Documents, the Intercreditor Agreement, the Pari Passu Intercreditor and Collateral Agency Agreement (if any) and the Junior Lien Intercreditor Agreement (if any);

(3) immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing;

(4) to the extent any assets of the Person that is consolidated with or merged with or into such entity are assets of the type that would constitute Collateral under the Security Documents, such entity shall take such action as may be reasonably necessary to cause such property and assets to be made subject to the Lien of the Security Documents in the manner and to the extent required in this Indenture or any of the Security Documents and shall take all reasonably necessary action so that such Lien is perfected to the extent required by this Indenture and the Security Documents;

(5) the Company shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that (x) such consolidation, merger, sale, assignment, transfer, lease, conveyance or other disposition and, if a supplemental indenture or any other documents or instruments are required in connection with such transaction, such supplemental indenture, documents or instruments, as applicable, (i) have been duly authorized, executed and delivered, (ii) are legal, valid and binding agreements, enforceable against such entity and (iii) comply with the applicable provisions of this Indenture, and (y) that all conditions precedent in this Indenture relating to such transactions have been satisfied; and

(6) the Collateral owned by or transferred to such entity shall (a) continue to constitute Collateral under this Indenture and the Security Documents, (b) be subject to the Lien favor of the Notes Collateral Agent for the benefit of the Securityholder Secured Parties and (c) not be subject to any Lien other than Permitted Liens and other Liens permitted under Section 4.09.

Subject to certain limitations described in this Indenture, such entity will succeed to, and be substituted for, such Guarantor under this Indenture, the Security Documents, the Intercreditor Agreement, the Pari Passu Intercreditor and Collateral Agency Agreement, if any, and such Guarantor's Guarantee.

Notwithstanding the foregoing clause (3), any Guarantor may merge with an Affiliate that is a Person that has no material assets or liabilities and that was organized solely for the purpose of reorganizing the Guarantor in another jurisdiction in the United States, any State thereof or the District of Columbia so long as the amount of Indebtedness of the Company and its Restricted Subsidiaries is not increased thereby.

Defaults and Remedies

SECTION 6.01 Events of Default. Each of the following events is an “Event of Default”:

- (1) the failure to pay interest on any Security when the same becomes due and payable and the default continues for a period of 30 days;
- (2) the failure to pay the principal on any Security, when such principal becomes due and payable, at maturity, upon redemption, upon declaration of acceleration or otherwise (including the failure to make a payment to purchase Securities tendered pursuant to a Change of Control Offer or a Net Proceeds Offer);
- (3) the failure by the Company to comply with Section 5.01;
- (4) the failure by the Company or any Guarantor to comply for 60 days after written notice with its other covenants or agreements contained in this Indenture, the Security Documents, the Intercreditor Agreement or any Pari Passu Intercreditor and Collateral Agency Agreement or Junior Lien Intercreditor Agreement (other than a default referred to in clauses (1) through (3) above);
- (5) the failure to pay at final maturity (giving effect to any applicable grace periods and any extensions thereof) the stated principal amount of any Indebtedness of the Company, any Guarantor or any Significant Subsidiary of the Company, or the acceleration of the final stated maturity of any such Indebtedness if the aggregate principal amount of such Indebtedness, together with the principal amount of any other such Indebtedness in default for failure to pay principal at final stated maturity (giving effect to any applicable grace periods and any extensions thereof) or that has been accelerated, aggregates \$35,000,000 or more at any time;
- (6) one or more judgments or decrees for the payment of money in an aggregate amount in excess of \$35,000,000 (net of any amounts that are covered by insurance issued by a reputable and creditworthy insurance company) shall have been rendered against the Company, any Guarantor or any Significant Subsidiary of the Company and such judgments or decrees remain undischarged, unpaid or unstayed for a period of 60 days after such judgment or judgments become final and non-appealable;
- (7) the Company, any Guarantor or any Significant Subsidiary of the Company pursuant to or within the meaning of any Bankruptcy Law:

- (a) commences a voluntary case;
- (b) consents to the entry of an order for relief against it in an involuntary case;
- (c) consents to the appointment of a Custodian of it or for any substantial part of its property; or
- (d) makes a general assignment for the benefit of its creditors; or takes any comparable action under any foreign laws relating to insolvency;

(8) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

- (a) is for relief against the Company, any Guarantor or any Significant Subsidiary of the Company in an involuntary case;
- (b) appoints a Custodian of the Company, any Guarantor or any Significant Subsidiary of the Company or for any substantial part of its property; or
- (c) orders the winding up or liquidation of the Company, the Guarantor or any Significant Subsidiary of the Company;

or any similar relief is granted under any foreign laws and the order or decree remains unstayed and in effect for 60 days;

(9) any Guarantee by any Significant Subsidiary ceases to be in full force and effect (other than in accordance with the terms of such Guarantee), is declared to be null and void and unenforceable by any final and non-appealable judgment or decree, or any Guarantor that is a Significant Subsidiary denies or disaffirms its liability under its Guarantee; or

(10) with respect to Collateral individually or in the aggregate, having a fair market value in excess of \$35,000,000, (a) any of the Security Documents ceases to be in full force and effect, (b) any of the Security Documents ceases to give the Holders of Securities the Liens purported to be created thereby with the priority contemplated thereby, or (c) any of the Security Documents is declared null and void or the Company or any Guarantor that is a Significant Subsidiary denies in writing that it has any further liability under any Security Document or gives written notice to such effect (in each case (i) other than in accordance with the terms of this Indenture, the Intercreditor Agreement, the Pari Passu Intercreditor and Collateral Agency Agreement (if any), the Junior Lien Intercreditor Agreement (if any) and the Security Documents or (ii) unless waived by the requisite lenders under the Credit Agreement if, after that waiver, the Company is in compliance with Section 4.13 and Article 11), except to the extent that any loss of perfection or priority results from the failure of the Notes Collateral Agent or the Bank Collateral Agent to maintain possession of certificates actually delivered to it representing securities pledged under the Security Documents.

A Default under clause (4) above will not constitute an Event of Default until the Trustee or the Holders of 25% in principal amount of outstanding Securities, with a copy to the Trustee, notify the Company of the Default and the Company does not cure such Default within the time specified in clause (4) above after receipt of such notice.

The foregoing will constitute Events of Default whatever the reason for any such Event of Default and whether it is voluntary or involuntary or is effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body.

The term "Bankruptcy Law" means Title 11, United States Code, or any similar Federal or state law for the relief of debtors. The term "Custodian" means any receiver, trustee, assignee, liquidator, custodian or similar official under any Bankruptcy Law.

The Company shall deliver an Officers' Certificate to a Responsible Officer of the Trustee promptly upon any such Officers obtaining knowledge of any Default or Event of Default (provided that such Officers shall provide such certification at least annually whether or not such Officers have obtained knowledge of any Default or Event of Default as provided in Section 4.11) that has occurred and, if applicable, describe such Default or Event of Default and the status thereof and such notice shall state that it is a notice of Default or Event of Default.

In the event of any Event of Default specified in clause (5) above, such Event of Default and all consequences thereof will be annulled, waived and rescinded, automatically and without any action by the Trustee or the Holders of the Securities, if prior to 30 days after such Event of Default arose, the Company delivers an Officers' Certificate to the Trustee stating that (a) the Indebtedness that is the basis for such Event of Default has been discharged or (b) the requisite amount of holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default or (c) the default that is the basis for such Event of Default has otherwise been cured. If a Default for a failure to report or failure to deliver a required certificate in connection with another Default (the "Initial Default") occurs, then, at the time such Initial Default is cured, the Default that resulted solely because of that Initial Default will also be cured without any further action.

SECTION 6.02 Acceleration. If an Event of Default (other than an Event of Default specified in Section 6.01(7) or (8) with respect to the Company) shall occur and be continuing, the Trustee or the Holders of at least 25% in principal amount of outstanding Securities may declare the principal of and accrued interest on all the Securities to be due and payable by notice in writing to the Company and the Trustee specifying the respective Event of Default and that it is a "Notice of Acceleration" and the same shall become immediately due and payable. If an Event of Default specified in Section 6.01(7) or (8) with respect to the Company occurs and is continuing, then all unpaid principal of, and premium, if any, and accrued and unpaid interest on all of the outstanding Securities shall ipso facto become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder. At any time after a declaration of acceleration with respect to the Securities as described above, the Holders of a majority in principal amount of the outstanding Securities may rescind and cancel such declaration and its consequences:

(a) if the rescission would not conflict with any judgment or decree;

(b) if all existing Events of Default have been cured or waived except nonpayment of principal or interest that has become due solely because of such acceleration;

(c) to the extent the payment of such interest is lawful, interest on overdue installments of interest and overdue principal, which has become due otherwise than by such declaration of acceleration, has been paid;

(d) if the Company has paid the Trustee its reasonable compensation and reimbursed the Trustee for its expenses, indemnities, disbursements and advances; and

(e) in the event of the cure or waiver of an Event of Default of the type described in Section 6.01(5), the Trustee shall have received an Officers' Certificate and an Opinion of Counsel that such Event of Default has been cured or waived.

No such rescission shall affect any subsequent Default or impair any right consequent thereto.

SECTION 6.03 Other Remedies. If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal of or interest on the Securities or to enforce the performance of any provision of the Securities or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Securities or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative. The assertion or employment of any right or remedy hereunder shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceedings, the Company, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

SECTION 6.04 Waiver of Past Defaults. The Holders of a majority in principal amount of the outstanding Securities may waive any existing Default or Event of Default under this Indenture, and its consequences, except a Default in the payment of the principal of or interest on any Security. When a Default is waived, it is deemed cured, but no such waiver shall extend to any subsequent or other Default or impair any consequent right.

SECTION 6.05 Control by Majority. The Holders of a majority in principal amount of the outstanding Securities may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee and the Notes Collateral Agent or of exercising any trust or power conferred on the Trustee or the Notes Collateral Agent, as applicable. However, the Trustee and the Notes Collateral Agent may refuse to follow any direction that conflicts with law or this Indenture, the Securities and the Security Documents or, subject to Section 7.01, that the Trustee or the Notes Collateral Agent determines is unduly prejudicial to the rights of other Holders or would involve the Trustee or the Notes Collateral Agent, as applicable in personal liability; provided, however, that the Trustee and the Notes Collateral Agent, as applicable may take any other action deemed proper by the Trustee or the Notes Collateral Agent, as applicable that is not inconsistent with such direction. Prior to taking any action under this Indenture at the direction of the Holders, the Trustee or the Notes Collateral Agent shall be entitled to security or indemnification satisfactory to it in its sole discretion against all losses and expenses caused by taking or not taking such action.

SECTION 6.06 Limitation on Suits. Except to enforce the right to receive payment of principal, premium (if any) or interest when due, no Holder may pursue any remedy with respect to this Indenture or the Securities unless:

- (1) the Holder gives to the Trustee written notice stating that an Event of Default is continuing;
- (2) the Holders of at least 25% in principal amount of the outstanding Securities make a written request to the Trustee to pursue the remedy;
- (3) such Holder or Holders offer to the Trustee security or indemnity satisfactory to it against any loss, liability or expense;
- (4) the Trustee does not comply with the request within 60 days after receipt of the request and the offer of security or indemnity; and
- (5) the Holders of a majority in principal amount of the outstanding Securities do not give the Trustee a direction inconsistent with the request during such 60-day period.

Notwithstanding the foregoing, in no event may any Holder enforce any Lien of the Notes Collateral Agent pursuant to the Security Documents.

SECTION 6.07 Rights of Holders to Receive Payment.

Notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of principal of and interest on the Securities held by such Holder, on or after the respective due dates expressed in the Securities, or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

SECTION 6.08 Collection Suit by Trustee. If an Event of Default specified in Section 6.01(1) or (2) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Company for the whole amount then due and owing (together with interest on any unpaid interest to the extent lawful) and the amounts provided for in Section 7.06.

SECTION 6.09 Trustee May File Proofs of Claim. The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee and the Holders allowed in any judicial proceedings relative to the Company, its creditors or its property and, unless prohibited by law or applicable regulations, may vote on behalf of the Holders in any election of a trustee in bankruptcy or other Person performing similar functions, and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel, and any other amounts due the Trustee or the Notes Collateral Agent under Section 7.06 or Section 11.09. To the extent that such payment of reasonable compensation, expenses, advances and disbursements out of the estate in any such proceedings shall be denied for any reason, payment of the same shall be secured by a lien on, and shall be paid out of, any and all distributions, dividends, monies, securities and other property that the Holders of the Securities may be entitled to receive in such proceedings, whether in liquidation or under any plan of reorganization or arrangement or otherwise.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting such Holder or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

SECTION 6.10 Priorities. Subject to the terms of the Security Documents and the Intercreditor Agreement and Pari Passu Intercreditor and Collateral Agency Agreement (if any) with respect to any proceeds of Collateral, including in respect of any sale of, collection from, or other realization upon all or any part of the Collateral, if the Trustee or Notes Collateral Agent collects any money or property pursuant to this Article 6, it shall pay out the money or property, together with other amounts held by the Trustee under this Indenture, in the following order:

FIRST: to the Trustee for amounts due under Section 7.06 and to the Notes Collateral Agent for the amounts due under Section 11.09 or under any Security Document, including without limitation all costs and expenses incurred by, and all indemnity and fee obligations;

SECOND: to Holders for amounts due and unpaid on the Securities for principal, premium and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Securities for principal and interest, respectively; and

THIRD: to the Company, or to the extent the Trustee collects any amount for any Guarantor, to such Guarantor, or as a court of competent jurisdiction may otherwise direct.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section. At least 15 days before such record date, the Company shall mail to each Holder and the Trustee a notice that states the record date, the payment date and amount to be paid.

SECTION 6.11 Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07 or a suit by Holders of more than 10% in aggregate principal amount of the outstanding Securities.

SECTION 6.12 Waiver of Stay or Extension Laws. The Company (to the extent it may lawfully do so) shall not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Company (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted.

Article 7

Trustee

SECTION 7.01 Duties of Trustee. (a) During the existence of an Event of Default, of which a Responsible Officer of the Trustee has actual knowledge or has received written notice thereof, the Trustee shall exercise such rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs.

(b) Except during the continuance of an Event of Default:

(1) the duties of the Trustee shall be determined solely by the express provisions of this Indenture and the Trustee shall perform only such duties as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, in the case of any such certificates or opinions which are specifically required to be furnished to the Trustee pursuant to this Indenture, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liability for its own gross negligent action, its own gross negligent failure to act or its own willful misconduct, except that:

(1) this paragraph does not limit the effect of paragraph (b) of this Section;

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer of the Trustee unless it is proved that the Trustee was grossly negligent in ascertaining the pertinent facts; and

(3) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05.

(d) Every provision of this Indenture that in any way relates to the Trustee is subject to this Section 7.01 and Section 7.02.

(e) The Trustee shall not be liable for interest or investment income on any money received by it except as the Trustee may agree in writing with the Company.

(f) Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(g) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers, if it shall have reasonable grounds to believe that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

SECTION 7.02 Rights of Trustee. (a) The Trustee may conclusively rely on any document believed by it to be genuine and to have been signed or presented by the proper person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on the Officers' Certificate or Opinion of Counsel.

(c) The Trustee may act through agents and shall not be responsible for the misconduct or gross negligence of any agent appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers; provided, however, that the Trustee's conduct does not constitute willful misconduct or gross negligence.

(e) The Trustee may consult with counsel, and the advice or opinion of counsel with respect to legal matters relating to this Indenture and the Securities shall be full and complete authorization and protection from liability in respect to any action taken, omitted or suffered by it hereunder in good faith and in reliance upon the advice or opinion of such counsel.

(f) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval, bond, debenture, note or other paper or document unless requested in writing to do so by the Holders of not less than a majority in principal amount of the Securities at the time outstanding, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney, at the expense of the Company and shall incur no liability of any kind by reason of such inquiry or investigation.

(g) The rights, privileges, protections, immunities and benefits given to the Trustee, including its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder.

(h) The Trustee shall not be responsible or liable for any action taken or omitted by it in good faith at the direction of the Holders of not less than a majority in principal amount of the Securities as to the time, method and place of conducting any proceedings for any remedy available to the Trustee or the exercising of any power conferred by this Indenture.

(i) Any action taken, or omitted to be taken, by the Trustee in good faith pursuant to this Indenture upon the request or authority or consent of any person who, at the time of making such request or giving such authority or consent, is the holder of any Security shall be conclusive and binding upon future holders of Securities and upon Securities executed and delivered in exchange therefor or in place thereof.

(j) The Trustee may request that the Company deliver an Officers' Certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officers' Certificate may be signed by any Person authorized to sign an Officers' Certificate, including any Person specified as so authorized in any such certificate previously delivered and not superseded.

(k) The Trustee shall not be responsible or liable for punitive, special, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of actions.

(l) The Trustee shall not be required to give any bond or surety in respect of the execution of the trusts and powers under this Indenture.

(m) Any permissive right of the Trustee to take or refrain from taking actions enumerated in this Indenture or other Note Documents shall not be construed as a duty.

(n) The Trustee shall not be responsible or liable for any failure or delay in the performance of its obligations under this Indenture arising out of or caused, directly or indirectly, by circumstances beyond its reasonable control, including, without limitation, acts of God; earthquakes; fire; flood; terrorism; wars and other military disturbances; sabotage; epidemics; riots; interruptions; loss or malfunction of utilities, computer (hardware or software) or communication services; accidents; labor disputes; and acts of civil or military authorities and governmental action.

(o) Neither the Trustee nor any of its directors, officers, employees, agents or affiliates shall be responsible for nor have any duty to monitor the performance or any action of the Company or any Guarantor, or any of their respective directors, members, officers, agents, affiliates or employee, nor shall it have any liability in connection with the malfeasance or nonfeasance by such party. The Trustee shall not be responsible for any inaccuracy in the information obtained from the Company or any Guarantor or for any inaccuracy or omission in the records which may result from such information or any failure by the Trustee to perform its duties as set forth herein as a result of any inaccuracy or incompleteness.

(p) If any party fails to deliver a notice relating to an event the fact of which, pursuant to this Indenture, requires notice to be sent to the Trustee, the Trustee may conclusively and without liability rely on its failure to receive such notice as reason to act as if no such event occurred.

(q) In the event that the Trustee is also acting as Registrar or Paying Agent, the rights, privileges, immunities and protections, including without limitation, its right to be indemnified, afforded to the Trustee pursuant to this Article 7 shall also be afforded to such Registrar or Paying Agent.

(r) The Trustee shall have no duty to inquire, no duty to determine and no duty to monitor as to the performance of the Company's covenants in this Indenture or the financial performance of the Company; the Trustee shall be entitled to assume, until it has received written notice in accordance with this Indenture, that the Company is properly performing its duties hereunder.

(s) The Trustee shall not be responsible or liable for the environmental condition or any contamination of any property secured by any mortgage or deed of trust or for any diminution in value of any such property as a result of any contamination of the property by any hazardous substance, hazardous material, pollutant or contaminant. The Trustee shall not be liable for any claims by or on behalf of the Holders or any other person or entity arising from contamination of the property by any hazardous substance, hazardous material, pollutant or contaminant, and shall have no duty or obligation to assess the environmental condition of any such property or with respect to compliance of any such property under state or federal laws pertaining to the transport, storage, treatment or disposal of, hazardous substances, hazardous materials, pollutants, or contaminants or regulations, permits or licenses issued under such laws.

(u) The Trustee shall be under no obligation to effect or maintain insurance or to renew any policies of insurance or to inquire as to the sufficiency of any policies of insurance carried by the Company or any Guarantor, or to report, or make or file claims or proof of loss for, any loss or damage insured against or that may occur, or to keep itself informed or advised as to the payment of any taxes or assessments, or to require any such payment to be made.

SECTION 7.03 Individual Rights of Trustee. The Trustee in its individual or any other capacity may become the owner or pledgee of Securities and may otherwise deal with the Company or its Affiliates with the same rights it would have if it were not Trustee. Any Paying Agent, Registrar, co-registrar or co-paying agent may do the same with like rights. However, the Trustee must comply with Section 7.08 and Section 7.09.

SECTION 7.04 Trustee's Disclaimer. The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture, the Securities, the Security Documents or the Intercreditor Agreement, any Pari Passu Intercreditor and Collateral Agency Agreement and any Junior Lien Intercreditor Agreement, and it shall not be accountable for the Company's use of the proceeds from the Securities or of any money paid to the Company at the Company's direction pursuant to the provisions of this Indenture, it shall not be responsible for the use or application of any money received by any agent other than the Trustee, and it shall not be responsible for any statement or recital in this Indenture or in any document issued in connection with the sale of the Securities or in the Securities other than the Trustee's certificate of authentication.

SECTION 7.05 Notice of Defaults. If a Default occurs, is continuing and is actually known to a Responsible Officer of the Trustee, the Trustee shall mail to each Securityholder notice of the Default within 90 days after it occurs. Except in the case of a Default in the payment of principal of or interest on any Security, the Trustee may withhold the notice if and so long as a Responsible Officer in good faith determines that withholding the notice is not opposed to the interests of the Securityholders. The Trustee shall not be deemed to know of any Default unless a Responsible Officer has actual knowledge thereof or unless written notice of any event which is such a Default is received by the Trustee at its Corporate Trust Office and such notice references this Indenture and the Securities and states that it is a notice of Default or Event of Default.

SECTION 7.06 Compensation and Indemnity. The Company and the Guarantors, jointly and severally, shall pay to the Trustee from time to time compensation for its services. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Company shall promptly reimburse the Trustee upon request for reasonable all disbursements, fees, costs, and out-of-pocket expenses incurred or made by it, including costs of collection, in addition to the compensation for its services. Such expenses shall include the reasonable compensation and fees, expenses, disbursements and advances of the Trustee's agents, counsel, accountants and experts. The Company and the Guarantors, jointly and severally, shall indemnify the Trustee and hold the Trustee harmless against any and all obligations, penalties, actions, claims judgments, suits, costs, claims, loss, damages, liability (including environmental liability) or expense (including reasonable, out-of-pocket attorneys' fees, expenses and disbursements) or reasonable disbursements of any kind incurred by it in connection with the administration of this trust and the performance of its duties hereunder and including the costs of defending itself against any claim (whether asserted by the Company, any Guarantor, and Holders or any other Person) and including those incurred with respect to enforcement of its right to indemnity hereunder. The Trustee shall notify the Company promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Company shall not relieve the Company of its obligations hereunder. The Company shall defend the claim and the Trustee may have separate counsel in each relevant jurisdiction and the Company shall pay the fees, disbursements and expenses of such counsel. The Company need not reimburse any expense or indemnify against any loss, liability or expense incurred by the Trustee through the Trustee's own willful misconduct, gross negligence or bad faith, as determined by the final judgment of a court of competent jurisdiction, no longer subject to appeal or review.

To secure the Company's payment obligations in this Section, the Trustee shall have a lien prior to the Securities on all money or property held or collected by the Trustee other than money or property held in trust to pay principal of and interest on particular Securities.

The Company's payment obligations pursuant to this Section shall survive the satisfaction and discharge of this Indenture and the resignation or removal of the Trustee. When the Trustee incurs expenses after the occurrence of a Default specified in Section 6.01(7) or (8) with respect to the Company, the expenses are intended to constitute expenses of administration under the Bankruptcy Law.

SECTION 7.07 Replacement of Trustee. The Trustee may resign at any time by so notifying the Company. The Holders of a majority in principal amount of the outstanding Securities may remove the Trustee by so notifying the Trustee in writing and may appoint a successor Trustee. The Company shall remove the Trustee if:

- (1) the Trustee fails to comply with Section 7.09;
- (2) the Trustee is adjudged bankrupt or insolvent;
- (3) a receiver or other public officer takes charge of the Trustee or its property; or
- (4) the Trustee otherwise becomes incapable of acting.

If the Trustee resigns, is removed by the Company or by the Holders of a majority in principal amount of the outstanding Securities and such Holders do not reasonably promptly appoint a successor Trustee, or if a vacancy exists in the office of Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee), the Company shall promptly appoint a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Securityholders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, subject to the lien provided for in Section 7.06.

If a successor Trustee does not take office within 30 days after the retiring Trustee resigns or is removed, the retiring Trustee or the Holders of 10% in principal amount of the outstanding Securities may petition any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee fails to comply with Section 7.09, any Securityholder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

Notwithstanding the replacement of the Trustee pursuant to this Section, the Company's obligations under Section 7.06 shall continue for the benefit of the retiring Trustee.

SECTION 7.08 Successor Trustee by Merger. If the Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation without any further act shall be the successor Trustee.

In case at the time such successor or successors by merger, conversion or consolidation to the Trustee shall succeed to the trusts created by this Indenture any of the Securities shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Securities so authenticated; and in case at that time any of the Securities shall not have been authenticated, any successor to the Trustee may authenticate such Securities either in the name of any predecessor hereunder or in the name of the successor to the Trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Securities or in this Indenture provided that the certificate of the Trustee shall have.

SECTION 7.09 Eligibility; Disqualification. There will at all times be a Trustee hereunder that is a corporation or national banking association organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has a combined capital and surplus of at least \$100,000,000 as set forth in its most recent published annual report of condition. The Trustee will be permitted to engage in other transactions with the Company or any Restricted Subsidiary; provided if it acquires any conflicting interest as defined in the TIA, it must eliminate such conflict within 90 days, apply to the Commission for permission to continue as Trustee (if this Indenture has been qualified under the TIA) or resign.

SECTION 7.10 Security Documents; Intercreditor Agreements. (a) By their acceptance of the Securities, the Holders hereby authorize and direct the Trustee and the Notes Collateral Agent, as the case may be, to execute and deliver the Intercreditor Agreement and the Security Documents in which the Trustee or the Notes Collateral Agent, as applicable, is named as a party, including any Security Documents executed after the Issue Date. Each Holder of Securities, by its acceptance of a Security, consents to the subordination of Liens provided for in the Intercreditor Agreement, and agrees that it will be bound by and will take no actions contrary to the provisions of the Intercreditor Agreement. It is hereby expressly acknowledged and agreed that, in doing so, the Trustee and the Notes Collateral Agent are not responsible for the terms or contents of such agreements, or for the validity or enforceability thereof, or the sufficiency thereof for any purpose. Whether or not so expressly stated therein, in entering into, or taking (or forbearing from) any action under or pursuant to, the Intercreditor Agreement or any other Security Document, the Trustee and the Notes Collateral Agent each shall have all the rights, immunities, indemnities and other protections granted to it under this Indenture (in addition to those that may be granted to it under the terms of such other agreement or agreements).

Discharge of Indenture; Defeasance

SECTION 8.01 Discharge of Liability on Securities; Defeasance. (a) This Indenture and the Security Documents shall be discharged and shall cease to be of further effect (except as to surviving rights or registration of transfer or exchange of the Securities, as expressly provided for in this Indenture) as to all outstanding Securities when:

(1) either:

(a) all the Securities theretofore authenticated and delivered (except lost, stolen or destroyed Securities that have been replaced or paid and Securities for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Company and thereafter repaid to the Company or discharged from such trust) have been delivered to the Trustee for cancellation; or

(b) all Securities not theretofore delivered to the Trustee for cancellation (i) have become due and payable or (ii) will become due and payable within one year, or are to be called for redemption within one year, under arrangements reasonably satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Company, and the Company has irrevocably deposited or caused to be deposited with the Trustee funds in an amount sufficient to pay and discharge the entire Indebtedness on the Securities not theretofore delivered to the Trustee for cancellation, for principal of, premium, if any, and interest on the Securities to the date of maturity or redemption, as the case may be, together with irrevocable instructions from the Company directing the Trustee to apply such funds to the payment thereof at maturity or redemption, as the case may be;

(2) the Company has paid all other sums payable under this Indenture by the Company; and

(3) the Company has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel stating that all conditions precedent under this Indenture relating to the satisfaction and discharge of this Indenture have been complied with.

(b) Subject to Section 8.01(c) and Section 8.02, the Company may, at its option and at any time, elect to have (1) all of its obligations and the obligations of the Guarantors under the Securities and this Indenture discharged with respect to the outstanding Securities ("Legal Defeasance") or (2) the obligations of the Company under Section 4.02, Section 4.03, Section 4.04, Section 4.05, Section 4.06, Section 4.07, Section 4.08, Section 4.09, Section 4.10, and Section 4.11 and the operation of Section 6.01(4), Section 6.01(6), Section 6.01(7), Section 6.01(8) and Section 6.01(9) (but, in the case of Section 6.01(7) and (8), with respect only to Significant Subsidiaries and Guarantors) and the limitations contained in Section 5.01(a)(2) ("Covenant Defeasance"). The Company may exercise Legal Defeasance notwithstanding its prior exercise of Covenant Defeasance.

If the Company exercises Legal Defeasance, payment of the Securities may not be accelerated because of an Event of Default with respect thereto. If the Company exercises Covenant Defeasance, payment of the Securities may not be accelerated because of an Event of Default specified in Section 6.01(4), Section 6.01(6), Section 6.01(7), Section 6.01(8) and Section 6.01(9) (but, in the case of Section 6.01(8) and (9), with respect only to Significant Subsidiaries and Guarantors) or because of the failure of the Company to comply with Section 5.01(a)(2). If the Company exercises Legal Defeasance or Covenant Defeasance, each Guarantor, if any, shall be released from all its obligations with respect to its Guarantee.

Upon satisfaction of the conditions set forth herein and upon request of the Company, the Trustee shall acknowledge in writing the discharge of those obligations that the Company terminates.

(c) Notwithstanding clauses (a) and (b) above, the Company's obligations in Section 2.03, Section 2.04, Section 2.05, Section 2.06, Section 2.07, Section 2.08, Section 7.06, Section 7.07, Section 7.08 and in this Article 8 and Section 11.09 shall survive until the Securities have been paid in full. Thereafter, the Company's obligations in Sections Section 7.06, Section 8.04 and Section 8.05 and Section 11.09 shall survive.

SECTION 8.02 Conditions to Defeasance. In order to exercise either Legal Defeasance or Covenant Defeasance:

(1) the Company shall irrevocably deposit with the Trustee, in trust, for the benefit of the Holders cash in U.S. dollars, non-callable U.S. Government obligations, or a combination thereof, in such amounts as shall be sufficient without consideration of reinvestment, in the written opinion of a nationally recognized firm of independent public accountants, to pay the principal of, premium, if any, and interest on the Securities on the stated date for payment thereof or on the applicable redemption date, as the case may be;

(2) in the case of Legal Defeasance, the Company shall have delivered to the Trustee an Opinion of Counsel in the United States reasonably acceptable to the Trustee confirming that:

(a) the Company has received from, or there has been published by, the Internal Revenue Service a ruling; or

(b) since the date of this Indenture, there has been a change in the applicable federal income tax law,

in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders shall not recognize income, gain or loss for federal income tax purposes as a result of such Legal Defeasance and shall be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of Covenant Defeasance, the Company shall have delivered to the Trustee an Opinion of Counsel in the United States reasonably acceptable to the Trustee confirming that the Holders shall not recognize income, gain or loss for federal income tax purposes as a result of such Covenant Defeasance and shall be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default or Event of Default shall have occurred and be continuing on the date of such deposit (other than a Default or an Event of Default resulting from the borrowing of funds to be applied to such deposit and the grant of any Lien securing such borrowings);

(5) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under this Indenture (other than a Default or an Event of Default resulting from the incurrence of Indebtedness to be applied to such deposit and the grant of any Lien securing such Indebtedness) or any other material agreement or instrument to which the Company or any of its Subsidiaries is a party or by which the Company or any of its Subsidiaries is bound;

(6) the Company shall have delivered to the Trustee an Officers' Certificate stating that the deposit was not made by the Company with the intent of preferring the Holders over any other creditors of the Company or with the intent of defeating, hindering, delaying or defrauding any other creditors of the Company or others;

(7) the Company shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent provided for or relating to the Legal Defeasance or the Covenant Defeasance have been complied with; and

(8) the Company delivers to the Trustee an Opinion of Counsel to the effect that the trust resulting from the deposit does not constitute, or is qualified as, a regulated investment company under the Investment Company Act of 1940.

Notwithstanding the foregoing, the Opinion of Counsel required by clause (2) above with respect to a Legal Defeasance need not be delivered if all Securities not theretofore delivered to the Trustee for cancellation (i) have become due and payable or (ii) will become due and payable on the maturity date within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Company.

Before or after a deposit, the Company may make arrangements satisfactory to the Trustee for the redemption of Securities at a future date in accordance with Article 3.

SECTION 8.03 Application of Trust Money. The Trustee shall hold in trust money or U.S. Government Obligations deposited with it pursuant to this Article 8. It shall apply the deposited money and the money from U.S. Government Obligations through the Paying Agent and in accordance with this Indenture and the Intercreditor Agreement to the payment of principal of and interest on the Securities.

SECTION 8.04 Repayment to Company. The Trustee and the Paying Agent shall promptly turn over to the Company upon written request any excess money or securities held by them at any time.

Subject to any applicable abandoned property law, the Trustee and the Paying Agent shall pay to the Company upon request any money held by them for the payment of principal or interest that remains unclaimed for two years, and, thereafter, Securityholders entitled to the money must look to the Company for payment as general creditors.

SECTION 8.05 Indemnity for Government Obligations. The Company shall pay and shall indemnify the Trustee against any tax, fee or other charge imposed on or assessed against deposited U.S. Government Obligations or the principal and interest received on such U.S. Government Obligations.

SECTION 8.06 Reinstatement. If the Trustee or Paying Agent is unable to apply any money or U.S. Government Obligations in accordance with this Article 8 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's and each Guarantor's obligations under this Indenture, the Securities and each Guarantee shall be revived and reinstated as though no deposit had occurred pursuant to this Article 8 until such time as the Trustee or Paying Agent is permitted to apply all such money or U.S. Government Obligations in accordance with this Article 8; provided, however, that, if the Company has made any payment of interest on or principal of any Securities because of the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Securities to receive such payment from the money or U.S. Government Obligations held by the Trustee or Paying Agent.

Article 9

Amendments

SECTION 9.01 Without Consent of Holders. From time to time, the Company, the Guarantors, the Trustee and the Notes Collateral Agent, without the consent of the Holders, may amend the Note Documents for certain specified purposes, including:

- (1) to cure ambiguities, omissions, defects, inconsistencies or mistakes;
- (2) to provide for the assumption by a successor Person of the obligations of the Company or any Guarantor under this Indenture;
- (3) to provide for uncertificated Securities in addition to or in place of certificated Securities (provided that the uncertificated Securities are issued in registered form for purposes of Section 163(f) of the Code, or in a manner such that the uncertificated Securities are described in Section 163(f)(2)(B) of the Code);
- (4) to add Guarantees with respect to the Securities, including any Guarantee, or to secure the Securities or a Guarantee;
- (5) to add to the covenants of the Company or any Guarantor for the benefit of the Holders or to surrender any right or power conferred upon the Company or any Guarantor;

(6) to make any change that does not adversely affect the rights of any Holder as certified to the Trustee by the Company in an Officers' Certificate;

(7) to comply with any requirements of the Commission in connection with the qualification of this Indenture under the TIA, if applicable;

(8) to conform the text of this Indenture, the Securities or any Guarantee to any provision of the "Description of Notes" to the extent that such provision in the "Description of Notes" was intended to be a verbatim recitation of a provision of this Indenture, the Securities or such Guarantee (as evidenced by an Officers' Certificate delivered to the Trustee);

(9) to make any amendment to the provisions of this Indenture relating to the transfer and legending of Securities; provided, however, that (A) compliance with this Indenture as so amended would not result in Securities being transferred in violation of the Securities Act or any other applicable securities law and (B) such amendment does not materially and adversely affect the rights of Holders to transfer Securities; or

(10) to release Collateral from the Lien or any Guarantor from its Guarantee, in each case pursuant to this Indenture, the Security Documents and the Intercreditor Agreement when permitted or required by this Indenture, the Security Documents or the Intercreditor Agreement.

The Intercreditor Agreement may be amended from time to time with the consent of certain parties thereto. In addition, the Intercreditor Agreement may be amended from time to time at the sole request and expense of the Company, and without the consent of any Holder of Securities, the Trustee or the Notes Collateral Agent,

(1) (A) to add other parties (or any authorized agent or representative thereof or trustee therefor) holding Other Pari Passu Lien Obligations that are incurred in compliance with, and that are secured solely by Liens permitted (in respect of their existence and the priority accorded to such Liens under the Intercreditor Agreement) by, the Credit Agreement, this Indenture and the Security Documents, (B) to establish that the Liens on any Notes Priority Collateral securing such Other Pari Passu Lien Obligations shall be equal in priority under the Intercreditor Agreement with the Liens on such Notes Priority Collateral securing the Obligations under this Indenture and the Securities and senior to the Liens on such Notes Priority Collateral securing any Obligations under the Credit Agreement and other Lenders Debt, all on the terms provided for in the Intercreditor Agreement in effect immediately prior to such amendment and (C) to establish that the Liens on any ABL Priority Collateral securing such Other Pari Passu Lien Obligations shall be equal in priority (to the extent required by the terms of such Other Pari Passu Lien Obligations) under the Intercreditor Agreement with the Liens on such ABL Priority Collateral securing the Obligations under this Indenture and the Securities and junior and subordinated to the Liens on such ABL Priority Collateral securing any Obligations under the Credit Agreement and other Lenders Debt, all on the terms provided for in the Intercreditor Agreement as in effect immediately prior to such amendment, and

(2) (A) to add other parties (or any authorized agent or representative thereof or trustee therefor) holding Indebtedness that is incurred in compliance with, and that is secured solely by Liens permitted (in respect of their existence and the priority accorded to such Liens under the Intercreditor Agreement) by, this Indenture, the Credit Agreement and the Security Documents, (B) to establish that the Liens on any ABL Priority Collateral securing such Indebtedness shall be equal in priority under the Intercreditor Agreement with the Liens on such ABL Priority Collateral securing the Obligations under the Credit Agreement and senior to the Liens on such ABL Priority Collateral securing any Obligations under this Indenture and the Securities and to any Other Pari Passu Lien Obligations, all on the terms provided for in the Intercreditor Agreement in effect immediately prior to such amendment and (C) to establish that the Liens on any Notes Priority Collateral securing such Indebtedness shall be equal in priority under the Intercreditor Agreement with the Liens on such Notes Priority Collateral securing the Obligations under the Credit Agreement and other Lenders Debt and junior and subordinated to the Liens on such Notes Priority Collateral securing any Obligations under this Indenture and the Securities and to any Other Pari Passu Lien Obligations, all on the terms provided for in the Intercreditor Agreement in effect immediately prior to such amendment.

(3) Any such additional party and the Notes Collateral Agent shall be entitled to conclusively rely upon an Officers' Certificate delivered by the Company certifying that such Other Pari Passu Lien Obligations or Indebtedness, as the case may be, were issued or borrowed in compliance with this Indenture and the Security Documents.

After an amendment under this Section becomes effective, the Company shall send to Holders a notice briefly describing such amendment. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of such amendment.

SECTION 9.02 With Consent of Holders. The Company, the Guarantors and the Trustee and Notes Collateral Agent may amend the Note Documents with the consent of the Holders of at least a majority in principal amount of the Securities then outstanding (including consents obtained in connection with a tender offer or exchange for such Securities) and any past default or compliance with any provisions may also be waived with the consent of the Holders of at least a majority in principal amount of the Securities then outstanding (other than a default in the payment of principal, premium or interest). However, without the consent of each Holder affected thereby, no amendment may:

- (1) reduce the principal amount of Securities whose Holders must consent to an amendment;

- (2) reduce the rate of or change the time for payment of interest;
- (3) reduce the principal of or change the fixed maturity of any Securities;
- (4) change the date on which any Securities may be subject to redemption or reduce the redemption price pursuant to Article 3 or paragraph 5 of the reverse side of the Securities;
- (5) make any Security payable in money other than that stated in the Security;
- (6) make any change in Section 6.04 or Section 6.07 or the second sentence of this Section;
- (7) after the Company's obligation to purchase Securities arises under this Indenture, amend, change or modify in any material respect the obligation of the Company to make and consummate a Change of Control Offer in the event of a Change of Control or, after such Change of Control has occurred, modify any of the provisions or definitions with respect thereto;
- (8) subordinate the Securities or any Guarantee to any other Indebtedness of the Company or any Guarantor in a manner that adversely affects the Holders; or
- (9) release any Guarantor that is a Significant Subsidiary (or any group of Restricted Subsidiaries that together would constitute a Significant Subsidiary) from any of its obligations under its Guarantee or this Indenture otherwise than in accordance with the terms of this Indenture.

In addition, without the consent of the Holders of at least two-thirds in principal amount of the Securities then outstanding, no amendment, supplement or waiver may (x) make any change in the provisions of the Intercreditor Agreement, the Pari Passu Intercreditor and Collateral Agency Agreement (if any), the Junior Lien Intercreditor Agreement (if any), this Indenture or any Security Document relating to the application of proceeds of the Collateral, in a manner that adversely affects the Holders as certified to the Trustee by the Company in an Officers' Certificate or (y) release all or substantially all of the Collateral from the Liens of the Security Documents.

If Holders of at least two-thirds in principal amount of the Securities then outstanding consent to any release of any Collateral from the Liens of the Security Documents other than a release in accordance with this Indenture, the Intercreditor Agreement, the Pari Passu Intercreditor and Collateral Agency Agreement (if any), the Junior Lien Intercreditor Agreement (if any) and the Security Documents, the Notes Collateral Agent will be entitled to vote the total principal amount of the Securities then outstanding as a block in respect of any vote required for such release under the Security Documents.

The consent of the Holders is not necessary under this Section to approve the particular form of any proposed amendment. It is sufficient if such consent approves the substance of the proposed amendment.

After an amendment under this Section becomes effective, the Company shall send to Holders a notice briefly describing such amendment. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of such amendment.

SECTION 9.03 Revocation and Effect of Consents and Waivers. A consent to an amendment or a waiver by a Holder of a Security shall bind the Holder and every subsequent Holder of that Security or portion of the Security that evidences the same debt as the consenting Holder's Security, even if notation of the consent or waiver is not made on the Security. However, any such Holder or subsequent Holder may revoke the consent or waiver as to such Holder's Security or portion of the Security if the Trustee receives the notice of revocation before the date the amendment or waiver becomes effective. After an amendment or waiver becomes effective, it shall bind every Securityholder. An amendment or waiver becomes effective upon the execution of such amendment or waiver by the Trustee or the Notes Collateral Agent, as applicable.

The Company may, but shall not be obligated to, fix a record date for the purpose of determining the Securityholders entitled to give their consent or take any other action described above or required or permitted to be taken pursuant to this Indenture. If a record date is fixed, then notwithstanding the immediately preceding paragraph, those Persons who were Securityholders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to revoke any consent previously given or to take any such action, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 120 days after such record date.

SECTION 9.04 Notation on or Exchange of Securities. If an amendment changes the terms of a Security, the Trustee may require the Holder of the Security to deliver it to the Trustee. The Trustee may place an appropriate notation on the Security regarding the changed terms and return it to the Holder. Alternatively, if the Company or the Trustee so determines, the Company in exchange for the Security shall issue and the Trustee shall authenticate a new Security that reflects the changed terms. Failure to make the appropriate notation or to issue a new Security shall not affect the validity of such amendment.

SECTION 9.05 Trustee To Sign Amendments, Supplements or Waivers. The Trustee and Notes Collateral Agent shall sign any amendment, supplement or waiver authorized pursuant to this Article 9 if the amendment, supplement or waiver does not adversely affect the rights, duties, liabilities or immunities of the Trustee and Notes Collateral Agent. If it does, the Trustee and Notes Collateral Agent may but need not sign it. In signing any amendment, supplement or waiver, the Trustee and Notes Collateral Agent shall be entitled to receive and shall be fully protected in relying upon an Officers' Certificate and an Opinion of Counsel stating that (i) the execution of such amendment, supplement or waiver is authorized or permitted by the Note Documents; and (ii) all conditions and covenants precedent in the Note Documents to such execution and delivery have been complied with. Such Opinion of Counsel will also state that such amendment, supplement or waiver is the legal, valid and binding obligation of the Company and any Guarantor party thereto, enforceable against them in accordance with its terms, subject to customary exceptions.

Guarantees

SECTION 10.01 Guarantees. Each Guarantor hereby unconditionally and irrevocably guarantees, jointly and severally, to each Holder, the Notes Collateral Agent and to the Trustee and its successors and assigns (a) the full and punctual payment of principal of and interest on the Securities when due, whether at maturity, by acceleration, by redemption or otherwise, and all other monetary obligations of the Company under this Indenture and the Securities and (b) the full and punctual performance within applicable grace periods of all other obligations of the Company under this Indenture, the Security Documents, the Intercreditor Agreement, the Securities or other Note Document (all the foregoing being hereinafter collectively called the “Guaranteed Obligations”). Each Guarantor further agrees that the Guaranteed Obligations may be extended or renewed, in whole or in part, without notice or further assent from such Guarantor and that such Guarantor shall remain bound under this Article 10 notwithstanding any extension or renewal of any Guaranteed Obligation.

Each Guarantor waives presentation to, demand of, payment from and protest to the Company of any of the Guaranteed Obligations and also waives notice of protest for nonpayment. Each Guarantor waives notice of any default under the Securities or the Guaranteed Obligations. The obligations of each Guarantor hereunder shall not be affected by (1) the failure of any Holder, the Notes Collateral Agent or the Trustee to assert any claim or demand or to enforce any right or remedy against the Company or any other Person (including any Guarantor) under this Indenture, the Securities, the Security Documents, the Intercreditor Agreement or any other agreement or otherwise; (2) any extension or renewal of any thereof; (3) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Securities, the Security Documents, the Intercreditor Agreement or any other agreement; (4) the release of any security held by any Holder, the Notes Collateral Agent or the Trustee for the Guaranteed Obligations or any of them; (5) the failure of any Holder, the Notes Collateral Agent or the Trustee to exercise any right or remedy against any other guarantor of the Guaranteed Obligations; or (6) except as set forth in Section 10.06, any change in the ownership of such Guarantor.

Each Guarantor further agrees that its Guarantee herein constitutes a guarantee of payment, performance and compliance when due (and not a guarantee of collection) and waives any right to require that any resort be had by any Holder or the Trustee to any security held for payment of the Guaranteed Obligations.

Except as expressly set forth in Section 8.01(b), Section 10.02 and Section 10.06, the obligations of each Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guaranteed Obligations or otherwise. Without limiting the generality of the foregoing, the

obligations of each Guarantor herein shall not be discharged or impaired or otherwise affected by the failure of any Holder, Notes Collateral Agent or the Trustee to assert any claim or demand or to enforce any remedy under this Indenture, the Securities, the Security Documents, the Intercreditor Agreement or any other agreement, by any waiver or modification of any thereof, by any default, failure or delay, willful or otherwise, in the performance of the obligations, or by any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of such Guarantor or would otherwise operate as a discharge of such Guarantor as a matter of law or equity.

Each Guarantor further agrees that its Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of or interest on any Guaranteed Obligation is rescinded or must otherwise be restored by any Holder, the Notes Collateral Agent or the Trustee upon the bankruptcy or reorganization of the Company or otherwise.

In furtherance of the foregoing and not in limitation of any other right which any Holder, the Notes Collateral Agent or the Trustee has at law or in equity against any Guarantor by virtue hereof, upon the failure of the Company to pay the principal of or interest on any Guaranteed Obligation when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, or to perform or comply with any other Guaranteed Obligation, each Guarantor hereby promises to and shall, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Holders, the Notes Collateral Agent or the Trustee an amount equal to the sum of (A) the unpaid amount of such Guaranteed Obligations, (B) accrued and unpaid interest on such Guaranteed Obligations (but only to the extent not prohibited by law) and (C) all other monetary Guaranteed Obligations of the Company to the Holders, the Notes Collateral Agent and the Trustee.

Each Guarantor agrees that, as between it, on the one hand, and the Holders, the Notes Collateral Agent and the Trustee, on the other hand, (i) the maturity of the Guaranteed Obligations hereby may be accelerated as provided in Article 6 for the purposes of such Guarantor's Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guaranteed Obligations guaranteed hereby, and (ii) in the event of any declaration of acceleration of such Guaranteed Obligations as provided in Article 6, such Guaranteed Obligations (whether or not due and payable) shall forthwith become due and payable by such Guarantor for the purposes of this Section.

Each Guarantor also agrees to pay any and all costs and expenses (including reasonable attorneys' fees, expenses and disbursements) incurred by the Trustee, the Notes Collateral Agent or any Holder in enforcing any rights under this Section.

SECTION 10.02 Limitation on Liability. Any term or provision of this Indenture to the contrary notwithstanding, the maximum aggregate amount of the Guaranteed Obligations guaranteed hereunder by any Guarantor shall not exceed the maximum amount that can be hereby guaranteed without rendering this Indenture, as it relates to such Guarantor, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally.

SECTION 10.03 Successors and Assigns. This Article 10 shall be binding upon each Guarantor and its successors and assigns and shall enure to the benefit of the successors and assigns of the Trustee, the Notes Collateral Agent and the Holders and, in the event of any transfer or assignment of rights by any Holder, the Notes Collateral Agent or the Trustee, the rights and privileges conferred upon that party in this Indenture and in the Securities shall automatically extend to and be vested in such transferee or assignee, all subject to the terms and conditions of this Indenture.

SECTION 10.04 No Waiver. Neither a failure nor a delay on the part of any of the Trustee, the Notes Collateral Agent or the Holders in exercising any right, power or privilege under this Article 10 shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise of any right, power or privilege. The rights, remedies and benefits of the Trustee, the Notes Collateral Agent and the Holders herein expressly specified are cumulative and not exclusive of any other rights, remedies or benefits which either may have under this Article 10 at law, in equity, by statute or otherwise.

SECTION 10.05 Modification. No modification, amendment or waiver of any provision of this Article 10, nor the consent to any departure by any Guarantor therefrom, shall in any event be effective unless the same shall be in writing and signed by the Trustee, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on any Guarantor in any case shall entitle such Guarantor to any other or further notice or demand in the same, similar or other circumstances.

SECTION 10.06 Release of Guarantor. A Guarantor shall be automatically and unconditionally released and discharged from its obligations under this Article 10 (other than any obligation that may have arisen under Section 10.07):

(1) in the event all of the Capital Stock of a Guarantor is sold, disposed of, spun-off or otherwise transferred by the Company, or all or substantially all of the assets of a Guarantor are sold, disposed of or otherwise transferred; provided that such sale or spin-off complies with Section 4.06 and in connection therewith the Company delivers to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions provided for in this Indenture relating to such transaction have been complied with;

(2) upon the designation by the Company of such Restricted Subsidiary that is a Guarantor as an Unrestricted Subsidiary in accordance with the provisions of this Indenture;

(3) upon the release or discharge of any Guarantee or Indebtedness that resulted in the creation after the Issue Date of the Guarantee pursuant to Section 4.10; or

(4) the Company's exercise of Legal Defeasance or Covenant Defeasance as described under Article 8 or if the Company's obligations under this Indenture are discharged in accordance with the terms of this Indenture.

At the request of the Company, together with an Officers' Certificate and Opinion of Counsel, the Trustee shall execute and deliver an appropriate instrument evidencing such release.

Upon the release of a Guarantor from its Guarantee, such Guarantor will also be automatically and unconditionally released from its obligations under the Security Documents.

SECTION 10.07 Contribution. Each Guarantor that makes a payment under its Guarantee shall be entitled upon payment in full of all Guaranteed Obligations under this Indenture to a contribution from each other Guarantor in an amount equal to such other Guarantor's pro rata portion of such payment based on the respective net assets of all the Guarantors at the time of such payment determined in accordance with GAAP.

Article 11

Collateral

SECTION 11.01 Collateral and Security Documents. The due and punctual payment of the principal of and interest on the Securities and the Guarantees when and as the same shall be due and payable, whether on an interest payment date, at maturity, by acceleration, repurchase, redemption or otherwise, and interest on the overdue principal of and interest on the Securities and the Guarantees and performance of all other Obligations of the Company and the Guarantors to the Securityholder Secured Parties under this Indenture, the Securities, the Guarantees, the Intercreditor Agreement, and any Pari Passu Intercreditor and Collateral Agency Agreement and the Security Documents, according to the terms hereunder or thereunder, shall be secured as provided in the Security Documents, which define the terms of the Liens that secure the Obligations, subject to the terms of the Intercreditor Agreement, and any Pari Passu Intercreditor and Collateral Agency Agreement. The Trustee, the Company and the Guarantors hereby acknowledge and agree that the Notes Collateral Agent holds the Collateral in trust for the benefit of the Securityholder Secured Parties pursuant to the terms of the Security Documents, the Intercreditor Agreement, and any Pari Passu Intercreditor and Collateral Agency Agreement. Each Holder, by accepting a Security, consents and agrees to the terms of the Security Documents (including the provisions providing for the possession, use, release and foreclosure of Collateral), the Intercreditor Agreement, and any Pari Passu Intercreditor and Collateral Agency Agreement as the same may be in effect or may be amended from time to time in accordance with their terms and this Indenture, the Intercreditor Agreement, and any Pari Passu Intercreditor and Collateral Agency Agreement, and authorizes and directs the Notes Collateral Agent to enter into the Security Documents, the Intercreditor Agreement, and any Pari Passu Intercreditor and Collateral Agency Agreement and to perform its obligations and exercise its rights thereunder in accordance therewith. The Company shall deliver to the Notes Collateral Agent copies of all documents required to be filed pursuant to the Security Documents, and shall do or cause to be done all such acts and things as may be reasonably required by the next sentence of this Section 11.01, to assure and confirm to the Notes Collateral Agent the first-priority security interest in the Notes Priority Collateral and the second-priority lien in the ABL Priority Collateral contemplated hereby, by the Security Documents or any part thereof, as from time to time constituted, so as to

render the same available for the security and benefit of this Indenture and of the Securities secured hereby, according to the intent and purposes herein expressed. The Company shall, and shall cause its Subsidiaries to, take any and all actions and make all filings, registrations and recordations (including the filing of Uniform Commercial Code financing statements, continuation statements and amendments thereto) in all such jurisdictions reasonably required to cause the Security Documents to create, perfect and maintain, as security for the Obligations of the Company and the Guarantors to the Securityholder Secured Parties under this Indenture, the Securities, the Guarantees, the Intercreditor Agreement, any Junior Lien Intercreditor Agreement, any Pari Passu Intercreditor and Collateral Agency Agreement and the Security Documents, a valid and enforceable perfected Lien and security interest in and on all of the Collateral (subject to the terms of the Intercreditor Agreement and the Security Documents), in favor of the Notes Collateral Agent for the benefit of the Securityholder Secured Parties subject to no Liens other than Liens permitted pursuant to this Indenture.

SECTION 11.02 Non-Impairment of Liens. Any release of Collateral permitted by Section 11.03 shall be deemed not to impair the Liens under this Indenture and the Security Documents in contravention thereof.

SECTION 11.03 Release of Collateral. (a) Subject to Section 11.03(b), Collateral may be released from the Lien and security interest created by the Security Documents at any time or from time to time in accordance with the provisions of the Security Documents, the Intercreditor Agreement, any Junior Lien Intercreditor Agreement, any Pari Passu Intercreditor and Collateral Agency Agreement and this Indenture. Notwithstanding anything to the contrary in any Security Document, the Liens on Collateral securing the Securities shall be automatically and unconditionally released with respect to the relevant Collateral under any one or more of the following circumstances:

- (1) upon the sale, disposition or other transfer of such property or assets, including Capital Stock (other than to the Company or a Guarantor) to the extent not prohibited by Section 4.06;
- (2) in the case of a Guarantor that is released from its Guarantee, the release of the property and assets of such Guarantor;
- (3) with respect to Collateral that is Capital Stock, upon the dissolution or liquidation of the issuer of that Capital Stock that is not prohibited by this Indenture or upon the release of a Guarantor that has pledged such Capital Stock;
- (4) pursuant to an amendment, supplement or waiver in accordance with Article 9;
- (5) if the Securities have been discharged or defeased pursuant to Article 8; or
- (6) upon the payment in full of the principal of, and together with accrued and unpaid interest on, the Securities and all other obligations under this Indenture, the Guarantees and the Security Documents that are then due and payable (other than contingent indemnification obligations that, pursuant to the terms of this Indenture and the Security Documents, survive the termination thereof).

(b) The second-priority Lien on the ABL Priority Collateral securing the Securities and the Guarantees will terminate and be released automatically if the first-priority Liens on the ABL Priority Collateral are released by the Bank Collateral Agent in connection with a disposition of ABL Priority Collateral permitted under the Credit Agreement and this Indenture, other than (i) in connection with a Discharge of ABL Obligations under the Credit Agreement or (ii) after the occurrence and during the continuance of any Event of Default. Notwithstanding the existence of an Event of Default, the second-priority Liens on the ABL Priority Collateral securing the Securities and the Guarantees shall also terminate and be released automatically to the extent the first-priority Liens on the ABL Priority Collateral are released by the Bank Collateral Agent in connection with an exercise of remedies with respect to ABL Priority Collateral by the Bank Collateral Agent (except with respect to any proceeds of such sale, transfer or disposition that remain after satisfaction in full of the Lenders Debt).

(c) With respect to any release of Collateral permitted by this Section 11.03, upon receipt of a written request from the Company and supported by an Officers' Certificate and Opinion of Counsel stating that all conditions precedent under this Indenture and the Security Documents, the Intercreditor Agreement, any Junior Lien Intercreditor Agreement and any Pari Passu Intercreditor and Collateral Agency Agreement, if any, to such release have been met and that it is proper for the Trustee or Notes Collateral Agent to execute and deliver the documents requested by the Company in connection with such release, and any necessary or proper instruments of termination, satisfaction or release prepared by the Company, the Trustee or the Notes Collateral Agent, as applicable, shall, execute, deliver or acknowledge (at the Company's expense) such instruments or releases to evidence the release of any Collateral permitted to be released pursuant to this Indenture or the Security Documents, the Intercreditor Agreement, any Junior Lien Intercreditor Agreement or any Pari Passu Intercreditor and Collateral Agency Agreement. Neither the Trustee nor the Notes Collateral Agent shall be liable for any such release undertaken in reliance upon any such Officers' Certificate and Opinion of Counsel, and notwithstanding any term hereof or in any Security Document or in the Intercreditor Agreement, any Junior Lien Intercreditor Agreement or any Pari Passu Intercreditor and Collateral Agency Agreement to the contrary, the Trustee and the Notes Collateral Agent shall not be under any obligation to release any such Lien and security interest, or execute and deliver any such instrument of release, satisfaction or termination, unless and until it receives such Officers' Certificate and Opinion of Counsel.

SECTION 11.04 Suits to Protect the Collateral. (a) Subject to the provisions of Article 7, the Security Documents and the Intercreditor Agreement, the Trustee, without the consent of the Holders, on behalf of the Holders, may or may direct the Notes Collateral Agent to take all actions it determines in order to:

(1) enforce any of the terms of the Security Documents; and

(2) collect and receive any and all amounts payable in respect of the Obligations hereunder.

(b) Subject to the provisions of the Security Documents and the Intercreditor Agreement, the Trustee and the Notes Collateral Agent shall have power to institute and to maintain such suits and proceedings as the Trustee may determine to prevent any impairment of the Collateral by any acts which may be unlawful or in violation of any of the Security Documents or this Indenture, and such suits and proceedings as the Trustee may determine to preserve or protect its interests and the interests of the Holders in the Collateral. Nothing in this Section 11.04 shall be considered to impose any such duty or obligation to act on the part of the Trustee or the Notes Collateral Agent.

SECTION 11.05 Authorization of Receipt of Funds by the Trustee Under the Security Documents. Subject to the provisions of the Intercreditor Agreement, the Trustee is authorized to receive any funds for the benefit of the Holders distributed under the Security Documents, and to make further distributions of such funds to the Holders according to the provisions of this Indenture.

SECTION 11.06 Purchaser Protected. In no event shall any purchaser in good faith of any property purported to be released hereunder be bound to ascertain the authority of the Notes Collateral Agent or the Trustee to execute the release or to inquire as to the satisfaction of any conditions required by the provisions hereof for the exercise of such authority or to see to the application of any consideration given by such purchaser or other transferee; nor shall any purchaser or other transferee of any property or rights permitted by this Article 11 to be sold be under any obligation to ascertain or inquire into the authority of the Company or the applicable Guarantor to make any such sale or other transfer.

SECTION 11.07 Powers Exercisable by Receiver or Trustee. In case the Collateral shall be in the possession of a receiver or trustee, lawfully appointed, the powers conferred in this Article 11 upon the Company or a Guarantor with respect to the release, sale or other disposition of such property may be exercised by such receiver or trustee, and an instrument signed by such receiver or trustee shall be deemed the equivalent of any similar instrument of the Company or a Guarantor or of any Officer or Officers thereof required by the provisions of this Article 11; and if the Trustee shall be in the possession of the Collateral under any provision of this Indenture, then such powers may be exercised by the Trustee.

SECTION 11.08 Release Upon Termination of the Company's Obligations. In the event that the Company delivers to the Trustee an Officers' Certificate certifying that (i) payment in full of the principal of, together with accrued and unpaid interest on, the Securities and all other Obligations under this Indenture, the Securities, the Guarantees and the Security Documents that are due and payable at or prior to the time such principal, together with accrued and unpaid interest, are paid (other than contingent indemnification obligations that, pursuant to the terms of this Indenture and the Security Documents, survive the termination thereof) or (ii) the Company shall have exercised its Legal Defeasance option or its Covenant Defeasance option, in each case in compliance with the provisions of Article 8, and an Opinion of Counsel stating that all conditions precedent to the execution and delivery of such notice by the Trustee

have been satisfied, the Trustee shall deliver to the Company and the Notes Collateral Agent a notice stating that the Trustee, on behalf of the Holders, disclaims and gives up any and all rights it has in or to the Collateral (other than with respect to funds held by the Trustee pursuant to Article 8), and any rights it has under the Security Documents, and upon receipt by the Notes Collateral Agent of such notice, the Notes Collateral Agent shall be deemed not to hold a Lien in the Collateral on behalf of the Trustee and shall do or cause to be done all acts reasonably necessary to release such Lien as soon as is reasonably practicable.

SECTION 11.09 Notes Collateral Agent. (a) By accepting a Security, each Holder shall be deemed to have irrevocably appointed the Notes Collateral Agent to act as its agent under the Security Documents, the Intercreditor Agreement, any Junior Lien Intercreditor Agreement and any Pari Passu Intercreditor and Collateral Agency Agreement and to have irrevocably authorized and instructed the Notes Collateral Agent to (i) enter into the Security Documents and the Intercreditor Agreements to which it is a party, whether executed on or after the Issue Date; (ii) make any representations on behalf of the Holders set forth in the Security Documents and the Intercreditor Agreements; (iii) bind the Holders on the terms as set forth in the Security Documents and the Intercreditor Agreements; (iv) perform the duties and exercise the rights, powers and discretions that are specifically given to it under the Security Documents, the Intercreditor Agreement or other documents to which it is a party, together with any other incidental rights, powers and discretions; and (ii) execute each document expressed to be executed by the Notes Collateral Agent on its behalf, whether executed on or after the Issue Date. The Notes Collateral Agent agrees to act as such on the express conditions contained in this Section 11.09. Each Holder agrees that any action taken by the Notes Collateral Agent in accordance with the provisions of this Indenture, the Intercreditor Agreements and the Security Documents, and the exercise by the Notes Collateral Agent of any rights or remedies set forth herein and therein shall be authorized and binding upon all Holders. Notwithstanding any provision to the contrary contained elsewhere in this Indenture, the Security Documents and the Intercreditor Agreements, the duties of the Notes Collateral Agent shall be ministerial and administrative in nature, and the Notes Collateral Agent shall not have any duties or responsibilities, except those expressly set forth herein and in the Security Documents and the Intercreditor Agreements to which the Notes Collateral Agent is a party, nor shall the Notes Collateral Agent have or be deemed to have any trust or other fiduciary relationship with the Trustee, any Holder or any Grantor, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Indenture, the Security Documents and the Intercreditor Agreements or otherwise exist against the Notes Collateral Agent. Without limiting the generality of the foregoing sentence, the use of the term "agent" in this Indenture with reference to the Notes Collateral Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties.

(b) The Notes Collateral Agent is authorized and empowered to appoint one or more subagents or co-collateral agents as it deems necessary or appropriate.

(c) The Notes Collateral Agent shall have all the rights and protection provided in the Note Documents as well as the rights and protections afforded to the Trustee in Section 7.01(e) through (g), Section 7.02 and Section 7.06; provided, however, that the Company shall not reimburse any expense or indemnify against any loss, liability or expense incurred by the Notes Collateral Agent through the Notes Collateral Agent's own willful misconduct or gross negligence or bad faith.

(d) Notwithstanding anything to the contrary in this Indenture or in any Security Document or the Intercreditor Agreements, in no event shall the Notes Collateral Agent, the Trustee, and any of their respective officers, directors, employees, attorneys or agents be responsible or liable for, nor do they make any representation regarding, the existence, genuineness, value or protection of any Collateral, for the legality, validity, enforceability, effectiveness or sufficiency of the Security Documents, for the creation, perfection, priority, sufficiency or protection of any Lien securing the Securities or any defect or deficiency as to any such matters (including the filing of continuation or any Uniform Commercial Code financing or continuations statements or similar documents or instruments).

(e) Subject to the Security Documents, except as directed by the Trustee as required or permitted by this Indenture, the Holders acknowledge that the Notes Collateral Agent shall not be obligated:

(1) to act upon directions purported to be delivered to it by any other Person;

(2) to foreclose upon or otherwise enforce any Lien securing the Securities; or

(3) to take any other action whatsoever with regard to any or all Liens securing the Securities, the Security Documents or the Collateral.

(f) In acting as Notes Collateral Agent, co-collateral agent or sub-collateral agent, the Notes Collateral Agent, each co-collateral agent and each sub-collateral agent may rely upon and enforce each and all of the rights, powers, immunities, indemnities and benefits of the Trustee under Article 7.

(g) Except for such duties and responsibilities expressly set forth in this Indenture or under the Security Documents or Intercreditor Agreements, the Notes Collateral Agent shall be fully justified in failing or refusing to take any action under this Indenture, the Security Documents or the Intercreditor Agreements unless it shall first receive such advice or concurrence of the Trustee or the Holders of a majority in aggregate principal amount of the Securities and, if it so requests, it shall first be indemnified to its satisfaction by the Holders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. Except as otherwise provided in this Indenture, the Intercreditor Agreements or the Security Documents, the Notes Collateral Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Indenture, the Security Documents or the Intercreditor Agreements in accordance with a request, direction, instruction or consent of the Trustee or the Holders of a majority in aggregate principal amount of the then outstanding Securities and such request and any action taken or failure to act pursuant thereto shall be binding upon all of the Holders.

(h) After the occurrence and continuance of an Event of Default, the Trustee, acting at the direction of the Holders of a majority of the aggregate principal amount of the Securities then outstanding, may direct the Notes Collateral Agent in connection with any action required or permitted by this Indenture, the Security Documents or the Intercreditor Agreements. The Notes Collateral Agent shall take such action with respect to such Default or Event of Default as may be requested by the Trustee or the Holders of a majority in aggregate principal amount of the Securities (subject to this Section 11.09), subject to the terms of the Security Documents.

(i) The Notes Collateral Agent may resign at any time by notice to the Trustee and the Company, such resignation to be effective upon the acceptance of a successor agent to its appointment as Notes Collateral Agent. The Notes Collateral Agent may be removed by the Company at any time, upon 30 days' written notice to the Notes Collateral Agent. The Holders of a majority in principal amount of the Securities may remove the Notes Collateral Agent by so notifying the Company and the Notes Collateral Agent in writing and may appoint a successor Notes Collateral Agent. If the Notes Collateral Agent resigns or is removed under this Indenture, and such Holders do not reasonably promptly appoint a successor the Company shall appoint a successor collateral agent. If no successor collateral agent is appointed and has accepted such appointment within 30 days after the Notes Collateral Agent gave notice of resignation or was removed, the retiring Notes Collateral Agent or the Holders of at least 10% in aggregate principal amount of the Securities may, at their option, appoint a successor Notes Collateral Agent or petition a court of competent jurisdiction for the appointment of a successor. Upon the acceptance of its appointment as successor collateral agent hereunder, such successor collateral agent shall succeed to all the rights, powers and duties of the retiring Notes Collateral Agent, and the term "Notes Collateral Agent" shall mean such successor collateral agent, and the retiring or removed Notes Collateral Agent's appointment, powers and duties as the Notes Collateral Agent shall be terminated. After the retiring Notes Collateral Agent's resignation or removal hereunder, the provisions of this Section 11.09 (and Section 7.06) shall continue to inure to its benefit and the retiring or removed Notes Collateral Agent shall not by reason of such resignation or removal be deemed to be released from liability as to any actions taken or omitted to be taken by it while it was the Notes Collateral Agent under this Indenture.

(j) The Trustee shall initially act as Notes Collateral Agent and shall be authorized to appoint co-Notes Collateral Agents as necessary in its sole discretion. Except as otherwise explicitly provided herein or in the Security Documents or the Intercreditor Agreements, neither the Notes Collateral Agent nor any of its respective officers, directors, employees or agents or other Related Persons shall be liable for failure to demand, collect or realize upon any of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of any other Person or to take any other action whatsoever with regard to the Collateral or any part thereof. The Notes Collateral Agent shall be accountable only for amounts that it actually receives as a result of the exercise of such powers.

(k) If at any time or times the Trustee shall receive (i) by payment, foreclosure, set-off or otherwise, any proceeds of Collateral or any payments with respect to the Obligations arising under, or relating to, this Indenture, except for any such proceeds or payments received by the Trustee from the Notes Collateral Agent pursuant to the terms of this Indenture, or (ii) payments from the Notes Collateral Agent in excess of the amount required to be paid to the Trustee pursuant to Article 6, the Trustee shall promptly turn the same over to the Notes Collateral Agent, in kind, and with such endorsements as may be required to negotiate the same to the Notes Collateral Agent such proceeds to be applied by the Notes Collateral Agent pursuant to the terms of this Indenture, the Security Documents and the Intercreditor Agreements.

(l) The Notes Collateral Agent is each Holder's agent for the purpose of perfecting the Holders' security interest in assets which, in accordance with Article 9 of the Uniform Commercial Code can be perfected only by possession. Should the Trustee obtain possession of any such Collateral, upon request from the Company, the Trustee shall notify the Notes Collateral Agent thereof and promptly shall deliver such Collateral to the Notes Collateral Agent or otherwise deal with such Collateral in accordance with the Notes Collateral Agent's instructions.

(m) Neither the Trustee nor the Notes Collateral Agent shall have any obligation whatsoever to the Trustee or any of the Holders to assure that the Collateral exists or is owned by any Grantor or is cared for, protected, or insured or has been encumbered, or that the Notes Collateral Agent's Liens have been properly or sufficiently or lawfully created, perfected, protected, maintained or enforced or are entitled to any particular priority, or to determine whether all of the Grantor's property constituting collateral intended to be subject to the Lien and security interest of the Security Documents has been properly and completely listed or delivered, as the case may be, or the genuineness, validity, marketability or sufficiency thereof or title thereto, or to exercise at all or in any particular manner or under any duty of care, disclosure, or fidelity, or to continue exercising, any of the rights, authorities, and powers granted or available to the Notes Collateral Agent pursuant to this Indenture, any Security Document or the Intercreditor Agreements other than pursuant to the instructions of the Trustee or the Holders of a majority in aggregate principal amount of the Securities or as otherwise provided in the Security Documents. The Notes Collateral Agent shall not be obligated to file financing statements or continuation statements.

(n) Notwithstanding anything to the contrary contained in this Indenture, the Intercreditor Agreements or the Security Documents, in the event the Notes Collateral Agent is entitled or required to commence an action to foreclose or otherwise exercise its remedies to acquire control or possession of the Collateral, the Notes Collateral Agent shall not be required to commence any such action or exercise any remedy or to inspect or conduct any studies of any property under the mortgages or take any such other action if the Notes Collateral Agent has determined that the Notes Collateral Agent may incur personal liability as a result of the presence at, or release on or from, the Collateral or such property, of any hazardous substances. The Notes Collateral Agent shall at any time be entitled to cease taking any action described in this clause if it no longer reasonably deems any indemnity, security or undertaking from the Company or the Holders to be sufficient.

(o) The Notes Collateral Agent (i) shall not be liable for any action taken or omitted to be taken by it in connection with this Indenture, the Intercreditor Agreements and the Security Documents or instrument referred to herein or therein, except to the extent that any of the foregoing are found by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from its own gross negligence or willful misconduct, (ii) shall not be liable for interest on any money received by it except as the Notes Collateral Agent may agree in writing with the Company (and money held in trust by the Notes Collateral Agent need not be segregated from other funds except to the extent required by law).

(p) The Notes Collateral Agent shall exercise reasonable care in the custody of any Collateral in its possession or control or in the possession or control of any agent or bailee or any income thereon. The Notes Collateral Agent shall be deemed to have exercised reasonable care in the custody of Collateral in its possession if the Collateral is accorded treatment substantially equal to that which they accord similar property held for its own benefit and shall not be liable or responsible for any loss or diminution in value of any of the Collateral, including, without limitation, by reason of the act or omission of any carrier, forwarding agency or other agent or bailee selected by the Notes Collateral Agent in good faith.

(q) The parties hereto and the Holders hereby agree and acknowledge that neither the Notes Collateral Agent nor the Trustee shall assume, be responsible for or otherwise be obligated for any liabilities, claims, causes of action, suits, losses, allegations, requests, demands, penalties, fines, settlements, damages (including foreseeable and unforeseeable), judgments, expenses and costs (including but not limited to, any remediation, corrective action, response, removal or remedial action, or investigation, operations and maintenance or monitoring costs, for personal injury or property damages, real or personal) of any kind whatsoever, pursuant to any environmental law as a result of this Indenture, the Intercreditor Agreements, the Security Documents or any actions taken pursuant hereto or thereto. Further, the parties hereto and the Holders hereby agree and acknowledge that in the exercise of its rights under this Indenture, the Intercreditor Agreements and the Security Documents, the Notes Collateral Agent or the Trustee may hold or obtain indicia of ownership primarily to protect the security interest of the Notes Collateral Agent or the Trustee in the Collateral and that any such actions taken by the Notes Collateral Agent or the Trustee shall not be construed as or otherwise constitute any participation in the management of such Collateral. In the event that the Notes Collateral Agent or the Trustee is required to acquire title to an asset for any reason, or take any managerial action of any kind in regard thereto, in order to carry out any fiduciary or trust obligation for the benefit of another, which in the Notes Collateral Agent's or the Trustee's sole discretion may cause the Notes Collateral Agent or the Trustee to be considered an "owner or operator" under the provisions CERCLA, 42 U.S.C. §9601, *et seq.*, or otherwise cause the Notes Collateral Agent or the Trustee to incur liability under CERCLA or any other federal, state or local law, the Notes Collateral Agent and the Trustee reserves the right, instead of taking such action, to either resign as the Notes Collateral Agent or the Trustee or arrange for the transfer of the title or control of the asset to a court-appointed receiver. Neither the Notes Collateral Agent nor the Trustee shall be liable to the Company, the Company,

the Guarantors or any other Person for any environmental claims or contribution actions under any federal, state or local law, rule or regulation by reason of the Notes Collateral Agent's or the Trustee's actions and conduct as authorized, empowered and directed hereunder or relating to the discharge, release or threatened release of hazardous materials into the environment. If at any time it is necessary or advisable for property to be possessed, owned, operated or managed by any Person (including the Notes Collateral Agent or the Trustee) other than the Company or the Guarantors, subject to the terms of the Security Documents, a majority in interest of Holders shall direct the Notes Collateral Agent or the Trustee to appoint an appropriately qualified Person (excluding the Notes Collateral Agent or the Trustee) who they shall designate to possess, own, operate or manage, as the case may be, the property.

(r) Upon the receipt by the Notes Collateral Agent of a written request of the Company signed by an Officer (a "Security Document Order"), the Notes Collateral Agent is hereby authorized to execute and enter into, and shall execute and enter into, without the further consent of any Holder or the Trustee, any Security Document to be executed after the Issue Date. Such Security Document Order shall (i) state that it is being delivered to the Notes Collateral Agent pursuant to, and is a Security Document Order referred to in, this Section 11.09(r), (ii) certify that such Security Document complies with the terms of this Indenture and the Note Documents and that all conditions precedent under this Indenture and the Note Documents to such execution and delivery have been complied with and (iii) instruct the Notes Collateral Agent to execute and enter into such Security Document; provided that in no event shall the Notes Collateral Agent be required to enter into a Security Document that it determines adversely affects the Notes Collateral Agent. The Holders, by their acceptance of the Notes, hereby authorize and direct the Notes Collateral Agent to execute such Security Documents and the Notes Collateral Agent shall be entitled to conclusively rely upon such Security Document Order.

(s) Upon receipt by the Notes Collateral Agent of a Security Document Order, the Notes Collateral Agent is hereby authorized to execute and enter into, and shall execute and enter into, without the further consent of any holder or the Trustee, the Junior Lien Intercreditor Agreement or the Pari Passu Intercreditor and Collateral Agency Agreement, as applicable. Such Security Document Order shall (i) state that it is being delivered to the Notes Collateral Agent pursuant to, and is a Security Document referred to in this Section 11.09(s), (ii) certify that the Junior Lien Intercreditor or Pari Passu Intercreditor and Collateral Agency Agreement (as applicable) complies with the terms of this Indenture and the Note Documents and that all conditions precedent under this Indenture and the Note Documents to such execution and delivery have been complied with and (iii) instruct the Notes Collateral Agent to execute and enter into the Junior Lien Intercreditor Agreement or the Pari Passu Intercreditor and Collateral Agency Agreement (as applicable); provided that in no event shall the Notes Collateral Agent be required to enter into the Junior Lien Intercreditor Agreement or the Pari Passu Intercreditor and Collateral Agency Agreement if it determines that such document adversely affects the Notes Collateral Agent. The holders, by their acceptance of the Notes, the Junior Lien Obligations, or the Other Pari Passu Lien Obligations, authorize and direct the Notes Collateral Agent to execute such agreements and the Notes Collateral Agent shall be entitled to conclusively rely on such Security Document Order.

(t) For the avoidance of doubt, except as otherwise provided in the Security Documents, the Intercreditor Agreement and this Indenture, the Notes Collateral Agent shall have no discretion under this Indenture, the Intercreditor Agreements or the Security Documents and shall not be required to make or give any determination, consent, approval, request or direction without the written direction of the Holders of a majority in aggregate principal amount of the then outstanding Securities or the Trustee, as applicable.

(u) Except as expressly set forth in this Indenture or under the Security Documents or Intercreditor Agreements, in each case that the Notes Collateral Agent may or is required hereunder or under any Security Document or any Intercreditor Agreement to take any action (an "Action"), including without limitation to make any determination, to give consents, to exercise rights, powers or remedies, to release or sell Collateral or otherwise to act hereunder or under any Security Document or any Intercreditor Agreement, the Notes Collateral Agent may seek direction from the Holders of a majority in aggregate principal amount of the then outstanding Notes. The Notes Collateral Agent shall not be liable with respect to any Action taken or omitted to be taken by it in accordance with the direction from the Holders of a majority in aggregate principal amount of the then outstanding Notes. If the Notes Collateral Agent shall request direction from the Holders of a majority in aggregate principal amount of the then outstanding Securities with respect to any Action, the Notes Collateral Agent shall be entitled to refrain from such Action unless and until the Notes Collateral Agent shall have received direction from the Holders of a majority in aggregate principal amount of the then outstanding Notes, and the Notes Collateral Agent shall not incur liability to any Person by reason of so refraining.

(v) Notwithstanding anything to the contrary contained herein but subject to the Security Documents, the Notes Collateral Agent shall act pursuant to the instructions of the Holders and the Trustee solely with respect to the Security Documents and the Collateral.

(w) For the avoidance of doubt, the rights, privileges, protections, immunities and benefits given to the Notes Collateral Agent hereunder, including, without limitation, its right to be indemnified prior to taking action, shall survive the satisfaction, discharge or termination of this Indenture or earlier termination, resignation or removal of the Trustee, in such capacity, with respect to the holders of the ABL Priority Collateral or the Other Pari Passu Lien Obligations, as applicable, to the extent the Security Documents remain in force thereafter.

SECTION 11.10 Designations. Except as provided in the next sentence, for purposes of the provisions hereof and the Intercreditor Agreement requiring the Company to designate Indebtedness for the purposes of the terms "Lenders Debt", "Junior Lien Debt" and "Other Pari Passu Lien Obligations" or any other such designations hereunder or under the Intercreditor Agreement, any Junior Lien Intercreditor Agreement or any Pari Passu Intercreditor and Collateral Agency Agreement any such designation shall be sufficient if the relevant designation is set forth in writing, signed on behalf of the Company by an Officer and delivered to the Trustee, the Notes Collateral Agent and the Bank Collateral Agent. 2. The Securities.

2.1 (a) Form and Dating. The Initial Securities will be offered and sold (a) to the Initial Purchasers by the Company pursuant to a Purchase Agreement and (b) to an Affiliate of the Company pursuant to a separate purchase agreement. The Initial Securities initially sold to the Initial Purchasers will be resold initially only to (i) QIBs in reliance on Rule 144A under the Securities Act (“Rule 144A”) and (ii) Persons other than U.S. Persons (as defined in Regulation S) in reliance on Regulation S under the Securities Act (“Regulation S”). Such Initial Securities initially sold to the Initial Purchasers, and the Initial Securities initially sold to an Affiliate of the Company, may thereafter be transferred in accordance with the restrictions on transfer set forth herein (including the restrictions on transfer specified in the legend described in Section 2.3(e) hereof). Initial Securities initially resold pursuant to Rule 144A shall be issued initially in the form of one or more permanent global securities in fully registered form (collectively, the “Rule 144A Global Security”); and Initial Securities initially resold pursuant to Regulation S shall be issued initially in the form of one or more temporary global securities in fully registered form (collectively, the “Regulation S Global Security”), in each case without interest coupons and with the global securities legend and the applicable restricted securities legend set forth in Exhibit 1 hereto, which shall be deposited on behalf of the purchasers of the Initial Securities represented thereby with the Securities Custodian and registered in the name of the Depository or a nominee of the Depository, duly executed by the Company and authenticated by the Trustee as provided in this Indenture. Initial Securities initially sold to an Affiliate of the Company shall be issued initially in the form of a Definitive Security in fully registered form, without interest coupons and with the applicable restricted securities legend set forth in Exhibit 1 hereto, duly executed by the Company and authenticated by the Trustee as provided in this Indenture.

Beneficial interests in a Rule 144A Global Security may be transferred to a Person who takes delivery in the form of an interest in a Regulation S Global Security only if the transferor first delivers to the Trustee a written certificate (in the form provided in this Indenture) to the effect that such transfer is being made in accordance with Rule 903 or 904 of Regulation S or Rule 144 (if applicable). Beneficial ownership interests in the Regulation S Global Security shall not be exchangeable for interests in the Rule 144A Global Security or any other Security without a restricted securities legend until the expiration of the Distribution Compliance Period.

The Rule 144A Global Security and the Regulation S Global Security are collectively referred to herein as “Global Securities”. The aggregate principal amount of the Global Securities may from time to time be increased or decreased by adjustments made on the records of the Trustee and the Depository or its nominee as hereinafter provided.

(b) Book-Entry Provisions. This Section 2.1(b) shall apply only to a Global Security deposited with or on behalf of the Depository.

The Company shall execute and the Trustee shall, in accordance with this Section 2.1(b), authenticate and deliver initially one or more Global Securities that (a) shall be registered in the name of the Depository for such Global Security or Global Securities or the nominee of such Depository and (b) shall be delivered by the Trustee to such Depository or pursuant to such Depository’s instructions or held by the Trustee as custodian for the Depository.

[Transfer and Exchange Appendix - 2]

Members of, or participants in, the Depository (“Agent Members”) shall have no rights under this Indenture with respect to any Global Security held on their behalf by the Depository or by the Trustee as the custodian of the Depository or under such Global Security, and the Company, the Trustee and any agent of the Company or the Trustee shall be entitled to treat the Depository as the absolute owner of such Global Security for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Company, the Trustee or any agent of the Company or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depository or impair, as between the Depository and its Agent Members, the operation of customary practices of such Depository governing the exercise of the rights of a holder of a beneficial interest in any Global Security.

The Trustee shall have no responsibility or obligation to any beneficial owner of an interest in a Global Security, a member of, or a participant in, DTC or other Person with respect to the accuracy of the records of DTC or its nominee or of any participant or member thereof, with respect to any ownership interest in the Securities or with respect to the delivery to any participant, member, beneficial owner or other Person (other than DTC) of any notice (including any notice of redemption) or the payment of any amount or delivery of any Securities (or other security or property) under or with respect to such Securities. All notices and communications to be given to the Holders and all payments to be made to Holders in respect of the Securities shall be given or made only to or upon the order of the registered Holders (which shall be DTC or its nominee in the case of a Global Security). The rights of beneficial owners in any Global Security shall be exercised only through DTC subject to the applicable rules and procedures of DTC. The Trustee may conclusively rely and shall be fully protected in conclusively relying upon information furnished by DTC with respect to its members, participants and any beneficial owners.

(c) Definitive Securities. Except as provided in this Section 2.1 or Section 2.3 or 2.4, owners of beneficial interests in Global Securities shall not be entitled to receive physical delivery of Definitive Securities.

2.2 Authentication. The Trustee shall authenticate and deliver: (1) on the Issue Date, an aggregate principal amount of \$400,000,000 9.625% Senior Secured Notes Due 2023, and (2) any Additional Securities for an original issue in an aggregate principal amount specified in the written order of the Company pursuant to Section 2.02 of this Indenture, in each case upon a written order of the Company signed by two Officers or by an Officer and either an assistant Treasurer or an assistant Secretary of the Company. Such order shall specify the amount of the Securities to be authenticated and the date on which the original issue of Securities is to be authenticated and, in the case of any issuance of Additional Securities pursuant to Section 2.13 of this Indenture, shall certify that such issuance is in compliance with Section 4.03 and Section 4.09 of this Indenture.

2.3 Transfer and Exchange.

[Transfer and Exchange Appendix - 3]

(a) Transfer and Exchange of Definitive Securities. When Definitive Securities are presented to the Registrar with a request:

- (x) to register the transfer of such Definitive Securities; or
- (y) to exchange such Definitive Securities for an equal principal amount of Definitive Securities of other authorized denominations,

the Registrar shall register the transfer or make the exchange as requested if its reasonable requirements for such transaction are met; provided, however, that the Definitive Securities surrendered for transfer or exchange:

(i) shall be duly endorsed or accompanied by a written instrument of transfer in form reasonably satisfactory to the Company and the Registrar, duly executed by the Holder thereof or its attorney duly authorized in writing; and

(ii) if such Definitive Securities are required to bear a restricted securities legend, they are being transferred or exchanged pursuant to an effective registration statement under the Securities Act, pursuant to Section 2.3(b) or pursuant to clause (A), (B) or (C) below, and are accompanied by the following additional information and documents, as applicable:

(A) if such Definitive Securities are being delivered to the Registrar by a Holder for registration in the name of such Holder, without transfer, a certification from such Holder to that effect;

(B) if such Definitive Securities are being transferred to the Company, a certification to that effect; or

(C) if such Definitive Securities are being transferred (x) pursuant to an exemption from registration in accordance with Rule 144A, Regulation S or Rule 144 under the Securities Act; or (y) in reliance upon another exemption from the requirements of the Securities Act:

(i) a certification to that effect (in the form set forth on the reverse of the Security) and (ii) if the Company so requests, an opinion of counsel or other evidence reasonably satisfactory to it as to the compliance with the restrictions set forth in the legend set forth in Section 2.3(e)(i).

(b) Restrictions on Transfer of a Definitive Security for a Beneficial Interest in a Global Security. A Definitive Security may not be exchanged for a beneficial interest in a Global Security except upon satisfaction of the requirements set forth below. Upon receipt by the Trustee of a Definitive Security, duly endorsed or accompanied by appropriate instruments of transfer, in form satisfactory to the Trustee, together with:

(i) certification (in the form set forth on the reverse side of the Initial Security) that such Definitive Security is being transferred (1) to the Company, (2) to the Registrar for registration in the name of a Holder, without transfer, (3) pursuant to an effective registration statement under the Securities Act, (4) to a

[Transfer and Exchange Appendix - 4]

QIB in accordance with Rule 144A, (5) outside the United States in an offshore transaction within the meaning of Regulation S and in compliance with Rule 904 under the Securities Act or pursuant to another available exemption from registration provided by Rule 144 under the Securities Act; and

(ii) written instructions directing the Trustee to make, or to direct the Securities Custodian to make, an adjustment on its books and records with respect to such Global Security to reflect an increase in the aggregate principal amount of the Securities represented by the Global Security, such instructions to contain information regarding the Depository account to be credited with such increase,

then the Trustee shall cancel such Definitive Security and cause, or direct the Securities Custodian to cause, in accordance with the standing instructions and procedures existing between the Depository and the Securities Custodian, the aggregate principal amount of Securities represented by the Global Security to be increased by the aggregate principal amount of the Definitive Security to be exchanged and shall credit or cause to be credited to the account of the Person specified in such instructions a beneficial interest in the Global Security equal to the principal amount of the Definitive Security so canceled. If no Global Securities are then outstanding, the Company shall issue and the Trustee shall authenticate, upon written order of the Company in the form of an Officers' Certificate of the Company, a new Global Security in the appropriate principal amount.

(c) Transfer and Exchange of Global Securities.

(i) The transfer and exchange of Global Securities or beneficial interests therein shall be effected through the Depository, in accordance with this Indenture (including applicable restrictions on transfer set forth herein, if any) and the procedures of the Depository therefor. A transferor of a beneficial interest in a Rule 144A Global Security for a beneficial interest in a Regulation S Global Security or a Regulation S Global Security for a beneficial interest in a Rule 144A Global Security shall deliver to the Registrar a written order given in accordance with the Depository's procedures containing information regarding the participant account of the Depository to be credited with a beneficial interest in the Global Security. The Registrar shall, in accordance with such instructions and upon receipt of an assignment form in the form attached to this Appendix instruct the Depository to credit to the account of the Person specified in such instructions a beneficial interest in the Global Security and to debit the account of the Person making the transfer the beneficial interest in the Global Security being transferred.

(ii) If the proposed transfer is a transfer of a beneficial interest in one Global Security to a beneficial interest in another Global Security, the Registrar shall reflect on its books and records the date and an increase in the principal amount of the Global Security to which such interest is being transferred in an amount equal to the principal amount of the interest to be so transferred, and the Registrar shall reflect on its books and records the date and a corresponding decrease in the principal amount of the Global Security from which such interest is being transferred.

[Transfer and Exchange Appendix - 5]

(iii) Notwithstanding any other provisions of this Appendix (other than the provisions set forth in Section 2.4), a Global Security may not be transferred as a whole except by the Depository to a nominee of the Depository or by a nominee of the Depository to the Depository or another nominee of the Depository or by the Depository or any such nominee to a successor Depository or a nominee of such successor Depository.

(d) **Restrictions on Transfer of Regulation S Global Securities.** (i) Prior to the expiration of the Distribution Compliance Period, interests in the Regulation S Global Security may only be held through Euroclear or Clearstream. During the Distribution Compliance Period, beneficial ownership interests in the Regulation S Global Security may only be sold, pledged or transferred through Euroclear or Clearstream in accordance with the Applicable Procedures and only (1) to the Company, (2) so long as such security is eligible for resale pursuant to Rule 144A, to a person whom the selling holder reasonably believes is a QIB that purchases for its own account or for the account of a QIB to whom notice is given that the resale, pledge or transfer is being made in reliance on Rule 144A, (3) in an offshore transaction in accordance with Regulation S, (4) pursuant to an exemption from registration under the Securities Act provided by Rule 144 (if applicable) under the Securities Act or (5) pursuant to an effective registration statement under the Securities Act, in each case in accordance with any applicable securities laws of any state of the United States. Prior to the expiration of the Distribution Compliance Period, transfers by an owner of a beneficial interest in the Regulation S Global Security to a transferee who takes delivery of such interest through the Rule 144A Global Security shall be made only in accordance with Applicable Procedures and upon receipt by the Trustee of a written certification from the transferor of the beneficial interest in the form provided on the reverse of the Initial Security to the effect that such transfer is being made to a QIB within the meaning of Rule 144A in a transaction meeting the requirements of Rule 144A. Such written certification shall no longer be required after the expiration of the Distribution Compliance Period.

(ii) Upon the expiration of the Distribution Compliance Period, beneficial ownership interests in the Regulation S Global Security shall be transferable in accordance with applicable law and the other terms of this Indenture.

(e) **Legend.**

(i) Except as permitted by the following paragraphs (ii), (iii) and (iv), each Security certificate (and all Securities issued in exchange therefor or in substitution thereof), shall bear a legend (“a “Restricted Legend”) in substantially the following form:

THIS SECURITY HAS NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE “SECURITIES ACT”), OR THE SECURITIES LAWS OF ANY STATE OR OTHER JURISDICTION. NEITHER THIS SECURITY NOR ANY INTEREST OR PARTICIPATION HEREIN MAY BE REOFFERED, SOLD, ASSIGNED, TRANSFERRED, PLEDGED, ENCUMBERED OR OTHERWISE DISPOSED OF IN THE ABSENCE OF SUCH REGISTRATION OR UNLESS SUCH TRANSACTION IS EXEMPT FROM, OR NOT SUBJECT TO, SUCH REGISTRATION.

[Transfer and Exchange Appendix - 7]

BY ITS ACQUISITION HEREOF, THE HOLDER HEREOF REPRESENTS THAT IT IS NOT A U.S. PERSON NOR IS IT PURCHASING FOR THE ACCOUNT OF A U.S. PERSON AND IS ACQUIRING THIS SECURITY IN AN OFFSHORE TRANSACTION IN ACCORDANCE WITH REGULATIONS UNDER THE SECURITIES ACT.

The Trustee may rely and shall be fully protected in relying upon information furnished by the Depository with respect to its members, participants and any beneficial owners.

(ii) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Security (including any transfers between or among Depository participants, members or beneficial owners in any Global Security) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by, the terms of this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof. The Trustee shall have no obligations hereunder in respect of transfers of which it has no actual knowledge.

2.4 Definitive Securities.

(a) A Global Security deposited with the Depository or with the Trustee as Securities Custodian for the Depository pursuant to Section 2.1 shall be exchangeable to the beneficial owners thereof in the form of Definitive Securities in an aggregate principal amount equal to the principal amount of such Global Security, in exchange for such Global Security, only if such transfer complies with Section 2.3 hereof and (i) the Depository notifies the Company that it is unwilling or unable to continue as Depository for such Global Security and the Depository fails to appoint a successor depository or if at any time such Depository ceases to be a "clearing agency" registered under the Exchange Act, in either case, and a successor depository is not appointed by the Company within 90 days of such notice, or (ii) an Event of Default has occurred and is continuing or (iii) the Company, in its sole discretion, notifies the Trustee in writing that it elects to cause the issuance of Definitive Securities under this Indenture.

1. Interest

LSB Industries, Inc., a Delaware corporation (such corporation, and its successors and assigns under the Indenture hereinafter referred to, being herein called the “Company”), promises to pay interest on the principal amount of this Security at the rate per annum shown above. The Company will pay interest semiannually in arrears on May 1 and November 1 of each year, commencing November 1, 2018. Interest on the Securities will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from and including the date of issuance. Interest will be computed on the basis of a 360-day year comprised of twelve 30-day months.

2. Method of Payment

The Company will pay interest on the Securities (except defaulted interest) to the Persons who are registered holders of Securities at the close of business on the April 15 or October 15 next preceding the interest payment date even if Securities are canceled after the record date and on or before the interest payment date. Holders must surrender Securities to the Paying Agent to collect principal payments. The Company will pay principal and interest in money of the United States that at the time of payment is legal tender for payment of public and private debts. Payments in respect of the Securities represented by a Global Security (including principal, premium and interest) will be made by wire transfer of immediately available funds to the accounts specified by the Depository. The Company will make all payments in respect of a certificated Security (including principal, premium and interest) at the office of the Paying Agent, except that, at the option of the Company, payment of interest may be made by mailing a check to the registered address of each Holder thereof; provided, however, that payments on a certificated Security will be made by wire transfer to a U.S. dollar account maintained by the payee with a bank in the United States if such Holder elects payment by wire transfer by giving written notice to the Trustee or the Paying Agent to such effect designating such account no later than 30 days immediately preceding the relevant due date for payment (or such other date as the Trustee may accept in its discretion).

3. Paying Agent and Registrar

Initially, Wilmington Trust, National Association, a national banking association (the “Trustee”), will act as Paying Agent and Registrar. The Company may appoint and change any Paying Agent, Registrar or co-registrar without notice to Holders. The Company or any of its domestically incorporated Wholly Owned Subsidiaries may act as Paying Agent, Registrar or co-registrar.

4. Indenture

The Company issued the Securities under an Indenture dated as of April 25, 2018 (the “Indenture”), among the Company, the Guarantors, the Trustee and the Notes Collateral Agent. The terms of the Securities include those stated in the Indenture. Terms defined in the Indenture

and not defined herein have the meanings ascribed thereto in the Indenture. The Securities are subject to all such terms, and Securityholders are referred to the Indenture for a statement of those terms. To the extent any provision of this Security conflicts with express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling.

The Securities are senior secured obligations of the Company. The Company shall be entitled, subject to its compliance with Section 4.03 and Section 4.09 of the Indenture, to issue Additional Securities pursuant to Section 2.13 of the Indenture. The Initial Securities issued on the Issue Date, together with any Additional Securities issued thereafter, will be treated as a single class for all purposes under the Indenture. The Indenture contains covenants that limit the ability of the Company and its subsidiaries to incur additional indebtedness; pay dividends or distributions on, or redeem or repurchase capital stock; make investments; issue or sell capital stock of subsidiaries; engage in transactions with affiliates; create liens on assets; transfer or sell assets; guarantee indebtedness; restrict dividends or other payments of subsidiaries; and consolidate, merge or transfer all or substantially all of its assets and the assets of its subsidiaries. These covenants are subject to important exceptions and qualifications.

5. Optional Redemption

Except as described below, the Securities are not redeemable before May 1, 2020. On or after such date, the Company may redeem the Securities at its option, in whole or in part, upon not less than 30 nor more than 60 days' notice to the Holders (with a copy to the Trustee) (except that redemption notices may be mailed more than 60 days prior to the redemption date if the notice is issued in connection with a defeasance of the Securities or a satisfaction and discharge of the Indenture), at the following redemption prices (expressed as percentages of the principal amount thereof), plus accrued and unpaid interest to but excluding the redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date), if redeemed during the twelve-month period commencing May 1 of the years set forth below:

<u>Year</u>	<u>Percentage</u>
2020	107.219%
2021	103.609%
2022 and thereafter	100.000%

In addition, at any time, or from time to time, on or prior to May 1, 2020, the Company shall be entitled, at its option, to use an amount equal to the net cash proceeds of one or more Equity Offerings to redeem up to 40% of the aggregate principal amount of the Securities (which includes Additional Securities, if any) originally issued under the Indenture at a redemption price of 109.625% of the principal amount thereof plus accrued and unpaid interest thereon, if any, to but excluding the date of redemption (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date); provided that:

(1) at least 60% of the aggregate principal amount of Securities (which includes Additional Securities, if any) originally issued under the Indenture remains outstanding immediately after any such redemption (other than Securities held, directly or indirectly, by the Company or its Affiliates); and

[Transfer and Exchange Appendix - 17]

(2) the Company makes such redemption not more than 150 days after the consummation of any such Equity Offering.

If, in connection with a Change of Control Offer in accordance with Section 4.08 of the Indenture, holders of not less than 90% in aggregate principal amount of the outstanding Securities validly tender and do not withdraw their Securities in such Change of Control Offer and the Company, or any third party making a Change of Control Offer in lieu of the Company as described in Section 4.08 of the Indenture, purchases all of the Securities validly tendered and not withdrawn by such holders, the Company or such third party will have the right, upon not less than 30 nor more than 60 days' prior written notice to the Holders (with a copy to the Trustee), given not more than 30 days following such purchase pursuant to the Change of Control Offer, to redeem all Securities that remain outstanding following such purchase at a price in cash equal to the Change of Control Payment.

Prior to May 1, 2020, the Company shall be entitled at its option to redeem some or all of the Securities at a redemption price equal to 100% of the principal amount of the Securities plus the Applicable Premium as of, and accrued and unpaid interest to, but excluding, the redemption date (subject to the right of Holders on the relevant record date to receive interest due on the relevant interest payment date).

6. Notice of Redemption

Notice of redemption shall be sent not less than 30 nor more than 60 days before the redemption date to each Holder of Securities to be redeemed at his registered address (with a copy to the Trustee) (except that redemption notices may be mailed more than 60 days prior to the redemption date if the notice is issued in connection with a defeasance of the Securities or a satisfaction and discharge of the Indenture). Any inadvertent defect in the notice of redemption, including an inadvertent failure to give notice, to any Holder selected for redemption shall not impair or affect the validity of the redemption of any other Security redeemed in accordance with provisions of the Indenture. No Securities of a principal amount of \$2,000 or less shall be redeemed in part. On and after the redemption date, interest will cease to accrue on Securities or portions thereof called for redemption as long as the Company has deposited with the Paying Agent funds in satisfaction of the applicable redemption price.

Any redemption described above or notice thereof may, at the Company's discretion, be subject to one or more conditions precedent, including, but not limited to, completion of a corporate transaction or other event. If any redemption is so subject to the satisfaction of one or more conditions precedent, the notice thereof shall describe each such condition and, if applicable, shall state that, in the Company's discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied, or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the redemption date, or by the redemption date as so delayed.

7. Put Provisions

Upon the occurrence of a Change of Control, each Holder shall have the right to require that the Company purchase all or a portion of such Holder's Securities at a purchase price equal to 101% of the principal amount thereof plus accrued and unpaid interest, if any, to, but excluding, the date of purchase (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date) as provided in, and subject to the terms of, the Indenture.

8. Guarantee

The payment by the Company of the principal of, and premium and interest on, the Securities and all other obligations of the Company under the Indenture and Securities is fully and unconditionally guaranteed on a joint and several senior basis by each of the Guarantors to the extent set forth in the Indenture.

9. Denominations; Transfer; Exchange

The Securities are in registered form without coupons in denominations of \$2,000 and any greater integral multiple of \$1,000. A Holder may transfer or exchange Securities in accordance with the Indenture. The Registrar may require a Holder, among other things, to furnish appropriate endorsements or transfer documents and to pay any taxes and fees required by law or permitted by the Indenture. The Registrar need not register the transfer of or exchange any Securities selected for redemption (except, in the case of a Security to be redeemed in part, the portion of the Security not to be redeemed) or any Securities for a period of 15 days before a selection of Securities to be redeemed or 15 days before an interest payment date.

10. Persons Deemed Owners

The registered Holder of this Security may be treated as the owner of it for all purposes.

11. Unclaimed Money

If money for the payment of principal or interest remains unclaimed for two years, the Trustee or Paying Agent shall pay the money back to the Company at its written request unless an abandoned property law designates another Person. After any such payment, Holders entitled to the money must look only to the Company and not to the Trustee for payment.

12. Discharge and Defeasance

Subject to certain conditions, the Company at any time shall be entitled to terminate some or all of its obligations under the Securities and the Indenture if the Company deposits with the Trustee money or U.S. Government Obligations for the payment of principal and interest on the Securities to redemption or maturity, as the case may be.

13. Amendment; Waiver

Subject to certain exceptions set forth in the Indenture, (a) the Indenture may be amended with the consent of the Holders of a majority in principal amount of the then outstanding Securities and (b) Holders of a majority in principal amount of the outstanding Securities may waive any existing Default or Event of Default under the Indenture, and its consequences, except a default in the payment of the principal of or interest on any Securities. Subject to certain

exceptions set forth in the Indenture, without the consent of the Holders, the Company, the Guarantors and the Trustee shall be entitled to amend the Indenture to cure ambiguities, omissions, defects or inconsistencies or mistakes, or to provide for the assumption by a successor corporation of the obligations of the Company or any Guarantor under the Indenture, or to provide for uncertificated Securities in addition to or in place of certificated Securities, or to add guarantees with respect to the Securities, including any Guarantee, or to add to the covenants or surrender rights and powers conferred upon the Company or any Guarantor, or to make any change that does not adversely affect the rights of any Holder, or to comply with any requirement of the Commission in connection with the qualification of the Indenture under the Trust Indenture Act of 1939, as amended, or to conform the text of the Indenture, the Securities or any Guarantee to any provision of the "Description of Notes", to make amendments to the provisions of the Indenture relating to the transfer and legending of the Securities, or to release Collateral from the Lien under the Security Documents or a Guarantor from its Guarantee, in each case pursuant to and in accordance with the Indenture, the Security Documents and the Intercreditor Agreement when permitted or required by such documents.

14. Defaults and Remedies

Under the Indenture, Events of Default include (a) the failure to pay interest on any Security when the same becomes due and payable and the default continues for a period of 30 days; (b) the failure to pay the principal on any Security, when such principal becomes due and payable, at maturity, upon redemption, upon declaration of acceleration or otherwise (including the failure to make a payment to purchase Securities tendered pursuant to a Change of Control Offer or a Net Proceeds Offer); (c) failure by the Company to comply with other agreements in the Indenture or the Securities, in certain cases subject to notice and lapse of time; (d) certain accelerations (including failure to pay within any applicable grace periods after final maturity) of other Indebtedness of the Company if the amount accelerated (or so unpaid) exceeds \$35,000,000; (e) certain events of bankruptcy or insolvency with respect to the Company, any Guarantor or any Significant Subsidiary; (f) certain judgments or decrees for the payment of money in excess of \$35,000,000; (g) certain defaults with respect to Guarantees; and (h) certain defaults with respect to Collateral and the Security Documents. If an Event of Default shall occur and be continuing, the Trustee or the Holders of at least 25% in principal amount of the outstanding Securities may declare the principal of and accrued interest on all the Securities to be due and payable immediately. Certain events of bankruptcy or insolvency are Events of Default which will result in the Securities being due and payable immediately upon the occurrence of such Events of Default.

The Trustee and the Notes Collateral Agent are under no obligation to exercise any of its rights or powers under the Indenture, the Securities, the Guarantees or the Security Documents at the request, order or direction of any of the Holders, unless such Holders have offered to the Trustee or the Notes Collateral Agent indemnity or security satisfactory to it against any loss, liability or expense. Subject to all provisions of the Indenture, the Intercreditor Agreement, any Pari Passu Intercreditor and Collateral Agency Agreement or Junior Lien Intercreditor Agreement and applicable law, the Holders of a majority in aggregate principal amount of the then outstanding Securities have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee. Holders of the Securities may not enforce the Indenture or the Securities except as

15. Trustee Dealings with the Company

The Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Securities and may otherwise deal with and collect obligations owed to it by the Company or its Affiliates and may otherwise deal with the Company or its Affiliates with the same rights it would have if it were not Trustee.

16. No Recourse Against Others

No director, officer, employee, incorporator or stockholder of the Company or any Guarantor shall have any liability for any obligations of the Company or any Guarantor under the Securities, any Guarantee or the Indenture or for any claim based on, in respect of, or by reason of such obligations or their creation. Each Holder by accepting a Security waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Securities.

(2) any Lien with respect to the ABL Priority Collateral securing any Notes Obligations now or hereafter held by or on behalf of, or created for the benefit of, Notes Agent, any other Notes Claimholders or any agent or trustee therefor, regardless of how or when acquired, whether by grant, possession, statute, operation of law, subrogation or otherwise, shall be junior and subordinate in all respects to all Liens with respect to the ABL Priority Collateral securing any ABL Obligations.

(b) ABL Agent and Notes Agent hereby further agree that the Notes Priority Collateral does not secure any ABL Obligation under the ABL Credit Agreement and neither the ABL Agent nor any ABL Claimholder under the ABL Credit Agreement shall accept a Lien on any Notes Priority Collateral without the consent of Notes Agent or as otherwise permitted in any Insolvency Proceeding in accordance with Section 6.5 hereof. Notwithstanding the foregoing, ABL Agent and Notes Agent hereby agree that:

(1) any Lien with respect to the Notes Priority Collateral securing any Notes Obligations now or hereafter held by or on behalf of, or created for the benefit of, Notes Agent or any other Notes Claimholders or any agent or trustee therefor, regardless of how or when acquired, whether by grant, possession, statute, operation of law, subrogation or otherwise, shall be senior in all respects and prior to any Lien with respect to the Notes Priority Collateral securing any ABL Obligations; and

(2) any Lien with respect to the Notes Priority Collateral securing any ABL Obligations now or hereafter held by or on behalf of, or created for the benefit of, ABL Agent, any other ABL Claimholders or any agent or trustee therefor, regardless of how or when acquired, whether by grant, possession, statute, operation of law, subrogation or otherwise, shall be junior and subordinate in all respects to all Liens with respect to the Notes Priority Collateral securing any Notes Obligations.

The subordination of Liens provided for in this Agreement shall continue to be effective with respect to any part of the Collateral from and after the date hereof whether such Liens are declared, or ruled to be, invalid, unenforceable, void or not allowed by a court of competent jurisdiction, as a result of any action taken by Notes Agent or ABL Agent, as applicable, or any failure by such person to take any action, with respect to any financing statement (including any amendment to or continuation thereof), Mortgage or other perfection document.

2.2 Prohibition on Contesting Liens. Each of Notes Agent, for itself and on behalf of each other Notes Claimholder, and ABL Agent, for itself and on behalf of each other ABL Claimholder, agrees that it will not (and hereby irrevocably, absolutely and unconditionally waives any right to), directly or indirectly, contest (directly or indirectly), or support any other person in contesting (directly or indirectly), in any proceeding (including any Insolvency Proceeding) (a) the priority, validity, attachment, perfection or enforceability of a Lien in the Collateral held by or on behalf of ABL Agent or any other ABL Claimholder or by or on behalf of Notes Agent or any other Notes Claimholder, (b) the priority, validity, perfection or enforceability of any Obligations, including the allowability or priority of any Obligations in any Insolvency Proceeding, or (c) the validity or enforceability of, or the priorities, rights or duties established by, or other provisions of this Agreement; provided, however that nothing in this Agreement shall be construed to prevent or impair the rights of ABL Agent, any other ABL Claimholder, Notes Agent, or any other Notes Claimholder to enforce the terms of this Agreement, including the provisions of this Agreement relating to the priority of the Liens securing the ABL Obligations and the Notes Obligations, as applicable, as provided in Sections 2.1, 3 and 6.2.

2.3 New Liens. During the term of this Agreement, whether or not any Insolvency Proceeding has been commenced by or against any Grantor, the parties hereto agree, subject to Section 6, that no Grantor shall:

(a) grant or suffer to exist any Liens on any asset that would constitute ABL Priority Collateral to secure any Notes Obligation unless such Grantor also offers to grant, and, at the option of ABL Agent, grants a Lien on such asset to secure the ABL Obligations concurrently with the grant of a Lien thereon in favor of Notes Agent in accordance with the priorities set forth in this Agreement; or

(b) grant or suffer to exist any Liens on (x) any asset to secure any ABL Obligation unless such Grantor also offers to grant, and, at the option of Notes Agent, grants a Lien on such asset to secure the Notes Obligations concurrently with the grant of a Lien thereon in favor of ABL Agent in accordance with the priorities set forth in this Agreement or (y) any Note Priority Collateral to secure any ABL Obligation under the ABL Credit Agreement, except with the consent of Notes Agent or as authorized in an Insolvency Proceeding in accordance with Section 6.5 hereof.

To the extent that the foregoing provisions are not complied with for any reason, without limiting any other rights and remedies available to ABL Agent or any other ABL Claimholder, Notes Agent, on behalf of the Notes Claimholders, agrees that any amounts received by or distributed to any of them pursuant to or as a result of Liens granted in contravention of this Section 2.3 shall be subject to Section 4.2, and without limiting any other rights and remedies available to Notes Agent or any other Notes Claimholder, ABL Agent, on behalf of the ABL Claimholders, agrees that any amounts received by or distributed to any of them pursuant to or as a result of Liens granted in contravention of this Section 2.3 shall be subject to Section 4.2.

2.4 Cooperation in Designating Collateral. In furtherance of Section 9.8, the parties hereto agree to and the Grantors shall, in each case subject to the other provisions of this Agreement, upon request by ABL Agent or Notes Agent, cooperate in good faith (and direct their counsel to cooperate in good faith) from time to time in order to determine the specific items included in the ABL Priority Collateral and the Notes Priority Collateral and the steps taken or to be taken to perfect their respective Liens thereon and the identity of the respective parties obligated under the ABL Loan Documents, the Notes Documents and the Other Pari Passu Lien Obligations Agreement.

SECTION 3. Exercise of Remedies.

3.1 Exercise of Remedies by Notes Agent. Until the Discharge of ABL Obligations has occurred, whether or not any Insolvency Proceeding has been commenced by or against any Grantor, Notes Agent and Notes Claimholders:

(a) will not exercise or seek to exercise (and instead shall be deemed to have hereby irrevocably, absolutely and unconditionally waived), any rights, powers, or remedies with respect to any ABL Priority Collateral (including any Exercise of Secured Creditor Remedies with respect to any ABL Priority Collateral);

(b) subject to Section 3.4 and Section 3.7, will not, directly or indirectly (and instead shall be deemed to have hereby irrevocably, absolutely and unconditionally waived any and all rights to), contest, protest, object to (and seek or be awarded any relief of any nature whatsoever based on any such objection), interfere with, hinder or delay any (i) action to enforce

or collect (or attempt to collect) the ABL Obligations, or (ii) Exercise of Secured Creditor Remedies by ABL Agent or any other ABL Claimholder with respect to any ABL Priority Collateral (regardless of whether any action or failure to act by or on behalf of ABL Agent or the other ABL Claimholders is adverse to the interest of Notes Agent or the other Notes Claimholders), and have no right to direct ABL Agent to Exercise any Secured Creditor Remedies or take any other action under the ABL Loan Documents;

(c) will not object to (and waive any and all claims with respect to) any waiver or forbearance by ABL Agent or the other ABL Claimholders from Exercising any Secured Creditor Remedies with respect to any ABL Priority Collateral;

(d) will not take or cause to be taken any action the purpose or effect of which is, or could be, to make any Lien that the Notes Claimholders have on ABL Priority Collateral equal with, or to give the Notes Claimholders any preference or priority relative to, any Lien that the ABL Claimholders have with respect to such ABL Priority Collateral;

(e) will have no right to (i) direct ABL Agent or any other ABL Claimholder to exercise any right, remedy or power or (ii) consent to the exercise by ABL Agent or any other ABL Claimholder of any right, remedy or power with respect to any ABL Priority Collateral;

(f) acknowledge and agree that no covenant, agreement or restriction contained in the Note Documents shall be deemed to restrict in any way the rights and remedies of ABL Agent or the other ABL Claimholders with respect to the ABL Priority Collateral as set forth in this Agreement and the ABL Loan Documents; and

(g) will not attempt, directly or indirectly, whether by judicial proceedings or otherwise, to challenge the enforceability of any provision of this Agreement.

3.2 Exercise of Remedies by ABL Agent. Until the Discharge of Notes Obligations has occurred, whether or not any Insolvency Proceeding has been commenced by or against any Grantor, ABL Agent and ABL Claimholders:

(a) will not exercise or seek to exercise (and instead shall be deemed to have hereby irrevocably, absolutely and unconditionally waived), any rights, powers, or remedies with respect to any Notes Priority Collateral (including any Exercise of Secured Creditor Remedies with respect to any Notes Priority Collateral);

(b) subject to Section 3.4 and Section 3.7, will not, directly or indirectly (and instead shall be deemed to have hereby irrevocably, absolutely and unconditionally waived any and all rights to), contest, protest, object to (and seek or be awarded any relief of any nature whatsoever based on any such objection), interfere with, hinder or delay any (i) action to enforce or collect (or attempt to collect) the Notes Obligations, or (ii) Exercise of Secured Creditor Remedies by Notes Agent or any other Notes Claimholder with respect to any Notes Priority Collateral (regardless of whether any action or failure to act by or on behalf of Notes Agent or the other Notes Claimholders is adverse to the interest of ABL Agent or the other ABL Claimholders), and have no right to direct Notes Agent to Exercise any Secured Creditor Remedies or take any other action under the Notes Documents or the Other Pari Passu Lien Obligations Agreement;

(c) will not object to (and waive any and all claims with respect to) any waiver or forbearance by Notes Agent or the other Notes Claimholders from Exercising any Secured Creditor Remedies with respect to any Notes Priority Collateral;

(d) will not take or cause to be taken any action the purpose or effect of which is, or could be, to make any Lien that the ABL Claimholders have on Notes Priority Collateral equal with, or to give the ABL Claimholders any preference or priority relative to, any Lien that the Notes Claimholders have with respect to such Notes Priority Collateral;

(e) will have no right to (i) direct Notes Agent or any other Notes Claimholder to exercise any right, remedy or power or (ii) consent to the exercise by Notes Agent or any other Notes Claimholder of any right, remedy or power with respect to any Notes Priority Collateral;

(f) acknowledge and agree that no covenant, agreement or restriction contained in the ABL Loan Documents shall be deemed to restrict in any way the rights and remedies of Notes Agent or the other Notes Claimholders with respect to the Notes Priority Collateral as set forth in this Agreement, the Notes Documents and the Other Pari Passu Lien Obligations Agreement;

(g) will not attempt, directly or indirectly, whether by judicial proceedings or otherwise, to challenge the enforceability of any provision of this Agreement; and

(h) will not take any action to secure the ABL Obligations under the ABL Credit Agreement with a Lien on the Notes Priority Collateral (it being acknowledged and agreed that notwithstanding anything in this Section 3.2 or otherwise in this Agreement to the contrary, the ABL Obligations under the ABL Credit Agreement are not and shall not be secured by Notes Priority Collateral), except with the consent of Notes Agent or as authorized in an Insolvency Proceeding in accordance with Section 6.5 hereof.

3.3 Exclusive Enforcement Rights. (a) Until the Discharge of ABL Obligations has occurred, whether or not any Insolvency Proceeding has been commenced by or against any Grantor, ABL Agent shall have the exclusive right to Exercise any Secured Creditor Remedies with respect to any ABL Priority Collateral (and in connection therewith, make determinations regarding the release or Disposition thereof or any restrictions with respect thereto), in each case without any consultation with or the consent of Notes Agent or any other Notes Claimholder, and (b) until the Discharge of Notes Obligations has occurred, whether or not any Insolvency Proceeding has been commenced by or against any Grantor, Notes Agent shall have the exclusive right to Exercise any Secured Creditor Remedies with respect to any Notes Priority Collateral (and in connection therewith, subject to Section 3.8, make determinations regarding the release or Disposition thereof or any restrictions with respect thereto), in each case without any consultation with or the consent of ABL Agent or any other ABL Claimholder. In connection with (x) any Exercise of Secured Creditor Remedies with respect to the ABL Priority Collateral, ABL Agent may enforce the provisions of the ABL Loan Documents and exercise remedies thereunder, all in such order and in such manner as it may determine in the exercise of its sole discretion, or (y) any Exercise of Secured Creditor Remedies with respect to the Notes Priority Collateral, Notes Agent may enforce the provisions of the Notes Documents and the

Other Pari Passu Lien Obligations Agreement and exercise remedies thereunder, all in such order and in such manner as it may determine in the exercise of its sole discretion. Such exercise and enforcement shall include the rights of an agent appointed by ABL Agent or Notes Agent, as applicable, to Dispose of Collateral, to incur expenses in connection with such Disposition, and to exercise all the rights and remedies of a secured creditor under the UCC, the Bankruptcy Laws or other applicable law.

3.4 Permitted Actions. Anything to the contrary in this Section 3 notwithstanding, each of Notes Agent and ABL Agent may:

(a) if an Insolvency Proceeding has been commenced by or against any Grantor, file a proof of claim or statement of interest with respect to its Collateral or otherwise with respect to the Notes Obligations or the ABL Obligations, as the case may be, or otherwise file any pleadings, objections, motions or agreements which assert rights or interests available to unsecured creditors of such Grantor arising under any Insolvency Proceeding or applicable non-bankruptcy law, in each case not inconsistent with the terms of this Agreement or applicable law (including the Bankruptcy Laws);

(b) take any action (not adverse to the priority status of the Liens on the Collateral of the other, or the rights of the other Agent or any Claimholders to Exercise any Secured Creditor Remedies) in order to create or perfect its Lien in and to the Collateral;

(c) file any necessary responsive or defensive pleadings in opposition to any motion, claim, adversary proceeding, or other pleading made by any person objecting to or otherwise seeking the disallowance or subordination of its claims or the claims of its Claimholders, or the avoidance of its Liens;

(d) object to any proposed acceptance of, in the case of Notes Agent, ABL Priority Collateral by an ABL Claimholder pursuant to Section 9-620 of the UCC;

(e) make any arguments and motions that are, in each case, in accordance with the terms of this Agreement;

(f) vote on any plan of reorganization in accordance with the terms of this Agreement;

(g) the Notes Agent may join (but not exercise any control with respect to) any judicial foreclosure proceeding or other judicial lien enforcement proceeding with respect to the ABL Priority Collateral initiated by the ABL Agent to the extent that any such action could not reasonably be expected, in any material respect, to restrain, hinder, limit, delay for any material period or otherwise interfere with the Exercise of Secured Creditor Remedies by such ABL Agent (it being understood that, (i) with respect to ABL Priority Collateral, neither Notes Agent nor any other Notes Claimholder shall be entitled to receive any proceeds thereof unless otherwise expressly permitted herein and (ii) with respect to Notes Priority Collateral, neither ABL Agent nor any other ABL Claimholder shall be entitled to receive any proceeds thereof unless otherwise expressly permitted herein); and

(h) take any action described in clauses (i) through (viii) of the definition of Exercise of Secured Creditor Remedies.

3.5 Retention of Proceeds.

(a) Notes Claimholders shall not be permitted to retain any proceeds of ABL Priority Collateral in connection with any Exercise of Secured Creditor Remedies in any circumstance unless and until the Discharge of ABL Obligations has occurred, and any such proceeds received or retained in any other circumstance will be subject to Section 4.2.

(b) ABL Claimholders shall not be permitted to retain any proceeds of Notes Priority Collateral in connection with any Exercise of Secured Creditor Remedies in any circumstance unless and until the Discharge of Notes Obligations has occurred, and any such proceeds received or retained in any other circumstance will be subject to Section 4.2.

(c) Notwithstanding anything contained in this Agreement to the contrary, in the event of any Disposition or series of related Dispositions that includes ABL Priority Collateral and Notes Priority Collateral where the aggregate sales price is not allocated between the ABL Priority Collateral and Notes Priority Collateral being sold (excluding in connection with or as a result of the sale of the capital stock of a Grantor), then solely for purposes of this Agreement, the allocation of proceeds of such Disposition to the ABL Priority Collateral shall be based upon, in the case of (i) any ABL Priority Collateral consisting of inventory, the book value thereof as assessed on the date of such Disposition, (ii) any ABL Priority Collateral consisting of accounts receivable, the book value thereof as assessed on the date of such Disposition and (iii) all other ABL Priority Collateral and Notes Priority Collateral, the Fair Market Value of such ABL Priority Collateral and Notes Priority Collateral sold or, if the aggregate amount of such other ABL Priority Collateral and Notes Priority Collateral sold is greater than \$35,000,000, the Fair Market Value of such Collateral as determined by an independent appraiser.

3.6 Non-Interference. Subject to Sections 3.1, 3.2, 3.3, 3.4 and 6.5(b), each of Notes Agent, for itself and on behalf of the other Notes Claimholders, and ABL Agent, for itself and on behalf of the other ABL Claimholders, hereby:

(a) subject to Section 3.7, agrees that it will not, directly or indirectly, take any action that would restrain, hinder, limit, delay, or otherwise interfere with any Exercise of Secured Creditor Remedies by the other Agent with respect to such other Agent's Priority Collateral or that is otherwise prohibited hereunder, including any Disposition of the other Agent's Priority Collateral, whether by foreclosure or otherwise;

(b) subject to Section 3.7, waives any and all rights it or its Claimholders may have as a junior lien creditor or otherwise to object to the manner in which such other Agent seeks to enforce or collect such other party's respective Obligations or the Liens securing such Obligations granted in any of such other Agent's Priority Collateral, regardless of whether any action or failure to act by or on behalf of such other Agent is adverse to the interest of it or its Claimholders.

3.7 Commercially Reasonable Dispositions; Notice of Exercise.

(a) Notes Agent, for itself and on behalf of the other Notes Claimholders, hereby irrevocably, absolutely, and unconditionally waives any right to object (and seek or be awarded any relief of any nature whatsoever based on any such objection), at any time prior to or subsequent to any disposition of any of the ABL Priority Collateral, on the ground(s) that any such disposition of ABL Priority Collateral (x) would not be or was not “commercially reasonable” within the meaning of any applicable UCC and/or (y) would not or did not comply with any other requirement under any applicable UCC or under any other applicable law governing the manner in which a secured creditor (including one with a Lien on real property) is to realize on its collateral. ABL Agent, for itself and on behalf of the other ABL Claimholders, hereby irrevocably, absolutely and unconditionally waives any right to object (and seek or be awarded any relief of any nature whatsoever based on any such objection), at any time prior to or subsequent to any disposition of any Notes Priority Collateral, on the ground(s) that any such disposition of Notes Priority Collateral (i) would not be or was not “commercially reasonable” within the meaning of any applicable UCC and/or (ii) would not or did not comply with any other requirement under any applicable UCC or under any other applicable law governing the manner in which a secured creditor (including one with a Lien on real property) is to realize on its collateral.

(b) Except as expressly set forth in this Agreement, each Notes Claimholder and each ABL Claimholder shall have any and all rights and remedies it may have as a creditor under any applicable law, including the right to the Exercise of Secured Creditor Remedies; provided, however, that the Exercise of Secured Creditor Remedies with respect to the Collateral (and any judgment Lien obtained in connection therewith) shall be subject to the Lien priorities set forth herein and to the provisions of this Agreement. ABL Agent may enforce the provisions of the ABL Loan Documents, Notes Agent may enforce the provisions of the Notes Documents and Other Pari Passu Lien Obligations Agreement and each may Exercise any Secured Creditor Remedies, all in such order and in such manner as each may determine in the exercise of its sole discretion, consistent with the terms of this Agreement and mandatory provisions of applicable law; provided, however, that the ABL Agent agrees to provide to the Notes Agent (x) an Enforcement Notice prior to its Exercise of Secured Creditor Remedies and (y) copies of any notices that it is required under applicable law to deliver to any Grantor (for avoidance of doubt, the Notes Agent shall not be required to deliver any such Enforcement Notice to the ABL Agent); provided further, however, that ABL Agent’s failure to provide copies of any such notices to Notes Agent shall not impair any of ABL Agent’s rights hereunder or under any of the ABL Documents. Each of Notes Agent, each other Notes Claimholder, ABL Agent and each ABL Claimholder agrees that it will not institute any suit or other proceeding or assert in any suit, Insolvency Proceeding or other proceeding any claim, in the case of Notes Agent and each other Notes Claimholder, against either ABL Agent or any other ABL Claimholder, and in the case of ABL Agent and each other ABL Claimholder, against either Notes Agent or any other Notes Claimholder, seeking damages from or other relief by way of specific performance, instructions or otherwise, with respect to, any action taken or omitted to be taken by such person with respect to the Collateral which is consistent with the terms of this Agreement, and none of such parties shall be liable for any such action taken or omitted to be taken.

3.8 Inspection and Access Rights.

(a) If Notes Agent, or any agent or representative of Notes Agent, or any receiver, shall, after any Notes Default, obtain possession or physical control of any Notes Priority Collateral or Notes Agent shall sell or otherwise dispose of any Notes Priority Collateral, Notes Agent shall promptly notify ABL Agent in writing of that fact, and ABL Agent shall thereafter notify the Notes Agent in writing as to whether ABL Agent desires to exercise access rights under this Section 3.8. Upon delivery of such notice by ABL Agent to Notes Agent, the parties shall confer in good faith to coordinate with respect to ABL Agent's exercise of such access rights. Consistent with the definition of "Use Period," access rights may apply to differing parcels of real properties subject to a Mortgage and to different assets that constitute a portion of the Notes Priority Collateral, in each case at differing times, in which case, a differing Use Period will apply to each such property and to each such portion of the Notes Priority Collateral.

(b) Without limiting any rights ABL Agent or any other ABL Claimholder may otherwise have under applicable law or by agreement and whether or not Notes Agent or any other Notes Claimholder has commenced and is continuing to Exercise any Secured Creditor Remedies of Notes Agent, ABL Agent or any other person (including any ABL Claimholder) acting with the consent, or on behalf, of ABL Agent shall have an irrevocable, non-exclusive right to have access to, and a royalty-free and rent-free license and right to use, the Notes Priority Collateral (including, without limitation, equipment, fixtures and real property and equipment, processors, computers and other machinery related to the storage or processing of records, documents or files) during the Use Period (a) during normal business hours on any Business Day, to access the ABL Priority Collateral that (i) is stored or located in or on, (ii) has become an accession with respect to (within the meaning of Section 9-335 of the UCC), or (iii) has been commingled with (within the meaning of Section 9-336 of the UCC), Notes Priority Collateral, and (b) in order to assemble, inspect, copy or download information stored on, take actions to perfect its Lien on, process raw materials or work-in-process into finished inventory, take possession of, move, package, prepare and advertise for sale or disposition, sell (by public auction, private sale, "going out of business" sale or similar sale, whether in bulk, in lots or to customers in the ordinary course of business or otherwise and which sale may include augmented inventory of the same type sold in Grantors' business), store, collect, take reasonable actions to protect, secure and otherwise enforce the rights of ABL Agent in and to the ABL Priority Collateral, or otherwise deal with the ABL Priority Collateral, in each case without the involvement of or interference by any Notes Claimholder or liability to any Notes Claimholder. This Agreement will not restrict the rights of Notes Agent to sell, assign or otherwise transfer the related Notes Priority Collateral prior to the expiration of the Use Period if (but only if) the purchaser, assignee or transferee thereof agrees to be bound by the provisions of this Section 3.8.

(c) During the period of actual occupation, use and/or control by the ABL Claimholders and/or ABL Agent (or their respective employees, agents, advisers and representatives) of any Notes Priority Collateral or other assets or property, the ABL Claimholders and ABL Agent shall be obligated to repair at their expense any physical damage (ordinary wear and tear excepted) to such Notes Priority Collateral caused by such occupancy, use or control by ABL Agent or its agents, representatives or designees, and to leave such Notes Priority Collateral or other assets or property in substantially the same condition as it was at the commencement of such occupancy, use or control, ordinary wear and tear excepted; provided, however, that ABL Agent and the ABL Claimholders will not be liable for any diminution in the value of the Notes Priority Collateral caused by the absence of the ABL Priority Collateral

therefrom. Notwithstanding the foregoing, in no event shall the ABL Claimholders or ABL Agent have any liability to the Notes Claimholders and/or to Notes Agent pursuant to this Section 3.8 as a result of any condition (including any environmental condition, claim or liability) on or with respect to the Notes Priority Collateral existing prior to the date of the exercise by the ABL Claimholders (or ABL Agent, as the case may be) of their rights under this Section 3.8 and the ABL Claimholders shall have no duty or liability to maintain the Notes Priority Collateral in a condition or manner better than that in which it was maintained prior to the use thereof by the ABL Claimholders, or for any diminution in the value of the Notes Priority Collateral that results solely from ordinary wear and tear resulting from the use of the Notes Priority Collateral by the ABL Claimholders in the manner and for the time periods specified under this Section 3.8. Without limiting the rights granted in this Section 3.8, the ABL Claimholders and ABL Agent shall cooperate with the Notes Claimholders and/or Notes Agent in connection with any efforts made by the Notes Claimholders and/or the Notes Agent to sell the Notes Priority Collateral.

(d) Consistent with the definition of the term "Use Period," if any order or injunction is issued or stay is granted or is otherwise effective by operation of law that prohibits ABL Agent from exercising any of its rights hereunder, then the Use Period granted to ABL Agent under this Section 3.8 shall be stayed during the period of such prohibition and shall continue thereafter for the number of days remaining as required under this Section 3.8. Notes Agent agrees, for the benefit of ABL Agent, that it shall not sell or dispose of any of the Notes Priority Collateral during the Use Period unless the buyer agrees in writing to acquire the Notes Priority Collateral subject to the terms of this Section 3.8 and agrees therein to comply with the terms of this Section 3.8. The rights of ABL Agent and the other ABL Claimholders under this Section 3.8 during the Use Period shall continue notwithstanding such foreclosure, sale or other disposition by Notes Agent.

(e) ABL Agent and the other ABL Claimholders shall not be obligated to pay any amounts to Notes Agent or the other Notes Claimholders (or any person claiming by, through or under the Notes Claimholders, including any purchaser of the Notes Priority Collateral) or to any Grantor, for or in respect of the use by ABL Agent and the other ABL Claimholders of the Notes Priority Collateral; provided that ABL Agent and the other ABL Claimholders shall be obligated to pay any third-party expenses related thereto, including costs with respect to heat, light, electricity and water with respect to that portion of any premises so used or occupied, or that arise as a result of such use. In the event, and only in the event, that in connection with its use of some or all of the premises constituting Notes Priority Collateral, ABL Agent requires the services of any employees of the Grantors, ABL Agent shall pay directly to any such employees the appropriate, allocated wages of such employees, if any, during the time periods that ABL Agent requires their services. In each case, all amounts paid by ABL Agent hereunder shall be added to the outstanding principal balance of the ABL Obligations.

(f) The ABL Claimholders shall use the Notes Priority Collateral in accordance with applicable law.

(g) Subject to Section 3.7, Notes Agent and the other Notes Claimholders (i) will cooperate with ABL Agent (at ABL Agent's expense, which expenses shall constitute and be deemed part of the ABL Obligations) in its efforts pursuant to Section 3.8(b) to enforce its

security interest in the ABL Priority Collateral and to finish any work-in-process and assemble the ABL Priority Collateral, (ii) will not hinder or restrict in any respect ABL Agent from enforcing its security interest in the ABL Priority Collateral or from finishing any work-in-process or assembling the ABL Priority Collateral pursuant to Section 3.8(b), and (iii) will, subject to the rights of any landlords under real estate leases, permit the ABL Collateral Agent, its employees, agents, advisers and representatives to exercise the rights described in Section 3.8(b).

(h) Subject to the terms hereof, Notes Agent may advertise and conduct public auctions or private sales of the Notes Priority Collateral, without the involvement of or interference by any ABL Claimholder or liability to any ABL Claimholder, as long as, in the case of an actual sale, the respective purchaser assumes and agrees in advance in writing to the obligations of Notes Agent and the other Notes Claimholders under this Section 3.8. If ABL Agent conducts a public auction or private sale of the ABL Priority Collateral at any of the real property included within the Notes Priority Collateral, ABL Agent shall provide the Notes Agent with reasonable notice and use reasonable efforts to hold such auction or sale in a manner which would not unduly disrupt the Notes Agent's use of such real property.

(i) For the avoidance of doubt, and without limiting the generality of the other provisions of this Agreement, it is hereby acknowledged and agreed that ABL Agent and the other ABL Claimholders shall have the right to bring an action to enforce their rights under this Section 3.8 and Section 3.9 including an action seeking possession of the applicable Collateral and/or specific performance of this Section 3.8 and Section 3.9.

3.9 Sharing of Information and Access. In the event that ABL Agent shall, in the exercise of its rights under the ABL Collateral Documents or otherwise, receive possession or control of any books and records of any Grantor which contain information identifying or pertaining to the Notes Priority Collateral, ABL Agent shall, upon request from Notes Agent and as promptly as practicable thereafter, either make available to Notes Agent such books and records for inspection and duplication or provide to Notes Agent copies thereof. In the event that Notes Agent shall, in the exercise of its rights under the Notes Collateral Documents or otherwise, receive possession or control of any books and records of any Grantor which contain information identifying or pertaining to any of the ABL Priority Collateral, Notes Agent shall, upon written request from ABL Agent and as promptly as practicable thereafter, either make available to ABL Agent such books and records for inspection and duplication or provide ABL Agent copies thereof.

3.10 Tracing of and Priorities in Proceeds. ABL Agent, for itself and on behalf of the other ABL Claimholders, and Notes Agent, for itself and on behalf of the other Notes Claimholders, further agree that prior to an issuance of any Enforcement Notice by such Claimholder or, with respect to Notes Collateral, prior to any time when the Notes Agent conducts an Exercise of Secured Creditor Remedies (unless, in either case, a bankruptcy or insolvency ABL Default or Notes Default then exists), any proceeds of Collateral obtained in accordance with the terms of the ABL Loan Documents, the Notes Documents and the Other Pari Passu Lien Obligations Agreement, whether or not deposited under control agreements, which are used by any Grantor to acquire other property which is Collateral shall not (solely as between the Claimholders) be treated as proceeds of Collateral for purposes of determining the

relative priorities in the Collateral which was so acquired. In addition, unless and until the Discharge of ABL Obligations occurs, Notes Agent, for itself and on behalf of the other Notes Claimholders, hereby consents to the application, prior to the receipt by ABL Agent of an Enforcement Notice issued by Notes Agent, of cash or other proceeds of ABL Collateral deposited under deposit account control agreements to the repayment of ABL Obligations pursuant to the ABL Loan Documents.

SECTION 4. Proceeds.

4.1 Application of Proceeds.

(a) Prior to the Discharge of ABL Obligations, whether or not any Insolvency Proceeding has been commenced by or against any Grantor, except as otherwise provided in Section 3.5, any ABL Priority Collateral or proceeds thereof received in connection with any Exercise of Secured Creditor Remedies shall (at such time as such Collateral or proceeds has been monetized) be applied: (i) first, to the payment in full in cash or cash collateralization of the ABL Obligations in accordance with the ABL Loan Documents, and in the case of payment of any revolving loans following any acceleration of the ABL Obligations and resulting from a foreclosure or “going out of business” sale or similar sale of ABL Priority Collateral, together with the concurrent permanent reduction of any revolving loan commitment thereunder in an amount equal to the amount of such payment, and (ii) second, to the payment in full in cash of the Note Obligations in accordance with the Notes Documents and the Other Pari Passu Lien Obligations Agreement.

(b) Prior to the Discharge of Notes Obligations, whether or not any Insolvency Proceeding has been commenced by or against any Grantor, except as otherwise provided in Section 3.5, any Notes Priority Collateral or proceeds thereof received in connection with any Exercise of Secured Creditor Remedies shall (at such time as such Collateral or proceeds has been monetized) be applied: (i) first, to the payment in full in cash or cash collateralization of the Notes Obligations in accordance with the Notes Documents, and (ii) second, to the Grantors or to whomever else is entitled to receive same under applicable law.

(c) If any Exercise of Secured Creditor Remedies with respect to the Collateral produces non-cash proceeds, then such non-cash proceeds shall be held by the Agent that conducted the Exercise of Secured Creditor Remedies as additional Collateral and, at such time as such non-cash proceeds are monetized, shall be applied as set forth above.

4.2 Turnover. Unless and until the earlier of Discharge of ABL Obligations or the Discharge of Notes Obligations has occurred, whether or not any Insolvency Proceeding has been commenced by or against any Grantor, except as otherwise provided in Section 3.5, (a) any ABL Priority Collateral, proceeds thereof (including assets or proceeds subject to Liens referred to in the final sentence of Section 2.3) or any insurance proceeds described in Section 5.2(a) received by Notes Agent or any other Notes Claimholder, pursuant to any Notes Document or by the exercise of any rights available to it under applicable law or in any Insolvency Proceeding pursuant to any Exercise of Secured Creditor Remedies or through any other exercise of remedies, after Notes Agent or such other Notes Claimholder obtains actual knowledge or notice from ABL Agent that it has possession of such ABL Priority Collateral and/or such proceeds or

as a result of Notes Agent's or any other Notes Claimholder's collusion with any Grantor in violating the rights of ABL Agent or any other ABL Claimholder (within the meaning of Section 9-332 of the UCC), shall be segregated and held in trust and shall reasonably promptly be paid over to ABL Agent for the benefit of the ABL Claimholders in the same form as received, with any necessary endorsements or as a court of competent jurisdiction may otherwise direct, and (b) any Notes Priority Collateral, proceeds thereof (including assets or proceeds subject to Liens referred to in the final sentence of Section 2.3) or any insurance proceeds described in Section 5.2(b) received by ABL Agent or any other ABL Claimholder, pursuant to any ABL Loan Document or by the exercise of any rights available to it under applicable law or in any Insolvency Proceeding pursuant to any Exercise of Secured Creditor Remedies or through any other exercise of remedies, after ABL Agent or such other ABL Claimholder obtains actual knowledge or notice from Notes Agent that it has possession of such Notes Priority Collateral and/or such proceeds or as a result of ABL Agent's or any other ABL Claimholder's collusion with any Grantor in violating the rights of Notes Agent or any other Notes Claimholder (within the meaning of Section 9-332 of the UCC), shall be segregated and held in trust and shall reasonably promptly be paid over to Notes Agent for the benefit of the Notes Claimholders in the same form as received, with any necessary endorsements or as a court of competent jurisdiction may otherwise direct. Each of Notes Agent and ABL Agent is hereby authorized to make any such endorsements as agent for the other or any Claimholders. This authorization is coupled with an interest and is irrevocable until the earlier of the Discharge of ABL Obligations or the Discharge of Notes Obligations.

Notes Agent for itself and each other Notes Claimholder agrees that if, at any time, all or any part of any payment with respect to any ABL Obligations secured by any ABL Priority Collateral previously made shall be rescinded for any reason whatsoever, to the extent still within its possession, it will promptly pay over to ABL Agent any payment received by it in respect of any such ABL Priority Collateral and shall promptly turn any such ABL Priority Collateral then held by it over to ABL Agent, and the provisions set forth in this Agreement will be reinstated as if such payment had not been made, until the payment and satisfaction in full of such ABL Obligations.

ABL Agent for itself and each other ABL Claimholder agrees that if, at any time, all or any part of any payment with respect to any Notes Obligations secured by any Notes Priority Collateral previously made shall be rescinded for any reason whatsoever, and notwithstanding the fact that ABL Obligations under the ABL Credit Agreement are not secured by Notes Priority Collateral, it will promptly pay over to Notes Agent any payment received by it in respect of any such Notes Priority Collateral and shall promptly turn any such Notes Priority Collateral then held by it over to Notes Agent, and the provisions set forth in this Agreement will be reinstated as if such payment had not been made, until the payment and satisfaction in full of such Notes Obligations.

4.3 No Subordination of the Relative Priority of Claims. Anything to the contrary contained herein notwithstanding, the subordination of the Liens of Notes Claimholders in respect of the ABL Priority Collateral to the Liens of ABL Claimholders therein and of disclaimer of and subordination of the Liens of ABL Claimholders in respect of the Notes Priority Collateral to the Liens of Notes Claimholders therein as set forth herein is with respect to the priority of the respective Liens held by or on behalf of them only and shall not constitute a subordination in right of payment of the Notes Obligations to the ABL Obligations or the ABL Obligations to the Notes Obligations.

4.4 Application of Payments. Subject to the other terms of this Agreement, all payments received (not in violation of this Agreement) by (a) ABL Agent or the other ABL Claimholders may be applied, reversed and reapplied, in whole or in part, to the ABL Obligations to the extent provided for in the ABL Loan Documents and (b) Notes Agent or the other Note Claimholders may be applied, reversed and reapplied, in whole or in part, to the Note Obligations to the extent provided for in the Note Documents.

4.5 Revolving Nature of ABL Obligations. Notes Agent, on behalf of the Notes Claimholders, acknowledges and agrees that the ABL Credit Agreement includes a revolving commitment and that the amount of the ABL Obligations that may be outstanding at any time or from time to time may be increased or reduced and subsequently reborrowed.

SECTION 5. Releases; Dispositions; Other Agreements.

5.1 Releases.

(a) If, in connection with the Exercise of Secured Creditor Remedies by ABL Agent as provided for in Section 3, irrespective of whether an ABL Default or a Notes Default has occurred and is continuing, ABL Agent releases any of its Liens on any part of the ABL Priority Collateral, then the Liens of Notes Agent on such ABL Priority Collateral shall be automatically, unconditionally, and simultaneously released so long as all proceeds therefrom are applied to permanently repay the ABL Obligations and the then outstanding commitments to extend credit under the ABL Credit Agreement are terminated; provided, however, that any proceeds remaining after the Discharge of ABL Obligations shall be subject to the Liens of the Notes Claimholders. Notes Agent, for itself or on behalf of any such Notes Claimholders, promptly shall execute and deliver to ABL Agent such termination or amendment statements, releases, and other documents as ABL Agent may request in writing to effectively confirm such release, without the consent or direction of any other Notes Claimholders at the cost and expense of the Grantors.

(b) If, in connection with the Exercise of Secured Creditor Remedies by Notes Agent as provided for in Section 3, irrespective of whether an ABL Default or a Notes Default has occurred and is continuing, Notes Agent releases any of its Liens on any part of the Notes Priority Collateral, then the Liens, if any, of ABL Agent on such Notes Priority Collateral shall be automatically, unconditionally, and simultaneously released so long as all proceeds therefrom are applied to permanently repay, repurchase or otherwise retire the Notes Obligations. ABL Agent, for itself or on behalf of any such ABL Claimholders, promptly shall execute and deliver to Notes Agent such termination or amendment statements, releases, and other documents as Notes Agent may request in writing to effectively confirm such release, without the consent or direction of any other ABL Claimholders at the cost and expense of the Grantors.

(c) If, in connection with any Disposition of any ABL Priority Collateral permitted under the terms of the ABL Loan Documents, the Notes Documents and any Other Pari Passu Lien Obligations Agreement as in effect at the time of such Disposition, ABL Agent,

for itself or on behalf of any ABL Claimholders, releases any of its Liens on the portion of the ABL Priority Collateral that is the subject of such Disposition, other than (i) in connection with the Discharge of ABL Obligations, or (ii) after the occurrence and during the continuance of any Notes Default, then the Liens of Notes Agent on such Collateral shall be automatically, unconditionally, and simultaneously released. Notes Agent, for itself or on behalf of any such Notes Claimholders, promptly shall execute and deliver to ABL Agent such termination or amendment statements, releases, and other documents as ABL Agent may request in writing to effectively confirm such release, without the consent or direction of any other Notes Claimholders provided that such Grantors have delivered such certificates or other documents to which the Notes Agent may be entitled under the Notes Documents and the Other Pari Passu Lien Obligations Agreement.

(d) [reserved.]

(e) In the event that any Collateral that would be ABL Priority Collateral is no longer Collateral pursuant to the effects of clause (8) of the definition of "Excluded Assets" in the Indenture (or any comparable provision in any successor Notes Document), such Collateral shall automatically be deemed not to be Notes Collateral under the Notes Collateral Documents. Notes Agent, for itself or on behalf of any such Notes Claimholders, promptly shall execute and deliver to the Grantors such termination or amendment statements, releases, and other documents as any Grantor may request to effectively confirm such release, at the cost and expense of the Grantors and without the consent or direction of any other Notes Claimholders.

(f) [reserved.]

(g) Notes Agent, with respect to the ABL Priority Collateral, on behalf of the Notes Claimholders, hereby irrevocably constitutes and appoints ABL Agent with respect to such ABL Priority Collateral and any officer or agent of ABL Agent, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of Notes Agent or in Notes Agent's own name, from time to time in ABL Agent's discretion exercised in good faith, for the purpose of carrying out the terms of this Section 5.1, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary to accomplish the purposes of this Section 5.1, including any endorsements or other instruments of transfer or release.

5.2 Insurance.

(a) Unless and until ABL Agent has provided written notice to Notes Agent that the Discharge of ABL Obligations has occurred: (i) ABL Agent and the other ABL Claimholders shall have the sole and exclusive right, subject to the rights of Grantors under the ABL Loan Documents, to adjust and settle any claim under any insurance policy covering the ABL Priority Collateral in the event of any loss thereunder and to approve any award granted in any condemnation or similar proceeding (or any deed in lieu of condemnation) affecting the ABL Priority Collateral; and (ii) all proceeds of any such insurance policy and any such award (or any payments with respect to a deed in lieu of condemnation) if in respect of ABL Priority Collateral, shall be paid, subject to the rights of Grantors under the ABL Loan Documents, first, to the ABL Claimholders, until the Discharge of ABL Obligations, second, to the Notes

Claimholders, until the Discharge of Notes Obligations, and third, to the owner of the subject property, such other person as may be entitled thereto, or as a court of competent jurisdiction may otherwise direct. If Notes Agent or any other Notes Claimholders shall at any time receive any proceeds of any such insurance policy or award in contravention of this Agreement, it shall hold such proceeds in trust and upon written request pay over such proceeds to ABL Agent.

(b) Unless and until Notes Agent has provided written notice to ABL Agent that the Discharge of Notes Obligations has occurred: (i) Notes Agent and the other Notes Claimholders shall have the sole and exclusive right, subject to the rights of Grantors under the Notes Documents and the Other Pari Passu Lien Obligations Agreement, to adjust and settle any claim under any insurance policy covering the Notes Priority Collateral in the event of any loss thereunder and to approve any award granted in any condemnation or similar proceeding (or any deed in lieu of condemnation) affecting the Notes Priority Collateral; and (ii) all proceeds of any such insurance policy and any such award (or any payments with respect to a deed in lieu of condemnation) if in respect of Notes Priority Collateral, shall be paid, subject to the rights of Grantors under the Notes Documents and the Other Pari Passu Lien Obligations Agreement, first, to the Notes Claimholders, until the Discharge of Notes Obligations and second, to the owner of the subject property, such other person as may be entitled thereto, or as a court of competent jurisdiction may otherwise direct. If ABL Agent or any other ABL Claimholders shall at any time receive any proceeds of any such insurance policy or award in contravention of this Agreement, it shall hold such proceeds in trust and upon request pay over such proceeds to Notes Agent.

In the event that any proceeds are derived from any insurance policy that covers ABL Priority Collateral and Notes Priority Collateral, ABL Agent and Notes Agent will work jointly and in good faith to collect, adjust or settle (subject to the rights of the Grantors under the ABL Loan Documents, the Notes Documents and the Other Pari Passu Lien Obligations Agreement) any claim under the relevant insurance policy.

Notwithstanding anything contained in this Agreement to the contrary, in the event that any proceeds are derived from any insurance policy that covers ABL Priority Collateral and Notes Priority Collateral where the allocation of proceeds is not stipulated between ABL Priority Collateral and Notes Priority Collateral, then the allocation of proceeds of such insurance policy to the ABL Priority Collateral shall be based upon, in the case of (A) any ABL Priority Collateral consisting of inventory, book value as assessed on the date of such loss, (B) any ABL Priority Collateral consisting of accounts receivable, the face amount thereof and (C) all other ABL Priority Collateral and Notes Priority Collateral, the fair market value of such ABL Priority Collateral and Notes Priority Collateral, as determined by Grantors in their reasonable judgment or, if the aggregate amount of such other ABL Priority Collateral and Notes Priority Collateral sold is greater than \$35,000,000, an independent appraiser.

(c) To effectuate the foregoing, Grantors shall provide ABL Agent and Notes Agent with separate lender's loss payable endorsements naming such Agents as loss payee and additional insured, as their interests may appear, with respect to policies which insure Collateral hereunder.

5.3 Amendments; Refinancings; Legend.

(a) The ABL Loan Documents may be amended, restated, supplemented, or otherwise modified in accordance with their terms and the ABL Obligations may be Refinanced in accordance with the terms of the ABL Loan Documents, in each case without notice to, or the consent of, Notes Agent or any other Notes Claimholders, all without affecting the lien subordination or other provisions of this Agreement; provided, however, that, in the case of a Refinancing secured by any Collateral, the holders of such Refinancing debt (or an authorized representative on their behalf) bind themselves (in a writing addressed to Notes Agent for the benefit of itself and the other Notes Claimholders in a form reasonably acceptable to Notes Agent) to the terms of this Agreement; provided further, however, that any such amendment, restatement, supplement, modification, or Refinancing shall not result in a Notes Default under the Indenture; provided further, however, that, if such Refinancing debt is secured by a Lien on any Collateral the holders of such Refinancing debt shall be deemed bound by the terms hereof regardless of whether or not such writing is provided. For the avoidance of doubt, the sale or other transfer of indebtedness is not restricted by this Agreement but the provisions of this Agreement shall be binding on all holders of ABL Obligations and Notes Obligations.

(b) Each of the Notes Documents and the Other Pari Passu Lien Obligations Agreement may be amended, restated, supplemented, or otherwise modified in accordance with their terms and the Notes Obligations may be Refinanced in accordance with the terms of the Notes Documents and the Other Pari Passu Lien Obligations Agreement, as applicable, in each case without notice to, or the consent of, ABL Agent or any other ABL Claimholders, all without affecting the lien subordination or other provisions of this Agreement; provided, however, that, in the case of a Refinancing secured by any Collateral, the holders of such Refinancing debt (or an authorized representative on their behalf) bind themselves (in a writing addressed to ABL Agent for the benefit of itself and the other ABL Claimholders in a form reasonably acceptable to ABL Agent) to the terms of this Agreement; provided further, however, that any such amendment, restatement, supplement, modification, or Refinancing shall not, without the prior written consent of ABL Agent, result in an ABL Default under the ABL Credit Agreement; provided further, however, that, if such Refinancing debt is secured by a Lien on any Collateral the holders of such Refinancing debt shall be deemed bound by the terms hereof regardless of whether or not such writing is provided. For the avoidance of doubt, the sale or other transfer of indebtedness is not restricted by this Agreement but the provisions of this Agreement shall be binding on all holders of ABL Obligations and Notes Obligations.

(c) So long as the Discharge of ABL Obligations has not occurred, Notes Agent agrees that each Notes Collateral Document entered into after the date hereof shall include the following language (or similar language acceptable to ABL Agent):

“Anything herein to the contrary notwithstanding, the liens and security interests granted to Wilmington Trust, National Association, as Collateral Agent under the Indenture, pursuant to this Agreement and the exercise of any right or remedy by Wilmington Trust, National Association, as Collateral Agent hereunder, are subject to the provisions of the Intercreditor Agreement dated as of August 7, 2013 (as amended by that certain First Amendment dated as of April 25, 2018 and as further amended, restated, supplemented, or otherwise modified from time

to time, the “**Intercreditor Agreement**”), by and between Wells Fargo Capital Finance, LLC, as ABL Agent, and Wilmington Trust, National Association, as Notes Agent. In the event of any conflict between the terms of the Intercreditor Agreement and this Agreement, the terms of the Intercreditor Agreement shall govern and control, except with respect to the rights, protections, immunities and indemnities of the Notes Collateral Agent, for which the Indenture shall control.”

5.4 Bailee for Perfection.

(a) ABL Agent and Notes Agent each agree to hold or control that part of the Collateral that is in its possession or control (or in the possession or control of its agents or bailees), to the extent that possession or control thereof is taken to perfect a Lien thereon under the UCC or other applicable law (such Collateral being referred to as the “**Pledged Collateral**”), as gratuitous bailee and as a non-fiduciary agent for the benefit of and on behalf of Notes Agent or ABL Agent, as applicable (such bailment and agency being intended, among other things, to satisfy the requirements of possession or control under Sections 8-301(a)(2), 9-313(c), 9-104, 9-105, 9-106, and 9-107 of the UCC), solely for the purpose of perfecting the security interest granted under the Notes Collateral Documents or the ABL Loan Documents, as applicable, subject to the terms and conditions of this Section 5.4. Notes Agent and the other Notes Claimholders hereby appoint ABL Agent as their gratuitous bailee for the purposes of perfecting their security interest in all Pledged Collateral in which ABL Agent has a perfected security interest under the UCC. ABL Agent and the other ABL Claimholders hereby appoint Notes Agent as their gratuitous bailee for the purposes of perfecting their security interest in all Pledged Collateral in which Notes Agent has a perfected security interest under the UCC. Each of ABL Agent and Notes Agent hereby accept such appointment pursuant to this Section 5.4(a) and acknowledge and agree that it shall act for the benefit of and on behalf of the other Agent and the applicable other Claimholders with respect to any Pledged Collateral and that any proceeds received by ABL Agent or Notes Agent, as the case may be, under any Pledged Collateral shall be applied in accordance with Section 4. Unless and until the Discharge of Notes Obligations, ABL Agent agrees to promptly notify Notes Agent of any Pledged Collateral constituting Notes Priority Collateral held by it or known by it to be held by any other ABL Claimholders, and, promptly upon the request of Notes Agent in writing at any time prior to the Discharge of Notes Obligations, ABL Agent agrees to deliver to Notes Agent any such Pledged Collateral held by it or by any other ABL Claimholders, together with any necessary endorsements (or otherwise allow Notes Agent to obtain control of such Pledged Collateral). Unless and until the Discharge of ABL Obligations, Notes Agent agrees to promptly notify ABL Agent of any Pledged Collateral constituting ABL Priority Collateral held by it or known by it to be held by any other Notes Claimholders, and, promptly upon the request of ABL Agent in writing at any time prior to the Discharge of ABL Obligations, Notes Agent agrees to deliver to ABL Agent any such Pledged Collateral held by it or by any other Notes Claimholders, together with any necessary endorsements (or otherwise allow ABL Agent to obtain control of such Pledged Collateral). ABL Agent hereby agrees that upon the Discharge of ABL Obligations, to the extent that the applicable control agreement is in full force and effect and has not been terminated, ABL Agent shall continue to act as such a gratuitous bailee and non-fiduciary agent for Notes Agent (solely for the purpose of perfecting the security interest granted under the

Notes Collateral Documents and at the expense of Grantors) with respect to the deposit account or securities account that is the subject of such control agreement, until the earlier to occur of (x) 30 days after the date when the Discharge of ABL Obligations has occurred, and (y) the date when a control agreement is executed in favor of Notes Agent with respect to such deposit account or securities account.

(b) ABL Agent and the other ABL Claimholders shall have no obligation whatsoever to Notes Agent or any other Notes Claimholder to ensure that the Pledged Collateral is genuine or owned by any of Grantors or to preserve rights or benefits of any person except as expressly set forth in this Section 5.4. Notes Agent and the other Notes Claimholders shall have no obligation whatsoever to ABL Agent or any other ABL Claimholder to ensure that the Pledged Collateral is genuine or owned by any of Grantors or to preserve rights or benefits of any person except as expressly set forth in this Section 5.4. The duties or responsibilities of ABL Agent under this Section 5.4 shall be limited solely to holding or controlling the Pledged Collateral as a gratuitous bailee and a non-fiduciary agent in accordance with this Section 5.4 and delivering the Pledged Collateral upon a Discharge of ABL Obligations as provided in paragraph (d) of this Section 5.4. The duties or responsibilities of Notes Agent under this Section 5.4 shall be limited solely to holding or controlling the Pledged Collateral as a gratuitous bailee and a non-fiduciary agent in accordance with this Section 5.4 and delivering the Pledged Collateral upon a Discharge of Notes Obligations as provided in paragraph (d) of this Section 5.4.

(c) ABL Agent acting pursuant to this Section 5.4 shall not have by reason of the ABL Collateral Documents, the Notes Collateral Documents, or this Agreement a fiduciary relationship in respect of Notes Agent or any other Notes Claimholder. Notes Agent acting pursuant to this Section 5.4 shall not have by reason of the ABL Collateral Documents, the Notes Collateral Documents, or this Agreement a fiduciary relationship in respect of ABL Agent or any other ABL Claimholder.

(d) ABL Agent shall transfer to Notes Agent (i) any proceeds of any ABL Priority Collateral in which Notes Agent continues to hold a security interest remaining following any sale, transfer or other disposition of such ABL Priority Collateral (in each case, unless Notes Agent's Lien on all such ABL Priority Collateral is terminated and released prior to or concurrently with such sale, transfer, disposition, payment or satisfaction and does not continue on the proceeds of such ABL Priority Collateral under Section 5.1), following the Discharge of ABL Obligations, or (ii) if ABL Agent is in possession of all or any part of such ABL Priority Collateral after the Discharge of ABL Obligations, such ABL Priority Collateral or any part thereof remaining, in each case without representation or warranty on the part of ABL Agent or any other ABL Claimholder. At such time, ABL Agent further agrees to take all other action reasonably requested by Notes Agent in writing at the expense of the Grantors (including amending any outstanding control agreements) to enable Notes Agent to obtain a first-priority security interest in the Collateral. To the extent no Notes Obligations that are secured by such Pledged Collateral remain outstanding as confirmed in writing by Notes Agent (so as to allow such person to obtain possession or control of such Pledged Collateral), ABL Agent shall deliver the remaining Pledged Collateral (if any) together with any necessary endorsements to Company. Without limiting the foregoing, Notes Agent agrees for itself and each other Notes Claimholder that neither ABL Agent nor any other ABL Claimholder will have any duty or obligation first to

marshal or realize upon the ABL Priority Collateral, or to sell, dispose of or otherwise liquidate all or any portion of the ABL Priority Collateral, in any manner that would maximize the return to the Notes Claimholders, notwithstanding that the order and timing of any such realization, sale, disposition or liquidation may affect the amount of proceeds actually received by the Notes Claimholders from such realization, sale, disposition or liquidation.

5.5 When Discharge of Obligations Deemed to Not Have Occurred.

(a) If the Grantors enter into any Refinancing of the ABL Obligations that is intended to be secured by the ABL Priority Collateral on a first-priority basis, then a Discharge of ABL Obligations shall be deemed not to have occurred for all purposes of this Agreement, and the obligations under such Refinancing of such ABL Obligations shall be treated as ABL Obligations for all purposes of this Agreement, including for purposes of the Lien priorities and rights in respect of Collateral set forth herein, and ABL Agent under the ABL Loan Documents effecting such Refinancing shall be ABL Agent for all purposes of this Agreement. ABL Agent under such ABL Loan Documents shall agree (in a writing addressed to Notes Agent for the benefit of itself and the other Notes Claimholders) to be bound by the terms of this Agreement.

(b) If the Grantors enter into any Refinancing of the Notes Obligations that is intended to be secured by the Notes Priority Collateral on a first-priority basis, then a Discharge of Notes Obligations shall be deemed not to have occurred for all purposes of this Agreement, and the obligations under such Refinancing of such Notes Obligations shall be treated as Notes Obligations for all purposes of this Agreement, including for purposes of the Lien priorities and rights in respect of Collateral set forth herein, and the lender or group of lenders or any of their designees under the Notes Documents effecting such Refinancing shall be Notes Agent for all purposes of this Agreement. The lender or group of lenders or any of their designees under such Notes Documents shall agree (in a writing addressed to ABL Agent for the benefit of itself and the other ABL Claimholders) to be bound by the terms of this Agreement.

5.6 Injunctive Relief. Should any Claimholder in any way take, attempt to take, or threaten to take any action contrary to terms of this Agreement with respect to the Collateral, or fail to take any action required by this Agreement, Notes Agent, ABL Agent or any other Claimholder may obtain relief against such Claimholder by injunction, specific performance, or other appropriate equitable relief, it being understood and agreed by each of ABL Agent, Notes Agent and each Claimholder that (a) non-breaching Claimholders' damages from such actions may at that time be difficult to ascertain and may be irreparable, and (b) each Claimholder waives any defense that such Claimholders cannot demonstrate damage and/or be made whole by the awarding of damages. ABL Agent, Notes Agent and each Claimholder hereby irrevocably waive any defense based on the adequacy of a remedy at law and any other defense which might be asserted to bar the remedy of specific performance in any action which may be brought by ABL Agent or any other ABL Claimholders or Notes Agent or any other Notes Claimholders, as the case may be.

SECTION 6. Insolvency Proceedings.

6.1 Enforceability and Continuing Priority. This Agreement shall be applicable both before and after the commencement of any Insolvency Proceeding and all converted or succeeding cases in respect thereof. The relative rights of Claimholders in or to any distributions from or in respect of any Collateral or proceeds of Collateral shall continue after the commencement of any Insolvency Proceeding. Accordingly, the provisions of this Agreement (including the provisions of Section 2.1 hereof) are intended to be and shall be enforceable as a subordination agreement within the meaning of Section 510(a) of the Bankruptcy Code.

6.2 Financing.

(a) Until the Discharge of ABL Obligations, if any Grantor shall be subject to any Insolvency Proceeding and ABL Agent consents to the use of cash collateral (as such term is defined in Section 363(a) of the Bankruptcy Code) constituting ABL Priority Collateral (herein, “**ABL Cash Collateral**”), or to permit any Grantor to obtain financing provided by any one or more ABL Claimholders under Section 364 of the Bankruptcy Code or any similar Bankruptcy Law secured by a Lien on such ABL Priority Collateral that is (i) senior or pari passu with the Liens on the ABL Priority Collateral securing the ABL Obligations and (ii) junior to the Liens on the Notes Priority Collateral securing the Notes Obligations (such financing, an “**ABL DIP Financing**”), and if the Grantors desire to obtain authorization from the Bankruptcy Court to use such ABL Cash Collateral or to obtain such ABL DIP Financing, then Notes Agent agrees that it will consent (and will be deemed to have consented) to, will raise no objection to, nor support any other person objecting to, the use of such ABL Cash Collateral or such ABL DIP Financing (including, except as set forth in clause (3) below, any objection based on an assertion that the Notes Claimholders are entitled to adequate protection of their interest in the Collateral as a condition thereto), and Notes Agent will subordinate its Liens in the ABL Priority Collateral to the Liens securing such ABL DIP Financing, to the extent any Liens securing the ABL Obligations are discharged, subordinated to, or made pari passu with any new Liens securing such ABL DIP Financing and to any replacement or additional Liens granted as adequate protection of the interests of the ABL Claimholders in the Collateral (“**ABL Adequate Protection Lien**”), in each case to the extent consistent with the other provisions of this Agreement; provided that (1) Notes Agent retains its Lien on the Collateral existing as of the date of the commencement of the Insolvency Proceeding to secure the Notes Obligations (in each case, including proceeds thereof arising after the commencement of the Insolvency Proceeding) and, as to the Notes Priority Collateral only, such Lien has the same priority as existed prior to the commencement of the Insolvency Proceeding and any Lien on the Notes Priority Collateral securing such ABL DIP Financing and any ABL Adequate Protection Lien on the Notes Priority Collateral (and all obligations relating thereto, including any “carve-out” in favor of fees and expenses of professionals retained by any debtor or creditors’ committee as agreed to by ABL Agent and the other ABL Claimholders with respect to ABL Priority Collateral) is junior and subordinate to the Lien of Notes Agent on the Notes Priority Collateral, (2) all Liens on ABL Priority Collateral securing any such ABL DIP Financing shall be senior to or made pari passu with the Liens of ABL Agent and the other ABL Claimholders securing the ABL Obligations on ABL Priority Collateral, (3) to the extent that ABL Agent is granted an ABL Adequate Protection Lien on Collateral arising after the commencement of the Insolvency Proceeding or additional payments or claims, the Notes Claimholders shall be entitled to seek a Lien on such additional Collateral with the relative priority set forth in Section 2.1 (and no ABL Agent or other ABL Claimholder shall oppose any motion by any Notes Claimholder with respect to the granting of such a Lien), and (4) the terms of such ABL DIP Financing or ABL Cash Collateral order do not either require such Notes Claimholders to extend additional credit pursuant to such

ABL DIP Financing or authorize the use of cash collateral consisting of Notes Priority Collateral. The ABL Claimholders agree not to offer to provide any ABL DIP Financing that does not meet the requirements set forth in clauses (1) through (4) above. If ABL Claimholders offer to provide ABL DIP Financing that meets the requirements set forth in clauses (1) through (4) above in this paragraph, and if the Grantors desire to obtain authorization from the Bankruptcy Court to obtain such ABL DIP Financing, Notes Agent agrees, on behalf of itself and the other Notes Claimholders, that no Notes Claimholder shall, directly or indirectly, provide, offer to provide, or support any financing competing with the ABL DIP Financing to be secured by a Lien on the ABL Priority Collateral that is senior to or pari passu with the Liens on the ABL Priority Collateral securing the ABL Obligations. The foregoing provisions of this Section 6.2(a) shall not prevent Notes Agent from objecting to any provision in any ABL Cash Collateral order or ABL DIP Financing documentation relating to any provision or content of a plan of reorganization. ABL Agent, on behalf of itself and the other ABL Claimholders, agrees that no such Person shall provide to such Grantor any financing under Section 364 of the Bankruptcy Code to the extent that ABL Agent or any other ABL Claimholder would, in connection with such financing, be granted a Lien on the Notes Priority Collateral senior to or pari passu with any Liens of Notes Agent. If, in connection with any ABL Cash Collateral use or ABL DIP Financing, any Liens on the ABL Priority Collateral held by ABL Claimholders are subject to a surcharge or are subordinated to an administrative priority claim, a professional fee “carve out,” or fees owed to the United State Trustee, then the Liens on the ABL Priority Collateral of Notes Claimholders shall also be subordinated to such interest or claim and shall remain subordinated to the Liens on the ABL Priority Collateral of ABL Claimholders consistent with this Agreement.

(b) Until the Discharge of Notes Obligations, if any Grantor shall be subject to any Insolvency Proceeding and Notes Agent consents to the use of cash collateral (as such term is defined in Section 363(a) of the Bankruptcy Code) constituting Notes Priority Collateral (herein, “**Notes Cash Collateral**”), or to permit any Grantor to obtain financing provided by any one or more Notes Claimholders under Section 364 of the Bankruptcy Code or any similar Bankruptcy Law secured by a Lien on such Notes Priority Collateral that is (i) senior or pari passu with the Liens on the Notes Priority Collateral securing the Notes Obligations and (ii) junior to the Liens on the ABL Priority Collateral securing the ABL Obligations (such financing, a “**Notes DIP Financing**”), and if the Grantors desire to obtain authorization from the Bankruptcy Court to use such Notes Cash Collateral or to obtain such Notes DIP Financing, then ABL Agent agrees that it will consent (and will be deemed to have consented) to, will raise no objection to, nor support any other person objecting to, the use of such Notes Cash Collateral or such Notes DIP Financing (including any objection based on an assertion that the ABL Claimholders are entitled to adequate protection of their interest in the Collateral as a condition thereto), and ABL Agent will subordinate its Liens, if any, in the Notes Priority Collateral to the Liens securing such Notes DIP Financing, to the extent any Liens securing the Notes Obligations are discharged, subordinated to, or made pari passu with any new Liens securing such Notes DIP Financing and to any replacement or additional Liens granted as adequate protection of the interests of the Notes Claimholders in the Collateral (“**Notes Adequate Protection Lien**”), in each case to the extent consistent with the other provisions of this Agreement; provided that (1) ABL Agent retains its Lien on the Collateral existing as of the date of the commencement of the Insolvency Proceeding to secure the ABL Obligations (in each case, including proceeds thereof arising after the commencement of the Insolvency Proceeding) and, as to the ABL Priority

Collateral only, such Lien has the same priority as existed prior to the commencement of the Insolvency Proceeding and any Lien on the ABL Priority Collateral securing such Notes DIP Financing and any Notes Adequate Protection Lien on the ABL Priority Collateral (and all obligations relating thereto, including any “carve-out” in favor of fees and expenses of professionals retained by any debtor or creditors’ committee as agreed to by Notes Agent and the other Notes Claimholders with respect to Notes Priority Collateral) is junior and subordinate to the Lien of ABL Agent on the ABL Priority Collateral, (2) all Liens on Notes Priority Collateral securing any such Notes DIP Financing shall be senior to or made pari passu with the Liens of Notes Agent and the other Notes Claimholders securing the Notes Obligations on Notes Priority Collateral, and (3) the terms of such Notes DIP Financing or Notes Cash Collateral order do not either require such ABL Claimholders to extend additional credit pursuant to such Notes DIP Financing or authorize the use of cash collateral consisting of ABL Priority Collateral. The Notes Claimholders agree not to offer to provide any Notes DIP Financing that does not meet the requirements set forth in clauses (1) through (3) above. If Notes Claimholders offer to provide Notes DIP Financing that meets the requirements set forth in clauses (1) through (3) above in this paragraph, and if the Grantors desire to obtain authorization from the Bankruptcy Court to obtain such Notes DIP Financing, ABL Agent agrees, on behalf of itself and the other ABL Claimholders, that no ABL Claimholder shall, directly or indirectly, provide, offer to provide, or support any financing competing with the Notes DIP Financing to be secured by a Lien on the Notes Priority Collateral that is senior to or pari passu with the Liens on the Notes Priority Collateral securing the Notes Obligations. The foregoing provisions of this Section 6.2(b) shall not prevent ABL Agent from objecting to any provision in any Notes Cash Collateral order or Notes DIP Financing documentation relating to any provision or content of a plan of reorganization. Notes Agent, on behalf of itself and the other Notes Claimholders, agrees that no such Person shall provide to such Grantor any financing under Section 364 of the Bankruptcy Code to the extent that Notes Agent or any other Notes Claimholder would, in connection with such financing, be granted a Lien on the ABL Priority Collateral senior to or pari passu with any Liens of ABL Agent. If, in connection with any Notes Cash Collateral use or Notes DIP Financing, any Liens on the Notes Priority Collateral held by Notes Claimholders are subject to a surcharge or are subordinated to an administrative priority claim, a professional fee “carve out,” or fees owed to the United State Trustee, then the Liens on the Notes Priority Collateral of ABL Claimholders shall also be subordinated to such interest or claim and shall remain subordinated to the Liens on the Notes Priority Collateral of Notes Claimholders consistent with this Agreement.

(c) All Liens granted to ABL Agent or Notes Agent in any Insolvency Proceeding, whether as adequate protection or otherwise, are intended by the parties to be and shall be deemed to be subject to the Lien priorities in Section 2.1 and the other terms and conditions of this Agreement.

6.3 Sales. Subject to Sections 3.4(a) and 3.8, each of Notes Agent and ABL Agent agrees that it will consent, and will not object or oppose, or support any party in opposing, a motion to Dispose of any Priority Collateral of the other Agent free and clear of any Liens or other claims under Section 363 or any other provision of the Bankruptcy Code if, in the case of ABL Priority Collateral, the requisite ABL Claimholders under the ABL Credit Agreement and ABL Agent have consented to such Disposition of such ABL Priority Collateral, or, in the case of Notes Priority Collateral, Notes Claimholders under the Indenture and Notes Agent have

consented to such Disposition of such Notes Priority Collateral, such motion does not impair, subject to the priorities set forth in this Agreement, the rights of such party under Section 363(k) of the Bankruptcy Code (so long as the right of any Notes Claimholder to offset its claim against the purchase price for any ABL Priority Collateral exists only after the ABL Obligations have been paid in full in cash, and so long as the right of any ABL Claimholder to offset its claim against the purchase price for any Notes Priority Collateral exists only after the Notes Obligations have been paid in full in cash), and the terms of any proposed order approving such transaction provide for the respective Liens to attach to the proceeds of the Priority Collateral that is the subject of such Disposition, subject to the Lien priorities in Section 2.1 and the other terms and conditions of this Agreement. Each of Notes Agent and ABL Agent further agrees that it will not oppose, or support any party in opposing, the right of the other party to credit bid under Section 363(k) of the Bankruptcy Code, subject to the provision of the immediately preceding sentence.

6.4 Relief from the Automatic Stay.

(a) Until the Discharge of ABL Obligations has occurred, Notes Agent agrees not to seek (or support any other person seeking) relief from the automatic stay or any other stay in any Insolvency Proceeding in respect of the ABL Priority Collateral, without the prior written consent of ABL Agent, unless (x) ABL Agent already has filed a motion (which remains pending) for such relief with respect to its interest in such Collateral and (y) a corresponding motion, in the reasonable judgment of Notes Agent, should be filed for the purpose of preserving such Agent's ability to receive residual distributions pursuant to Section 4.1, although Notes Agent and the other Notes Claimholders shall otherwise remain subject to the applicable restrictions in Section 3.1 following the granting of any such relief from the automatic stay.

(b) Until the Discharge of Notes Obligations has occurred and without implying that the ABL Claimholders have a Lien on the Notes Priority Collateral, ABL Agent agrees not to seek (or support any other person seeking) relief from the automatic stay or any other stay in any Insolvency Proceeding in respect of the Notes Priority Collateral, without the prior written consent of Notes Agent, unless (x) Notes Agent already has filed a motion (which remains pending) for such relief with respect to its interest, if any, in such Collateral and (y) a corresponding motion, in the reasonable judgment of ABL Agent, should be filed for the purpose of preserving such Agent's ability to receive residual distributions, if any, pursuant to Section 4.1, although ABL Agent and the other ABL Claimholders shall otherwise remain subject to the applicable restrictions in Section 3.2 following the granting of any such relief from the automatic stay.

6.5 Adequate Protection.

(a) In any Insolvency Proceeding involving a Grantor, each of ABL Agent, each other ABL Claimholder, Notes Agent and each other Notes Claimholder agrees that it will not oppose or contest (or support any other person opposing or contesting) (and instead shall be deemed to have hereby irrevocably, absolutely and unconditionally waived any right to do so): (i) any request by Notes Agent or any other Notes Claimholder, with respect to the Notes Priority Collateral prior to the Discharge of Notes Obligations, or any request by ABL Agent or any other ABL Claimholder, with respect to the ABL Priority Collateral prior to the Discharge of ABL

Obligations, in each case, for adequate protection for the application of proceeds of ABL Priority Collateral to the ABL Obligations, or the proceeds of Notes Priority Collateral to the Notes Obligations, as applicable, and, with respect to Liens on the ABL Priority Collateral or the Notes Priority Collateral, as applicable, for replacement or additional Liens on post-petition assets of the same type as the ABL Priority Collateral or the Notes Priority Collateral, as applicable, or (ii) as applicable, (A) any (1) objection by ABL Agent or the other ABL Claimholders to any motion, relief, action or proceeding based on ABL Agent or the other ABL Claimholders claiming a lack of adequate protection with respect to their Liens in the ABL Priority Collateral, or (2) request by ABL Agent or the other ABL Claimholders for relief from the automatic stay with respect to the ABL Priority Collateral, or (B) any (1) objection by Notes Agent or the other Notes Claimholders to any motion, relief, action or proceeding based on Notes Agent or the other Notes Claimholders claiming a lack of adequate protection with respect to their Liens in the Notes Priority Collateral or (2) request by Notes Agent or the other Notes Claimholders for relief from the automatic stay with respect to the Notes Priority Collateral; provided, however, that (x) ABL Agent and the other ABL Claimholders may object to any request for adequate protection that would result in any adequate protection payments to Notes Agent or other Notes Claimholders being made with any ABL Priority Collateral, or with any advances made pursuant to any ABL DIP Financing prior to the Discharge of ABL Obligations and (y) Notes Agent and other Notes Claimholders may object to any request for adequate protection that would result in any adequate protection payments to ABL Agent or other ABL Claimholders being made with any Notes Priority Collateral, or with any advances made pursuant to any Notes DIP Financing prior to the Discharge of Notes Obligations. ABL Agent, for itself and the other ABL Claimholders, further agrees that it will not accept any such replacement or additional Liens on such post-petition assets of the same type as the Notes Priority Collateral unless Notes Agent shall also have received a replacement or additional Lien thereon as adequate protection of its senior interest in the Notes Priority Collateral that is superior to the additional or replacement Liens so granted to ABL Agent. If Notes Agent, for itself and on behalf of the other Notes Claimholders, seeks or requires (or is otherwise granted) adequate protection of its junior interest in the ABL Priority Collateral in the form of a replacement or additional Lien on the post-petition assets of the same type as the ABL Priority Collateral, then Notes Agent, for itself and the other Notes Claimholders, agrees that ABL Agent shall also be granted a replacement or additional Lien on such post-petition assets as adequate protection of its senior interest in the ABL Priority Collateral and that Notes Agent's replacement or additional Lien shall be subordinated to the replacement or additional Lien of ABL Agent on the same basis as the Liens of Notes Agent on the ABL Priority Collateral are subordinated to the Liens of ABL Agent on the ABL Priority Collateral under this Agreement; in that regard, Notes Agent, for itself and the other Notes Claimholders, further agrees that it will not accept any such replacement or additional Liens on such post-petition assets of the same type as the ABL Priority Collateral unless ABL Agent shall also have received a replacement or additional Lien thereon as adequate protection of its senior interest in the ABL Priority Collateral that is superior to the additional or replacement Liens so granted to Notes Agent. ABL Agent may object to any request of adequate protection that would result in such adequate protection being made with a Lien on ABL Priority Collateral senior to the Lien of ABL Agent. Notes Agent may object to any request of adequate protection that would result in such adequate protection being made with a Lien on Notes Priority Collateral senior to the Lien of Notes Agent.

(b) Subject to Sections 6.2 and 6.5(a), and other provisions hereof, in any Insolvency Proceeding involving a Grantor, (i) Notes Agent and the other Notes Claimholders may seek, without objection from ABL Claimholders, adequate protection with respect to their rights in the Notes Priority Collateral, and (ii) ABL Agent and the other ABL Claimholders may seek, without objection from Notes Claimholders, adequate protection with respect to their rights in the ABL Priority Collateral; provided that if any of Notes Agent, the Notes Claimholders, ABL Agent or the ABL Claimholders are granted adequate protection in the form of a replacement or additional Lien (on existing or future assets of Grantors), claim, payment or otherwise, such replacement or additional Lien or other adequate protection shall be subject to the terms of this Agreement.

(c) Neither Notes Agent nor any other Notes Claimholder shall object to, oppose, or challenge any claim or order by ABL Agent or any other ABL Claimholder for allowance or payment, including, without limitation, current payment, in any Insolvency Proceeding of ABL Obligations consisting of post-petition interest, fees, or expenses with the ABL Priority Collateral (so long as any post-petition interest paid as a result thereof is not paid from the proceeds of Notes Priority Collateral) or with any advances made pursuant to any ABL DIP Financing or for relief through the automatic stay with respect to the ABL Priority Collateral.

(d) Neither ABL Agent nor any other ABL Claimholder shall object to, oppose, or challenge any claim or order by Notes Agent or any other Notes Claimholder for allowance or payment, including, without limitation, current payment, in any Insolvency Proceeding of Notes Obligations consisting of post-petition interest, fees, or expenses with the Notes Priority Collateral (so long as any post-petition interest paid as a result thereof is not paid from the proceeds of ABL Priority Collateral) or with any advances made pursuant to any Notes DIP Financing or for relief through the automatic stay with respect to the Notes Priority Collateral.

(e) Notes Agent, for itself and on behalf of the other Notes Claimholders, may seek adequate protection of its junior interest in the ABL Priority Collateral, subject to the provisions of this Agreement (including Section 6.5(a) above); provided that (x) ABL Agent is granted adequate protection in the form of a senior replacement or additional Lien on post-petition assets of the same type as the ABL Priority Collateral and (y) such adequate protection required by Notes Agent is in the form of a junior replacement or additional Lien on post-petition assets of the same type as the ABL Priority Collateral.

(f) Nothing in this Agreement shall prohibit or restrict ABL Agent, for itself and on behalf of the other ABL Claimholders, from seeking and retaining adequate protection in the form of a junior priority additional Lien on any Notes Priority Collateral or on post-petition assets of the same type as the Notes Priority Collateral.

(g) Neither Notes Agent nor any other Notes Claimholder shall object to, oppose, or challenge any claim by ABL Agent or any other ABL Claimholder for allowance in any Insolvency Proceeding of ABL Obligations consisting of post-petition interest, fees, or expenses.

(h) Neither ABL Agent nor any other ABL Claimholder shall object to, oppose, or challenge any claim by Notes Agent or any other Notes Claimholder for allowance in any Insolvency Proceeding of Notes Obligations consisting of post-petition interest, fees, or expenses.

6.6 Section 1111(b) of the Bankruptcy Code.

(a) Notes Agent, for itself and on behalf of the other Notes Claimholders, shall not object to, oppose, support any objection to, or take any other action to impede, the right of any ABL Claimholder to make an election under Section 1111(b)(2) of the Bankruptcy Code. Notes Agent, for itself and on behalf of the other Notes Claimholders, waives any claim they may hereafter have against any ABL Claimholder arising out of the election by any ABL Claimholder of the application of Section 1111(b)(2) of the Bankruptcy Code and Section 364 of the Bankruptcy Code.

(b) ABL Agent, for itself and on behalf of the other ABL Claimholders, shall not object to, oppose, support any objection to, or take any other action to impede, the right of any Notes Claimholder to make an election under Section 1111(b)(2) of the Bankruptcy Code. ABL Agent, for itself and on behalf of the other ABL Claimholders, waives any claim they may hereafter have against any Notes Claimholder arising out of the election by any Notes Claimholder of the application of Section 1111(b)(2) of the Bankruptcy Code and Section 364 of the Bankruptcy Code.

6.7 No Waiver. Except as set forth in this Agreement, nothing contained herein shall prohibit or in any way limit any Agent or any Claimholder from objecting in any Insolvency Proceeding involving a Grantor to any action taken by the other Agent or any other Claimholders, including the seeking by the other Agent or any other Claimholder of adequate protection or the assertion by the other Agent or any other Claimholders of any of its rights and remedies under the ABL Loan Documents, the Notes Documents or the Other Pari Passu Lien Obligations Agreement, as applicable.

6.8 Avoidance Issues. If any Claimholder is required in any Insolvency Proceeding or otherwise to turn over, disgorge or otherwise pay to the estate of any Grantor any amount paid in respect of the Obligations of such Claimholder (a “**Recovery**”), then such Claimholders shall be entitled to a reinstatement of the applicable Obligations with respect to all such recovered amounts, and all rights, interests, priorities and privileges recognized in this Agreement shall apply with respect to any such Recovery. If this Agreement shall have been terminated prior to such Recovery, this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair, or otherwise affect the obligations of the parties hereto from such date of reinstatement.

6.9 Plan of Reorganization.

(a) If, in any Insolvency Proceeding involving a Grantor, debt obligations of the reorganized debtor secured by Liens upon any property of the reorganized debtor are distributed or reinstated (in whole or in part) pursuant to a plan of reorganization or similar dispositive restructuring plan, both on account of ABL Obligations and on account of Notes

Obligations, then, to the extent the debt obligations distributed on account of the ABL Obligations and on account of the Notes Obligations are secured by Liens upon the same property, the provisions of this Agreement will survive the distribution of such debt obligations pursuant to such plan and will apply with like effect to the Liens securing such debt obligations.

(b) No Claimholder shall propose or support any plan of reorganization that is inconsistent with the priorities or other provisions of this Agreement.

6.10 Separate Grants of Security and Separate Classification. ABL Agent, on behalf of the ABL Claimholders, and Notes Agent, on behalf of the Notes Claimholders, acknowledge and intend that the respective grants of Liens pursuant to the ABL Collateral Documents and the Notes Collateral Documents constitute two separate and distinct grants of Liens, and because of, among other things, their differing rights in the Collateral (i) the Notes Obligations are fundamentally different from the ABL Obligations and (ii) the ABL Obligations are fundamentally different from the Notes Obligations and, in each case, must be separately classified in any plan of reorganization proposed or confirmed (or approved) in an Insolvency Proceeding. To further effectuate the intent of the parties as provided in the immediately preceding sentence, if it is held that the claims of the ABL Claimholders and the Notes Claimholders in respect of the Collateral constitute claims in the same class (rather than at least two separate classes of secured claims with the priorities described in Section 2.1), then the ABL Claimholders and the Notes Claimholders hereby acknowledge and agree that all distributions shall be made as if there were two separate classes of ABL Obligations and Notes Obligations (with the effect being that, to the extent that (i) the aggregate value of the ABL Claimholders' ABL Priority Collateral is sufficient (for this purpose ignoring all claims held by the Notes Claimholders thereon), the ABL Claimholders shall be entitled to receive, in addition to amounts distributed to them in respect of principal, pre-petition interest and other claims, all amounts owing in respect of post-petition interest, fees or expenses that is available from their ABL Priority Collateral (regardless of whether any such claims may or may not be allowed or allowable in whole or in part as against the Grantor in the respective Insolvency Proceeding pursuant to Section 506(b) of the Bankruptcy Code or otherwise), before any distribution is made in respect of the Notes Obligations with respect to such Collateral, with each Notes Claimholder acknowledging and agreeing to turn over to ABL Agent with respect to such Collateral amounts otherwise received or receivable by them to the extent necessary to effectuate the intent of this sentence, even if such turnover has the effect of reducing the aggregate recoveries of the Notes Obligations and (ii) the aggregate value of the Notes Claimholders' Notes Priority Collateral is sufficient (for this purpose ignoring all claims, if any, held by the ABL Claimholders thereon), the Notes Claimholders shall be entitled to receive, in addition to amounts distributed to them in respect of principal, pre-petition interest and other claims, all amounts owing in respect of post-petition interest, fees or expenses that is available from their Notes Priority Collateral (regardless of whether any such claims may or may not be allowed or allowable in whole or in part as against the Grantor in the respective Insolvency Proceeding pursuant to Section 506(b) of the Bankruptcy Code or otherwise), before any distribution is made in respect of the ABL Obligations with respect to such Collateral, with each ABL Claimholder acknowledging and agreeing to turn over to Notes Agent with respect to such Collateral amounts otherwise received or receivable by them to the extent necessary to effectuate the intent of this sentence, even if such turnover has the effect of reducing the aggregate recoveries of the ABL Obligations).

SECTION 7. Reliance; Waivers; Etc.

7.1 Reliance. Other than any reliance on the terms of this Agreement, ABL Agent, on behalf of the ABL Claimholders, acknowledges that it and the other ABL Claimholders have, independently and without reliance on Notes Agent or any other Notes Claimholders, and based on documents and information deemed by them appropriate, made their own credit analysis and decision to enter into of the ABL Loan Documents and be bound by the terms of this Agreement and they will continue to make their own credit decision in taking or not taking any action under the ABL Loan Documents or this Agreement. Other than any reliance on the terms of this Agreement, Notes Agent, on behalf of the other Notes Claimholders, acknowledges that the other Notes Claimholders have, independently and without reliance on ABL Agent or any other ABL Claimholder, and based on documents and information deemed by them appropriate, made their own credit analysis and decision to enter into (or cause the Notes Collateral Agent to enter into) each of the Notes Documents or the Other Pari Passu Lien Obligations Agreement and be bound by the terms of this Agreement and they will continue to make their own credit decision in taking or not taking any action under the Notes Documents, the Other Pari Passu Lien Obligations Agreement or this Agreement.

7.2 No Warranties or Liability. ABL Agent, on behalf of the ABL Claimholders, acknowledges and agrees that Notes Agent and each of the other Notes Claimholders have made no express or implied representation or warranty, including with respect to the execution, validity, legality, completeness, collectability, or enforceability of any of the Notes Documents, any Other Pari Passu Lien Obligations Agreement, the ownership of any Collateral, or the perfection or priority of any Liens thereon. Except as otherwise expressly provided herein, Notes Agent and the other Notes Claimholders will be entitled to manage and supervise their respective loans and extensions of credit under the Notes Documents or the Other Pari Passu Lien Obligations Agreement in accordance with law and as they may otherwise, in their sole discretion, deem appropriate. Notes Agent, on behalf of the Notes Claimholders, acknowledges and agrees that ABL Agent and each of the other ABL Claimholders have made no express or implied representation or warranty, including with respect to the execution, validity, legality, completeness, collectability, or enforceability of any of the ABL Loan Documents, the ownership of any Collateral, or the perfection or priority of any Liens thereon. Except as otherwise expressly provided herein, ABL Agent and the other ABL Claimholders will be entitled to manage and supervise their respective loans and extensions of credit under the ABL Loan Documents in accordance with law and as they may otherwise, in their sole discretion, deem appropriate. Except as expressly provided herein, Notes Agent and other Notes Claimholders shall have no duty to ABL Agent or any other ABL Claimholders, and ABL Agent and the other ABL Claimholders shall have no duty to Notes Agent or any other Notes Claimholders, to act or refrain from acting in a manner that allows, or results in, the occurrence or continuance of an event of default or default under any agreements with any Grantor (including the ABL Loan Documents, the Notes Documents and the Other Pari Passu Lien Obligations Agreement), regardless of any knowledge thereof which they may have or be charged with. Notes Agent hereby waives to the fullest extent permitted by law any claim that may be had against ABL Agent or any other ABL Claimholder in the absence of gross negligence or willful misconduct arising out of any actions which ABL Agent or such other ABL Claimholder takes or omits to take (including actions with respect to the creation, perfection or continuation of Liens on any Collateral, actions with respect to the foreclosure upon, sale, release

or depreciation of, or failure to realize upon, any of the Collateral and actions with respect to the collection of any claim for all or any part of the ABL Obligations from any account debtor, guarantor or any other party), or the valuation, use, protection or release of any security for such ABL Obligations. ABL Agent hereby waives to the fullest extent permitted by law any claim that may be had against Notes Agent or any other Notes Claimholder arising out of any actions which Notes Agent or such Notes Claimholder takes or omits to take (including actions with respect to the creation, perfection or continuation of Liens on any Collateral, actions with respect to the foreclosure upon, sale, release or depreciation of, or failure to realize upon, any of the Collateral and actions with respect to the collection of any claim for all or any part of the Notes Obligations from any account debtor, guarantor or any other party), or the valuation, use, protection or release of any security for such Notes Obligations.

7.3 No Waiver of Lien Priorities.

(a) No right of ABL Claimholders, ABL Agent or any of them to enforce any provision of this Agreement or any ABL Loan Document shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of any Grantor or by any act or failure to act by any ABL Claimholder or ABL Agent, or by any noncompliance by any person with the terms, provisions, and covenants of this Agreement, any of the ABL Loan Documents, any of the Notes Documents or the Other Pari Passu Lien Obligations Agreement, regardless of any knowledge thereof which ABL Agent or other ABL Claimholders, or any of them, may have or be otherwise charged with. No right of Notes Claimholders, Notes Agent or any of them to enforce any provision of this Agreement, any Notes Document or any Other Pari Passu Lien Obligations Agreement shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of any Grantor or by any act or failure to act by any Notes Claimholder or Notes Agent, or by any noncompliance by any person with the terms, provisions, and covenants of this Agreement, any of the Notes Documents, any of the ABL Loan Documents or the Other Pari Passu Lien Obligations Agreement, regardless of any knowledge thereof which Notes Agent or other Notes Claimholders, or any of them, may have or be otherwise charged with.

(b) Without in any way limiting the generality of the foregoing paragraph (but subject to any rights of Grantors under the ABL Loan Documents, the Notes Documents and the Other Pari Passu Lien Obligations Agreement and subject to the provisions of Section 5.3(a)), ABL Claimholders, ABL Agent and any of them may, at any time and from time to time in accordance with the ABL Loan Documents and/or applicable law, without the consent of, or notice to, Notes Agent or any other Notes Claimholders, without incurring any liabilities to Notes Agent or any Notes Claimholders and without impairing or releasing the Lien priorities and other benefits provided in this Agreement (even if any right of subrogation or other right or remedy of Notes Agent or any other Notes Claimholders is affected, impaired, or extinguished thereby) do any one or more of the following:

(i) change the manner, place, or terms of payment or change or extend the time of payment of, or amend, renew, exchange, increase, or alter, the terms of any of the ABL Obligations or any Lien on any ABL Collateral or guarantee thereof or any liability of any Grantor, or any liability incurred directly or indirectly in respect thereof (including any increase in or extension of the ABL Obligations, without any restriction as

to the tenor or terms of any such increase or extension) or otherwise amend, renew, exchange, extend, modify, or supplement in any manner any Liens held by ABL Agent or any other ABL Claimholders, the ABL Obligations, or any of the ABL Loan Documents;

(ii) sell, exchange, release, surrender, realize upon, enforce or otherwise deal with in any manner and in any order any part of the ABL Priority Collateral or any liability of any Grantor to ABL Claimholders or ABL Agent, or any liability incurred directly or indirectly in respect thereof;

(iii) settle or compromise any ABL Obligation or any other liability of any Grantor or any security therefor or any liability incurred directly or indirectly in respect thereof and apply any sums by whomsoever paid and however realized to any liability (including the ABL Obligations) in any manner or order that is not inconsistent with the terms of this Agreement; and

(iv) exercise or delay in or refrain from exercising any right or remedy against any Grantor or any other person, elect any remedy and otherwise deal freely with any Grantor or any ABL Priority Collateral and any security and any guarantor or any liability of any Grantor to ABL Claimholders or any liability incurred directly or indirectly in respect thereof.

(c) Except as otherwise provided herein, Notes Agent also agrees that ABL Claimholders and ABL Agent shall have no liability to Notes Agent or any other Notes Claimholders, and Notes Agent hereby waives any claim against any ABL Claimholder or any other ABL Agent arising out of any and all actions which ABL Claimholders or ABL Agent may, pursuant to the terms hereof, take, permit or omit to take with respect to:

(i) the ABL Loan Documents;

(ii) the collection of the ABL Obligations; or

(iii) the foreclosure upon, or sale, liquidation, or other Disposition of, or the failure to foreclose upon, or sell, liquidate, or otherwise Dispose of, any ABL Priority Collateral. Notes Agent agrees that ABL Claimholders and ABL Agent have no duty to the Notes Claimholders in respect of the maintenance or preservation of the ABL Priority Collateral, the ABL Obligations, or otherwise.

(d) Subject to any rights of Grantors under the Notes Documents and subject to the provisions of Section 5.3(b), Notes Agent may, at any time and from time to time in accordance with the Notes Documents and/or applicable law, without the consent of, or notice to, ABL Agent or any other ABL Claimholders, without incurring any liabilities to ABL Agent or any other ABL Claimholders and without impairing or releasing the Lien priorities and other benefits provided in this Agreement (even if any right of subrogation or other right or remedy of ABL Agent or any other ABL Claimholders is affected, impaired, or extinguished thereby) do any one or more of the following:

(i) change the manner, place, or terms of payment or change or extend the time of payment of, or amend, renew, exchange, increase, or alter, the terms of any of the Notes Obligations or any Lien on any Notes Collateral or guarantee thereof or any liability of any Grantor, or any liability incurred directly or indirectly in respect thereof (including any increase in or extension of the Notes Obligations, without any restriction as to the tenor or terms of any such increase or extension) or otherwise amend, renew, exchange, extend, modify, or supplement in any manner any Liens held by Notes Agent or any other Notes Claimholders, the Notes Obligations, or any of the Notes Loan Documents;

(ii) subject to Section 3.8, sell, exchange, release, surrender, realize upon, enforce or otherwise deal with in any manner and in any order any part of the Notes Priority Collateral or any liability of any Grantor to Notes Claimholders or Notes Agent, or any liability incurred directly or indirectly in respect thereof;

(iii) settle or compromise any Notes Obligation or any other liability of any Grantor or any security therefor or any liability incurred directly or indirectly in respect thereof and apply any sums by whomsoever paid and however realized to any liability (including the Notes Obligations) in any manner or order that is not inconsistent with the terms of this Agreement; and

(iv) exercise or delay in or refrain from exercising any right or remedy against any Grantor or any other person, elect any remedy and otherwise deal freely with any Grantor or any Notes Priority Collateral and any security and any guarantor or any liability of any Grantor to Notes Agent or other Notes Claimholders or any liability incurred directly or indirectly in respect thereof.

(e) Except as otherwise provided herein, ABL Agent also agrees that Notes Claimholders and Notes Agent shall have no liability to ABL Agent or any other ABL Claimholders, and ABL Agent hereby waives any claim against any Notes Claimholder or Notes Agent, arising out of any and all actions which Notes Claimholders or Notes Agent may, pursuant to the terms hereof, take, permit or omit to take with respect to:

(i) the Notes Documents or the Other Pari Passu Lien Obligations Agreement;

(ii) the collection of the Notes Obligations; or

(iii) the foreclosure upon, or sale, liquidation, or other Disposition of, or the failure to foreclose upon, or sell, liquidate, or otherwise Dispose of, any Notes Priority Collateral. ABL Agent agrees that Notes Claimholders and Notes Agent have no duty to the ABL Claimholders in respect of the maintenance or preservation of the Notes Priority Collateral, the Notes Obligations, or otherwise.

(f) Until the Discharge of ABL Obligations and the Discharge of Notes Obligations, each of ABL Agent and Notes Agent agrees not to assert and hereby waives, to the fullest extent permitted by law, any right to demand, request, plead, or otherwise assert, or otherwise claim the benefit of, any marshaling, appraisal, valuation, or other similar right that may otherwise be available under applicable law with respect to the other Agent's Priority Collateral or any other similar rights a junior secured creditor may have under applicable law.

7.4 **Obligations Unconditional.** For so long as this Agreement is in full force and effect, all rights, interests, agreements and obligations of ABL Agent and other ABL Claimholders and Notes Agent and other Notes Claimholders, respectively, hereunder shall remain in full force and effect irrespective of:

(a) any lack of validity or enforceability of any ABL Loan Documents, any Notes Documents or the Other Pari Passu Lien Obligations Agreement;

(b) except as otherwise expressly restricted or provided in this Agreement, any change in the time, manner, or place of payment of, or in any other terms of, all or any of the ABL Obligations or Notes Obligations, or any amendment or waiver or other modification, including any increase in the amount thereof, whether by course of conduct or otherwise, of the terms of any ABL Loan Document, any Notes Document or the Other Pari Passu Lien Obligations Agreement;

SECTION 8. Representations and Warranties.

8.1 **Representations and Warranties of Each Party.** Each party hereto represents and warrants to the other parties hereto as follows:

(a) Such party is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization and has all requisite power and authority to execute and deliver this Agreement and to perform its obligations hereunder.

(b) This Agreement has been duly executed and delivered by such party and constitutes a legal, valid and binding obligation of such party, enforceable in accordance with its terms, subject to the effect of (i) bankruptcy, insolvency or similar laws affecting generally the enforcement of creditors' rights as such laws would apply in the event of any bankruptcy, receivership, insolvency or similar event applicable to it and (ii) to general equitable principles (whether enforceability of such principles is considered in a proceeding at law or in equity).

(c) The execution, delivery, and performance by such party of this Agreement (i) do not require any consent or approval of, registration or filing with or any other action by any governmental authority and (ii) will not violate any provision of law, statute, rule or regulation, or of the certificate or articles of incorporation or other constitutive documents or by-laws of such party or any order of any governmental authority or any provision of any indenture, agreement or other instrument binding upon such party.

8.2 Representations and Warranties of Each Agent. ABL Agent and Notes Agent each represents and warrants to the other that it has been authorized and instructed by ABL Lenders or holders of the Notes, as applicable, under the ABL Credit Agreement or the Indenture, as applicable, to enter into this Agreement.

SECTION 9. Miscellaneous.

9.1 Conflicts. Except to the extent expressly provided in Section 9.15, in the event of any conflict between the provisions of this Agreement and the provisions of any of the ABL Loan Documents or any of the Notes Documents or the Other Pari Passu Lien Obligations Agreement, the provisions of this Agreement shall govern and control; provided that nothing in this Intercreditor Agreement, as between the Notes Agent, the other Notes Claimholders and the Grantors, shall be deemed to waive any rights, protections, privileges, immunities or indemnities of the Notes Agent as set forth in the Indenture, the other Notes Documents and the Other Pari Passu Lien Obligations Agreement.

9.2 Effectiveness; Continuing Nature of this Agreement; Severability. This Agreement shall become effective when executed and delivered by the parties hereto. This is a continuing agreement of lien subordination (as opposed to debt or claim subordination) and ABL Claimholders may continue, at any time and without notice to Notes Agent or any other Notes Claimholder, to extend credit and other financial accommodations to or for the benefit of any Grantor constituting ABL Obligations in reliance hereof. Each of Notes Agent and ABL Agent hereby waives any right it may have under applicable law to revoke this Agreement or any of the provisions of this Agreement. The terms of this Agreement shall survive, and shall continue in full force and effect, in any Insolvency Proceeding. Consistent with, but not in limitation of, the preceding sentence, ABL Agent and the Notes Agent, on behalf of the applicable Claimholders, irrevocably acknowledges that this Agreement constitutes a “subordination agreement” within the meaning of both New York law and Section 510(a) of the Bankruptcy Code. Any provision of this Agreement that is prohibited or unenforceable shall not invalidate the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. All references to any Grantor shall include such Grantor as debtor and debtor-in-possession and any receiver or trustee for such Grantor in any Insolvency Proceeding. This Agreement shall terminate and be of no further force and effect:

(a) with respect to ABL Agent, ABL Claimholders, and the ABL Obligations, on the date that the Discharge of ABL Obligations has occurred;
and

(b) with respect to Notes Agent, Notes Claimholders, and the Notes Obligations, on the date that the Discharge of Notes Obligations has occurred.

9.3 Amendments; Waivers. Except as provided in the last three sentences of this Section, no amendment, modification, or waiver of any of the provisions of this Agreement shall be effective unless the same shall be in writing signed on behalf of each party hereto or its authorized agent and each waiver, if any, shall be a waiver only with respect to the specific instance involved and shall in no way impair the rights of the parties making such waiver or the obligations of the other parties to such party in any other respect or at any other time. Any amendments, modifications or waivers can be effected by ABL Agent, at the direction of the requisite ABL Claimholders under the ABL Credit Agreement, and by Notes Agent, at the direction of the requisite Notes Claimholders under the Indenture. Notwithstanding the foregoing, (i) the consent of the Grantors shall be required for any amendment, modification or waiver of any provision of this Agreement to the extent such amendment, modification or waiver (x) adversely affects its rights hereunder, under the ABL Loan Documents, under the Notes Documents (including its rights pursuant to this [Section 9.3](#)) or under the Other Pari Passu Lien Obligations Agreement or (y) imposes any additional duties on the Grantors hereunder, under the ABL Loan Documents, under the Notes Documents or under the Other Pari Passu Lien Obligations Agreement, (ii) any Other Pari Passu Lien Obligations Agent, on behalf of itself and such holders of Other Pari Passu Lien Obligations, may become a party to this Agreement, without any further action by any other party hereto, upon execution and delivery by the Grantors and such Other Pari Passu Lien Obligations Agent of a properly completed joinder agreement (in form and substance reasonably satisfactory to each of ABL Agent and Notes Agent) to each of the other parties hereto and delivery to Notes Agent by Company of an Officers' Certificate (as defined in the Indenture), upon which Notes Agent is entitled to conclusively rely, certifying that such obligations are permitted by the Indenture to be included hereunder as Other Pari Passu Lien Obligations and that such joinder complies with the conditions and covenants in the Indenture and the Notes Collateral Documents, (iii) any duly appointed agent for the holders of ABL Obligations in lieu of the ABL Agent, on behalf of itself and such holders, may become a party to this Agreement, without any further action by any other party hereto, upon execution and delivery by the Grantors and such agent of a properly completed joinder agreement (in form and substance reasonably satisfactory to each of such agent, Notes Agent and the Company) to each of the other parties hereto and delivery to Notes Agent by Issuer of an Officers' Certificate (as defined in the Indenture), upon which Notes Agent is entitled to conclusively rely, certifying that such obligations are permitted by the Indenture to be included hereunder as ABL Obligations, and that such joinder complies with the conditions and covenants in the Indenture and the Notes Collateral Documents, (iv) technical modifications may be made to this Agreement to facilitate the inclusion of Other Pari Passu Lien Obligations without any further action by any other party hereto to the extent such Other Pari Passu Lien Obligations are permitted to be incurred under the ABL Loan Documents, the Notes Documents and the Other Pari Passu Lien Obligations Agreement and (v) technical modifications may be made to this Agreement to facilitate the inclusion of ABL Obligations described in clause (ii) of the definition thereof without any further action by any other party hereto to the extent such Obligations are permitted to be incurred under the ABL Loan Documents, the Notes Documents and the Other Pari Passu Lien Obligations Agreement. In connection with any Refinancing of the Notes Obligations or ABL Obligations pursuant to [Section 5.3\(a\)](#) or [5.3\(b\)](#), as applicable, this Agreement may be amended at the request and sole expense of the Grantors, and without the consent of either ABL Agent or Notes Agent, (i) to add parties (or any authorized agent or trustee therefor) providing any such Refinancing, (ii) to establish that Liens on any Notes Priority Collateral securing such Refinanced debt shall have the same priority as the Liens on any Notes Priority Collateral securing the debt being Refinanced and (iii) to establish that the Liens on any ABL Priority Collateral securing such Refinanced debt shall have the same priority

Notwithstanding anything to the contrary in this Agreement, this Agreement may be amended from time to time at the sole request and expense of the Company, (x) as set forth in the second paragraph of Section 9.01 of the Indenture, without the consent of Notes Agent, and (y) as set forth in the second paragraph of such Section 9.01 as in effect on the date hereof, without the consent of ABL Agent. If the ABL Credit Agreement is Refinanced as provided in Section 5.5(a) hereof and such Refinanced ABL Credit Agreement is secured by a Lien on the Notes Priority Collateral, the provisions of this Agreement may be amended by the Company without the consent of any other party hereto in order to provide reciprocal rights and obligations with respect to the junior Lien of the ABL Claimholders under the Refinanced ABL Credit Agreement on the Notes Priority Collateral as are applicable to the junior Lien of the Notes Claimholders on the ABL Priority Collateral hereunder.

9.4 Information Concerning Financial Condition of the Grantors. ABL Agent and the other ABL Claimholders shall be responsible for keeping themselves informed of (a) the financial condition of the Grantors and all endorsers and/or guarantors of the ABL Obligations and (b) all other circumstances bearing upon the risk of nonpayment of the ABL Obligations. ABL Agent and the other ABL Claimholders shall have no duty to advise Notes Agent or any Notes Claimholder of information known to it or them regarding such condition or any such circumstances or otherwise. Notes Agent and the other Notes Claimholders shall have no duty to advise ABL Agent or any other ABL Claimholder of information known to it or them regarding such condition or any such circumstances or otherwise. (a) to make, and ABL Agent and the other ABL Claimholders, or Notes Agent and the other Notes Claimholders, as the case may be, shall not make, any express or implied representation or warranty, including with respect to the accuracy, completeness, truthfulness, or validity of any such information so provided;

(b) to provide any additional information or to provide any such information on any subsequent occasion;

(c) to undertake any investigation; or

(d) to disclose any information, which pursuant to accepted or reasonable commercial practices, such party wishes to maintain confidential or is otherwise required to maintain confidential.

9.5 Subrogation. (a) With respect to any payments or distributions in cash, property, or other assets that any Notes Claimholders or Notes Agent pays over to ABL Agent or ABL Claimholders under the terms of this Agreement, Notes Claimholders and Notes Agent shall be subrogated to the rights of ABL Agent and the other ABL Claimholders and (b) with respect to any payments or distributions in cash, property, or other assets that any ABL Claimholders or ABL Agent pay over to Notes Agent or the other Notes Claimholders under the terms of this Agreement, ABL Claimholders and ABL Agent shall be subrogated to the rights of Notes Agent

and the other Notes Claimholders; provided, however, that, ABL Agent and Notes Agent each hereby agrees not to assert or enforce any such rights of subrogation it may acquire as a result of any payment hereunder until the Discharge of ABL Obligations or Discharge of Notes Obligations, as applicable, has occurred. Any payments or distributions in cash, property or other assets received by ABL Agent or the other ABL Claimholders that are paid over to Notes Agent or the other Notes Claimholders pursuant to this Agreement shall not reduce any of the ABL Obligations. Any payments or distributions in cash, property or other assets received by Notes Agent or the other Notes Claimholders that are paid over to ABL Agent or ABL Claimholders pursuant to this Agreement shall not reduce any of the Notes Obligations. Notwithstanding the foregoing provisions of this Section 9.5, none of the ABL Claimholders shall have any claim against any of the Notes Claimholders for any impairment of any subrogation rights herein granted to the Notes Claimholders and none of the Notes Claimholders shall have any claim against any of the ABL Claimholders for any impairment of any subrogation rights herein granted to the ABL Claimholders.

ABL Agent and Notes Agent each agrees to take such further action and shall execute and deliver such additional documents and instruments (in recordable form, if requested) as ABL Agent or Notes Lien Agent may reasonably request to effectuate the terms of and the Lien priorities contemplated by this Agreement.

SECTION 2. Lien Priorities.

2.1 Relative Priorities. (a) Notwithstanding the date, time, method, manner, or order of grant, attachment, or perfection of any Liens securing (or purportedly securing) the ABL Obligations granted with respect to the Collateral or of any Liens securing (or purportedly securing) the Notes Obligations granted with respect to the Collateral (including, in each case, irrespective of whether any such Lien is granted (or secures Obligations relating to the period) before or after the commencement of any Insolvency Proceeding) and notwithstanding any contrary provision of the UCC or any other applicable law or the ABL Loan Documents ~~or~~, the Notes Documents or the Other Pari Passu Lien Obligations Agreement, as applicable, or any defect or deficiencies in, or failure to attach or perfect, the Liens securing (or purportedly securing) any of the Obligations, or any other circumstance whatsoever, ABL Agent and Notes Agent hereby agree that:

(~~1~~) (1) any Lien with respect to the ABL Priority Collateral securing any ABL Obligations now or hereafter held by or on behalf of, or created for the benefit of, ABL Agent or any other ABL Claimholders or any agent or trustee therefor, regardless of how or when acquired, whether by grant, possession, statute, operation of law, subrogation or otherwise, shall be senior in all respects and prior to any Lien with respect to the ABL Priority Collateral securing any Notes Obligations; and

(~~2~~) (2) any Lien with respect to the ~~Notes~~ ABL Priority Collateral securing any Notes Obligations now or hereafter held by or on behalf of, or created for the benefit of, Notes Agent ~~or~~, any other Notes Claimholders or any agent or trustee therefor, regardless of how or when acquired, whether by grant, possession, statute, operation of law, subrogation or otherwise, shall be ~~senior~~ junior and subordinate in all respects ~~and prior to any Lien~~ to all Liens with respect to the ~~Notes~~ ABL Priority Collateral securing any ABL Obligations;

(b) ABL Agent and Notes Agent hereby further agree that the Notes Priority Collateral does not secure any ABL Obligation under the ABL Credit Agreement and neither the ABL Agent nor any ABL Claimholder under the ABL Credit Agreement shall accept a Lien on any Notes Priority Collateral without the consent of Notes Agent or as otherwise permitted in any Insolvency Proceeding in accordance with Section 6.5 hereof. Notwithstanding the foregoing, ABL Agent and Notes Agent hereby agree that:

(~~1~~) (1) any Lien with respect to the ~~ABL~~ Notes Priority Collateral securing any Notes Obligations now or hereafter held by or on behalf of, or created for the benefit of, Notes Agent ~~or~~ any other Notes Claimholders or any agent or trustee therefor, regardless of how or when acquired, whether by grant, possession, statute, operation of law, subrogation or otherwise, shall be ~~junior and subordinate~~ senior in all respects ~~to all Liens~~ and prior to any Lien with respect to the ~~ABL~~ Notes Priority Collateral securing any ABL Obligations; and

(~~2~~) (2) any Lien with respect to the Notes Priority Collateral securing any ABL Obligations now or hereafter held by or on behalf of, or created for the benefit of, ABL Agent, any other ABL Claimholders or any agent or trustee therefor, regardless of how or when acquired, whether by grant, possession, statute, operation of law, subrogation or otherwise, shall be junior and subordinate in all respects to all Liens with respect to the Notes Priority Collateral securing any Notes Obligations.

The subordination of Liens provided for in this Agreement shall continue to be effective with respect to any part of the Collateral from and after the date hereof whether such Liens are declared, or ruled to be, invalid, unenforceable, void or not allowed by a court of competent jurisdiction, as a result of any action taken by Notes Agent or ABL Agent, as applicable, or any failure by such person to take any action, with respect to any financing statement (including any amendment to or continuation thereof), ~~mortgage~~Mortgage or other perfection document.

2.2 Prohibition on Contesting Liens. Each of Notes Agent, for itself and on behalf of each other Notes Claimholder, and ABL Agent, for itself and on behalf of each other ABL Claimholder, agrees that it will not (and hereby irrevocably, absolutely and unconditionally waives any right to), directly or indirectly, contest (directly or indirectly), or support any other person in contesting (directly or indirectly), in any proceeding (including any Insolvency Proceeding) (a) the priority, validity, attachment, perfection or enforceability of a Lien in the Collateral held by or on behalf of ABL Agent or any other ABL Claimholder or by or on behalf of Notes Agent or any other Notes Claimholder, (b) the priority, validity, perfection or enforceability of any Obligations, including the allowability or priority of any Obligations in any Insolvency Proceeding, or (c) the validity or enforceability of, or the priorities, rights or duties established by, or other provisions of this Agreement; provided, however that nothing in this Agreement shall be construed to prevent or impair the rights of ABL Agent, any other ABL Claimholder, Notes Agent, or any other Notes Claimholder to enforce the terms of this Agreement, including the provisions of this Agreement relating to the priority of the Liens securing the ABL Obligations and the Notes Obligations, as applicable, as provided in Sections 2.1, 3 and 6.2.

2.3 New Liens. During the term of this Agreement, whether or not any Insolvency Proceeding has been commenced by or against any Grantor, the parties hereto agree, subject to Section 6, that no Grantor shall:

(a) grant or suffer to exist any Liens on any asset that would constitute ABL Priority Collateral to secure any Notes Obligation unless such Grantor also offers to grant, and, at the option of ABL Agent, grants a Lien on such asset to secure the ABL Obligations concurrently with the grant of a Lien thereon in favor of Notes Agent in accordance with the priorities set forth in this Agreement; or

(b) grant or suffer to exist any Liens on (x) any asset to secure any ABL Obligation unless such Grantor also offers to grant, and, at the option of Notes Agent, grants a Lien on such asset to secure the Notes Obligations concurrently with the grant of a Lien thereon in favor of ABL Agent in accordance with the priorities set forth in this Agreement or (y) any Note Priority Collateral to secure any ABL Obligation under the ABL Credit Agreement, except with the consent of Notes Agent or as authorized in an Insolvency Proceeding in accordance with Section 6.5 hereof.

To the extent that the foregoing provisions are not complied with for any reason, without limiting any other rights and remedies available to ABL Agent or any other ABL Claimholder, Notes Agent, on behalf of the Notes Claimholders, agrees that any amounts received by or distributed to any of them pursuant to or as a result of Liens granted in contravention of this Section 2.3 shall be subject to Section 4.2, and without limiting any other rights and remedies available to Notes Agent or any other Notes Claimholder, ABL Agent, on behalf of the ABL Claimholders, agrees that any amounts received by or distributed to any of them pursuant to or as a result of Liens granted in contravention of this Section 2.3 shall be subject to Section 4.2.

2.4 Cooperation in Designating Collateral. In furtherance of Section 9.8, the parties hereto agree to and the Grantors shall, in each case subject to the other provisions of this Agreement, upon request by ABL Agent or Notes Agent, cooperate in good faith (and direct their counsel to cooperate in good faith) from time to time in order to determine the specific items included in the ABL Priority Collateral and the Notes Priority Collateral and the steps taken or to be taken to perfect their respective Liens thereon and the identity of the respective parties obligated under the ABL Loan Documents ~~and~~, the Notes Documents and the Other Pari Passu Lien Obligations Agreement.

SECTION 3. Exercise of Remedies.

3.1 Exercise of Remedies by Notes Agent. Until the Discharge of ABL Obligations has occurred, whether or not any Insolvency Proceeding has been commenced by or against any Grantor, Notes Agent and Notes Claimholders:

(d) will not take or cause to be taken any action the purpose or effect of which is, or could be, to make any Lien that the Notes Claimholders have on ABL Priority Collateral equal with, or to give the Notes Claimholders any preference or priority relative to, any Lien that the ABL Claimholders have with respect to such ABL Priority Collateral;

(e) will have no right to (i) direct ABL Agent or any other ABL Claimholder to exercise any right, remedy or power or (ii) consent to the exercise by ABL Agent or any other ABL Claimholder of any right, remedy or power with respect to any ABL Priority Collateral;

(f) acknowledge and agree that no covenant, agreement or restriction contained in the Note Documents shall be deemed to restrict in any way the rights and remedies of ABL Agent or the other ABL Claimholders with respect to the ABL Priority Collateral as set forth in this Agreement and the ABL Loan Documents; and

(g) will not attempt, directly or indirectly, whether by judicial proceedings or otherwise, to challenge the enforceability of any provision of this Agreement.

3.2 Exercise of Remedies by ABL Agent. Until the Discharge of Notes Obligations has occurred, whether or not any Insolvency Proceeding has been commenced by or against any Grantor, ABL Agent and ABL Claimholders:

(a) will not exercise or seek to exercise (and instead shall be deemed to have hereby irrevocably, absolutely and unconditionally waived), any rights, powers, or remedies with respect to any Notes Priority Collateral (including any Exercise of Secured Creditor Remedies with respect to any Notes Priority Collateral);

(b) subject to Section 3.4 and Section 3.7, will not, directly or indirectly (and instead shall be deemed to have hereby irrevocably, absolutely and unconditionally waived any and all rights to), contest, protest, object to (and seek or be awarded any relief of any nature whatsoever based on any such objection), interfere with, hinder or delay any (i) action to enforce or collect (or attempt to collect) the Notes Obligations, or (ii) Exercise of Secured Creditor Remedies by Notes Agent or any other Notes Claimholder with respect to any Notes Priority Collateral (regardless of whether any action or failure to act by or on behalf of Notes Agent or the other Notes Claimholders is adverse to the interest of ABL Agent or the other ABL Claimholders), and have no right to direct Notes Agent to Exercise any Secured Creditor Remedies or take any other action under the Notes Documents or the Other Pari Passu Lien Obligations Agreement;

(c) will not object to (and waive any and all claims with respect to) any waiver or forbearance by Notes Agent or the other Notes Claimholders from Exercising any Secured Creditor Remedies with respect to any Notes Priority Collateral;

(d) will not take or cause to be taken any action the purpose or effect of which is, or could be, to make any Lien that the ABL Claimholders have on Notes Priority Collateral equal with, or to give the ABL Claimholders any preference or priority relative to, any Lien that the Notes Claimholders have with respect to such Notes Priority Collateral;

(e) will have no right to (i) direct Notes Agent or any other Notes Claimholder to exercise any right, remedy or power or (ii) consent to the exercise by Notes Agent or any other Notes Claimholder of any right, remedy or power with respect to any Notes Priority Collateral;

(f) acknowledge and agree that no covenant, agreement or restriction contained in the ABL Loan Documents shall be deemed to restrict in any way the rights and remedies of Notes Agent or the other Notes Claimholders with respect to the Notes Priority Collateral as set forth in this Agreement ~~and~~, the Notes Documents; and the Other Pari Passu Lien Obligations Agreement;

(g) will not attempt, directly or indirectly, whether by judicial proceedings or otherwise, to challenge the enforceability of any provision of this Agreement; and

(h) will not take any action to secure the ABL Obligations under the ABL Credit Agreement with a Lien on the Notes Priority Collateral (it being acknowledged and agreed that notwithstanding anything in this Section 3.2 or otherwise in this Agreement to the contrary, the ABL Obligations under the ABL Credit Agreement are not and shall not be secured by Notes Priority Collateral), except with the consent of Notes Agent or as authorized in an Insolvency Proceeding in accordance with Section 6.5 hereof.

3.3 **Exclusive Enforcement Rights.** (a) Until the Discharge of ABL Obligations has occurred, whether or not any Insolvency Proceeding has been commenced by or against any Grantor, ABL Agent shall have the exclusive right to Exercise any Secured Creditor Remedies with respect to any ABL Priority Collateral (and in connection therewith, make determinations regarding the release or Disposition thereof or any restrictions with respect thereto), in each case without any consultation with or the consent of Notes Agent or any other Notes Claimholder, and (b) until the Discharge of Notes Obligations has occurred, whether or not any Insolvency Proceeding has been commenced by or against any Grantor, Notes Agent shall have the exclusive right to Exercise any Secured Creditor Remedies with respect to any Notes Priority Collateral (and in connection therewith, subject to Section 3.8, make determinations regarding the release or Disposition thereof or any restrictions with respect thereto), in each case without any consultation with or the consent of ABL Agent or any other ABL Claimholder. In connection with (x) any Exercise of Secured Creditor Remedies with respect to the ABL Priority Collateral, ABL Agent may enforce the provisions of the ABL Loan Documents and exercise remedies thereunder, all in such order and in such manner as it may determine in the exercise of its sole discretion, or (y) any Exercise of Secured Creditor Remedies with respect to the Notes Priority Collateral, Notes Agent may enforce the provisions of the Notes Documents and the Other Pari Passu Lien Obligations Agreement and exercise remedies thereunder, all in such order and in such manner as it may determine in the exercise of its sole discretion. Such exercise and enforcement shall include the rights of an agent appointed by ABL Agent or Notes Agent, as applicable, to Dispose of Collateral, to incur expenses in connection with such Disposition, and to exercise all the rights and remedies of a secured creditor under the UCC, the Bankruptcy Laws or other applicable law.

3.4 **Permitted Actions.** Anything to the contrary in this Section 3 notwithstanding, each of Notes Agent and ABL Agent may:

(a) if an Insolvency Proceeding has been commenced by or against any Grantor, file a proof of claim or statement of interest with respect to its Collateral or otherwise with respect to the Notes Obligations or the ABL Obligations, as the case may be, or otherwise file any pleadings, objections, motions or agreements which assert rights or interests available to unsecured creditors of such Grantor arising under any Insolvency Proceeding or applicable non-bankruptcy law, in each case not inconsistent with the terms of this Agreement or applicable law (including the Bankruptcy Laws);

(b) take any action (not adverse to the priority status of the Liens on the Collateral of the other, or the rights of the other Agent or any Claimholders to Exercise any Secured Creditor Remedies) in order to create or perfect its Lien in and to the Collateral;

(c) file any necessary responsive or defensive pleadings in opposition to any motion, claim, adversary proceeding, or other pleading made by any person objecting to or otherwise seeking the disallowance or subordination of its claims or the claims of its Claimholders, or the avoidance of its Liens;

(d) object to any proposed acceptance of ~~(i)~~, in the case of Notes Agent, ABL Priority Collateral by an ABL Claimholder pursuant to Section 9-620 of the UCC ~~and (ii) in the case of ABL Agent, Notes Priority Collateral by a Notes Claimholder pursuant to Section 9-620 of the UCC;~~

(e) make any arguments and motions that are, in each case, in accordance with the terms of this Agreement;

(f) vote on any plan of reorganization in accordance with the terms of this Agreement;

(g) the Notes Agent may join (but not exercise any control with respect to) any judicial foreclosure proceeding or other judicial lien enforcement proceeding with respect to the ABL Priority Collateral ~~of the other Agent~~ initiated by ~~such other~~ the ABL Agent to the extent that any such action could not reasonably be expected, in any material respect, to restrain, hinder, limit, delay for any material period or otherwise interfere with the Exercise of Secured Creditor Remedies by such ~~other~~ ABL Agent (it being understood that, (i) with respect to ABL Priority Collateral, neither Notes Agent nor any other Notes Claimholder shall be entitled to receive any proceeds thereof unless otherwise expressly permitted herein and (ii) with respect to Notes Priority Collateral, neither ABL Agent nor any other ABL Claimholder shall be entitled to receive any proceeds thereof unless otherwise expressly permitted herein); and

(h) take any action described in clauses (i) through (viii) of the definition of Exercise of Secured Creditor Remedies.

3.5 Retention of Proceeds.

(a) ~~Notes Agent agrees that prior to the Discharge of ABL Obligations, Notes Claimholders will only be entitled to retain proceeds of Notes Priority Collateral in connection with an Exercise of Secured Creditor Remedies by Notes Agent that is not prohibited under Section 3.1 above.~~ Notes Claimholders shall not be permitted to retain any proceeds of ABL Priority Collateral in connection with any Exercise of Secured Creditor Remedies in any circumstance unless and until the Discharge of ABL Obligations has occurred, and any such proceeds received or retained in any other circumstance will be subject to Section 4.2.

(b) ~~ABL Agent agrees that prior to the Discharge of Notes Obligations, ABL Claimholders will only be entitled to retain proceeds of ABL Priority Collateral in connection with an Exercise of Secured Creditor Remedies by ABL Agent that is not prohibited under Section 3.2 above.~~ ABL Claimholders shall not be permitted to retain any proceeds of Notes Priority Collateral in connection with any Exercise of Secured Creditor Remedies in any circumstance unless and until the Discharge of Notes Obligations has occurred, and any such proceeds received or retained in any other circumstance will be subject to Section 4.2.

(c) Notwithstanding anything contained in this Agreement to the contrary, in the event of any Disposition or series of related Dispositions that includes ABL Priority Collateral and Notes Priority Collateral where the aggregate sales price is not allocated between the ABL Priority Collateral and Notes Priority Collateral being sold (~~including~~excluding in connection with or as a result of the sale of the capital stock of a Grantor), then solely for purposes of this Agreement, the allocation of proceeds of such Disposition to the ABL Priority Collateral shall be based upon, in the case of (i) any ABL Priority Collateral consisting of inventory, the book value thereof as assessed on the date of such Disposition, (ii) any ABL Priority Collateral consisting of accounts receivable, the book value thereof as assessed on the date of such Disposition and (iii) all other ABL Priority Collateral and Notes Priority Collateral, the ~~fair market value~~Fair Market Value of such ABL Priority Collateral and Notes Priority Collateral sold, ~~as determined by the Company in its reasonable judgment~~ or, if the aggregate amount of such other ABL Priority Collateral and Notes Priority Collateral sold is greater than \$~~20,000,000~~35,000,000, the Fair Market Value of such Collateral as determined by an independent appraiser.

3.6 Non-Interference. Subject to Sections 3.1, 3.2, 3.3, 3.4 and 6.5(b), each of Notes Agent, for itself and on behalf of the other Notes Claimholders, and ABL Agent, for itself and on behalf of the other ABL Claimholders, hereby:

(a) subject to Section 3.7, agrees that it will not, directly or indirectly, take any action that would restrain, hinder, limit, delay, or otherwise interfere with any Exercise of Secured Creditor Remedies by the other Agent with respect to such other Agent's Priority Collateral or that is otherwise prohibited hereunder, including any Disposition of the other Agent's Priority Collateral, whether by foreclosure or otherwise;

(b) subject to Section 3.7, waives any and all rights it or its Claimholders may have as a junior lien creditor or otherwise to object to the manner in which such other Agent seeks to enforce or collect such other party's respective Obligations or the Liens securing such Obligations granted in any of such other Agent's Priority Collateral, regardless of whether any action or failure to act by or on behalf of such other Agent is adverse to the interest of it or its Claimholders.

3.7 Commercially Reasonable Dispositions; Notice of Exercise.

(a) Notes Agent, for itself and on behalf of the other Notes Claimholders, hereby irrevocably, absolutely, and unconditionally waives any right to object (and seek or be awarded any relief of any nature whatsoever based on any such objection), at any time prior to or subsequent to any disposition of any of the ABL Priority Collateral, on the ground(s) that any such disposition of ABL Priority Collateral (x) would not be or was not "commercially reasonable" within the meaning of any applicable UCC and/or (y) would not or did not comply with any other requirement under any applicable UCC or under any other applicable law governing the manner in which a secured creditor (including one with a Lien on real property) is to realize on its collateral. ABL Agent, for itself and on behalf of the other ABL Claimholders,

hereby irrevocably, absolutely and unconditionally waives any right to object (and seek or be awarded any relief of any nature whatsoever based on any such objection), at any time prior to or subsequent to any disposition of any Notes Priority Collateral, on the ground(s) that any such disposition of Notes Priority Collateral (i) would not be or was not “commercially reasonable” within the meaning of any applicable UCC and/or (ii) would not or did not comply with any other requirement under any applicable UCC or under any other applicable law governing the manner in which a secured creditor (including one with a Lien on real property) is to realize on its collateral.

(b) Except as expressly set forth in this Agreement, each Notes Claimholder and each ABL Claimholder shall have any and all rights and remedies it may have as a creditor under any applicable law, including the right to the Exercise of Secured Creditor Remedies; provided, however, that the Exercise of Secured Creditor Remedies with respect to the Collateral (and any judgment Lien obtained in connection therewith) shall be subject to the Lien priorities set forth herein and to the provisions of this Agreement. ABL Agent may enforce the provisions of the ABL Loan Documents, Notes Agent may enforce the provisions of the Notes Documents and Other Pari Passu Lien Obligations Agreement and each may Exercise any Secured Creditor Remedies, all in such order and in such manner as each may determine in the exercise of its sole discretion, consistent with the terms of this Agreement and mandatory provisions of applicable law; provided, however, that ~~each of the~~ ABL Agent ~~and Notes Agent~~ agrees to provide to the ~~other~~ Notes Agent (x) an Enforcement Notice prior to its Exercise of Secured Creditor Remedies and (y) copies of any notices that it is required under applicable law to deliver to any Grantor (for avoidance of doubt, the Notes Agent shall not be required to deliver any such Enforcement Notice to the ABL Agent); provided further, however, that ABL Agent’s failure to provide copies of any such notices to Notes Agent shall not impair any of ABL Agent’s rights hereunder or under any of the ABL ~~Documents and Notes Agent’s failure to provide copies of any such notices to ABL Agent shall not impair any of Notes Agent’s rights hereunder or under any of the Notes~~ Documents. Each of Notes Agent, each other Notes Claimholder, ABL Agent and each ABL Claimholder agrees that it will not institute any suit or other proceeding or assert in any suit, Insolvency Proceeding or other proceeding any claim, in the case of Notes Agent and each other Notes Claimholder, against either ABL Agent or any other ABL Claimholder, and in the case of ABL Agent and each other ABL Claimholder, against either Notes Agent or any other Notes Claimholder, seeking damages from or other relief by way of specific performance, instructions or otherwise, with respect to, any action taken or omitted to be taken by such person with respect to the Collateral which is consistent with the terms of this Agreement, and none of such parties shall be liable for any such action taken or omitted to be taken.

3.8 Inspection and Access Rights.

(a) If Notes Agent, or any agent or representative of Notes Agent, or any receiver, shall, after any Notes Default, obtain possession or physical control of any Notes Priority Collateral or Notes Agent shall sell or otherwise dispose of any Notes Priority Collateral, Notes Agent shall promptly notify ABL Agent in writing of that fact, and ABL Agent shall thereafter notify the Notes Agent in writing as to whether ABL Agent desires to exercise access rights under this Section 3.8. ~~In addition, if ABL Agent, or any agent or representative of ABL Agent, or any receiver, shall, after any ABL Default, obtain possession or physical~~

~~control of any of the real properties subject to a Mortgage or any of the tangible Notes Priority Collateral located on any premises other than real properties subject to a Mortgage or control over any intangible Notes Priority Collateral, following the delivery to Notes Agent of an Enforcement Notice, then ABL Agent shall thereafter notify Notes Agent in writing that ABL Agent is exercising its access rights under this Agreement under either circumstance.~~ Upon delivery of such notice by ABL Agent to Notes Agent, the parties shall confer in good faith to coordinate with respect to ABL Agent's exercise of such access rights. Consistent with the definition of "Use Period," access rights may apply to differing parcels of real properties subject to a Mortgage and to different assets that constitute a portion of the Notes Priority Collateral, in each case at differing times, in which case, a differing Use Period will apply to each such property and to each such portion of the Notes Priority Collateral.

(b) Without limiting any rights ABL Agent or any other ABL Claimholder may otherwise have under applicable law or by agreement and whether or not Notes Agent or any other Notes Claimholder has commenced and is continuing to Exercise any Secured Creditor Remedies of Notes Agent, ABL Agent or any other person (including any ABL Claimholder) acting with the consent, or on behalf, of ABL Agent shall have an irrevocable, non-exclusive right to have access to, and a royalty-free and rent-free license and right to use, the Notes Priority Collateral (including, without limitation, equipment, fixtures and real property and equipment, processors, computers and other machinery related to the storage or processing of records, documents or files) during the Use Period (a) during normal business hours on any Business Day, to access the ABL Priority Collateral that (i) is stored or located in or on, (ii) has become an accession with respect to (within the meaning of Section 9-335 of the UCC), or (iii) has been commingled with (within the meaning of Section 9-336 of the UCC), Notes Priority Collateral, and (b) in order to assemble, inspect, copy or download information stored on, take actions to perfect its Lien on, process raw materials or work-in-process into finished inventory, take possession of, move, package, prepare and advertise for sale or disposition, sell (by public auction, private sale, "going out of business" sale or similar sale, whether in bulk, in lots or to customers in the ordinary course of business or otherwise and which sale may include augmented inventory of the same type sold in Grantors' business), store, collect, take reasonable actions to protect, secure and otherwise enforce the rights of ABL Agent in and to the ABL Priority Collateral, or otherwise deal with the ABL Priority Collateral, in each case without the involvement of or interference by any Notes Claimholder or liability to any Notes Claimholder. This Agreement will not restrict the rights of Notes Agent to sell, assign or otherwise transfer the related Notes Priority Collateral prior to the expiration of the Use Period if (but only if) the purchaser, assignee or transferee thereof agrees to be bound by the provisions of this Section 3.8.

(c) During the period of actual occupation, use and/or control by the ABL Claimholders and/or ABL Agent (or their respective employees, agents, advisers and representatives) of any Notes Priority Collateral or other assets or property, the ABL Claimholders and ABL Agent shall be obligated to repair at their expense any physical damage (ordinary wear and tear excepted) to such Notes Priority Collateral caused by such occupancy, use or control by ABL Agent or its agents, representatives or designees, and to leave such Notes Priority Collateral or other assets or property in substantially the same condition as it was at the commencement of such occupancy, use or control, ordinary wear and tear excepted; provided, however, that ABL Agent and the ABL Claimholders will not be liable for any diminution in the value of the Notes Priority Collateral caused by the absence of the ABL Priority Collateral

therefrom. Notwithstanding the foregoing, in no event shall the ABL Claimholders or ABL Agent have any liability to the Notes Claimholders and/or to Notes Agent pursuant to this Section 3.8 as a result of any condition (including any environmental condition, claim or liability) on or with respect to the Notes Priority Collateral existing prior to the date of the exercise by the ABL Claimholders (or ABL Agent, as the case may be) of their rights under this Section 3.8 and the ABL Claimholders shall have no duty or liability to maintain the Notes Priority Collateral in a condition or manner better than that in which it was maintained prior to the use thereof by the ABL Claimholders, or for any diminution in the value of the Notes Priority Collateral that results solely from ordinary wear and tear resulting from the use of the Notes Priority Collateral by the ABL Claimholders in the manner and for the time periods specified under this Section 3.8. Without limiting the rights granted in this Section 3.8, the ABL Claimholders and ABL Agent shall cooperate with the Notes Claimholders and/or Notes Agent in connection with any efforts made by the Notes Claimholders and/or the Notes Agent to sell the Notes Priority Collateral.

(d) Consistent with the definition of the term "Use Period," if any order or injunction is issued or stay is granted or is otherwise effective by operation of law that prohibits ABL Agent from exercising any of its rights hereunder, then the Use Period granted to ABL Agent under this Section 3.8 shall be stayed during the period of such prohibition and shall continue thereafter for the number of days remaining as required under this Section 3.8. Notes Agent agrees, for the benefit of ABL Agent, that it shall not sell or dispose of any of the Notes Priority Collateral during the Use Period unless the buyer agrees in writing to acquire the Notes Priority Collateral subject to the terms of this Section 3.8 and agrees therein to comply with the terms of this Section 3.8. The rights of ABL Agent and the other ABL Claimholders under this Section 3.8 during the Use Period shall continue notwithstanding such foreclosure, sale or other disposition by Notes Agent.

(e) ABL Agent and the other ABL Claimholders shall not be obligated to pay any amounts to Notes Agent or the other Notes Claimholders (or any person claiming by, through or under the Notes Claimholders, including any purchaser of the Notes Priority Collateral) or to any Grantor, for or in respect of the use by ABL Agent and the other ABL Claimholders of the Notes Priority Collateral; provided that ABL Agent and the other ABL Claimholders shall be obligated to pay any third-party expenses related thereto, including costs with respect to heat, light, electricity and water with respect to that portion of any premises so used or occupied, or that arise as a result of such use. In the event, and only in the event, that in connection with its use of some or all of the premises constituting Notes Priority Collateral, ABL Agent requires the services of any employees of the Grantors, ABL Agent shall pay directly to any such employees the appropriate, allocated wages of such employees, if any, during the time periods that ABL Agent requires their services. In each case, all amounts paid by ABL Agent hereunder shall be added to the outstanding principal balance of the ABL Obligations.

(f) The ABL Claimholders shall use the Notes Priority Collateral in accordance with applicable law.

(g) Subject to Section 3.7, Notes Agent and the other Notes Claimholders (i) will cooperate with ABL Agent (at ABL Agent's expense, which expenses shall constitute and be deemed part of the ABL Obligations) in its efforts pursuant to Section 3.8(b) to enforce its security interest in the ABL Priority Collateral and to finish any work-in-process and assemble the ABL Priority Collateral, (ii) will not hinder or restrict in any respect ABL Agent from enforcing its security interest in the ABL Priority Collateral or from finishing any work-in-process or assembling the ABL Priority Collateral pursuant to Section 3.8(b), and (iii) will, subject to the rights of any landlords under real estate leases, permit the ABL Collateral Agent, its employees, agents, advisers and representatives to exercise the rights described in Section 3.8(b).

(h) Subject to the terms hereof, Notes Agent may advertise and conduct public auctions or private sales of the Notes Priority Collateral, without the involvement of or interference by any ABL Claimholder or liability to any ABL Claimholder, as long as, in the case of an actual sale, the respective purchaser assumes and agrees in advance in writing to the obligations of Notes Agent and the other Notes Claimholders under this Section 3.8. If ABL Agent conducts a public auction or private sale of the ABL Priority Collateral at any of the real property included within the Notes Priority Collateral, ABL Agent shall provide the Notes Agent with reasonable notice and use reasonable efforts to hold such auction or sale in a manner which would not unduly disrupt the Notes Agent's use of such real property.

(i) For the avoidance of doubt, and without limiting the generality of the other provisions of this Agreement, it is hereby acknowledged and agreed that ABL Agent and the other ABL Claimholders shall have the right to bring an action to enforce their rights under this Section 3.8 and Section 3.9 including an action seeking possession of the applicable Collateral and/or specific performance of this Section 3.8 and Section 3.9.

3.9 Sharing of Information and Access. In the event that ABL Agent shall, in the exercise of its rights under the ABL Collateral Documents or otherwise, receive possession or control of any books and records of any Grantor which contain information identifying or pertaining to the Notes Priority Collateral, ABL Agent shall, upon request from Notes Agent and as promptly as practicable thereafter, either make available to Notes Agent such books and records for inspection and duplication or provide to Notes Agent copies thereof. In the event that Notes Agent shall, in the exercise of its rights under the Notes Collateral Documents or otherwise, receive possession or control of any books and records of any Grantor which contain information identifying or pertaining to any of the ABL Priority Collateral, Notes Agent shall, upon written request from ABL Agent and as promptly as practicable thereafter, either make available to ABL Agent such books and records for inspection and duplication or provide ABL Agent copies thereof.

3.10 Tracing of and Priorities in Proceeds. ABL Agent, for itself and on behalf of the other ABL Claimholders, and Notes Agent, for itself and on behalf of the other Notes Claimholders, further agree that prior to an issuance of any Enforcement Notice by such Claimholder or, with respect to Notes Collateral, prior to any time when the Notes Agent conducts an Exercise of Secured Creditor Remedies (unless, in either case, a bankruptcy or insolvency ABL Default or Notes Default then exists), any proceeds of Collateral obtained in accordance with the terms of the ABL Loan Documents ~~and~~, the Notes Documents and the Other Pari Passu Lien Obligations Agreement, whether or not deposited under control agreements, which are used by any Grantor to acquire other property which is Collateral shall not (solely as between the Claimholders) be treated as proceeds of Collateral for purposes of

determining the relative priorities in the Collateral which was so acquired. In addition, unless and until the Discharge of ABL Obligations occurs, Notes Agent, for itself and on behalf of the other Notes Claimholders, hereby consents to the application, prior to the receipt by ABL Agent of an Enforcement Notice issued by Notes Agent, of cash or other proceeds of ABL Collateral deposited under deposit account control agreements to the repayment of ABL Obligations pursuant to the ABL Loan Documents.

SECTION 4. Proceeds.

4.1 Application of Proceeds.

(a) Prior to the Discharge of ABL Obligations, whether or not any Insolvency Proceeding has been commenced by or against any Grantor, except as otherwise provided in Section 3.5, any ABL Priority Collateral or proceeds thereof received in connection with any Exercise of Secured Creditor Remedies shall (at such time as such Collateral or proceeds has been monetized) be applied: (i) first, to the payment in full in cash or cash collateralization of the ABL Obligations in accordance with the ABL Loan Documents, and in the case of payment of any revolving loans following any acceleration of the ABL Obligations and resulting from a foreclosure or "going out of business" sale or similar sale of ABL Priority Collateral, together with the concurrent permanent reduction of any revolving loan commitment thereunder in an amount equal to the amount of such payment, and (ii) second, to the payment in full in cash of the Note Obligations in accordance with the Notes Documents and the Other Pari Passu Lien Obligations Agreement.

(b) Prior to the Discharge of Notes Obligations, whether or not any Insolvency Proceeding has been commenced by or against any Grantor, except as otherwise provided in Section 3.5, any Notes Priority Collateral or proceeds thereof received in connection with any Exercise of Secured Creditor Remedies shall (at such time as such Collateral or proceeds has been monetized) be applied: (i) first, to the payment in full in cash or cash collateralization of the Notes Obligations in accordance with the Notes Documents, and (ii) second, to the ~~payment in full in cash or cash collateralization of the ABL Obligations in accordance with the ABL Loan Documents~~ Grantors or to whomever else is entitled to receive same under applicable law.

(c) If any Exercise of Secured Creditor Remedies with respect to the Collateral produces non-cash proceeds, then such non-cash proceeds shall be held by the Agent that conducted the Exercise of Secured Creditor Remedies as additional Collateral and, at such time as such non-cash proceeds are monetized, shall be applied as set forth above.

4.2 Turnover. Unless and until the earlier of Discharge of ABL Obligations or the Discharge of Notes Obligations has occurred, whether or not any Insolvency Proceeding has been commenced by or against any Grantor, except as otherwise provided in Section 3.5, (a) any ABL Priority Collateral, proceeds thereof (including assets or proceeds subject to Liens referred to in the final sentence of Section 2.3) or any insurance proceeds described in Section 5.2(a) received by Notes Agent or any other Notes Claimholder, pursuant to any Notes Document or by the exercise of any rights available to it under applicable law or in any Insolvency Proceeding pursuant to any Exercise of Secured Creditor Remedies or through any other exercise of

remedies, after Notes Agent or such other Notes Claimholder obtains actual knowledge or notice from ABL Agent that it has possession of such ABL Priority Collateral and/or such proceeds or as a result of Notes Agent's or any other Notes Claimholder's collusion with any Grantor in violating the rights of ABL Agent or any other ABL Claimholder (within the meaning of Section 9-332 of the UCC), shall be segregated and held in trust and shall reasonably promptly be paid over to ABL Agent for the benefit of the ABL Claimholders in the same form as received, with any necessary endorsements or as a court of competent jurisdiction may otherwise direct, and (b) any Notes Priority Collateral, proceeds thereof (including assets or proceeds subject to Liens referred to in the final sentence of [Section 2.3](#)) or any insurance proceeds described in [Section 5.2\(b\)](#) received by ABL Agent or any other ABL Claimholder, pursuant to any ABL Loan Document or by the exercise of any rights available to it under applicable law or in any Insolvency Proceeding pursuant to any Exercise of Secured Creditor Remedies or through any other exercise of remedies, after ABL Agent or such other ABL Claimholder obtains actual knowledge or notice from Notes Agent that it has possession of such Notes Priority Collateral and/or such proceeds or as a result of ABL Agent's or any other ABL Claimholder's collusion with any Grantor in violating the rights of Notes Agent or any other Notes Claimholder (within the meaning of Section 9-332 of the UCC), shall be segregated and held in trust and shall reasonably promptly be paid over to Notes Agent for the benefit of the Notes Claimholders in the same form as received, with any necessary endorsements or as a court of competent jurisdiction may otherwise direct; ~~provided, however, in the case of any proceeds of Notes Priority Collateral received by ABL Agent or any other ABL Claimholder in connection with a Disposition of Notes Priority Collateral by any Grantor, if a Grantor does not provide prior written notice of such Disposition to ABL Agent specifying the amount and source of such proceeds, neither ABL Agent nor any other ABL Claimholder shall have any obligation to pay over any proceeds of such Disposition to Notes Agent.~~ Each of Notes Agent and ABL Agent is hereby authorized to make any such endorsements as agent for the other or any Claimholders. This authorization is coupled with an interest and is irrevocable until the earlier of the Discharge of ABL Obligations or the Discharge of Notes Obligations.

Notes Agent for itself and each other Notes Claimholder agrees that if, at any time, all or any part of any payment with respect to any ABL Obligations secured by any ABL Priority Collateral previously made shall be rescinded for any reason whatsoever, to the extent still within its possession, it will promptly pay over to ABL Agent any payment received by it in respect of any such ABL Priority Collateral and shall promptly turn any such ABL Priority Collateral then held by it over to ABL Agent, and the provisions set forth in this Agreement will be reinstated as if such payment had not been made, until the payment and satisfaction in full of such ABL Obligations.

ABL Agent for itself and each other ABL Claimholder agrees that if, at any time, all or any part of any payment with respect to any Notes Obligations secured by any Notes Priority Collateral previously made shall be rescinded for any reason whatsoever, and notwithstanding the fact that ABL Obligations under the ABL Credit Agreement are not secured by Notes Priority Collateral, it will promptly pay over to Notes Agent any payment received by it in respect of any such Notes Priority Collateral and shall promptly turn any such Notes Priority Collateral then held by it over to Notes Agent, and the provisions set forth in this Agreement will be reinstated as if such payment had not been made, until the payment and satisfaction in full of such Notes Obligations.

4.3 No Subordination of the Relative Priority of Claims. Anything to the contrary contained herein notwithstanding, the subordination of the Liens of Notes Claimholders in respect of the ABL Priority Collateral to the Liens of ABL Claimholders therein and of disclaimer of and subordination of the Liens of ABL Claimholders in respect of the Notes Priority Collateral to the Liens of Notes Claimholders therein as set forth herein is with respect to the priority of the respective Liens held by or on behalf of them only and shall not constitute a subordination in right of payment of the Notes Obligations to the ABL Obligations or the ABL Obligations to the Notes Obligations.

4.4 Application of Payments. Subject to the other terms of this Agreement, all payments received (not in violation of this Agreement) by (a) ABL Agent or the other ABL Claimholders may be applied, reversed and reapplied, in whole or in part, to the ABL Obligations to the extent provided for in the ABL Loan Documents and (b) Notes Agent or the other Note Claimholders may be applied, reversed and reapplied, in whole or in part, to the Note Obligations to the extent provided for in the Note Documents.

4.5 Revolving Nature of ABL Obligations. Notes Agent, on behalf of the Notes Claimholders, acknowledges and agrees that the ABL Credit Agreement includes a revolving commitment and that the amount of the ABL Obligations that may be outstanding at any time or from time to time may be increased or reduced and subsequently reborrowed.

SECTION 5. Releases; Dispositions; Other Agreements.

5.1 Releases.

(a) If, in connection with the Exercise of Secured Creditor Remedies by ABL Agent as provided for in Section 3, irrespective of whether an ABL Default or a Notes Default has occurred and is continuing, ABL Agent releases any of its Liens on any part of the ABL Priority Collateral, then the Liens of Notes Agent on such ABL Priority Collateral shall be automatically, unconditionally, and simultaneously released so long as all proceeds therefrom are applied to permanently repay the ABL Obligations and the then outstanding commitments to extend credit under the ABL Credit Agreement are terminated; provided, however, that any proceeds remaining after the Discharge of ABL Obligations shall be subject to the Liens of the Notes Claimholders. Notes Agent, for itself or on behalf of any such Notes Claimholders, promptly shall execute and deliver to ABL Agent such termination or amendment statements, releases, and other documents as ABL Agent may request in writing to effectively confirm such release, without the consent or direction of any other Notes Claimholders at the cost and expense of the Grantors.

(b) If, in connection with the Exercise of Secured Creditor Remedies by Notes Agent as provided for in Section 3, irrespective of whether an ABL Default or a Notes Default has occurred and is continuing, Notes Agent releases any of its Liens on any part of the Notes Priority Collateral, then the Liens, if any, of ABL Agent on such Notes Priority Collateral shall be automatically, unconditionally, and simultaneously released so long as all proceeds therefrom are applied to permanently repay, repurchase or otherwise retire the Notes Obligations; ~~provided, however, that any proceeds remaining after the Discharge of Notes Obligations shall be subject to the Liens of the ABL Claimholders~~. ABL Agent, for itself or on behalf of

any such ABL Claimholders, promptly shall execute and deliver to Notes Agent such termination or amendment statements, releases, and other documents as Notes Agent may request in writing to effectively confirm such release, without the consent or direction of any other ABL Claimholders at the cost and expense of the Grantors.

(c) If, in connection with any Disposition of any ABL Priority Collateral permitted under the terms of the ABL Loan Documents ~~and~~, the Notes Documents and any Other Pari Passu Lien Obligations Agreement as in effect at the time of such Disposition, ABL Agent, for itself or on behalf of any ABL Claimholders, releases any of its Liens on the portion of the ABL Priority Collateral that is the subject of such Disposition, other than (i) in connection with the Discharge of ABL Obligations, or (ii) after the occurrence and during the continuance of any Notes Default, then the Liens of Notes Agent on such Collateral shall be automatically, unconditionally, and simultaneously released. Notes Agent, for itself or on behalf of any such Notes Claimholders, promptly shall execute and deliver to ABL Agent such termination or amendment statements, releases, and other documents as ABL Agent may request in writing to effectively confirm such release, without the consent or direction of any other Notes Claimholders provided that such Grantors have delivered such certificates or other documents to which the Notes Agent may be entitled under the Notes Documents and the Other Pari Passu Lien Obligations Agreement.

~~(d) If, in connection with any Disposition of any Notes Priority Collateral permitted under the terms of the Notes Documents and the ABL Loan Documents as in effect at the time of such Disposition, Notes Agent, for itself or on behalf of any Notes Claimholders, releases any of its Liens on the portion of the Notes Priority Collateral that is the subject of such Disposition, other than (i) in connection with the Discharge of Notes Obligations, or (ii) after the occurrence and during the continuance of any ABL Default, then the Liens of ABL Agent on such Collateral shall be automatically, unconditionally, and simultaneously released. ABL Agent, for itself or on behalf of any such ABL Claimholders, promptly shall execute and deliver to Notes Agent such termination or amendment statements, releases, and other documents as Notes Agent may request to effectively confirm such release, without the consent or direction of any other ABL Claimholders.~~

(d) [reserved.]

(e) In the event that any Collateral that would be ABL Priority Collateral is no longer Collateral pursuant to the effects of clause (8) of the definition of "Excluded Assets" in the Indenture (or any comparable provision in any successor Notes Document), such Collateral shall automatically be deemed not to be Notes Collateral under the Notes Collateral Documents. Notes Agent, for itself or on behalf of any such Notes Claimholders, promptly shall execute and deliver to the Grantors such termination or amendment statements, releases, and other documents as any Grantor may request to effectively confirm such release, at the cost and expense of the Grantors and without the consent or direction of any other Notes Claimholders.

~~(f) ABL Agent, with respect to the Notes Priority Collateral, on behalf of the ABL Claimholders, hereby irrevocably constitutes and appoints Notes Agent with respect to such Notes Priority Collateral and any officer or agent of Notes Agent, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of ABL Agent or in ABL Agent's own name, from time to time in Notes Agent's discretion exercised in good faith, for the purpose of carrying out the terms of this Section 5.1, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary to accomplish the purposes of this Section 5.1, including any endorsements or other instruments of transfer or release.~~

(f) [reserved.]

(g) Notes Agent, with respect to the ABL Priority Collateral, on behalf of the Notes Claimholders, hereby irrevocably constitutes and appoints ABL Agent with respect to such ABL Priority Collateral and any officer or agent of ABL Agent, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of Notes Agent or in Notes Agent's own name, from time to time in ABL Agent's discretion exercised in good faith, for the purpose of carrying out the terms of this Section 5.1, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary to accomplish the purposes of this Section 5.1, including any endorsements or other instruments of transfer or release.

5.2 Insurance.

(a) Unless and until ABL Agent has provided written notice to Notes Agent that the Discharge of ABL Obligations has occurred: (i) ABL Agent and the other ABL Claimholders shall have the sole and exclusive right, subject to the rights of Grantors under the ABL Loan Documents, to adjust and settle any claim under any insurance policy covering the ABL Priority Collateral in the event of any loss thereunder and to approve any award granted in any condemnation or similar proceeding (or any deed in lieu of condemnation) affecting the ABL Priority Collateral; and (ii) all proceeds of any such insurance policy and any such award (or any payments with respect to a deed in lieu of condemnation) if in respect of ABL Priority Collateral, shall be paid, subject to the rights of Grantors under the ABL Loan Documents, first, to the ABL Claimholders, until the Discharge of ABL Obligations, second, to the Notes Claimholders, until the Discharge of Notes Obligations, and third, to the owner of the subject property, such other person as may be entitled thereto, or as a court of competent jurisdiction may otherwise direct. If Notes Agent or any other Notes Claimholders shall at any time receive any proceeds of any such insurance policy or award in contravention of this Agreement, it shall hold such proceeds in trust and upon written request pay over such proceeds to ABL Agent.

(b) Unless and until Notes Agent has provided written notice to ABL Agent that the Discharge of Notes Obligations has occurred: (i) Notes Agent and the other Notes Claimholders shall have the sole and exclusive right, subject to the rights of Grantors under the Notes Documents and the Other Pari Passu Lien Obligations Agreement, to adjust and settle any claim under any insurance policy covering the Notes Priority Collateral in the event of any loss thereunder and to approve any award granted in any condemnation or similar proceeding (or any deed in lieu of condemnation) affecting the Notes Priority Collateral; and (ii) all proceeds of any such insurance policy and any such award (or any payments with respect to a deed in lieu of condemnation) if in respect of Notes Priority Collateral, shall be paid, subject to the rights of Grantors under the Notes Documents and the Other Pari Passu Lien Obligations Agreement.

~~first, to the Notes Claimholders, until the Discharge of Notes Obligations, and second, to the ABL Claimholders, until the Discharge of ABL Obligations, and third, to~~ the owner of the subject property, such other person as may be entitled thereto, or as a court of competent jurisdiction may otherwise direct. If ABL Agent or any other ABL Claimholders shall at any time receive any proceeds of any such insurance policy or award in contravention of this Agreement, it shall hold such proceeds in trust and upon request pay over such proceeds to Notes Agent.

In the event that any proceeds are derived from any insurance policy that covers ABL Priority Collateral and Notes Priority Collateral, ABL Agent and Notes Agent will work jointly and in good faith to collect, adjust or settle (subject to the rights of the Grantors under the ABL Loan Documents ~~and~~ the Notes Documents and the Other Pari Passu Lien Obligations Agreement) any claim under the relevant insurance policy.

Notwithstanding anything contained in this Agreement to the contrary, in the event that any proceeds are derived from any insurance policy that covers ABL Priority Collateral and Notes Priority Collateral where the allocation of proceeds is not stipulated between ABL Priority Collateral and Notes Priority Collateral, then the allocation of proceeds of such insurance policy to the ABL Priority Collateral shall be based upon, in the case of (A) any ABL Priority Collateral consisting of inventory, book value as assessed on the date of such loss, (B) any ABL Priority Collateral consisting of accounts receivable, the face amount thereof and (C) all other ABL Priority Collateral and Notes Priority Collateral, the fair market value of such ABL Priority Collateral and Notes Priority Collateral, as determined by Grantors in their reasonable judgment or, if the aggregate amount of such other ABL Priority Collateral and Notes Priority Collateral sold is greater than \$~~20,000,000~~35,000,000, an independent appraiser.

(c) To effectuate the foregoing, Grantors shall provide ABL Agent and Notes Agent with separate lender's loss payable endorsements naming ~~themselves~~such Agents as loss payee and additional insured, as their interests may appear, with respect to policies which insure Collateral hereunder.

5.3 Amendments; Refinancings; Legend.

(a) The ABL Loan Documents may be amended, restated, supplemented, or otherwise modified in accordance with their terms and the ABL Obligations may be Refinanced in accordance with the terms of the ABL Loan Documents, in each case without notice to, or the consent of, Notes Agent or any other Notes Claimholders, all without affecting the lien subordination or other provisions of this Agreement; provided, however, that, in the case of a Refinancing secured by any Collateral, the holders of such Refinancing debt (or an authorized representative on their behalf) bind themselves (in a writing addressed to Notes Agent for the benefit of itself and the other Notes Claimholders in a form reasonably acceptable to Notes Agent) to the terms of this Agreement; provided further, however, that any such amendment, restatement, supplement, modification, or Refinancing shall not result in a Notes Default under the Indenture; provided further, however, that, if such Refinancing debt is secured by a Lien on any Collateral the holders of such Refinancing debt shall be deemed bound by the terms hereof regardless of whether or not such writing is provided. For the avoidance of doubt, the sale or other transfer of indebtedness is not restricted by this Agreement but the provisions of this Agreement shall be binding on all holders of ABL Obligations and Notes Obligations.

(b) ~~The~~Each of the Notes Documents and the Other Pari Passu Lien Obligations Agreement may be amended, restated, supplemented, or otherwise modified in accordance with their terms and the Notes Obligations may be Refinanced in accordance with the terms of the Notes Documents and the Other Pari Passu Lien Obligations Agreement, as applicable, in each case without notice to, or the consent of, ABL Agent or any other ABL Claimholders, all without affecting the lien subordination or other provisions of this Agreement; provided, however, that, in the case of a Refinancing secured by any Collateral, the holders of such Refinancing debt (or an authorized representative on their behalf) bind themselves (in a writing addressed to ABL Agent for the benefit of itself and the other ABL Claimholders in a form reasonably acceptable to ABL Agent) to the terms of this Agreement; provided further, however, that any such amendment, restatement, supplement, modification, or Refinancing shall not, without the prior written consent of ABL Agent, result in an ABL Default under the ABL Credit Agreement; provided further, however, that, if such Refinancing debt is secured by a Lien on any Collateral the holders of such Refinancing debt shall be deemed bound by the terms hereof regardless of whether or not such writing is provided. For the avoidance of doubt, the sale or other transfer of indebtedness is not restricted by this Agreement but the provisions of this Agreement shall be binding on all holders of ABL Obligations and Notes Obligations.

(c) So long as the Discharge of ABL Obligations has not occurred, Notes Agent agrees that each Notes Collateral Document entered into after the date hereof shall include the following language (or similar language acceptable to ABL Agent):

“Anything herein to the contrary notwithstanding, the liens and security interests granted to ~~UMB Bank, N.A.~~Wilmington Trust, National Association, as Collateral Agent under the Indenture, pursuant to this Agreement and the exercise of any right or remedy by ~~UMB Bank, N.A.~~Wilmington Trust, National Association, as Collateral Agent hereunder, are subject to the provisions of the Intercreditor Agreement dated as of August 7, 2013, (as amended by that certain First Amendment dated as of April 25, 2018 and as further amended, restated, supplemented, or otherwise modified from time to time, the “Intercreditor Agreement”), by and between Wells Fargo Capital Finance, ~~Inc.~~LLC, as ABL Agent, and ~~UMB Bank, N.A.~~Wilmington Trust, National Association, as Notes Agent. In the event of any conflict between the terms of the Intercreditor Agreement and this Agreement, the terms of the Intercreditor Agreement shall govern and control.”~~

5.4 Bailee for Perfection.

(a) ABL Agent and Notes Agent each agree to hold or control that part of the Collateral that is in its possession or control (or in the possession or control of its agents or bailees), to the extent that possession or control thereof is taken to perfect a Lien thereon under the UCC or other applicable law (such Collateral being referred to as the “**Pledged Collateral**”), as gratuitous bailee and as a non-fiduciary agent for the benefit of and on behalf of Notes Agent or ABL Agent, as applicable (such bailment and agency being intended, among other things, to satisfy the requirements of possession or control under Sections 8-301(a)(2), 9-313(c), 9-104, 9-105, 9-106, and 9-107 of the UCC), solely for the purpose of perfecting the security interest granted under the Notes Collateral Documents or the ABL Loan Documents, as applicable, subject to the terms and conditions of this Section 5.4. Notes Agent and the other Notes Claimholders hereby appoint ABL Agent as their gratuitous bailee for the purposes of perfecting their security interest in all Pledged Collateral in which ABL Agent has a perfected security interest under the UCC. ABL Agent and the other ABL Claimholders hereby appoint Notes Agent as their gratuitous bailee for the purposes of perfecting their security interest in all Pledged Collateral in which Notes Agent has a perfected security interest under the UCC. Unless and until the Discharge of Notes Obligations, ABL Agent agrees to promptly notify Notes Agent of any Pledged Collateral constituting Notes Priority Collateral held by it or known by it to be held by any other ABL Claimholders, and, ~~immediately~~promptly upon the request of Notes Agent in writing at any time prior to the Discharge of Notes Obligations, ABL Agent agrees to deliver to Notes Agent any such Pledged Collateral held by it or by any other ABL Claimholders, together with any necessary endorsements (or otherwise allow Notes Agent to obtain control of such Pledged Collateral). Unless and until the Discharge of ABL Obligations, Notes Agent agrees to promptly notify ABL Agent of any Pledged Collateral constituting ABL Priority Collateral held by it or known by it to be held by any other Notes Claimholders, and, ~~immediately~~promptly upon the request of ABL Agent in writing at any time prior to the Discharge of ABL Obligations, Notes Agent agrees to deliver to ABL Agent any such Pledged Collateral held by it or by any other

Notes Claimholders, together with any necessary endorsements (or otherwise allow ABL Agent to obtain control of such Pledged Collateral). ABL Agent hereby agrees that upon the Discharge of ABL Obligations, ~~upon the written request of Notes Agent,~~ to the extent that the applicable control agreement is in full force and effect and has not been terminated, ABL Agent shall continue to act as such a gratuitous bailee and non-fiduciary agent for Notes Agent (solely for the purpose of perfecting the security interest granted under the Notes Collateral Documents and at the expense of Grantors) with respect to the deposit account or securities account that is the subject of such control agreement, until the earlier to occur of (x) 30 days after the date when the Discharge of ABL Obligations has occurred, and (y) the date when a control agreement is executed in favor of Notes Agent with respect to such deposit account or securities account.

The duties or responsibilities of ABL Agent under this Section 5.4 shall be limited solely to holding or controlling the Pledged Collateral as a gratuitous bailee and a non-fiduciary agent in accordance with this Section 5.4 and delivering the Pledged Collateral upon a Discharge of ABL Obligations as provided in paragraph (d) of this Section 5.4. The duties or responsibilities of Notes Agent under this Section 5.4 shall be limited solely to holding or controlling the Pledged Collateral as a gratuitous bailee and a non-fiduciary agent in accordance with this Section 5.4 and delivering the Pledged Collateral upon a Discharge of Notes Obligations as provided in paragraph (~~ed~~) of this Section 5.4.

(d) ABL Agent shall transfer to Notes Agent (i) any proceeds of any ABL Priority Collateral in which Notes Agent continues to hold a security interest remaining following any sale, transfer or other disposition of such ABL Priority Collateral (in each case, unless Notes Agent's Lien on all such ABL Priority Collateral is terminated and released prior to or concurrently with such sale, transfer, disposition, payment or satisfaction and does not continue on the proceeds of such ABL Priority Collateral under Section 5.1), following the Discharge of ABL Obligations, or (ii) if ABL Agent is in possession of all or any part of such ABL Priority Collateral after the Discharge of ABL Obligations, such ABL Priority Collateral or any part thereof remaining, in each case without representation or warranty on the part of ABL Agent or any other ABL Claimholder. Pledged Collateral remain outstanding as confirmed in writing by Notes Agent (so as to allow such person to obtain possession or control of such Pledged Collateral), ABL Agent shall deliver the remaining Pledged Collateral (if any) together with any necessary endorsements to Company. Without limiting the foregoing, Notes Agent agrees for itself and each other Notes Claimholder that neither ABL Agent nor any other ABL Claimholder will have any duty or obligation first to marshal or realize upon the ABL Priority Collateral, or to sell, dispose of or otherwise liquidate all or any portion of the ABL Priority Collateral, in any manner that would maximize the return to the Notes Claimholders, notwithstanding that the order and timing of any such realization, sale, disposition or liquidation may affect the amount of proceeds actually received by the Notes Claimholders from such realization, sale, disposition or liquidation.

To the extent no ABL Obligations that are secured by such Pledged Collateral remain outstanding as confirmed in writing by ABL Agent (so as to allow such person to obtain possession or control of such Pledged Collateral), Notes Agent shall deliver the remaining Pledged Collateral (if any) together with any necessary endorsements to Company. Without limiting the foregoing, ABL Agent agrees for itself and each other ABL Claimholder that neither Notes Agent nor any other Notes Claimholder will have any duty or obligation first to marshal or realize upon the Notes Priority Collateral, or to sell, dispose of or otherwise liquidate all or any portion of the Notes Priority Collateral, in any manner that would maximize the return to the ABL Claimholders, notwithstanding that the order and timing of any such realization, sale, disposition or liquidation may affect the amount of proceeds actually received by the ABL Claimholders from such realization, sale, disposition or liquidation.~~

5.5 When Discharge of Obligations Deemed to Not Have Occurred.

(a) If the Grantors enter into any Refinancing of the ABL Obligations that is intended to be secured by the ABL Priority Collateral on a first-priority basis, then a Discharge of ABL Obligations shall be deemed not to have occurred for all purposes of this Agreement, and the obligations under such Refinancing of such ABL Obligations shall be treated as ABL Obligations for all purposes of this Agreement, including for purposes of the Lien priorities and rights in respect of Collateral set forth herein, and ABL Agent under the ABL Loan Documents effecting such Refinancing shall be ABL Agent for all purposes of this Agreement. ABL Agent under such ABL Loan Documents shall agree (in a writing addressed to Notes Agent for the benefit of itself and the other Notes Claimholders) to be bound by the terms of this Agreement.

(b) If the Grantors enter into any Refinancing of the Notes Obligations that is intended to be secured by the Notes Priority Collateral on a first-priority basis, then a Discharge of Notes Obligations shall be deemed not to have occurred for all purposes of this Agreement, and the obligations under such Refinancing of such Notes Obligations shall be treated as Notes Obligations for all purposes of this Agreement, including for purposes of the Lien priorities and rights in respect of Collateral set forth herein, and the lender or group of lenders or any of their designees under the Notes Documents effecting such Refinancing shall be Notes Agent for all purposes of this Agreement. The lender or group of lenders or any of their designees under such Notes Documents shall agree (in a writing addressed to ABL Agent for the benefit of itself and the other ABL Claimholders) to be bound by the terms of this Agreement.

5.6 Injunctive Relief. Should any Claimholder in any way take, attempt to take, or threaten to take any action contrary to terms of this Agreement with respect to the Collateral, or fail to take any action required by this Agreement, Notes Agent, ABL Agent or any other Claimholder may obtain relief against such Claimholder by injunction, specific performance, or other appropriate equitable relief, it being understood and agreed by each of ABL Agent, Notes Agent and each Claimholder that (a) non-breaching Claimholders' damages from such actions may at that time be difficult to ascertain and may be irreparable, and (b) each Claimholder waives any defense that such Claimholders cannot demonstrate damage and/or be made whole by the awarding of damages. ABL Agent, Notes Agent and each Claimholder hereby irrevocably waive any defense based on the adequacy of a remedy at law and any other defense which might be asserted to bar the remedy of specific performance in any action which may be brought by ABL Agent or any other ABL Claimholders or Notes Agent or any other Notes Claimholders, as the case may be.

SECTION 6. Insolvency Proceedings.

6.1 Enforceability and Continuing Priority. This Agreement shall be applicable both before and after the commencement of any Insolvency Proceeding and all converted or succeeding cases in respect thereof. The relative rights of Claimholders in or to any distributions from or in respect of any Collateral or proceeds of Collateral shall continue after the commencement of any Insolvency Proceeding. Accordingly, the provisions of this Agreement (including the provisions of Section 2.1 hereof) are intended to be and shall be enforceable as a subordination agreement within the meaning of Section 510(a) of the Bankruptcy Code.

6.2 Financing.

(a) Until the Discharge of ABL Obligations, if any Grantor shall be subject to any Insolvency Proceeding and ABL Agent consents to the use of cash collateral (as such term is defined in Section 363(a) of the Bankruptcy Code) constituting ABL Priority Collateral (herein, "**ABL Cash Collateral**"), or to permit any Grantor to obtain financing provided by any one or more ABL Claimholders under Section 364 of the Bankruptcy Code or any similar Bankruptcy Law secured by a Lien on such ABL Priority Collateral that is (i) senior or pari passu with the Liens on the ABL Priority Collateral securing the ABL Obligations and (ii) junior to the Liens on the Notes Priority Collateral securing the Notes Obligations (such financing, an "**ABL DIP Financing**"), and if the Grantors desire to obtain authorization from the Bankruptcy Court to use such ABL Cash Collateral or to obtain such ABL DIP Financing, then Notes Agent agrees that it

will consent (and will be deemed to have consented) to, will raise no objection to, nor support any other person objecting to, the use of such ABL Cash Collateral or such ABL DIP Financing (including, except as set forth in clause (e3) below, any objection based on an assertion that the Notes Claimholders are entitled to adequate protection of their interest in the Collateral as a condition thereto), and Notes Agent will subordinate its Liens in the ABL Priority Collateral to the Liens securing such ABL DIP Financing, to the extent any Liens securing the ABL Obligations are discharged, subordinated to, or made pari passu with any new Liens securing such ABL DIP Financing and to any replacement or additional Liens granted as adequate protection of the interests of the ABL Claimholders in the Collateral (“**ABL Adequate Protection Lien**”), in each case to the extent consistent with the other provisions of this Agreement; provided that (a1) Notes Agent retains its Lien on the Collateral existing as of the date of the commencement of the Insolvency Proceeding to secure the Notes Obligations (in each case, including proceeds thereof arising after the commencement of the Insolvency Proceeding) and, as to the Notes Priority Collateral only, such Lien has the same priority as existed prior to the commencement of the Insolvency Proceeding and any Lien on the Notes Priority Collateral securing such ABL DIP Financing and any ABL Adequate Protection Lien on the Notes Priority Collateral (and all obligations relating thereto, including any “carve-out” in favor of fees and expenses of professionals retained by any debtor or creditors’ committee as agreed to by ABL Agent and the other ABL Claimholders with respect to ABL Priority Collateral) is junior and subordinate to the Lien of Notes Agent on the Notes Priority Collateral, (b2) all Liens on ABL Priority Collateral securing any such ABL DIP Financing shall be senior to or made pari passu with the Liens of ABL Agent and the other ABL Claimholders securing the ABL Obligations on ABL Priority Collateral, (e3) to the extent that ABL Agent is granted an ABL Adequate Protection Lien on Collateral arising after the commencement of the Insolvency Proceeding or additional payments or claims, the Notes Claimholders shall be entitled to seek a Lien on such additional Collateral with the relative priority set forth in Section 2.1 (and no ABL Agent or other ABL Claimholder shall oppose any motion by any Notes Claimholder with respect to the granting of such a Lien), and (d4) the terms of such ABL DIP Financing or ABL Cash Collateral order do not either require such Notes Claimholders to extend additional credit pursuant to such ABL DIP Financing or authorize the use of cash collateral consisting of Notes Priority Collateral. The ABL Claimholders agree not to offer to provide any ABL DIP Financing that does not meet the requirements set forth in clauses (a1) through (b4) above. If ABL Claimholders offer to provide ABL DIP Financing that meets the requirements set forth in clauses (a1) through (d4) above in this paragraph, and if the Grantors desire to obtain authorization from the Bankruptcy Court to obtain such ABL DIP Financing, Notes Agent agrees, on behalf of itself and the other Notes Claimholders, that no Notes Claimholder shall, directly or indirectly, provide, offer to provide, or support any financing competing with the ABL DIP Financing to be secured by a Lien on the ABL Priority Collateral that is senior to or pari passu with the Liens on the ABL Priority Collateral securing the ABL Obligations. The foregoing provisions of this Section 6.2(a) shall not prevent Notes Agent from objecting to any provision in any ABL Cash Collateral order or ABL DIP Financing documentation relating to any provision or content of a plan of reorganization. ABL Agent, on behalf of itself and the other ABL Claimholders, agrees that no such Person shall provide to such Grantor any financing under Section 364 of the Bankruptcy Code to the extent that ABL Agent or any other ABL Claimholder would, in connection with such financing, be granted a Lien on the Notes Priority Collateral senior to or pari passu with any Liens of Notes Agent. If, in connection with any ABL

Cash Collateral use or ABL DIP Financing, any Liens on the ABL Priority Collateral held by ABL Claimholders are subject to a surcharge or are subordinated to an administrative priority claim, a professional fee “carve out,” or fees owed to the United State Trustee, then the Liens on the ABL Priority Collateral of Notes Claimholders shall also be subordinated to such interest or claim and shall remain subordinated to the Liens on the ABL Priority Collateral of ABL Claimholders consistent with this Agreement.

(b) Until the Discharge of Notes Obligations, if any Grantor shall be subject to any Insolvency Proceeding and Notes Agent consents to the use of cash collateral (as such term is defined in Section 363(a) of the Bankruptcy Code) constituting Notes Priority Collateral (herein, “**Notes Cash Collateral**”), or to permit any Grantor to obtain financing provided by any one or more Notes Claimholders under Section 364 of the Bankruptcy Code or any similar Bankruptcy Law secured by a Lien on such Notes Priority Collateral that is (i) senior or pari passu with the Liens on the Notes Priority Collateral securing the Notes Obligations and (ii) junior to the Liens on the ABL Priority Collateral securing the ABL Obligations (such financing, a “**Notes DIP Financing**”), and if the Grantors desire to obtain authorization from the Bankruptcy Court to use such Notes Cash Collateral or to obtain such Notes DIP Financing, then ABL Agent agrees that it will consent (and will be deemed to have consented) to, will raise no objection to, nor support any other person objecting to, the use of such Notes Cash Collateral or such Notes DIP Financing (including, ~~except as set forth in clause (c) below~~; any objection based on an assertion that the ABL Claimholders are entitled to adequate protection of their interest in the Collateral as a condition thereto), and ABL Agent will subordinate its Liens, if any, in the Notes Priority Collateral to the Liens securing such Notes DIP Financing, to the extent any Liens securing the Notes Obligations are discharged, subordinated to, or made pari passu with any new Liens securing such Notes DIP Financing and to any replacement or additional Liens granted as adequate protection of the interests of the Notes Claimholders in the Collateral (“**Notes Adequate Protection Lien**”), in each case to the extent consistent with the other provisions of this Agreement; provided that (a) ABL Agent retains its Lien on the Collateral existing as of the date of the commencement of the Insolvency Proceeding to secure the ABL Obligations (in each case, including proceeds thereof arising after the commencement of the Insolvency Proceeding) and, as to the ABL Priority Collateral only, such Lien has the same priority as existed prior to the commencement of the Insolvency Proceeding and any Lien on the ABL Priority Collateral securing such Notes DIP Financing and any Notes Adequate Protection Lien on the ABL Priority Collateral (and all obligations relating thereto, including any “carve-out” in favor of fees and expenses of professionals retained by any debtor or creditors’ committee as agreed to by Notes Agent and the other Notes Claimholders with respect to Notes Priority Collateral) is junior and subordinate to the Lien of ABL Agent on the ABL Priority Collateral, (b) all Liens on Notes Priority Collateral securing any such Notes DIP Financing shall be senior to or made pari passu with the Liens of Notes Agent and the other Notes Claimholders securing the Notes Obligations on Notes Priority Collateral, ~~(c) to the extent that Notes Agent is granted an Notes Adequate Protection Lien on Collateral arising after the commencement of the Insolvency Proceeding or additional payments or claims, the ABL Claimholders shall be entitled to seek a Lien on such additional Collateral with the relative priority set forth in Section 2.1 (and no Notes Agent or Notes Claimholder shall oppose any motion by any ABL Claimholder with respect to the granting of such a Lien)~~; and (d) the terms of such Notes DIP Financing or Notes Cash Collateral order do not either require such ABL Claimholders to extend additional credit pursuant to such Notes DIP Financing or authorize

the use of cash collateral consisting of ABL Priority Collateral. The Notes Claimholders agree not to offer to provide any Notes DIP Financing that does not meet the requirements set forth in clauses (a1) through (d3) above. If Notes Claimholders offer to provide Notes DIP Financing that meets the requirements set forth in clauses (a1) through (d3) above in this paragraph, and if the Grantors desire to obtain authorization from the Bankruptcy Court to obtain such Notes DIP Financing, ABL Agent agrees, on behalf of itself and the other ABL Claimholders, that no ABL Claimholder shall, directly or indirectly, provide, offer to provide, or support any financing competing with the Notes DIP Financing to be secured by a Lien on the Notes Priority Collateral that is senior to or pari passu with the Liens on the Notes Priority Collateral securing the Notes Obligations. The foregoing provisions of this Section 6.2(b) shall not prevent ABL Agent from objecting to any provision in any Notes Cash Collateral order or Notes DIP Financing documentation relating to any provision or content of a plan of reorganization. Notes Agent, on behalf of itself and the other Notes Claimholders, agrees that no such Person shall provide to such Grantor any financing under Section 364 of the Bankruptcy Code to the extent that Notes Agent or any other Notes Claimholder would, in connection with such financing, be granted a Lien on the ABL Priority Collateral senior to or pari passu with any Liens of ABL Agent. If, in connection with any Notes Cash Collateral use or Notes DIP Financing, any Liens on the Notes Priority Collateral held by Notes Claimholders are subject to a surcharge or are subordinated to an administrative priority claim, a professional fee “carve out,” or fees owed to the United State Trustee, then the Liens on the Notes Priority Collateral of ABL Claimholders shall also be subordinated to such interest or claim and shall remain subordinated to the Liens on the Notes Priority Collateral of Notes Claimholders consistent with this Agreement.

(c) All Liens granted to ABL Agent or Notes Agent in any Insolvency Proceeding, whether as adequate protection or otherwise, are intended by the parties to be and shall be deemed to be subject to the Lien priorities in Section 2.1 and the other terms and conditions of this Agreement.

6.3 Sales. Subject to Sections 3.4(a) and 3.8, each of Notes Agent and ABL Agent agrees that it will consent, and will not object or oppose, or support any party in opposing, a motion to Dispose of any Priority Collateral of the other Agent free and clear of any Liens or other claims under Section 363 or any other provision of the Bankruptcy Code if, in the case of ABL Priority Collateral, the requisite ABL Claimholders under the ABL Credit Agreement and ABL Agent have consented to such Disposition of such ABL Priority Collateral, or, in the case of Notes Priority Collateral, Notes Claimholders under the Indenture and Notes Agent have consented to such Disposition of such Notes Priority Collateral, such motion does not impair, subject to the priorities set forth in this Agreement, the rights of such party under Section 363(k) of the Bankruptcy Code (so long as the right of any Notes Claimholder to offset its claim against the purchase price for any ABL Priority Collateral exists only after the ABL Obligations have been paid in full in cash, and so long as the right of any ABL Claimholder to offset its claim against the purchase price for any Notes Priority Collateral exists only after the Notes Obligations have been paid in full in cash), and the terms of any proposed order approving such transaction provide for the respective Liens to attach to the proceeds of the Priority Collateral that is the subject of such Disposition, subject to the Lien priorities in Section 2.1 and the other terms and conditions of this Agreement. Each of Notes Agent and ABL Agent further agrees that it will not oppose, or support any party in opposing, the right of the other party to credit bid under Section 363(k) of the Bankruptcy Code, subject to the provision of the immediately preceding sentence.

6.4 Relief from the Automatic Stay.

(a) Until the Discharge of ABL Obligations has occurred, Notes Agent agrees not to seek (or support any other person seeking) relief from the automatic stay or any other stay in any Insolvency Proceeding in respect of the ABL Priority Collateral, without the prior written consent of ABL Agent, unless (x) ABL Agent already has filed a motion (which remains pending) for such relief with respect to its interest in such Collateral and (y) a corresponding motion, in the reasonable judgment of Notes Agent, should be filed for the purpose of preserving such Agent's ability to receive residual distributions pursuant to Section 4.1, although Notes Agent and the other Notes Claimholders shall otherwise remain subject to the applicable restrictions in Section 3.1 following the granting of any such relief from the automatic stay.

(b) Until the Discharge of Notes Obligations has occurred and without implying that the ABL Claimholders have a Lien on the Notes Priority Collateral, ABL Agent agrees not to seek (or support any other person seeking) relief from the automatic stay or any other stay in any Insolvency Proceeding in respect of the Notes Priority Collateral, without the prior written consent of Notes Agent, unless (x) Notes Agent already has filed a motion (which remains pending) for such relief with respect to its interest, if any, in such Collateral and (y) a corresponding motion, in the reasonable judgment of ABL Agent, should be filed for the purpose of preserving such Agent's ability to receive residual distributions, if any, pursuant to Section 4.1, although ABL Agent and the other ABL Claimholders shall otherwise remain subject to the applicable restrictions in Section 3.2 following the granting of any such relief from the automatic stay.

6.5 Adequate Protection.

(a) In any Insolvency Proceeding involving a Grantor, each of ABL Agent, each other ABL Claimholder, Notes Agent and each other Notes Claimholder agrees that it will not oppose or contest (or support any other person opposing or contesting) (and instead shall be deemed to have hereby irrevocably, absolutely and unconditionally waived any right to do so): (i) any request by Notes Agent or any other Notes Claimholder, with respect to the Notes Priority Collateral prior to the Discharge of Notes Obligations, or any request by ABL Agent or any other ABL Claimholder, with respect to the ABL Priority Collateral prior to the Discharge of ABL Obligations, in each case, for adequate protection for the application of proceeds of ABL Priority Collateral to the ABL Obligations, or the proceeds of Notes Priority Collateral to the Notes Obligations, as applicable, and, with respect to Liens on the ABL Priority Collateral or the Notes Priority Collateral, as applicable, for replacement or additional Liens on post-petition assets of the same type as the ABL Priority Collateral or the Notes Priority Collateral, as applicable, or (ii) as applicable, (A) any (1) objection by ABL Agent or the other ABL Claimholders to any motion, relief, action or proceeding based on ABL Agent or the other ABL Claimholders claiming a lack of adequate protection with respect to their Liens in the ABL Priority Collateral, or (2) request by ABL Agent or the other ABL Claimholders for relief from the automatic stay with respect to the ABL Priority Collateral, or (B) any (1) objection by Notes Agent or the other Notes Claimholders to any motion, relief, action or proceeding based on Notes Agent or the

other Notes Claimholders claiming a lack of adequate protection with respect to their Liens in the Notes Priority Collateral or (2) request by Notes Agent or the other Notes Claimholders for relief from the automatic stay with respect to the Notes Priority Collateral; provided, however, that (x) ABL Agent and the other ABL Claimholders may object to any request for adequate protection that would result in any adequate protection payments to Notes Agent or other Notes Claimholders being made with any ABL Priority Collateral, or with any advances made pursuant to any ABL DIP Financing prior to the Discharge of ABL Obligations and (y) Notes Agent and other Notes Claimholders may object to any request for adequate protection that would result in any adequate protection payments to ABL Agent or other ABL Claimholders being made with any Notes Priority Collateral, or with any advances made pursuant to any Notes DIP Financing prior to the Discharge of Notes Obligations. ~~If ABL Agent, for itself and on behalf of the other ABL Claimholders, seeks or requires (or is otherwise granted) adequate protection of its junior interest in the Notes Priority Collateral in the form of a replacement or additional Lien on the post-petition assets of the same type as the Notes Priority Collateral, then ABL Agent, for itself and the other ABL Claimholders, agrees that Notes Agent shall also be granted a replacement or additional Lien on such post-petition assets as adequate protection of its senior interest in the Notes Priority Collateral and that ABL Agent's replacement or additional Lien shall be subordinated to the replacement or additional Lien of Notes Agent on the same basis as the Liens of ABL Agent on the Notes Priority Collateral are subordinated to the Liens of Notes Agent on the Notes Priority Collateral under this Agreement; in that regard,~~ ABL Agent, for itself and the other ABL Claimholders, further agrees that it will not accept any such replacement or additional Liens on such post-petition assets of the same type as the Notes Priority Collateral unless Notes Agent shall also have received a replacement or additional Lien thereon as adequate protection of its senior interest in the Notes Priority Collateral that is superior to the additional or replacement Liens so granted to ABL Agent. If Notes Agent, for itself and on behalf of the other Notes Claimholders, seeks or requires (or is otherwise granted) adequate protection of its junior interest in the ABL Priority Collateral in the form of a replacement or additional Lien on the post-petition assets of the same type as the ABL Priority Collateral, then Notes Agent, for itself and the other Notes Claimholders, agrees that ABL Agent shall also be granted a replacement or additional Lien on such post-petition assets as adequate protection of its senior interest in the ABL Priority Collateral and that Notes Agent's replacement or additional Lien shall be subordinated to the replacement or additional Lien of ABL Agent on the same basis as the Liens of Notes Agent on the ABL Priority Collateral are subordinated to the Liens of ABL Agent on the ABL Priority Collateral under this Agreement; in that regard, Notes Agent, for itself and the other Notes Claimholders, further agrees that it will not accept any such replacement or additional Liens on such post-petition assets of the same type as the ABL Priority Collateral unless ABL Agent shall also have received a replacement or additional Lien thereon as adequate protection of its senior interest in the ABL Priority Collateral that is superior to the additional or replacement Liens so granted to Notes Agent. ABL Agent may object to any request of adequate protection that would result in such adequate protection being made with a Lien on ABL Priority Collateral senior to the Lien of ABL Agent. Notes Agent may object to any request of adequate protection that would result in such adequate protection being made with a Lien on Notes Priority Collateral senior to the Lien of Notes Agent.

(b) Subject to Sections 6.2 and 6.5(a), and other provisions hereof, in any Insolvency Proceeding involving a Grantor, (i) Notes Agent and the other Notes Claimholders may seek, without objection from ABL Claimholders, adequate protection with respect to their rights in the Notes Priority Collateral, and (ii) ABL Agent and the other ABL Claimholders may seek, without objection from Notes Claimholders, adequate protection with respect to their rights in the ABL Priority Collateral; provided that if any of Notes Agent, the Notes Claimholders, ABL Agent or the ABL Claimholders are granted adequate protection in the form of a replacement or additional Lien (on existing or future assets of Grantors), claim, payment or otherwise, such replacement or additional Lien or other adequate protection shall be subject to the terms of this Agreement.

(c) Neither Notes Agent nor any other Notes Claimholder shall object to, oppose, or challenge any claim or order by ABL Agent or any other ABL Claimholder for allowance or payment, including, without limitation, current payment, in any Insolvency Proceeding of ABL Obligations consisting of post-petition interest, fees, or expenses with the ABL Priority Collateral (so long as any post-petition interest paid as a result thereof is not paid from the proceeds of Notes Priority Collateral) or with any advances made pursuant to any ABL DIP Financing or for relief through the automatic stay with respect to the ABL Priority Collateral.

(d) Neither ABL Agent nor any other ABL Claimholder shall object to, oppose, or challenge any claim or order by Notes Agent or any other Notes Claimholder for allowance or payment, including, without limitation, current payment, in any Insolvency Proceeding of Notes Obligations consisting of post-petition interest, fees, or expenses with the Notes Priority Collateral (so long as any post-petition interest paid as a result thereof is not paid from the proceeds of ABL Priority Collateral) or with any advances made pursuant to any Notes DIP Financing or for relief through the automatic stay with respect to the Notes Priority Collateral.

(e) Notes Agent, for itself and on behalf of the other Notes Claimholders, may seek adequate protection of its junior interest in the ABL Priority Collateral, subject to the provisions of this Agreement (including Section 6.5(a) above); provided that (x) ABL Agent is granted adequate protection in the form of a senior replacement or additional Lien on post-petition assets of the same type as the ABL Priority Collateral and (y) such adequate protection required by Notes Agent is in the form of a junior replacement or additional Lien on post-petition assets of the same type as the ABL Priority Collateral.

(f) Nothing in this Agreement shall prohibit or restrict ABL Agent, for itself and on behalf of the other ABL Claimholders, ~~may seek adequate protection of its junior interest in the Notes Priority Collateral, subject to the provisions of this Agreement (including Section 6.5(a) above); provided that (x) Notes Agent is granted~~from seeking and retaining adequate protection in the form of a ~~senior replacement or junior priority~~ additional Lien on ~~post-petition assets of the same type as the~~any Notes Priority Collateral ~~and (y) such adequate protection required by ABL Agent is in the form of a junior replacement or additional Lien~~or on post-petition assets of the same type as the Notes Priority Collateral.

(g) Neither Notes Agent nor any other Notes Claimholder shall object to, oppose, or challenge any claim by ABL Agent or any other ABL Claimholder for allowance in any Insolvency Proceeding of ABL Obligations consisting of post-petition interest, fees, or expenses.

(h) Neither ABL Agent nor any other ABL Claimholder shall object to, oppose, or challenge any claim by Notes Agent or any other Notes Claimholder for allowance in any Insolvency Proceeding of Notes Obligations consisting of post-petition interest, fees, or expenses.

6.6 Section 1111(b) of the Bankruptcy Code.

(a) Notes Agent, for itself and on behalf of the other Notes Claimholders,

shall not object to, oppose, support any objection to, or take any other action to impede, the right of any ABL Claimholder to make an election under Section 1111(b)(2) of the Bankruptcy Code. Notes Agent, for itself and on behalf of the other Notes Claimholders, waives any claim they may hereafter have against any ABL Claimholder arising out of the election by any ABL Claimholder of the application of Section 1111(b)(2) of the Bankruptcy Code and Section 364 of the Bankruptcy Code.

(b) ABL Agent, for itself and on behalf of the other ABL Claimholders, shall not object to, oppose, support any objection to, or take any other action to impede, the right of any Notes Claimholder to make an election under Section 1111(b)(2) of the Bankruptcy Code. ABL Agent, for itself and on behalf of the other ABL Claimholders, waives any claim they may hereafter have against any Notes Claimholder arising out of the election by any Notes Claimholder of the application of Section 1111(b)(2) of the Bankruptcy Code and Section 364 of the Bankruptcy Code.

6.7 No Waiver. Except as set forth in this Agreement, nothing contained herein shall prohibit or in any way limit any Agent or any Claimholder from objecting in any Insolvency Proceeding involving a Grantor to any action taken by the other Agent or any other Claimholders, including the seeking by the other Agent or any other Claimholder of adequate protection or the assertion by the other Agent or any other Claimholders of any of its rights and remedies under the ABL Loan Documents ~~or~~, the Notes Documents or the Other Pari Passu Lien Obligations Agreement, as applicable.

6.8 Avoidance Issues. If any Claimholder is required in any Insolvency Proceeding or otherwise to turn over, disgorge or otherwise pay to the estate of any Grantor any amount paid in respect of the Obligations of such Claimholder (a "**Recovery**"), then such Claimholders shall be entitled to a reinstatement of the applicable Obligations with respect to all such recovered amounts, and all rights, interests, priorities and privileges recognized in this Agreement shall apply with respect to any such Recovery. If this Agreement shall have been terminated prior to such Recovery, this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair, or otherwise affect the obligations of the parties hereto from such date of reinstatement.

6.9 Plan of Reorganization.

(a) If, in any Insolvency Proceeding involving a Grantor, debt obligations of the reorganized debtor secured by Liens upon any property of the reorganized debtor are distributed or reinstated (in whole or in part) pursuant to a plan of reorganization or similar dispositive restructuring plan, both on account of ABL Obligations and on account of Notes Obligations, then, to the extent the debt obligations distributed on account of the ABL Obligations and on account of the Notes Obligations are secured by Liens upon the same property, the provisions of this Agreement will survive the distribution of such debt obligations pursuant to such plan and will apply with like effect to the Liens securing such debt obligations.

(b) No Claimholder shall propose or support any plan of reorganization that is inconsistent with the priorities or other provisions of this Agreement.

6.10 Separate Grants of Security and Separate Classification. ABL Agent, on behalf of the ABL Claimholders, and Notes Agent, on behalf of the Notes Claimholders, acknowledge and intend that the respective grants of Liens pursuant to the ABL Collateral Documents and the Notes Collateral Documents constitute two separate and distinct grants of Liens, and because of, among other things, their differing rights in the Collateral (i) the Notes Obligations are fundamentally different from the ABL Obligations and (ii) the ABL Obligations are fundamentally different from the Notes Obligations and, in each case, must be separately classified in any plan of reorganization proposed or confirmed (or approved) in an Insolvency Proceeding. To further effectuate the intent of the parties as provided in the immediately preceding sentence, if it is held that the claims of the ABL Claimholders and the Notes Claimholders in respect of the Collateral constitute claims in the same class (rather than at least two separate classes of secured claims with the priorities described in [Section 2.1](#)), then the ABL Claimholders and the Notes Claimholders hereby acknowledge and agree that all distributions shall be made as if there were two separate classes of ABL Obligations and Notes Obligations (with the effect being that, to the extent that (i) the aggregate value of the ABL Claimholders' ABL Priority Collateral is sufficient (for this purpose ignoring all claims held by the Notes Claimholders thereon), the ABL Claimholders shall be entitled to receive, in addition to amounts distributed to them in respect of principal, pre-petition interest and other claims, all amounts owing in respect of post-petition interest, fees or expenses that is available from their ABL Priority Collateral (regardless of whether any such claims may or may not be allowed or allowable in whole or in part as against the Grantor in the respective Insolvency Proceeding pursuant to Section 506(b) of the Bankruptcy Code or otherwise), before any distribution is made in respect of the Notes Obligations with respect to such Collateral, with each Notes Claimholder acknowledging and agreeing to turn over to ABL Agent with respect to such Collateral amounts otherwise received or receivable by them to the extent necessary to effectuate the intent of this sentence, even if such turnover has the effect of reducing the aggregate recoveries of the Notes Obligations and (ii) the aggregate value of the Notes Claimholders' Notes Priority Collateral is sufficient (for this purpose ignoring all claims, if any, held by the ABL Claimholders thereon), the Notes Claimholders shall be entitled to receive, in addition to amounts distributed to them in respect of principal, pre-petition interest and other claims, all amounts owing in respect of post-petition interest, fees or expenses that is available from their Notes Priority Collateral (regardless of whether any such claims may or may not be allowed or allowable in whole or in part as against the Grantor in the respective Insolvency Proceeding pursuant to Section 506(b) of the Bankruptcy Code or otherwise), before any distribution is made in respect of the ABL Obligations with respect to such Collateral, with each ABL Claimholder acknowledging and agreeing to turn over to Notes Agent with respect to such Collateral amounts otherwise received or receivable by them to the extent necessary to effectuate the intent of this sentence, even if such turnover has the effect of reducing the aggregate recoveries of the ABL Obligations).

SECTION 7. Reliance; Waivers; Etc.

7.1 Reliance. Other than any reliance on the terms of this Agreement, ABL Agent, on behalf of the ABL Claimholders, acknowledges that it and the other ABL Claimholders have, independently and without reliance on Notes Agent or any other Notes Claimholders, and based on documents and information deemed by them appropriate, made their own credit analysis and decision to enter into of the ABL Loan Documents and be bound by the terms of this Agreement and they will continue to make their own credit decision in taking or not taking any action under the ABL Loan Documents or this Agreement. Other than any reliance on the terms of this Agreement, Notes Agent, on behalf of the other Notes Claimholders, acknowledges that ~~it and~~ the other Notes Claimholders have, independently and without reliance on ABL Agent or any other ABL Claimholder, and based on documents and information deemed by them appropriate, made their own credit analysis and decision to enter into (or cause the Notes Collateral Agent to enter into) each of the Notes Documents or the Other Pari Passu Lien Obligations Agreement and be bound by the terms of this Agreement and they will continue to make their own credit decision in taking or not taking any action under the Notes Documents, the Other Pari Passu Lien Obligations Agreement or this Agreement.

7.2 No Warranties or Liability. ABL Agent, on behalf of the ABL Claimholders, acknowledges and agrees that Notes Agent and each of the other Notes Claimholders have made no express or implied representation or warranty, including with respect to the execution, validity, legality, completeness, collectability, or enforceability of any of the Notes Documents, any Other Pari Passu Lien Obligations Agreement, the ownership of any Collateral, or the perfection or priority of any Liens thereon. Except as otherwise expressly provided herein, Notes Agent and the other Notes Claimholders will be entitled to manage and supervise their respective loans and extensions of credit under the Notes Documents or the Other Pari Passu Lien Obligations Agreement in accordance with law and as they may otherwise, in their sole discretion, deem appropriate. Notes Agent, on behalf of the Notes Claimholders, acknowledges and agrees that ABL Agent and each of the other ABL Claimholders have made no express or implied representation or warranty, including with respect to the execution, validity, legality, completeness, collectability, or enforceability of any of the ABL Loan Documents, the ownership of any Collateral, or the perfection or priority of any Liens thereon. Except as otherwise expressly provided herein, ABL Agent and the other ABL Claimholders will be entitled to manage and supervise their respective loans and extensions of credit under the ABL Loan Documents in accordance with law and as they may otherwise, in their sole discretion, deem appropriate. Except as expressly provided herein, Notes Agent and other Notes Claimholders shall have no duty to ABL Agent or any other ABL Claimholders, and ABL Agent and the other ABL Claimholders shall have no duty to Notes Agent or any other Notes Claimholders, to act or refrain from acting in a manner that allows, or results in, the occurrence or continuance of an event of default or default under any agreements with any Grantor (including the ABL Loan Documents ~~and~~, the Notes Documents and the Other Pari Passu Lien Obligations Agreement), regardless of any knowledge thereof which they may have or be charged with. Notes Agent hereby waives to the fullest extent permitted by law any claim that

may be had against ABL Agent or any other ABL Claimholder in the absence of gross negligence or willful misconduct arising out of any actions which ABL Agent or such other ABL Claimholder takes or omits to take (including actions with respect to the creation, perfection or continuation of Liens on any Collateral, actions with respect to the foreclosure upon, sale, release or depreciation of, or failure to realize upon, any of the Collateral and actions with respect to the collection of any claim for all or any part of the ABL Obligations from any account debtor, guarantor or any other party), or the valuation, use, protection or release of any security for such ABL Obligations. ABL Agent hereby waives to the fullest extent permitted by law any claim that may be had against Notes Agent or any other Notes Claimholder arising out of any actions which Notes Agent or such Notes Claimholder takes or omits to take (including actions with respect to the creation, perfection or continuation of Liens on any Collateral, actions with respect to the foreclosure upon, sale, release or depreciation of, or failure to realize upon, any of the Collateral and actions with respect to the collection of any claim for all or any part of the Notes Obligations from any account debtor, guarantor or any other party), or the valuation, use, protection or release of any security for such Notes Obligations.

7.3 No Waiver of Lien Priorities.

(a) No right of ABL Claimholders, ABL Agent or any of them to enforce any provision of this Agreement or any ABL Loan Document shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of any Grantor or by any act or failure to act by any ABL Claimholder or ABL Agent, or by any noncompliance by any person with the terms, provisions, and covenants of this Agreement, any of the ABL Loan Documents ~~or~~, any of the Notes Documents or the Other Pari Passu Lien Obligations Agreement, regardless of any knowledge thereof which ABL Agent or other ABL Claimholders, or any of them, may have or be otherwise charged with. (c) Except as otherwise provided herein, Notes Agent also agrees that ABL Claimholders and ABL Agent shall have no liability to Notes Agent or any other Notes Claimholders, and Notes Agent hereby waives any claim against any ABL Claimholder or any other ABL Agent, arising out of any and all actions which ABL Claimholders or ABL Agent may, pursuant to the terms hereof, take, permit or omit to take with respect to:

(i) the ABL Loan Documents;

(ii) the collection of the ABL Obligations; or

(iii) the foreclosure upon, or sale, liquidation, or other Disposition of, or the failure to foreclose upon, or sell, liquidate, or otherwise Dispose of, any ABL Priority Collateral. (i) change the manner, place, or terms of payment or change or extend the time of payment of, or amend, renew, exchange, increase, or alter, the terms of any of the Notes Obligations or any Lien on any Notes Collateral or guarantee thereof or any liability of any Grantor, or any liability incurred directly or indirectly in respect thereof (including any increase in or extension of the Notes Obligations, without any restriction as to the tenor or terms of any such increase or extension) or otherwise amend, renew, exchange, extend, modify, or supplement in any manner any Liens held by Notes Agent or any other Notes Claimholders, the Notes Obligations, or any of the Notes Loan Documents;

(ii) subject to [Section 3.8](#), sell, exchange, release, surrender, realize upon, enforce or otherwise deal with in any manner and in any order any part of the Notes Priority Collateral or any liability of any Grantor to Notes Claimholders or Notes Agent, or any liability incurred directly or indirectly in respect thereof;

(e) Except as otherwise provided herein, ABL Agent also agrees that Notes Claimholders and Notes Agent shall have no liability to ABL Agent or any other ABL Claimholders, and ABL Agent hereby waives any claim against any Notes Claimholder or Notes Agent, arising out of any and all actions which Notes Claimholders or Notes Agent may, pursuant to the terms hereof, take, permit or omit to take with respect to:

(i) the Notes Documents [or the Other Pari Passu Lien Obligations Agreement](#);

(ii) the collection of the Notes Obligations; or

7.4 Obligations Unconditional. For so long as this Agreement is in full force and effect, all rights, interests, agreements and obligations of ABL Agent and other ABL Claimholders and Notes Agent and other Notes Claimholders, respectively, hereunder shall remain in full force and effect irrespective of:

(a) any lack of validity or enforceability of any ABL Loan Documents ~~or~~, any Notes Documents or the Other Pari Passu Lien Obligations Agreement;

~~any Notes Documents~~;

(b) except as otherwise expressly restricted or provided in this Agreement, any change in the time, manner, or place of payment of, or in any other terms of, all or any of the ABL Obligations or Notes Obligations, or any amendment or waiver or other modification, including any increase in the amount thereof, whether by course of conduct or otherwise, of the terms of any ABL Loan Document ~~or~~, any Notes Document or the Other Pari Passu Lien Obligations Agreement;

SECTION 8. Representations and Warranties.

8.1 Representations and Warranties of Each Party. Each party hereto represents and warrants to the other parties hereto as follows:

(a) Such party is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization and has all requisite power and authority to execute and deliver this Agreement and to perform its obligations hereunder.

(b) This Agreement has been duly executed and delivered by such party and constitutes a legal, valid and binding obligation of such party, enforceable in accordance with its terms, subject to the effect of (i) bankruptcy, insolvency or similar laws affecting generally the enforcement of creditors' rights as such laws would apply in the event of any bankruptcy, receivership, insolvency or similar event applicable to it and (ii) to general equitable principles (whether enforceability of such principles is considered in a proceeding at law or in equity).

(c) The execution, delivery, and performance by such party of this Agreement (i) do not require any consent or approval of, registration or filing with or any other action by any governmental authority and (ii) will not violate any provision of law, statute, rule or regulation, or of the certificate or articles of incorporation or other constitutive documents or by-laws of such party or any order of any governmental authority or any provision of any indenture, agreement or other instrument binding upon such party.

8.2 Representations and Warranties of Each Agent. ABL Agent and Notes Agent each represents and warrants to the other that it has been authorized and instructed by ABL Lenders or holders of the Notes, as applicable, under the ABL Credit Agreement or the Indenture, as applicable, to enter into this Agreement ~~and that each of the agreements, covenants, waivers, and other provisions hereof is valid, binding, and enforceable against the other ABL Claimholders or the other Notes Claimholders, as applicable, as fully as if they were parties hereto.~~

SECTION 9. Miscellaneous.

9.1 Conflicts. Except to the extent expressly provided in Section 9.15, in the event of any conflict between the provisions of this Agreement and the provisions of any of the ABL Loan Documents or any of the Notes Documents or the Other Pari Passu Lien Obligations Agreement, the provisions of this Agreement shall govern and control; provided that nothing in this Intercreditor Agreement, as between the Notes Agent, the other Notes Claimholders and the Grantors, shall be deemed to waive any rights, protections, privileges, immunities or indemnities of the Notes Agent as set forth in the Indenture ~~and~~, the other Notes Documents and the Other Pari Passu Lien Obligations Agreement.

9.2 Effectiveness; Continuing Nature of this Agreement; Severability. This Agreement shall become effective when executed and delivered by the parties hereto. This is a continuing agreement of lien subordination (as opposed to debt or claim subordination) and ABL Claimholders may continue, at any time and without notice to Notes Agent or any other Notes Claimholder, to extend credit and other financial accommodations to or for the benefit of any Grantor constituting ABL Obligations in reliance hereof. Each of Notes Agent and ABL Agent hereby waives any right it may have under applicable law to revoke this Agreement or any of the provisions of this Agreement. The terms of this Agreement shall survive, and shall continue in full force and effect, in any Insolvency Proceeding. Consistent with, but not in limitation of, the preceding sentence, ABL Agent and the Notes Agent, on behalf of the applicable Claimholders, irrevocably acknowledges that this Agreement constitutes a "subordination agreement" within the meaning of both New York law and Section 510(a) of the Bankruptcy Code. Any provision of this Agreement that is prohibited or unenforceable shall not invalidate the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not

invalidate or render unenforceable such provision in any other jurisdiction. All references to any Grantor shall include such Grantor as debtor and debtor-in-possession and any receiver or trustee for such Grantor in any Insolvency Proceeding. This Agreement shall terminate and be of no further force and effect:

(a) with respect to ABL Agent, ABL Claimholders, and the ABL Obligations, on the date that the Discharge of ABL Obligations has occurred; and

(b) with respect to Notes Agent, Notes Claimholders, and the Notes Obligations, on the date that the Discharge of Notes Obligations has occurred.

9.3 Amendments; Waivers. Except as provided in the last ~~two~~three sentences of this Section, no amendment, modification, or waiver of any of the provisions of this Agreement shall be effective unless the same shall be in writing signed on behalf of each party hereto or its authorized agent and each waiver, if any, shall be a waiver only with respect to the specific instance involved and shall in no way impair the rights of the parties making such waiver or the obligations of the other parties to such party in any other respect or at any other time. Any amendments, modifications or waivers can be effected by ABL Agent, at the direction of the requisite ABL Claimholders under the ABL Credit Agreement, and by Notes Agent, at the direction of the requisite Notes Claimholders under the Indenture. Notwithstanding the foregoing, (i) ~~no Grantor shall have any right to the~~ consent ~~to or approve~~of the Grantors shall be required for any amendment, modification or waiver of any provision of this Agreement ~~except~~ to the extent such amendment, modification or waiver (x) adversely affects its rights hereunder, under the ABL Loan Documents or, under the Notes Documents are directly affected (including its rights pursuant to this Section 9.3) or under the Other Pari Passu Lien Obligations Agreement or (y) imposes any additional duties on the Grantors hereunder, under the ABL Loan Documents, under the Notes Documents or under the Other Pari Passu Lien Obligations Agreement, (ii) any Other Pari Passu Lien Obligations Agent, on behalf of itself and such holders of Other Pari Passu Lien Obligations, may become a party to this Agreement, without any further action by any other party hereto, upon execution and delivery by the Grantors and such Other Pari Passu Lien Obligations Agent of a properly completed joinder agreement (in form and substance reasonably satisfactory to each of ABL Agent and Notes Agent) to each of the other parties hereto and delivery to Notes Agent by Company of an Officers' Certificate (as defined in the Indenture), upon which Notes Agent is entitled to conclusively rely, certifying that such obligations are permitted by the Indenture to be included hereunder as Other Pari Passu Lien Obligations and that such joinder complies with the conditions and covenants in the Indenture and the Notes Collateral Documents, (iii) any duly appointed agent for the holders of ABL Obligations ~~described in clause (ii)~~in lieu of the ~~definition thereof~~ABL Agent, on behalf of itself and such holders, may become a party to this Agreement, without any further action by any other party hereto, upon execution and delivery by the Grantors and such agent of a properly completed joinder agreement (in form and substance reasonably satisfactory to each of ~~ABL Agent and~~such agent, Notes Agent and the Company) to each of the other parties hereto and delivery to Notes Agent by Issuer of an ~~officer's certificate~~Officers' Certificate (as defined in the Indenture), upon which Notes Agent is entitled to conclusively rely, certifying that such obligations are permitted by the Indenture to be included hereunder as ABL Obligations, and that such joinder complies with the conditions and covenants in the Indenture and the

Notes Collateral Documents, (iv) technical modifications may be made to this Agreement to facilitate the inclusion of Other Pari Passu Lien Obligations without any further action by any other party hereto to the extent such Other Pari Passu Lien Obligations are permitted to be incurred under the ABL Loan Documents ~~and~~, the Notes Documents and the Other Pari Passu Lien Obligations Agreement and (v) technical modifications may be made to this Agreement to facilitate the inclusion of ABL Obligations described in clause (ii) of the definition thereof without any further action by any other party hereto to the extent such Obligations are permitted to be incurred under the ABL Loan Documents ~~and~~, the Notes Documents and the Other Pari Passu Lien Obligations Agreement. In connection with any Refinancing of the Notes Obligations or ABL Obligations pursuant to Section 5.3(a) or 5.3(b), as applicable, this Agreement may be amended at the request and sole expense of the Grantors, and without the consent of either ABL Agent or Notes Agent, (i) to add parties (or any authorized agent or trustee therefor) providing any such Refinancing, (ii) to establish that Liens on any Notes Priority Collateral securing such Refinanced debt shall have the same priority as the Liens on any Notes Priority Collateral securing the debt being Refinanced and (iii) to establish that the Liens on any ABL Priority Collateral securing such Refinanced debt shall have the same priority as the Liens on any ABL Priority Collateral securing the debt being Refinanced. Notwithstanding anything to the contrary in this Agreement, this Agreement may be amended from time to time at the sole request and expense of the Company ~~(as defined under the Indenture)~~, (x) as set forth in the second paragraph of Section 9.01 of the Indenture, without the consent of Notes Agent, and (y) as set forth in the second paragraph of such Section 9.01 as in effect on the date hereof, without the consent of ABL Agent. If the ABL Credit Agreement is Refinanced as provided in Section 5.5(a) hereof and such Refinanced ABL Credit Agreement is secured by a Lien on the Notes Priority Collateral, the provisions of this Agreement may be amended by the Company without the consent of any other party hereto in order to provide reciprocal rights and obligations with respect to the junior Lien of the ABL Claimholders under the Refinanced ABL Credit Agreement on the Notes Priority Collateral as are applicable to the junior Lien of the Notes Claimholders on the ABL Priority Collateral hereunder.

9.4 Information Concerning Financial Condition of the Grantors. ABL Agent and the other ABL Claimholders shall be responsible for keeping themselves informed of (a) the financial condition of the Grantors and all endorsers and/or guarantors of the ABL Obligations and (b) all other circumstances bearing upon the risk of nonpayment of the ABL Obligations. ABL Agent and the other ABL Claimholders shall have no duty to advise Notes Agent or any Notes Claimholder of information known to it or them regarding such condition or any such circumstances or otherwise. Notes Agent and the other Notes Claimholders shall have no duty to advise ABL Agent or any other ABL Claimholder of information known to it or them regarding such condition or any such circumstances or otherwise. In the event ABL Agent or any other ABL Claimholders, or Notes Agent or any other Notes Claimholders, in its or their sole discretion, undertakes at any time or from time to time to provide any such information to any other party to this Agreement, it or they shall be under no obligation:

(a) to make, and ABL Agent and the other ABL Claimholders, or Notes Agent and the other Notes Claimholders, as the case may be, shall not make, any express or implied representation or warranty, including with respect to the accuracy, completeness, truthfulness, or validity of any such information so provided;

(b) to provide any additional information or to provide any such information on any subsequent occasion;

(c) to undertake any investigation; or

(d) to disclose any information, which pursuant to accepted or reasonable commercial practices, such party wishes to maintain confidential or is otherwise required to maintain confidential.

9.5 Subrogation. (a) With respect to any payments or distributions in cash, property, or other assets that any Notes Claimholders or Notes Agent pays over to ABL Agent or ABL Claimholders under the terms of this Agreement, Notes Claimholders and Notes Agent shall be subrogated to the rights of ABL Agent and the other ABL Claimholders and (b) with respect to any payments or distributions in cash, property, or other assets that any ABL Claimholders or ABL Agent pay over to Notes Agent or the other Notes Claimholders under the terms of this Agreement, ABL Claimholders and ABL Agent shall be subrogated to the rights of Notes Agent and the other Notes Claimholders; provided, however, that, ABL Agent and Notes Agent each hereby agrees not to assert or enforce any such rights of subrogation it may acquire as a result of any payment hereunder until the Discharge of ABL Obligations or Discharge of Notes Obligations, as applicable, has occurred. Any payments or distributions in cash, property or other assets received by ABL Agent or the other ABL Claimholders that are paid over to Notes Agent or the other Notes Claimholders pursuant to this Agreement shall not reduce any of the ABL Obligations. Any payments or distributions in cash, property or other assets received by Notes Agent or the other Notes Claimholders that are paid over to ABL Agent or ABL Claimholders pursuant to this Agreement shall not reduce any of the Notes Obligations. Notwithstanding the foregoing provisions of this Section 9.5, none of the ABL Claimholders shall have any claim against any of the Notes Claimholders for any impairment of any subrogation rights herein granted to the Notes Claimholders and none of the Notes Claimholders shall have any claim against any of the ABL Claimholders for any impairment of any subrogation rights herein granted to the ABL Claimholders.

9.8 Further Assurances. ABL Agent and Notes Agent each agrees to take such further action and shall execute and deliver such additional documents and instruments (in recordable form, if requested) as ABL Agent or Notes Lien Agent may reasonably request to effectuate the terms of and the Lien priorities contemplated by this Agreement.

9.12 Counterparts. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Agreement or any document or instrument delivered in connection herewith by telecopy or other electronic transmission shall be effective as delivery of a manually executed counterpart of this Agreement or such other document or instrument, as applicable.

FOR IMMEDIATE RELEASE

**LSB INDUSTRIES, INC. ANNOUNCES COMPLETION OF \$400 MILLION NOTES OFFERING
 AND SETTLEMENT OF TENDER OFFER**

Oklahoma City, Oklahoma – April 25, 2018 – LSB Industries, Inc. (NYSE: LXU) (“LSB”) today announced the completion of its previously announced private offering of \$400 million in aggregate principal amount of its 9.625% Senior Secured Notes due 2023 (the “Notes”) and the settlement of the previously announced cash tender offer (the “Tender Offer”) for any and all of LSB’s outstanding 8.50% Senior Secured Notes due 2019 (CUSIP No. 502160AL8) (the “Existing Notes”).

The Notes were issued at a price equal to 99.509% of their face value. A portion of the net proceeds from the offering was used to purchase \$337,525,000 aggregate principal amount of the Existing Notes pursuant to the Tender Offer, representing 100% of the Existing Notes validly tendered and not validly withdrawn prior to the Tender Offer deadline. Following the completion of the Tender Offer, the remaining net proceeds from the offering will be used to redeem \$37,475,000 in aggregate principal amount of the Existing Notes, representing all of the Existing Notes outstanding following the completion of the Tender Offer, to pay related transaction fees, expenses and premiums and, to the extent of any remaining net proceeds, for general corporate purposes.

On April 25, 2018, following the completion of the offering of the Notes and the Tender Offer, LSB issued an irrevocable notice of redemption for the remaining Existing Notes at a redemption price equal to 101.938% of the Existing Notes to be redeemed, plus accrued but unpaid interest to but excluding the redemption date of May 25, 2018.

Also on April 25, 2018, LSB satisfied and discharged its obligations under the indenture governing the Existing Notes by irrevocably depositing with the trustee for the Existing Notes funds sufficient to redeem the Existing Notes in full and to pay related fees and expenses.

The Notes were sold pursuant to Rule 144A and/or Section 4(a)(2) under the Securities Act of 1933, as amended (the “Securities Act”), to eligible purchasers in the United States and to non-U.S. persons outside of the United States pursuant to Regulation S under the Securities Act. The Notes and the guarantees thereof have not been registered under the Securities Act or any state securities laws and may not be offered or sold in the United States absent registration or applicable exemption from the registration requirements under the Securities Act and applicable state securities laws. This press release is neither an offer to sell nor a solicitation of an offer to buy the Notes or any other securities and shall not constitute an offer, solicitation or sale in any jurisdiction in which such offer, solicitation or sale is unlawful.
