

LSB Industries, Inc. Provides Update on Its Cherokee, AL and El Dorado, AR Facilities

December 30, 2022

OKLAHOMA CITY--(BUSINESS WIRE)--Dec. 30, 2022-- LSB Industries, Inc. ("LSB" or "the Company"), (NYSE: LXU), today announced that its Cherokee, AL ("Cherokee") and El Dorado, AR facilities were shut down as a result of the extremely cold temperatures that impacted much of the United States in late December 2022. The El Dorado facility has since returned to service. Repairs are currently underway at Cherokee and the facility is expected to resume production by mid-January 2023. LSB management estimates that the unplanned outages at the two facilities will collectively reduce fourth quarter 2022 operating income by approximately \$5 million to \$7 million, largely attributable to lost sales and reduced absorption of fixed costs.
