Item 1.01: Entry Into a Material Definitive Agreement

On March 14, 2006, LSB Industries, Inc. (the "Company") entered into a Purchase Agreement, effective March 3, 2006, (a copy of which is filed herewith as Exhibit 99.1), with the investors identified on the Schedule of Purchasers attached thereto, pursuant to which the Company sold \$18.0 million aggregate principal amount of its 7% Convertible Senior Subordinated Debentures due 2011 (the "Debentures") in a private placement to qualified institutional buyers pursuant to the exemptions from the registration requirements of the Securities Act of 1933, as amended (the "Act"), afforded by Section 4(2) of the Act and Regulation D promulgated under the Act. The Debentures are eligible for resale by the investors under Rule 144A under the Act. Aggregate estimated offering expenses in connection with the transaction, including discounts and commissions, were approximately \$ 0.4 million. In connection with the closing, the Company entered into an indenture (the "Indenture") with UMB Bank, n.a., as trustee (the "Trustee"), governing the Debentures. A copy of the Indenture, including the form of Debenture, is filed herewith as Exhibit 99.2. The following description of the Indenture and the Debentures is qualified in its entirety by reference to Exhibit 99.2, which is incorporated herein by reference.

The Trustee is also the Company's transfer agent. The Trustee receives customary compensation from the Company for such services. Jayhawk Institutional Partners, L.P., who together with its affiliates, Kent C. McCarthy and Jayhawk Capital Management, L.L.C., owned beneficially approximately 2.65 million shares of the Company's common stock prior to the closing of the Purchase Agreement (representing approximately 17.3% of the Company's issued and outstanding common stock as of such time), purchased \$1 million principal amount of the Debentures, which are currently convertible into 125,000 shares of the Company's common stock, based on a conversion rate of 125 shares per \$1,000 principal amount of Debentures.

The material terms and conditions of the Indenture and the Debentures governed thereby are as follows:

Principal Amount. \$18,000,000.

Maturity Date. March 1, 2011.

Ranking. The Debentures are the Company's unsecured obligations, are subordinated in right of payment to all of the Company's existing and future senior indebtedness, including indebtedness under its senior credit facilities. The Debentures are effectively subordinated to all present and future liabilities, including trade payables, of the Company's subsidiaries.

Interest. The Debentures bear interest at the rate of 7% per year. Interest is payable on March 1 and September 1 of each year, beginning on September 1, 2006.

Conversion Rights. The Debentures are convertible by holders in whole or in part into shares of the Company's common stock prior to their maturity on March 1, 2011. The conversion rate of the Debentures for holders electing to convert all or any portion of a debenture prior to September 1, 2006 will be 125 shares per \$1,000 principal amount of debentures (representing a conversion price of \$8.00 per share). Holders of debentures electing to convert all or any portion of a debenture on or after September 1, 2006 and before March 1, 2009 will

obtain the following conversion rate per \$1,000 principal amount of debentures during the dates indicated: September 1, 2006 to February 28, 2007, 141.25 shares (representing a conversion price of approximately \$7.08 per share); March 1, 2007 to August 31, 2007, 141.04 shares (representing a conversion price of approximately \$7.09 per share); September 1, 2007 to February 29, 2008, 137.27 shares (representing a conversion price of approximately \$7.28 per share); March 1, 2008 to August 31, 2008, 133.32 shares (representing a conversion price of approximately \$7.50 per share); and September 1, 2008 to February 28, 2009, 129.23 shares (representing a conversion price of approximately \$7.74 per share). On March 1, 2009, the conversion rate returns to 125 shares per \$1,000 principal amount of debentures (representing a conversion price of \$8.00 per share), until their maturity on March 1, 2011. The conversion price will be adjusted to reflect dividends, stock splits, issuances of rights to purchase shares of common stock and other events, as set forth in the Indenture.

Sinking Fund. None.

Optional Redemption by the Company. The Company may redeem some or all of the Debentures at any time on or after March 1, 2009, at a price equal to 100% of the principal amount of the Debentures, plus accrued and unpaid interest, all as set forth in the Indenture. The redemption price will be payable at the Company's option in cash or, subject to certain conditions, shares of the Company's common stock (valued at 95% of the weighted average of the closing sale prices of the common stock for the 20 consecutive trading days ending on the fifth trading day prior to the redemption date), subject to the closing sale prices of the Company's common stock exceeding 115% of the adjusted conversion price of the Debentures, the listing of the Company's common stock on a U.S. national securities exchange or the NASDAQ Stock Market and, if registration is then required, there being an effective shelf registration statement covering resales of the debentures and the shares of common stock issuable upon their conversion.

Optional Repurchase Right of Holders Upon a Designated Event. If a designated event (which includes, subject to certain exceptions, a fundamental change, as described below or a termination of trading in the Company's common stock) occurs prior to maturity, holders of the Debentures may require the Company to repurchase all or a portion of their Debentures for cash at a repurchase price equal to 101% of the principal amount of the Debentures plus any accrued and unpaid interest, as set forth in the Indenture.

Make-Whole Premium Upon a Fundamental Change. If a fundamental change occurs on or prior to September 1, 2009, under certain circumstances, the Company will pay, in addition to the repurchase price, a make-whole premium on Debentures converted in connection with, or tendered for repurchase upon, the fundamental change. The make-whole premium will be payable in the Company's common stock or the same form of consideration into which the Company's common stock has been exchanged or converted in the fundamental change. The amount of the make-whole premium, if any, will be based on the Company's stock price on the effective date of the fundamental change. No make-whole premium will be paid if the Company's stock price in connection with the fundamental change exceeds \$30.00 or is less than or equal to \$7.00.

Fundamental Change. As fully described in the Indenture, a “fundamental change” will be deemed to have occurred upon (a) a person or group becoming beneficial owner of more than 50% of the voting power of the Company’s common stock; provided, however, that Jack E. Golsen, the Chairman of the Board and Chief Executive Officer of the Company, members of his family and entities controlled by them are excluded if their beneficial ownership of the common stock is 70% or less; (b) any share exchange, consolidation or merger of the Company, or any sale, lease or other transfer of all or substantially all of the consolidated assets of the Company resulting in the holders of the Company’s common stock immediately prior to such transaction having 50% or less of the aggregate voting power of the common stock of the continuing or surviving corporation or transferee immediately after such event; or (c) the Company’s continuing directors ceasing to constitute at least a majority of our board of directors.

Payment at Maturity. The Company may elect, subject to certain conditions as set forth in the Indenture, to pay, at maturity up to 50% of the principal amount of the outstanding Debentures, plus all accrued and unpaid interest thereon to, but excluding, the maturity date, in shares of the Company’s common stock (valued at 95% of the weighted average of the closing sale prices of the common stock for the 20 consecutive trading days ending on the fifth trading day prior to the maturity date), if (a) the common stock is then listed on a U.S. national securities exchange or the NASDAQ Stock Market (b) the shares used to pay the Debentures and any interest thereon are freely tradeable, and (c) the Company receives certain required opinions of counsel.

Covenants. The Indenture does not contain any financial covenants and does not restrict the Company or its subsidiaries from paying dividends or issuing or repurchasing their other securities.

Events of Default. If there is an event of default on the Debentures, the principal amount of the Debentures, plus accrued and unpaid interest to the date of acceleration, may be declared immediately due and payable subject to certain conditions set forth in the Indenture. An “event of default” will occur if, among other things: (a) the Company fails to pay principal of (or premium, if any, on) any Debenture at maturity, redemption or otherwise; (b) the Company defaults in the payment of interest on the Debentures when due and payable and continuance of such default for a period of 10 days; (c) the Company fails to pay any indebtedness for money borrowed or other senior indebtedness (after giving effect to any applicable grace periods) in an outstanding principal amount in excess of \$5,000,000, as provided in the Indenture; and (d) certain events involving our bankruptcy, insolvency or reorganization.

The Debentures have not been registered under the Securities Act of 1933, as amended, or any state securities laws and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the Securities Act and applicable state securities laws. This Current Report on Form 8-K does not constitute an offer to sell or a solicitation of an offer to buy the Debentures.

The Company has also entered into a Registration Rights Agreement with the Purchasers, which required the Company to register the Debentures, and the shares of common stock into which they are convertible, within 60 days of the closing of the Purchase Agreement, which is March 14, 2006, and to use commercially reasonable efforts to have the registration statement declared effective within 150 days of such closing date. The Company is also required to use its commercially reasonable efforts to keep the registration statement effective until March 1, 2009.

LSB INDUSTRIES, INC.

7% CONVERTIBLE SENIOR SUBORDINATED DEBENTURE DUE 2011

This Debenture is one of a duly authorized issue of Debentures of the Company, designated as its 7% Convertible Senior Subordinated Debentures Due 2011 (herein called the “**Debentures**”), limited in aggregate principal amount to \$25,000,000, issued and to be issued under and pursuant to an Indenture dated as of March 3, 2006 (herein called the “**Indenture**”), between the Company and UMB Bank, n.a., as trustee (herein called the “**Trustee**”), to which Indenture and all indentures supplemental thereto reference is hereby made for a description of the rights, limitations of rights, obligations, duties and immunities thereunder of the Trustee, the Company and the Holders of the Debentures. If any of the terms of the Debenture conflict with the Indenture, the Indenture shall be controlling.

In case an Event of Default shall have occurred and be continuing, the principal of, premium, if any, and accrued interest, on all Debentures may be declared by either the Trustee or any two Required Holders, and upon said declaration shall become, due and payable, in the manner, with the effect and subject to the conditions provided in the Indenture.

The Indenture contains provisions permitting the Company and the Trustee, with the consent of the Holders of at least a majority in aggregate principal amount of the Debentures at the time outstanding, to execute supplemental indentures adding any provisions to or changing in any manner or eliminating any of the provisions of the Indenture or of any supplemental indenture or modifying in any manner the rights of the Holders of the Debentures; provided that no such supplemental indenture shall (i) extend the fixed maturity of any Debenture, or (ii) reduce the rate or extend the time of payment of interest, or (iii) reduce the principal amount thereof or premium, if any, thereon, or (iv) reduce any amount payable upon redemption or repurchase thereof, or (v) impair the right of any Debentureholder to institute suit for the payment thereof, or (vi) make the principal thereof or interest or premium, if any, thereon payable in any coin or currency other than that provided in the Debentures, or (vii) change the obligation of the Company to redeem any Debenture on a redemption date in a manner adverse to the Holders or (viii) change the obligation of the Company to redeem any Debenture upon the happening of a Designated Event in a manner adverse to the Holder of the Debentures, or (ix) change the obligation of the Company to repurchase any Debenture on a Designated Event Repurchase Date in a manner adverse to the Holder of the Debentures, or (x) impair the right to convert the Debentures into Common Stock subject to the terms set forth in the Indenture, including Section 16.6 thereof, in each case without the consent of the Holder of each Debenture so affected, or (xi) modify any of the provisions of Section 12.2 or Section 8.7 thereof, except to increase any such percentage, or (xii) to provide that certain other provisions of the Indenture cannot be modified or waived without the consent of the Holder of each Debenture so affected, or (xiii) change any obligation of the Company to maintain an office or agency in the places and for the purposes set forth in Section 6.1 thereof, or (xiv) reduce the quorum or voting requirements set forth in ARTICLE 11 or change the provisions of ARTICLE 4 in a manner adverse to the Holders of Debentures or modify in any manner the entitlement and calculation of the Make-Whole Premium or (xv) reduce the aforesaid percentage of Debentures, the Holders of which are required to consent to any such supplemental indenture, without the consent of the

Holders of all Debentures then outstanding. Subject to the provisions of the Indenture, the Holders of a majority in aggregate principal amount of the Debentures at the time outstanding may on behalf of the Holders of all of the Debentures waive any past default or Event of Default under the Indenture and its consequences except (A) a default in the payment of interest, or any premium on, or the principal of, any of the Debentures, (B) a failure by the Company to convert any Debentures into Common Stock of the Company, (C) a default in the payment of the redemption price pursuant to ARTICLE 3 of the Indenture, (D) a default in the payment of the repurchase price pursuant to ARTICLE 3 of the Indenture, or (E) a default in respect of a covenant or provisions of the Indenture which under ARTICLE 12 of the Indenture cannot be modified or amended without the consent of the Holders of each or all Debentures then outstanding or affected thereby. Any such consent or waiver by the Holder of this Debenture (unless revoked as provided in the Indenture) shall be conclusive and binding upon such Holder and upon all future Holders and owners of this Debenture and any Debentures which may be issued in exchange or substitution hereof, irrespective of whether or not any notation thereof is made upon this Debenture or such other Debentures.

THE INDEBTEDNESS EVIDENCED BY THE DEBENTURES IS, TO THE EXTENT AND IN THE MANNER PROVIDED IN THE INDENTURE, EXPRESSLY SUBORDINATED AND SUBJECT IN RIGHT OF PAYMENT TO THE PRIOR PAYMENT IN FULL OF ALL SENIOR INDEBTEDNESS OF THE COMPANY, WHETHER OUTSTANDING AT THE DATE OF THE INDENTURE OR THEREAFTER INCURRED, AND THIS DEBENTURE IS ISSUED SUBJECT TO THE PROVISIONS OF THE INDENTURE WITH RESPECT TO SUCH SUBORDINATION. EACH HOLDER OF THIS DEBENTURE, BY ACCEPTING THE SAME, AGREES TO AND SHALL BE BOUND BY SUCH PROVISIONS AND AUTHORIZES THE TRUSTEE ON ITS BEHALF TO TAKE SUCH ACTION AS MAY BE NECESSARY OR APPROPRIATE TO EFFECTUATE THE SUBORDINATION SO PROVIDED AND APPOINTS THE TRUSTEE HIS ATTORNEY-IN-FACT FOR SUCH PURPOSE.

No reference herein to the Indenture and no provision of this Debenture or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and any premium and interest, on this Debenture at the place, at the respective times, at the rate and in the coin or currency herein prescribed or in shares of Common Stock of the Company as prescribed in the Indenture.

Interest on the Debentures shall be computed on the basis of a 360-day year of twelve 30-day months.

The Debentures are issuable in fully registered form, without coupons, in denominations of \$1,000 principal amount and any multiple of \$1,000. At the office or agency of the Company referred to on the face hereof, and in the manner and subject to the limitations provided in the Indenture, without payment of any service charge but with payment of a sum sufficient to cover any tax, assessment or other governmental charge that may be imposed in connection with any registration or exchange of Debentures, Debentures may be exchanged for a like aggregate principal amount of Debentures of any other authorized denominations.

At any time on or after March 1, 2009 and prior to maturity, Debentures may be redeemed at the option of the Company, in whole or in part, upon notice as set forth in Section 3.2 at a redemption price, payable at the option of the Company in cash or, subject to the

conditions set forth in Section 3.1(b), in shares of Common Stock, equal to 100% of the principal amount of the Debentures plus accrued and unpaid interest to, but excluding, the date fixed for redemption (the “**Optional Redemption**”) if the following three conditions are all satisfied on the date of mailing of the notice of redemption: (1) the Closing Sale Price has exceeded 115% of the Conversion Price for at least 20 Trading Days in the 30 consecutive Trading Day period ending on the Trading Day immediately prior to the date of mailing of the notice of redemption (it being understood for these purposes that the Conversion Price in effect at the close of business on each of the 30 consecutive Trading Days should be used), (2) the Common Stock is listed on a U.S. national securities exchange or on The Nasdaq Stock Market; and (3) the shelf registration statement covering resales of the Debentures and the Common Stock is effective and available for use and is expected to remain effective and available for use during the 30 days following the redemption date, unless registration is no longer required.

In the event of an **Optional Redemption**, the Company may only elect to pay the redemption price in shares of Common Stock if the following three conditions are all satisfied on the date of redemption: (1) the Common Stock is listed on a U.S. national securities exchange or on The Nasdaq Stock Market; (2) the Trustee has received an Opinion of Counsel (in form and substance satisfactory to the Trustee) that the Common Stock will be duly issued in compliance with all laws and listing requirements (including any shareholder approval requirements) and is fully paid and non-assessable; and (3) the shares of Common Stock used to pay the redemption price are freely tradable. Payments made in Common Stock will be valued at 95% of the weighted average of the closing sale prices of Common Stock for the 20 consecutive Trading Days ending on the fifth Trading Day prior to the redemption date. The Company will specify in the redemption notice the type of consideration to be paid upon redemption and the amount of each Debenture to be paid by each type of consideration. Not later than the fourth Trading Day prior to the redemption date the Company shall publicly announce the number of shares of Common Stock to be paid as the redemption price for each \$1,000 principal amount of Debentures to be redeemed.

The Company may not give notice of any redemption of the Debentures if a default in the payment of interest, or premium, if any, on the Debentures has occurred and is continuing.

The Debentures are not subject to redemption through the operation of any sinking fund.

If a Designated Event occurs at any time prior to maturity of the Debentures, this Debenture will be redeemable on a Designated Event Repurchase Date, 45 days after notice thereof, at the option of the Holder of this Debenture at a redemption price equal to 101% of the principal amount thereof, together with accrued interest to (but excluding) the Designated Event Repurchase Date; provided that if such Designated Event Repurchase Date falls after a Record Date and on or prior the corresponding interest payment date, the interest payable on such interest payment date shall be paid to the Holder of this Debenture on the preceding March 1 or September 1, respectively. The Debentures will be redeemable in multiples of \$1,000 principal amount. The Company shall mail to all Holders of the Debentures a notice of the occurrence of a Designated Event and of the redemption right arising as a result thereof on or before the 10th day after the occurrence of such Designated Event. For a Debenture to be so redeemed at the option of the Holder, the Company must receive at the office or agency of the Company maintained for that purpose in accordance with the terms of the Indenture, a written notice of purchase (a “**Designated Event Repurchase Notice**”) together with such Debenture, duly

endorsed for transfer, on or before the 45th day after the date of such notice of a Designated Event (or if such 45th day is not a Business Day, the immediately succeeding Business Day).

The Company shall pay a Make-Whole Premium on the Designated Event Repurchase Date on all Debentures presented for conversion in connection with a Fundamental Change in accordance with the terms of the Indenture. The Company may make the Make-Whole Premium in shares of Common Stock, in the same form of consideration into which shares of Common Stock have been converted in connection with the applicable Fundamental Change or in any combination of the foregoing, and the Company shall specify the type of consideration for the Make-Whole Premium in the Designated Event Notice.

Subject to the terms and conditions of the Indenture, the Company shall become obligated to purchase, at the option of the Holder, all or any portion of the Debentures held in whole multiples of \$1,000 at a purchase price of 101% of the principal amount, plus any accrued and unpaid interest, on such Debenture up to (but excluding) the Designated Event Repurchase Date. To exercise such right, a Holder shall deliver to the Company such Debenture with the form entitled “**Designated Event Repurchase Notice**” on the reverse thereof duly completed, together with the Debenture, duly endorsed for transfer.

Holders have the right to withdraw any Designated Event Repurchase Notice by delivering to the Trustee (or other paying agent appointed by the Company) a written notice of withdrawal prior to the date that is one Business Day prior to the Designated Event Repurchase Date, all as provided in the Indenture.

If cash, sufficient to pay the purchase price of all Debentures or portions thereof to be purchased as of the Designated Event Repurchase Date is deposited with the Trustee (or other paying agent appointed by the Company), on the Business Day following the Designated Event Repurchase Date, interest will cease to accrue on such Debentures (or portions thereof) immediately after such Designated Event Repurchase Date, and the Holder thereof shall have no other rights as such other than the right to receive the purchase price upon surrender of such Debenture.

Subject to the occurrence of certain events and in compliance with the provisions of the Indenture, prior to the final maturity date of the Debentures, the Holder hereof has the right, at its option, to convert each \$1,000 principal amount of the Debentures into the following number of shares of Common Stock: 125 shares for a Debenture conversion occurring before September 1, 2006; 141.25 shares for a Debenture conversion occurring on or after September 1, 2006 and on or before February 28, 2007; 141.04 shares for a Debenture conversion occurring on or after March 1, 2007 and on or before August 31, 2007; 137.27 shares for a Debenture conversion occurring on or after September 1, 2007 and on or before February 29, 2008; 133.32 shares for a Debenture conversion occurring on or after March 1, 2008 and on or before August 31, 2008; 129.23 shares for a Debenture conversion occurring on or after September 1, 2008 and on or before February 28, 2009; and 125 shares for a Debenture conversion occurring on or after March 1, 2009 (the “**Conversion Rate**”) as such shares shall be constituted at the date of conversion and subject to adjustment from time to time as provided in the Indenture, upon surrender of this Debenture with the form entitled “**Conversion Notice**” on the reverse thereof duly completed, to the Company at the office or agency of the Company maintained for that purpose in accordance with the terms of the Indenture, or at the option of such Holder, the Corporate Trust Office, and, unless the shares issuable on conversion are to be issued in the same

name as this Debenture, duly endorsed by, or accompanied by instruments of transfer in form satisfactory to the Company duly executed by, the Holder or by his duly authorized attorney. Notwithstanding the foregoing, if such Debenture has been called for redemption, the Debenture may be converted only until the close of business on the Business Day immediately preceding the redemption date unless the Company fails to pay the redemption price.

No adjustment in respect of interest on any Debenture converted or dividends on any shares issued upon conversion of such Debenture will be made upon any conversion except as set forth in the next sentence. If this Debenture (or portion hereof) is surrendered for conversion during the period from the close of business on any Record Date for the payment of interest to the close of business on the Business Day preceding the following interest payment date and has not been called for redemption by the Company on a redemption date that occurs during such period, this Debenture (or portion hereof being converted) must be accompanied by payment, in immediately available funds or other funds acceptable to the Company, of an amount equal to the interest otherwise payable on such interest payment date on the principal amount being converted; provided that no such payment shall be required (1) if the Company has specified a redemption date that is after a Record Date and prior to the next interest payment date, (2) if the Company has specified a redemption date following a Designated Event that is during such period or (3) to the extent of any overdue interest, if any overdue interest exists at the time of conversion with respect to such debenture.

No fractional shares will be issued upon any conversion, but an adjustment and payment in cash will be made, as provided in the Indenture, in respect of any fraction of a share which would otherwise be issuable upon the surrender of any Debenture or Debentures for conversion.

A Debenture in respect of which a Holder is exercising its right to require redemption upon a Designated Event may be converted only if such Holder withdraws its election to exercise either such right in accordance with the terms of the Indenture.

Any Debentures called for redemption, unless surrendered for conversion by the Holders thereof on or before the close of business on the Business Day preceding the redemption date, may be deemed to be redeemed from the Holders of such Debentures for an amount equal to the applicable redemption price, together with accrued but unpaid interest to, but excluding, the date fixed for redemption, by one or more investment banks or other purchasers who may agree with the Company (i) to purchase such Debentures from the Holders thereof and convert them into shares of the Company's Common Stock and (ii) to make payment for such Debentures as aforesaid to the Trustee in trust for the Holders.

Upon due presentment for registration of transfer of this Debenture at the office or agency of the Company maintained for that purpose in accordance with the terms of the Indenture, a new Debenture or Debentures of authorized denominations for an equal aggregate principal amount will be issued to the transferee in exchange thereof, subject to the limitations provided in the Indenture, without charge except for any tax, assessment or other governmental charge imposed in connection therewith.

The Company, the Trustee, any authenticating agent, any paying agent, any conversion agent and any Debenture Registrar may deem and treat the Holder hereof as the absolute owner of this Debenture (whether or not this Debenture shall be overdue and notwithstanding any notation of ownership or other writing hereon made by anyone other than the Company or any

Debenture Registrar) for the purpose of receiving payment hereof, or on account hereof, for the conversion hereof and for all other purposes, and neither the Company nor the Trustee nor any other authenticating agent nor any paying agent nor other conversion agent nor any Debenture Registrar shall be affected by any notice to the contrary. All payments made to or upon the order of such Holder shall, to the extent of the sum or sums paid, satisfy and discharge liability for monies payable on this Debenture.

No recourse for the payment of the principal of or any premium or interest on this Debenture, or for any claim based hereon or otherwise in respect hereof, and no recourse under or upon any obligation, covenant or agreement of the Company in the Indenture or any supplemental indenture or in any Debenture, or because of the creation of any indebtedness represented thereby, shall be had against any incorporator, stockholder, employee, agent, officer or director or subsidiary, as such, past, present or future, of the Company or of any successor corporation, either directly or through the Company or any successor corporation, whether by virtue of any constitution, statute or rule of law or by the enforcement of any assessment or penalty or otherwise, all such liability being, by acceptance hereof and as part of the consideration for the issue hereof, expressly waived and released.

This Debenture shall be deemed to be a contract made under the laws of New York, and for all purposes this Debenture and all matters arising out of or related to this Debenture shall be construed in accordance with the laws of New York, without regard to conflicts of laws principles thereof.

Terms used in this Debenture and defined in the Indenture are used herein as therein defined.

THIS PURCHASE AGREEMENT (the "**Agreement**") is made as of the 3rd day of March 2006, by and among LSB Industries, Inc., a Delaware corporation ("**Company**"), and the investors listed on Schedule I (the "**Schedule of Purchasers**") attached hereto ("**Purchasers**").

WITNESSETH :

WHEREAS, pursuant to the provisions of this Agreement, the Company desires to sell to the Purchasers, and the Purchasers desire to purchase from the Company, a minimum of \$15 million principal amount (the "**Minimum Amount**") and up to \$25 million principal amount (the "**Maximum Amount**") of the Company's 7% convertible senior subordinated debentures due 2011 (the "**Debentures**") to be issued pursuant to the provisions of an indenture dated as of March 3, 2006 (the "**Indenture**") between the Company and UMB Bank, n.a., as Trustee (the "**Trustee**"); and

WHEREAS, J Giordano Securities Group ("**J Giordano**") is acting as placement agent for the Company on a "best efforts, all or none" basis with respect to the offering and sale of the Minimum Amount of Debentures and on a "best efforts, any or all" basis for the next \$5 million principal amount of Debentures up to the Maximum Amount pursuant to the terms of this Agreement; and

WHEREAS, the Debentures will be convertible into shares of common stock, par value \$.10 per share, of the Company (the "**Conversion Shares**"); and

WHEREAS, the Company and each Purchaser are executing and delivering this Agreement in reliance upon the exemption from securities registration afforded by Section 4(2) of the Securities Act of 1933, as amended ("**Securities Act**"), and Rule 506 of Regulation D ("**Regulation D**") as promulgated by the United States Securities and Exchange Commission (the "**SEC**") under the Securities Act; and

WHEREAS, pursuant to the terms of the Debentures and the Indenture, the Debentures and the Conversion Shares may be resold or otherwise transferred by the Purchasers only if the resale or transfer is hereinafter registered under the Securities Act or an exemption from registration under the Securities Act is available; and

WHEREAS, the Purchasers and their permitted transferees will be entitled to the benefits of a Registration Rights Agreement dated as of the Closing (as defined herein) by and among the Company and the Purchasers (the "**Registration Rights Agreement**"); and

WHEREAS, each Purchaser is a "qualified institutional buyer" (a "**QIB**"), as such term is defined in Rule 144A under the Securities Act, and as such the Debentures may be offered and resold by the Purchasers, without being registered under the Securities Act, to other QIBs in compliance with the exemption from registration provided by Rule 144A under the Securities Act; and

WHEREAS, in connection with the sale of the Debentures, the Company has prepared a preliminary offering memorandum and, prior to the Closing Date (defined below), will prepare a final offering memorandum (such final offering memorandum is referred to as the “**Memorandum**”) including or incorporating by reference a description of the terms of the Debentures and the Conversion Shares, the material terms of the offering and a description of the Company. As used herein, the term “Memorandum” shall include the exhibits and annexes thereto and the documents and reports incorporated by reference therein (including, but not limited to, those reports filed with the SEC pursuant to the Exchange Act, as hereafter defined) and any amendment or supplement thereto, as of and after the date thereof. The terms “**supplement**”, “**amendment**” and “**amend**” as used herein with respect to the Memorandum shall include any supplement or amendment to the Memorandum prior to the Closing and all documents incorporated by reference in the Memorandum that are filed, subsequent to the date of the Memorandum and prior to the Closing, with the SEC pursuant to the Securities Exchange Act of 1934, as amended (the “**Exchange Act**”).

NOW THEREFORE, in consideration of the mutual covenants and agreements set forth in this Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties do hereby agree as follows:

1. Purchase and Sale of Securities. On the basis of the representations and warranties contained in this Agreement and subject to its terms and conditions, the Purchasers hereby agree, severally and not jointly, to purchase from the Company, and the Company hereby agrees to issue and sell to the Purchasers, an aggregate principal amount of Debentures of not less than the Minimum Amount (the “**Minimum Purchase Amount**”) and not more than the Maximum Amount in the principal denominations per each Purchaser set forth opposite such Purchaser’s name on the Schedule of Purchasers (which shall be no more than the principal amount of the Debentures subscribed for by such Purchaser on the signature page of this Agreement executed by such Purchaser), for an aggregate purchase price per Purchaser equal to 100% of the principal amount of the Debentures purchased by such Purchaser (the “**Purchase Price**”), plus accrued interest thereon, if any, from March 3, 2006 through the Closing Date (defined below), as set forth opposite such Purchaser’s name on the Schedule of Purchasers (the “**Purchase**”). The Company shall not issue and sell more than the Maximum Amount of Debentures under the Indenture and this Agreement.

2. Closing; Payment and Delivery.

2.1 In the event that Purchasers have (a) deposited at least the Minimum Purchase Amount, plus accrued interest thereon, if any, from March 3, 2006 through the date of the Closing (defined below), into a non-interest bearing escrow account (the “**Escrow Account**”) maintained for such purpose, on behalf of J Giordano as placement agent for the Company, by Continental Stock Transfer & Trust Company (“**Escrow Agent**”), and (b) subscribed for a corresponding amount of Debentures by executing, completing and delivering their signature pages to this Agreement indicating such and their signature pages to the Registration Rights Agreement, all in accordance with the instructions set forth in the Subscription Instructions attached hereto as EXHIBIT A (the “**Subscription Instructions**”), and the Company and J Giordano have accepted, from such subscriptions, subscriptions for at least the Minimum Purchase Amount, a closing of the Purchase with respect to the subscription amounts so accepted

(the “**Closing**”) shall occur at the offices of Blank Rome LLP, The Chrysler Building, 405 Lexington Avenue, 24th Floor, New York, New York 10174 at 10:00 a.m., on March 3, 2006 (which date may be extended by mutual agreement between the Company and J Giordano but not beyond March 17, 2006) (the “**Closing Date**”), at which time the Company will execute this Agreement and payment for the Debentures (but not less than the Minimum Amount) being sold at such Closing shall be released to the Company from the Escrow Account against delivery of such Debentures, with any transfer taxes payable in connection with the transfer of the Debentures to the Purchasers duly paid, for the respective accounts of the several Purchasers participating in such Closing.

2.2 The Company has the right to reject any subscription for Debentures, in whole or in part, for any reason whatsoever, and to allot to any Purchaser less than the number of Debentures subscribed for by such Purchaser. In the event that the Company accepts only a portion of a Purchaser’s subscription and reduces the principal amount of the Debentures to be sold to the Purchaser hereunder, the Purchase Price deposited into the Escrow Account by the Purchaser with respect to the unaccepted portion of the subscription, as well as any accrued interest deposited by the Purchaser with respect thereto, shall be returned to the Purchaser.

2.3 The Debentures delivered for the account of each Purchaser shall be in definitive form or global form, as specified by such Purchaser and registered in such names and in such denominations as requested in writing by such Purchaser not later than two full business days prior to the Closing Date.

3. Representations and Warranties of the Company. The Company has prepared, executed and delivered to each Purchaser a disclosure statement (the “**Disclosure Statement**”) setting forth exceptions to the representations and warranties contained in this Section 3 in paragraphs numbered to correspond to the sections to which they apply. The Company hereby represents and warrants to each Purchaser as of the date hereof and as of the Closing Date of the sale of Debentures to such Purchaser that, except as set forth in the Disclosure Statement, the following representations and warranties are true and correct.

3.1 As of their respective dates, each document, filed by the Company with the SEC pursuant to the Exchange Act and incorporated by reference in the Memorandum, as any of such documents may have been subsequently amended by filings made by the Company with the SEC prior to the Closing Date (the “**Incorporated Documents**”), complied in all material respects with the requirements of the Exchange Act and the applicable rules and regulations of the SEC thereunder, and none of the Incorporated Documents or the Memorandum contains, and on the Closing Date, none of the Incorporated Documents or the Memorandum will contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

3.2 The Company is a corporation duly organized, validly existing and in good standing under the laws of the State of Delaware, with full corporate power and authority, to own or lease, as the case may be, and operate its properties, whether tangible or intangible, and to conduct its business as described in the Memorandum and is duly qualified as a foreign corporation to transact business and is in good standing in each jurisdiction in which the conduct

of its business or its ownership or leasing of property requires such qualification, except to the extent that the failure to be so qualified or be in good standing would not have a material adverse effect on the Company and its Subsidiaries taken as a whole.

3.3 The Company has no subsidiaries other than these subsidiaries set forth in the Disclosure Statement (the “**Subsidiaries**”). Unless the context requires otherwise, all references to the Company include the Subsidiaries. Each Subsidiary is a corporation duly organized, validly existing and in good standing under the laws of its state of incorporation as set forth in the Disclosure Statement, with full corporate power and authority to own or lease, as the case may be, and operate its properties, whether tangible or intangible, and to conduct its business as currently conducted. Each Subsidiary is duly qualified as a foreign corporation to transact business and is in good standing in each jurisdiction in which the conduct of its business or the ownership or leasing of property requires such qualification, except to the extent that the failure to be so qualified or be in good standing would not have a material adverse effect on the Company and the Subsidiaries taken as a whole. The Company owns all of the issued and outstanding shares of capital stock (or other equity or ownership interests) of each Subsidiary, and such ownership is free and clear of any security interests, liens, encumbrances, claims and charges, and all of such shares have been duly authorized and validly issued, and are fully paid and nonassessable. There are no options or warrants for the purchase of, or other rights to purchase, or other securities convertible or exercisable into or exchangeable for, any capital stock or other securities of any Subsidiary.

3.4 The Company does not presently own, directly or indirectly, an interest in any corporation, association, or other business entity, and is not a party to any joint venture, partnership, or similar arrangement, other than the Subsidiaries.

3.5 The authorized capital stock of the Company conforms in all material respects to the description thereof contained in the Memorandum and such description conforms in all material respects to the rights in the instruments defining the same.

3.6 The shares of common stock of the Company outstanding prior to the issuance of the Maximum Amount of the Debentures have been duly authorized and are validly issued, fully paid and non-assessable.

3.7 The Maximum Amount of the Debentures to be sold under this Agreement have been duly authorized and, when executed and authenticated in accordance with the provisions of the Indenture and delivered to and paid for by the Purchasers in accordance with the terms of this Agreement, will be valid and binding obligations of the Company, enforceable in accordance with their terms, subject to applicable bankruptcy, reorganization, insolvency, moratorium and similar laws affecting creditors’ rights generally (including, without limitation, statutory or other laws regarding fraudulent preferential transfers) and equitable principles of general applicability, and the holders thereof will be entitled to the benefits of the Indenture and the Registration Rights Agreement, although the indemnification and contribution provisions contained in the Transaction Documents (as hereafter defined) may also be limited under applicable law and by public policy.

3.8 The Conversion Shares have been duly authorized and reserved and, when issued upon conversion of the Debentures in accordance with the terms of the Debentures, will be validly issued, fully paid and non-assessable, and the issuance of the Conversion Shares will not be subject to any preemptive or similar rights.

3.9 Except for the registration rights contained in the Registration Rights Agreement, the Company has not granted or agreed to grant to any person any rights (including "piggy-back" registration rights) to have any securities of the Company registered with the SEC or any other governmental authority that have not been satisfied or waived.

3.10 There are no stockholders agreements, voting agreements, voting trusts, proxies or other agreements or understandings with respect to the voting of any capital stock of the Company of which the Company is a party.

3.11 Each of this Agreement, the Indenture, the Registration Rights Agreement, the Debentures and the Escrow Agreement (the "**Transaction Documents**") has been duly authorized, executed and delivered by, and is a valid and binding agreement of, the Company enforceable in accordance with its terms, subject to applicable bankruptcy, reorganization, insolvency, moratorium and similar laws affecting creditors' rights generally (including, without limitation, statutory or other laws regarding fraudulent preferential transfers) and equitable principles of general applicability and except as rights to indemnification and contribution under the Transaction Documents may be limited under applicable law and by public policy.

3.12 The execution and delivery by the Company, and the performance by the Company of its obligations under the Transaction Documents will not conflict with or contravene in any material respect, cause a breach or violation of or default under, any provision of applicable law or the certificate of incorporation or by-laws of the Company or any agreement or other instrument binding upon the Company or any Subsidiary that is material to the Company and the Subsidiaries, taken as a whole, for which a waiver or consent has not been obtained, or any judgment, order or decree of any governmental body, agency or court having jurisdiction over the Company, or any Subsidiary, and no consent, approval, authorization or order of, or qualification with, any governmental body or agency is required for the performance by the Company of its obligations under the Transaction Documents, except such as may be required by the securities or Blue Sky laws of the various states in connection with the offer and sale of the Debentures and by Federal and state securities laws with respect to the obligations of the Company under the Registration Rights Agreement or as may be required by the National Association of Securities Dealers, Inc. or such the failure of which to obtain would not have a material adverse effect on the Company and the Subsidiaries taken as a whole.

3.13 There has not occurred any material adverse change, or any development involving a prospective material adverse change, in the condition, financial or otherwise, or in the earnings, business, operations or prospects of the Company and the Subsidiaries, taken as a whole, whether or not arising in the ordinary course of business from that set forth in the Memorandum. Except as disclosed in the Memorandum, since January 1, 2005, there have been no transactions entered into by the Company or any Subsidiary, other than those in the ordinary course of business, which are material with respect to the Company and the Subsidiaries, taken as a whole. Except as set forth in the Memorandum, since January 1, 2005, there has been no obligation, contingent or otherwise, directly or indirectly, incurred by the Company or any Subsidiary material to the Company and the Subsidiaries taken as a whole.

3.14 None of the Company nor any Subsidiary is in violation of its charter or by-laws or in default in the performance of any obligation, agreement, covenant or condition contained in any indenture, loan agreement, mortgage, lease or other agreement or instrument that is material to the Company and the Subsidiaries taken as a whole to which the Company or any Subsidiary is a party or by which the Company or any Subsidiary or any of their properties is bound, except for such defaults that would not, singly or in the aggregate, have a material adverse effect on the Company and the Subsidiaries taken as a whole.

3.15 There are no legal or governmental proceedings, orders, judgments, writs, injunctions, decrees or demands pending or, to the Company's knowledge, threatened to which the Company or any Subsidiary is a party or to which any of the properties of the Company or any Subsidiary is subject other than proceedings, orders, judgments, writs, injunctions, decrees or demands accurately described in all material respects in the Memorandum and proceedings, orders, judgments, writs, injunctions, decrees or demands that would not have a material adverse effect on the Company and the Subsidiaries taken as a whole or on the power or ability of the Company to perform its obligations under the Transaction Documents or to consummate the transactions contemplated by the Memorandum.

3.16 Except as set forth in the Memorandum, to the Company's knowledge, the Company and each Subsidiary (a) is in compliance with any and all applicable foreign, federal, state and local laws and regulations relating to the protection of human health and safety, the environment or hazardous or toxic substances or wastes, pollutants or contaminants ("**Environmental Laws**"), (b) has received all permits, licenses or other approvals required of it under applicable Environmental Laws to conduct its business, (c) is in compliance with all material terms and conditions of any such permit, license or approval, (d) is in compliance with any provisions of the employee Retirement Income Security Act of 1974, as amended, ("**ERISA**") or the rules and regulations promulgated thereunder and (e) is in compliance with any provisions of the Foreign Corrupt Practice Act or the rules and regulations promulgated thereunder, except, with respect to clauses (a) through (e), where such noncompliance with Environmental Laws, failure to receive required permits, licenses or other approvals, or noncompliance with ERISA or the Foreign Corrupt Practices Act or failure to comply with the terms and conditions of such permits, licenses or approvals, would not, singly or in the aggregate, have a material adverse effect on the Company and the Subsidiaries, taken as a whole.

3.17 Except as set forth in the Memorandum, there are no costs or liabilities to the Company or any Subsidiary associated with Environmental Laws (including, without limitation, any capital or operating expenditures required for clean-up, closure of properties or compliance with Environmental Laws or any permit, license or approval, any related constraints on operating activities and any potential liabilities to third parties) which would, singly or in the aggregate, have a material adverse effect on the Company and the Subsidiaries taken as a whole.

3.18 None of the Company nor any Subsidiary is, and giving effect to the offering and sale of the Debentures and the application of the proceeds thereof as described in the Memorandum will be, required to register as an "investment company" as such term is defined in the Investment Company Act of 1940, as amended.

3.19 None of the Company, any Subsidiary nor any of its affiliates (as defined in Rule 501(b) of Regulation D, each an “Affiliate”) has directly, or based on the representations of J Giordano to the Company through any agent, (a) sold, offered for sale, solicited offers to buy or otherwise negotiated in respect of, any security (as defined in the Securities Act) which is or will be integrated with the sale of the Debentures in a manner that would require the registration under the Securities Act of the Debentures or (b) offered, solicited offers to buy or sell the Debentures by any form of general solicitation or general advertising (as those terms are used in Regulation D) or in any manner involving a public offering within the meaning of Section 4(2) of the Securities Act.

3.20 Subject to compliance by the Purchasers with the representations and warranties set forth in Section 4, it is not necessary in connection with the offer, sale and delivery of the Debentures to the Purchasers in the manner contemplated by this Agreement to register the Debentures under the Securities Act or to qualify the Indenture under the Trust Indenture Act of 1939, as amended.

3.21 Subject to the compliance by the Purchasers with the representations and warranties set forth in Section 4, the Debentures are eligible for resale pursuant to Rule 144A and will not be, at any Closing, of the same class of securities listed on a national securities exchange registered under Section 6 of the Exchange Act, or quoted on the U.S. automated inter-dealer quotation system.

3.22 The books, records and accounts of the Company in all material respects accurately and fairly reflect, in reasonable detail, the transactions in, and dispositions of, the assets of, and the results of operations of, the Company. The Company maintains a system of accounting controls sufficient to provide reasonable assurances that (a) transactions are executed in accordance with management’s general or specific authorization, (b) transactions are recorded as necessary to permit preparation of financial statements in conformity with generally accepted accounting principles and to maintain accountability for assets, (c) access to assets is permitted only in accordance with management’s general or specific authorization and (d) the recorded accountability for assets is compared with existing assets at reasonable intervals and appropriate action is taken with respect to any differences.

3.23 Except as described in the Memorandum, each of the Company and each Subsidiary owns or possesses, or has the right to use, all material patents, patent rights, licenses, inventions, copyrights, know-how (including trade secrets and other unpatented and/or unpatentable proprietary or confidential information, systems or procedures), trademarks, service marks and trade names currently employed or required by it in connection with the business currently conducted by it as described in the Memorandum, except such as the failure to so own or possess or have the right to use would not have, singly or in the aggregate, a material adverse affect on the Company and the Subsidiaries taken as a whole. To the Company’s knowledge, there are no valid and enforceable United States patents that are infringed by the business currently conducted by the Company or any Subsidiary, or as currently proposed to be conducted by the Company or any Subsidiary, as described in the Memorandum and which infringement

would have a material adverse effect on the Company and the Subsidiaries taken as a whole. The Company is not aware of any basis for a finding that the Company does not have valid title or license rights to the patents and patent applications referenced in the Memorandum as owned or licensed by the Company or any Subsidiary, and, to the Company's knowledge, none of the Company nor any Subsidiary is subject to any judgment, order, writ, injunction or decree of any court or any Federal, state, local, foreign or other governmental department, commission, board, bureau, agency or instrumentality, domestic or foreign, or any arbitrator, nor has it entered into or is it a party to any contract, which restricts or impairs the use of any of the foregoing which would have a material adverse effect on the Company and the Subsidiaries taken as a whole. Neither the Company nor any Subsidiary has received any written notice of infringement of or conflict with asserted rights of any third party with respect to the business currently conducted by it as described in the Memorandum and which would have a material adverse effect on the Company and the Subsidiaries taken as a whole.

3.24 Other than with respect to Environmental Laws and ERISA (which are governed by Section 3.16 above), each of the Company and each Subsidiary has such permits, licenses, consents, exemptions, franchises, authorizations and other approvals (each, an "**Authorization**") of, and has made all filings with and notices to, all appropriate federal, state, local or foreign governmental or regulatory authorities and self regulatory organizations and all courts and other tribunals, as are necessary to own, lease, license and operate its respective properties and to conduct its business, except to the extent the failure to have any such Authorization or to make any such filing or notice would not, singly or in the aggregate, have a material adverse effect on the Company and the Subsidiaries taken as a whole. Each such Authorization is valid and in full force and effect and the Company and each Subsidiary is in compliance with all the material terms and conditions thereof and with the rules and regulations of the authorities and governing bodies having jurisdiction with respect thereto, and no event has occurred (including, without limitation, the receipt of any notice from any authority or governing body) which allows or, after notice or lapse of time or both, would allow, revocation, suspension or termination of any such Authorization or results or, after notice or lapse of time or both, would result in any other impairment of the rights of the holder of any such Authorization except to the extent such failure to be valid and in full force and effect or to be in compliance, the occurrence of any such event or the presence of any such restriction would not, singly or in the aggregate, have a material adverse effect on the Company and the Subsidiaries taken as a whole.

3.25 There are no outstanding subscriptions, rights, warrants, options, calls, convertible securities, commitments of sale or liens granted or issued by the Company relating to or entitling any person to purchase or otherwise to acquire any shares of the capital stock of the Company, except as otherwise disclosed in the Memorandum.

3.26 The financial statements included or incorporated by reference in the Memorandum as the same may have been amended prior to the date of the Memorandum, together with related schedules and notes, present fairly in all material respects the financial position, results of operations and changes in financial position of the Company and its consolidated subsidiaries on the basis stated therein at the respective dates or for the respective periods to which they apply; such statements and related schedules and notes have been prepared in accordance with generally accepted accounting principles consistently applied throughout the periods involved, except as disclosed therein; and the other financial and statistical information

and data set forth in the Memorandum are, in all material respects, accurately presented and prepared on a basis consistent with such financial statements and the books and records of the Company. The financial information set forth under the captions "Summary Financial Data" and "Capitalization" in the Memorandum is derived from the accounting records of the Company and its subsidiaries, has been computed on a basis consistent with the audited financial statements in the Memorandum and fairly presents in all material respects, on the basis stated in the Memorandum, the information included therein. The Company's ratio of earnings to fixed charges set forth in the Memorandum has been calculated in compliance with Item 503(d) of Regulation S-K under the Securities Act.

3.27 There are no existing or, to the Company's knowledge, threatened labor disputes with the employees of the Company or any Subsidiary which would have a material adverse effect on the Company and the Subsidiaries taken as a whole.

3.28 The Company's and the Subsidiaries' manufacturing, distribution and marketing practices are in compliance with all applicable laws, rules, regulations, orders, licenses, judgments, writs, injunctions and decrees in each country in which the Company's and the Subsidiaries' products are marketed, except for such noncompliances that would not have a material adverse effect on the Company and the Subsidiaries taken as a whole.

3.29 None of the Company nor any Subsidiary has received any written communication notifying the Company or such Subsidiary as to the termination or threatened termination or modification or threatened modification of any consulting, licensing, marketing, research and development, cooperative or any similar agreement described in the Memorandum.

3.30 The statements relating to legal matters, documents or proceedings included in the Memorandum under the captions "Description of Capital Stock," "Plan of Distribution" and "Notice to Investors" and in "Item 3 - Legal Proceedings" of the Company's most recent annual report on Form 10-K/A and in "Item 1 - Legal Proceedings" of the Company's quarterly reports on Forms 10-Q/A and 10-Q included or incorporated by reference in the Memorandum fairly summarize in all material respects such matters, documents or proceedings.

3.31 Neither the Company nor any Subsidiary, nor to the Company's knowledge, any of its officers, directors or Affiliates has taken, directly or indirectly, any action designed to or which has constituted the stabilization or manipulation of the price of the common stock of the Company or any security convertible into or exchangeable for common stock of the Company to facilitate the sale or resale of any of the Debentures.

3.32 Each of the Company and each Subsidiary has filed all Federal, state, local and foreign tax returns which are required to be filed through the date hereof (except where the failure to so file would not have a material adverse effect on the Company and the Subsidiaries taken as a whole), which returns are true and correct in all material respects, or have received extensions thereof, and have paid all taxes shown on such returns and all assessments received by them to the extent that the same are material and have become due. All tax liabilities are adequately provided for on the books of the Company and the Subsidiaries. To the Company's knowledge, there are no tax audits or investigations pending, which if adversely determined, would have a material adverse effect on the Company and the Subsidiaries taken as a whole.

3.33 Each of the Company and each Subsidiary is insured against such losses and risks and in such amounts as are customary in the businesses in which it is engaged, including but not limited to, insurance covering product liability and real or personal property owned or leased against theft, damage, destruction, act of vandalism and all other risks customarily insured against in its respective industries. All policies of insurance and fidelity or surety bonds insuring the Company, any Subsidiary or the Company's or any Subsidiary's businesses, assets, employees, officers and directors are in full force and effect. The Company and each Subsidiary is in compliance with the terms of such policies and instruments in all material respects. The Company has no reason to believe that it and the Subsidiaries will not be able to renew their existing insurance coverage as and when such coverage expires or to obtain similar coverage from similar insurers as may be necessary to continue its business at a cost that would not have a material adverse effect on the Company and the Subsidiaries taken as a whole. Since January 1, 2004, neither the Company nor any Subsidiary has been denied any insurance coverage which it has sought or for which it has applied.

3.34 The Company and each Subsidiary has good and marketable title in fee simple to all real property and good and marketable title to all personal property owned by it, in each case free and clear of all liens, encumbrances and defects except such as are described in the Memorandum or such as do not have a material adverse effect on the Company and its Subsidiaries as a whole. Any real property and buildings held under lease by the Company and each Subsidiary is held by it under valid, subsisting and enforceable leases with such exceptions as do not have a material adverse effect on the Company and its Subsidiaries as a whole.

3.35 There is no document, contract or other agreement of a character required to be filed with the SEC under the Exchange Act which is not filed as required by the Exchange Act or the rules and regulations of the SEC thereunder. Each description of a contract, document or other agreement in the Memorandum fairly reflects in all material respects the material terms of the underlying document, contract or agreement. Each material agreement described in the Memorandum or incorporated by reference is in full force and effect and is valid and enforceable by and against the Company in accordance with its terms.

3.36 The Company is subject to the reporting requirements of Section 13 or Section 15(d) of the Exchange Act. Since January 1, 2004, the Company has timely filed with the SEC all reports required to be filed under the Exchange Act and the Company is and, as of the time of the Closing will be, current in its reporting obligations under the Exchange Act. The Company has responded to all comments raised by the SEC with respect to the Company's reports, registration statements and other filings made with the SEC to the SEC's satisfaction, and no comments which could have an adverse effect on the Company's consolidated financial condition or results of operations (past or future) or could require a restatement of previously filed financial statements remained unresolved with the SEC.

3.37 There is and there has been no failure on the part of the Company and the Subsidiaries or any of the officers or directors of the Company or any Subsidiary to comply in all material respects with the Sarbanes-Oxley Act of 2002 and the rules and regulations promulgated in connection therewith.

3.38 The Company has not distributed and, prior to the Closing, will not distribute any offering material in connection with the offering and sale of the Debentures other than the Memorandum.

3.39 Neither the Company nor any of its Affiliates has directly or indirectly, solicited any offer to buy, sell or offered to sell or otherwise negotiated in respect of, or will solicit an offer to buy, sell or offer to sell, or otherwise negotiate in respect of any security which might be integrated with the sale of the Debentures or the Conversion Shares in a manner that would require the Debentures to be registered under the Securities Act. Except as set forth in the Memorandum, there are no persons with registration rights or similar rights to have any securities registered by the Company under the Securities Act. No registration under the Securities Act of the Debentures or the Conversion Shares is required for the sale of the Debentures and Conversion Shares to the Purchasers under this Agreement and the Memorandum, assuming the accuracy of the Purchasers' representations, warranties and agreements set forth in Section 4.

3.40 The Debentures and the Indenture will conform in all material respects to the respective statements relating thereto contained in the Memorandum and will be in substantially the respective forms last delivered to the Purchasers prior to the date of this Agreement.

3.41 The Company has established and maintains disclosure controls and procedures (as such term is defined in Rule 13a-14 and 15d-14 under the Exchange Act); such disclosure controls and procedures are designed to ensure that material information relating to the Company, including its consolidated subsidiaries, is made known to the Company's Chief Executive Officer and its Chief Financial Officer by others within those entities, and such disclosure controls and procedures are reasonably effective to perform the functions for which they were established, subject to the limitation of any such control system; the Company's auditors and the Audit Committee of the Board of Directors of the Company have been advised of: (A) any significant deficiencies in the Company's ability to record, process, summarize, and report financial data; and (B) any fraud, whether or not material, that involves management or other employees who have a role in the Company's internal controls; any material weaknesses in internal controls have been identified for the Company's auditors; and since the date of the most recent evaluation of such disclosure controls and procedures, there have been no significant changes in internal controls or in other factors that could significantly affect internal controls, including any corrective actions with regard to significant deficiencies and material weaknesses.

3.42 The Company acknowledges that it has engaged J Giordano as placement agent in connection with the Purchase. Neither the Company nor, based on the representations of J Giordano to the Company, any of its agents has engaged or will engage in any form of general solicitation or general advertising (within the meaning of Regulation D) in connection with the Purchase.

3.43 No event, liability, development or circumstance has occurred or exists with respect to the Company that would be required to be disclosed by the Company under applicable securities laws which has not been publicly announced as of the date hereof. The Company confirms that neither it nor, based on the representations of J Giordano to the Company, any other person acting on its behalf, has provided any of the Purchasers or their agents or counsel with any information that constitutes material, nonpublic information. The Company understands and confirms that each of the Purchasers will rely on the foregoing representations of the Company in effecting transactions in securities of the Company. All disclosures provided to the Purchasers in the Memorandum, and all disclosures made by the Company or made on behalf of the Company but approved in advance by the Company, regarding the Company, its business and the transactions contemplated hereby, are true and correct and do not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading.

3.44 Subject to the compliance by each Purchaser with the representations and warranties set forth in Section 4, the Company has caused or will cause to be timely filed with each applicable jurisdiction corresponding to the principal place of business of each Purchaser (as same has been provided by such Purchasers) all appropriate documentation required for the registration of the Purchase of the Debentures under applicable state law or required to secure an exemption from such registration requirements, except nothing contained herein will require the Company to (i) qualify generally to do business in any jurisdiction where it is not then so qualified, (ii) to take action that would subject it to general service of process in any jurisdiction where it is not so subject or (iii) subject it to taxation in excess of a nominal dollar amount in any such jurisdiction where it is not then subject.

4. Representations and Warranties of the Purchasers. Each of the Purchasers, severally and not jointly, hereby represents and warrants to the Company as of the date hereof as to itself that:

4.1 Authorization. The Transaction Documents to which such Purchaser is a signatory constitute valid and legally binding obligations of the Purchaser, enforceable in accordance with their respective terms, except (a) as limited by applicable bankruptcy, insolvency, reorganization, moratorium, and other laws of general application affecting enforcement of creditors' rights generally, (b) as limited by laws relating to the availability of specific performance, injunctive relief, or other equitable remedies, and (c) to the extent the indemnification provisions contained in the Transaction Documents may be limited by applicable federal or state laws.

4.2 Purchase Entirely for Own Account. The Debentures acquired by each Purchaser will be acquired for investment for such Purchaser's own account. Each Purchaser has full power and authority to enter into this Agreement.

4.3 Disclosure of Information. It acknowledges that it has received and reviewed the Memorandum and the Disclosure Statement. It acknowledges that it has received all the information that it has requested relating to the Company and the purchase of the Debentures and further represents that it has had an opportunity to ask questions and receive answers from the Company regarding the terms and conditions of the Purchase. The foregoing, however, does not limit or modify the representations and warranties of the Company in Section 3 of this Agreement or the right of the Purchaser to rely thereon.

4.4 Restricted Securities. It understands that the Debentures and the Conversion Shares are characterized as “restricted securities” under the federal securities laws inasmuch as they are being acquired from the Company in a transaction not involving a public offering, and that under such laws and applicable regulations such securities may be resold without registration under the Act, only in certain limited circumstances. In this connection, it represents that it is familiar with SEC Rule 144, as presently in effect, and understands the resale limitations imposed thereby and by the Act. The transfer restrictions and other provisions set forth in the Memorandum under the caption “Notice to Investors,” including the legend required thereby, shall apply to the Debentures and the Conversion Shares.

4.5 QIB; Accredited Investor. It is a QIB and an institutional “accredited investor” within the meaning of Regulation D under the Securities Act; and it agrees with the Company that (a) it will not solicit offers for, or offer or sell, Debentures by any form of general solicitation or general advertising (as those terms are used in Regulation D) or in any manner involving a public offering within the meaning of Section 4(2) of the Securities Act and (b) prior to the registration of the Debentures under the Securities Act, it will solicit offers for such Debentures only from, and will offer such Debentures only to, persons that it reasonably believes to be QIBs. Each Purchaser will take reasonable steps to inform persons acquiring Debentures from it that the Debentures have not been registered under the Securities Act and are being sold to them without registration under the Securities Act in reliance on Rule 144A or in accordance with another exemption from registration under the Securities Act.

4.6 Release of Funds. It hereby acknowledges and agrees that the Purchase Price for the Debentures being purchased by it hereunder, plus any accrued interest thereon through the Closing Date, has been previously (or prior to the Closing will be) wired by the Purchaser to the Escrow Agent, and that, upon the Escrow Agent’s receipt of executed (by the Company and such Purchaser) copies of this Agreement and the Registration Rights Agreement, the Indenture executed by the Company and the Trustee, the deliverables set forth in Section 5 below and a joint disbursement instruction from the Company and J Giordano covering such Purchase Price funds (“**Disbursement Letter**”), the Escrow Agent will wire transfer such Purchase Price funds in accordance with the Disbursement Letter, provided, however, that if no Disbursement Letter is received by the Escrow Agent on or prior to March 17, 2006 with respect to such Purchaser’s funds, such funds shall be returned without interest to the Purchaser.

4.7 Purchasers’ Indemnification of the Company. Each Purchaser hereby indemnifies and holds the Company and its officers, directors and agents free from any liability they may incur (including the costs of defending any legal action brought against any of the foregoing parties) as a result of any breach by such Purchaser of the representations of the Purchaser set forth in this Section 4.

4.8 J Giordano Fees. The Purchasers acknowledge that J Giordano is acting as placement agent in connection with the Purchase and will receive a fee from the Company for such services equal to 6.0% of the aggregate Purchase Price paid by the Purchasers for the Debentures. The Company shall also pay up to \$30,000 in reimbursement of legal fees, disbursements and expenses incurred by J Giordano after December 6, 2005 in connection with

the offering of the Debentures, unless such fees, disbursements or expenses are the result of a breach by J Giordano of the terms of the engagement letter, as amended, between the Company and J Giordano. In addition, if within six (6) months following the Closing Date, the Company sells, directly or indirectly, securities to any Purchaser (other than securities issued in connection with a working capital loan or facility or project debt financing, an underwritten public offering or if the engagement letter between the Company and J Giordano is terminated by the Company due to the gross negligence or bad faith of J Giordano or material breach of this engagement letter by J Giordano), J Giordano will be entitled to receive the same compensation with respect to such sale of securities as it will receive in connection with the Purchase.

5. Conditions to the Purchasers' Obligations. The obligations of each Purchaser to purchase and pay for the Debentures set forth opposite its name on the Schedule of Purchasers on the Closing Date are subject to the accuracy of the representations and warranties of the Company contained in this Agreement or in any certificate of any officer of the Company delivered pursuant to this Agreement and to the following further conditions:

5.1 Officer's Certificate. The Purchasers shall have received on the Closing Date a certificate, dated the Closing Date and signed by an executive officer of the Company, to the effect that the representations and warranties of the Company contained in this Agreement are true and correct as of the Closing Date and that the Company has complied with all of the agreements and satisfied all of the conditions on its part to be performed or satisfied hereunder on or before such Closing Date.

5.2 Opinion of Counsel. The Purchasers shall have received on such Closing Date an opinion of Conner & Winters, LLP, counsel for the Company, dated such Closing Date, to the effect set forth in EXHIBIT B attached hereto. Such opinion shall be rendered to the Purchasers at the request of the Company and shall so state therein.

5.3 Accountant's Consent. A conformed copy of the letter, dated as of the date of the Memorandum, from Ernst & Young LLP, independent public accountants, in the form of Annex F to the Memorandum consenting to the Company's incorporation in the Memorandum of its report in the Company's Annual Report on Form 10-K/A for the year ended December 31, 2004 shall have been included in the Memorandum.

5.4 Good Standing Certificate. The Purchasers shall have received on the Closing Date a certificate, dated as of a date within a reasonably current date prior to such Closing, issued by the proper authority in Delaware to the effect that the Company is legally existing and in good standing.

5.5 Secretary's Certificate. The Purchasers shall have received on such Closing Date a certificate, dated as of such Closing Date, executed by the Secretary of the Company certifying the resolutions adopted by the Company's board of directors relating to the transactions contemplated by this Agreement.

5.6 Lock-Up Agreements. The "lock-up" agreements, each substantially in the form of EXHIBIT C attached hereto, between J Giordano and certain executive officers and directors of the Company relating to sales and certain other dispositions of shares of common stock or certain other securities, delivered to J Giordano on or before such Closing Date, shall be in full force and effect on such Closing Date.

5.7 Registration Rights Agreement. The Company shall have duly executed the Registration Rights Agreement in the form attached hereto as EXHIBIT D.

5.8 Indenture. The Company and the Trustee shall have each duly executed the Indenture.

5.9 DTC. The Debentures shall be eligible for clearance and settlement through the facilities of the Depository Trust Company.

6. Covenants of the Company. In further consideration of the agreements of the Purchasers contained in this Agreement, the Company covenants with each Purchaser as follows:

6.1 The Company hereby agrees that, without the prior written consent of J Giordano, it will not, during the period ending 90 days after the date of the Memorandum, (a) offer, pledge, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase, lend, or otherwise transfer or dispose of, directly or indirectly, any shares of common stock of the Company or any securities convertible into or exercisable or exchangeable for common stock of the Company or (b) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of the common stock of the Company, whether any such transaction described in clause (a) or (b) above is to be settled by delivery of common stock or such other securities, in cash or otherwise. The foregoing sentence shall not apply (1) to the sale of the Debentures under this Agreement, (2) to the issuance by the Company of any shares of common stock upon the exercise of an option or warrant or the conversion of a security outstanding on the date hereof, (3) to the grant of any option or issuance of any stock or stock appreciation right under any plan outstanding on the date hereof; (4) in connection with any bona-fide merger or acquisition as approved by the Company's Board of Directors; *provided* that any issuance by the Company of shares of common stock is not to raise cash to fund such merger or acquisition; (5) in connection with any bona-fide strategic agreement, joint venture agreement, limited liability agreement or similar agreement entered into with any supplier, manufacturer, distributor or customer that is approved by the Company's Board of Directors, the primary purpose of which is not to raise cash; *provided, however*, that in the case of any dispositions pursuant to (4) or (5), the transferee, in each case, agrees to be bound by the terms of the previous sentence; or (6) grant a warrant to purchase the Company's common stock in connection with a bona fide lending transaction or a project or facility financing transaction.

6.2 Neither the Company nor any of its Affiliates has or will sell, offer for sale or solicit offers to buy or otherwise negotiate in respect of any security (as defined in the Securities Act) which could be integrated with the sale of the Debentures or the Conversion Shares in a manner which would require the registration under the Securities Act of the Debentures.

6.3 The Company will not solicit any offer to buy or offer or sell the Debentures or the Conversion Shares by means of any form of general solicitation or general advertising (as those terms are used in Regulation D) or in any manner involving a public offering within the meaning of Section 4(2) of the Securities Act.

6.4 While any of the Debentures or the Conversion Shares remain “restricted securities” within the meaning of the Securities Act, the Company will make available, upon request, to any seller of such Debentures the information specified in Rule 144A(d)(4) under the Securities Act, unless the Company is then subject to Section 13 or 15(d) of the Exchange Act.

6.5 The Company will use its commercially reasonable efforts to permit the Debentures to be designated PORTAL securities in accordance with the rules and regulations adopted by the National Association of Securities Dealers, Inc. relating to trading in the PORTAL Market.

6.6 During the period of two years after the Closing Date, the Company will not, and will not permit any of its Affiliates under its control (as defined in Rule 144 under the Securities Act) to resell any of the Debentures or the Conversion Shares which constitute “restricted securities” under Rule 144 that have been reacquired by any of them.

6.7 Neither the Company nor any of its Affiliates will take any action prohibited by Regulation M under the Exchange Act in connection with the sale and distribution of the Debentures contemplated hereby.

6.8 Until the date on which the Purchasers shall have sold all the Conversion Shares held by them and none of the Debentures are outstanding, the Company shall timely file all reports required to be filed with the SEC pursuant to the Exchange Act, and the Company shall not terminate its status as an issuer required to file reports under the Exchange Act even if the Exchange Act or the rules and regulations thereunder would otherwise permit such termination.

6.9 The Company shall take all action necessary to at all times have authorized, and reserved for the purpose of issuance, the number of shares of Common Stock issuable as Conversion Shares.

6.10 The Company will take such actions as may be reasonably required or desirable to carry out the provisions of this Agreement and the other Transaction Documents.

6.11 The Company shall cause the Conversion Shares to be duly included for quotation on the American Stock Exchange (“AMEX”) prior to the Closing Date, subject to notice of official issuance. The Company will ensure that such Conversion Shares remain included for quotation on the AMEX or any other national securities exchange following the Closing Date for so long as any shares of the Company’s common stock remain registered under the Exchange Act.

6.12 The Company shall maintain such controls and other procedures, including without limitation those required by Section 302 of the Sarbanes-Oxley Act and the applicable regulations thereunder, that are reasonably designed to ensure that information required to be disclosed by the Company in the reports that it files or submits under the Exchange Act is recorded, processed, summarized and reported within the time periods specified

in the SEC's rules and forms, including without limitation, controls and procedures reasonably designed to ensure that information required to be disclosed by the Company in the reports that it files or submits under the Exchange Act is accumulated and communicated to the Company's management, including its Chief Executive Officer and its Principal Financial Officer, or persons performing similar functions, as appropriate to allow timely decisions regarding required disclosure, to ensure that material information relating to the Company, including its Subsidiaries, is made known to them by others within those entities.

6.13 The Company shall, by 8:30 a.m. Eastern time on the Trading Day (as such term is defined in Indenture) following the Closing Date, issue a press release with respect to the issuance of the Debenture and the closing of the transactions contemplated hereby and prior to the expiration of two Trading Days following the Closing Date, file a Current Report on Form 8-K, disclosing the material terms of the transactions contemplated hereby, and attaching as exhibits thereto this Agreement, the Registration Rights Agreement, and the Indenture.

7. Indemnification.

7.1 The Company agrees to indemnify and hold harmless each Purchaser, each person, if any, who controls any Purchaser within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act, and each Affiliate of any Purchaser (individually, the "**Indemnified Person**" or collectively the "**Indemnified Person**") from and against any and all losses, claims, damages and liabilities (including, without limitation, any legal or other expenses reasonably incurred in connection with defending or investigating any such action or claim) (a) caused by any untrue statement or alleged untrue statement of a material fact contained in the Memorandum (as amended or supplemented if the Company shall have furnished any amendments or supplements thereto), (b) caused by any omission or alleged omission to state in the Memorandum a material fact necessary to make the statements therein in the light of the circumstances under which they were made not misleading or (c) that arise out of or are based upon any material breach of any representation, warranty, agreement obligation or covenant of the Company contained herein. The Company shall not be responsible hereunder to any Indemnified Person for any consequential damages or losses, claims or liabilities (or expenses relating thereto) that are finally judicially determined to have resulted from the bad faith or gross negligence of such Indemnified Person.

7.2 Promptly after receipt of notice of the commencement of any action in respect of which indemnity may be sought against the Company under this Section 7, the Indemnified Person will notify the Company in writing of the commencement thereof, and the Company will, subject the provisions hereinafter stated, assume the defense of such action (including the employment of counsel reasonably satisfactory to the Indemnified Person and the payment of expenses in connection with such defense) insofar as such action relates to an alleged liability in respect of which indemnity may be sought against the Company under this Section. After notice from the Company of its election to assume the defense of such claim or action, and provided it continues to meet its obligations hereunder, the Company shall no longer be liable to the Indemnified Person under this Section for any legal or other expenses subsequently incurred by the Indemnified Person in connection with the defense thereof other than reasonable costs incurred prior to the Company assuming the defense of such action; provided, however, that if in the reasonable good faith judgment of the Indemnified Person or Persons, because of a conflict

of interest of the counsel employed by Company, to be represented by separate counsel, the Indemnified Person or Persons shall have the right to employ separate counsel to represent the Indemnified Persons who may be subject to liability arising out of any claim in respect of which indemnity may be sought by the Indemnified Persons thereof against the Company, in which event the reasonable fees and expenses of one such separate counsel to represent all of the Indemnified Persons shall be borne by the Company.

8. Miscellaneous.

WITNESSETH:

WHEREAS, all acts and things necessary to make the Debentures, when executed by the Company and authenticated and delivered by the Trustee or a duly authorized authenticating agent, as in this Indenture provided, the valid, binding and legal obligations of the Company, and to constitute this Indenture a valid agreement according to its terms, have been done and performed, and the execution of this Indenture and the issue hereunder of the Debentures have in all respects been duly authorized,

NOW, THEREFORE, THIS INDENTURE WITNESSETH:

That in order to declare the terms and conditions upon which the Debentures are, and are to be, authenticated, issued and delivered, and in consideration of the premises and of the purchase and acceptance of the Debentures by the Holders thereof, the Company covenants and agrees with the Trustee for the equal and proportionate benefit of the respective Holders from time to time of the Debentures (except as otherwise provided below), as follows:

ARTICLE 1. DEFINITIONS

Section 1.1. *Definitions.* The terms defined in this Section 1.1 (except as herein otherwise expressly provided or unless the context otherwise requires) for all purposes of this Indenture and of any indenture supplemental hereto shall have the respective meanings specified in this Section 1.1. All other terms used in this Indenture that are defined in the Trust Indenture Act or which are by reference therein defined in the Securities Act (except as herein otherwise expressly provided or unless the context otherwise requires) shall have the meanings assigned to such terms in the Trust Indenture Act and in the Securities Act as in force at the date of the execution of this Indenture. The words “**herein**”, “**hereof**”, “**hereunder**” and words of similar import refer to this Indenture as a whole and not to any particular Article, Section or other Subdivision. “**Common Stock**” means any stock of any class of the Company which has no preference in respect of dividends or of amounts payable in the event of any voluntary or involuntary liquidation, dissolution or winding up of the Company and which is not subject to redemption by the Company. Company and which are not subject to redemption by the Company; provided that if at any time there shall be more than one such resulting class, the shares of each such class then so issuable on conversion shall be substantially in the proportion which the total number of shares of such class resulting from all such reclassifications bears to the total number of shares of all such classes resulting from all such reclassifications.

In case any officer of the Company who shall have signed any of the Debentures shall cease to be such officer before the Debentures so signed shall have been authenticated and delivered by the Trustee, or disposed of by the Company, such Debentures nevertheless may be authenticated and delivered or disposed of as though the person who signed such Debentures had not ceased to be such officer of the Company, and any Debenture may be signed on behalf of the Company by such persons as, at the actual date of the execution of such Debenture, shall be the proper officers of the Company, although at the date of the execution of this Indenture any such person was not such an officer.

Any Global Debenture to be exchanged in whole shall be surrendered by the

Depository to the Trustee, as Debenture Registrar. With regard to any Global Debenture to be exchanged in part, either such Global Debenture shall be so surrendered for exchange or, if the Trustee is acting as Custodian for the Depository or its nominee with respect to such Global Debenture, the principal amount thereof shall be reduced, by an amount equal to the portion thereof to be so exchanged, by means of an appropriate adjustment made on the records of the Trustee. Upon any such surrender or adjustment, the Trustee shall authenticate and make available for delivery the Debenture issuable on such exchange to or upon the written order of the Depository or an authorized representative thereof.

(iv) In the event of the occurrence of any of the events specified in clause (ii) above, the Company will promptly make available to the Trustee a reasonable supply of certificated Debentures in definitive, fully registered form, without interest coupons.

(v) Neither any members of, or participants in, the Depository (“**Agent Members**”) nor any other Persons on whose behalf Agent Members may act shall have any rights under this Indenture with respect to any Global Debenture registered in the name of the Depository or any nominee thereof, and the Depository or such nominee, as the case may be, may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the absolute owner and holder of such Global Debenture for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Company, the Trustee or any agent of the Company or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depository or such nominee, as the case may be, or impair, as between the Depository, its Agent Members and any other Person on whose behalf an Agent Member may act, the operation of customary practices of such Persons governing the exercise of the rights of a Holder of any Debenture.

(vi) At such time as all interests in a Global Debenture have been redeemed, repurchased, converted, canceled or exchanged for Debentures in certificated form, such Global Debenture shall, upon receipt thereof, be canceled by the Trustee in accordance with standing procedures and instructions existing between the Depository and the Custodian. At any time prior to such cancellation, if any interest in a Global Debenture is redeemed, repurchased, converted, canceled or exchanged for Debentures in certificated form, the principal amount of such Global Debenture shall, in accordance with the standing procedures and instructions existing between the Depository and the Custodian, be appropriately reduced, and an endorsement shall be made on such Global Debenture, by the Trustee or the Custodian, at the direction of the Trustee, to reflect such reduction.

(c) Every Debenture that bears or is required under this Section 2.5(c) to bear the legend set forth in this Section 2.5(c), (together with any Common Stock issued upon conversion of the Debentures and required to bear the legend set forth in Section 2.5(c), collectively, the “**Restricted Securities**”) shall be subject to the restrictions on transfer set forth in this Section 2.5(c) (including those set forth in the legend below) unless such restrictions on transfer shall be waived by written consent of the Company, and the Holder of each such Restricted Security, by such Debentureholder’s acceptance thereof, agrees to be bound by all such restrictions on transfer. As used in Section 2.5(c) and Section 2.5(d), the term “**transfer**” encompasses any sale, pledge, loan, transfer or other disposition whatsoever of any Restricted Security or any interest therein.

Until the expiration of the holding period applicable to sales thereof under Rule 144(k) under the Securities Act (or any successor provision), any certificate evidencing such Debenture (and all securities issued in exchange therefor or substitution thereof, other than Common Stock, if any, issued upon conversion thereof, which shall bear the legend set forth in this Section 2.5(c), if applicable) shall bear a legend in substantially the following form, unless such Debenture has been sold pursuant to a registration statement that has been declared effective under the Securities Act (and which continues to be effective at the time of such transfer) or pursuant to Rule 144 under the Securities Act or any similar provision then in force, or unless otherwise agreed by the Company in writing, with written notice thereof to the Trustee:

THE DEBENTURE EVIDENCED HEREBY HAS NOT BEEN REGISTERED UNDER THE UNITED STATES SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT"), OR ANY STATE SECURITIES LAWS AND, ACCORDINGLY, MAY NOT BE OFFERED OR SOLD EXCEPT AS SET FORTH IN THE FOLLOWING SENTENCE. BY ITS ACQUISITION HEREOF, THE HOLDER (1) REPRESENTS THAT IT IS A "QUALIFIED INSTITUTIONAL BUYER" (AS DEFINED IN RULE 144A UNDER THE SECURITIES ACT); (2) AGREES THAT IT WILL NOT, PRIOR TO EXPIRATION OF THE HOLDING PERIOD APPLICABLE TO SALES OF THIS DEBENTURE UNDER RULE 144(K) UNDER THE SECURITIES ACT (OR ANY SUCCESSOR PROVISION), RESELL OR OTHERWISE TRANSFER THIS DEBENTURE OR THE COMMON STOCK ISSUABLE UPON CONVERSION OF THIS DEBENTURE EXCEPT (A) TO LSB INDUSTRIES, INC. (THE "COMPANY") OR ANY SUBSIDIARY THEREOF, (B) TO A QUALIFIED INSTITUTIONAL BUYER IN COMPLIANCE WITH RULE 144A UNDER THE SECURITIES ACT, (C) PURSUANT TO THE EXEMPTION FROM REGISTRATION PROVIDED BY RULE 144 UNDER THE SECURITIES ACT (IF AVAILABLE) OR (D) PURSUANT TO A REGISTRATION STATEMENT WHICH HAS BEEN DECLARED EFFECTIVE UNDER THE SECURITIES ACT (AND WHICH CONTINUES TO BE EFFECTIVE AT THE TIME OF SUCH TRANSFER); (3) PRIOR TO SUCH TRANSFER (OTHER THAN A TRANSFER PURSUANT TO CLAUSE 2(D) ABOVE), IT WILL FURNISH TO UMB BANK, N.A., AS TRUSTEE (OR A SUCCESSOR TRUSTEE, AS APPLICABLE (THE "TRUSTEE")), SUCH CERTIFICATIONS, LEGAL OPINIONS OR OTHER INFORMATION AS THE TRUSTEE MAY REASONABLY REQUIRE TO CONFIRM THAT SUCH TRANSFER IS BEING MADE PURSUANT TO AN EXEMPTION FROM, OR IN A TRANSACTION NOT SUBJECT TO, THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT; AND (4) AGREES THAT IT WILL DELIVER TO EACH PERSON TO WHOM THIS DEBENTURE IS TRANSFERRED A NOTICE SUBSTANTIALLY TO THE EFFECT OF THIS LEGEND. IN CONNECTION WITH ANY TRANSFER OF THIS DEBENTURE PRIOR TO THE EXPIRATION OF THE HOLDING PERIOD APPLICABLE TO SALES OF THIS DEBENTURE UNDER RULE 144(k) UNDER THE SECURITIES ACT (OR ANY SUCCESSOR PROVISION), THE HOLDER MUST CHECK THE APPROPRIATE BOX SET FORTH ON THE REVERSE HEREOF RELATING TO THE MANNER OF SUCH TRANSFER AND SUBMIT THIS CERTIFICATE TO UMB BANK, N.A., AS TRUSTEE (OR A SUCCESSOR TRUSTEE, AS APPLICABLE). THIS LEGEND WILL BE REMOVED UPON THE EARLIER OF THE TRANSFER OF THIS DEBENTURE PURSUANT TO CLAUSE 2(D) ABOVE OR UPON ANY TRANSFER OF THIS DEBENTURE UNDER RULE 144(k) UNDER THE SECURITIES ACT (OR ANY SUCCESSOR PROVISION). THE INDENTURE, DATED AS OF

MARCH 3, 2006, BETWEEN THE COMPANY AND THE TRUSTEE CONTAINS A PROVISION REQUIRING THE TRUSTEE TO REFUSE TO REGISTER ANY TRANSFER OF THIS DEBENTURE IN VIOLATION OF THE FOREGOING RESTRICTION.

Any Debenture (or security issued in exchange or substitution therefor) as to which such restrictions on transfer shall have expired in accordance with their terms or as to conditions for removal of the foregoing legend set forth therein have been satisfied may, upon surrender of such Debenture for exchange to the Debenture Registrar in accordance with the provisions of this Section 2.5, be exchanged for a new Debenture or Debentures, of like tenor and aggregate principal amount, which shall not bear the restrictive legend required by this Section 2.5(c). If the Restricted Security surrendered for exchange is represented by a Global Debenture bearing the legend set forth in this Section 2.5(c), the principal amount of the legended Global Debenture shall be reduced by the appropriate principal amount and the principal amount of a Global Debenture without the legend set forth in this Section 2.5(c) shall be increased by an equal principal amount. If a Global Debenture without the legend set forth in this Section 2.5(c) is not then outstanding, the Company shall execute and the Trustee shall authenticate and deliver an unlegended Global Debenture to the Depositary.

(d) Until the expiration of the holding period applicable to sales thereof under Rule 144(k) under the Securities Act (or any successor provision), any stock certificate representing Common Stock issued upon conversion of any Debenture shall bear a legend in substantially the following form, unless such Common Stock has been sold pursuant to a registration statement that has been declared effective under the Securities Act (and which continues to be effective at the time of such transfer) or pursuant to Rule 144 under the Securities Act or any similar provision then in force, or such Common Stock has been issued upon conversion of Debentures that have been transferred pursuant to a registration statement that has been declared effective under the Securities Act or pursuant to Rule 144 under the Securities Act or any similar provision then in force, or unless otherwise agreed by the Company in writing with written notice thereof to the transfer agent:

THE COMMON STOCK EVIDENCED HEREBY HAS NOT BEEN REGISTERED UNDER THE UNITED STATES SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT"), OR ANY STATE SECURITIES LAWS AND, ACCORDINGLY, MAY NOT BE OFFERED OR SOLD EXCEPT AS SET FORTH IN THE FOLLOWING SENTENCE. THE HOLDER HEREOF AGREES THAT, UNTIL THE EXPIRATION OF THE HOLDING PERIOD APPLICABLE TO SALES OF THE COMMON STOCK EVIDENCED HEREBY UNDER RULE 144(k) UNDER THE SECURITIES ACT (OR ANY SUCCESSOR PROVISION), (1) IT WILL NOT RESELL OR OTHERWISE TRANSFER THE COMMON STOCK EVIDENCED HEREBY EXCEPT (A) TO LSB INDUSTRIES, INC. OR ANY SUBSIDIARY THEREOF, (B) TO A "QUALIFIED INSTITUTIONAL BUYER" (AS DEFINED IN RULE 144A UNDER THE SECURITIES ACT) IN COMPLIANCE WITH RULE 144A, (C) PURSUANT TO THE EXEMPTION FROM REGISTRATION PROVIDED BY RULE 144 UNDER THE SECURITIES ACT (IF AVAILABLE) OR (D) PURSUANT TO A REGISTRATION STATEMENT WHICH HAS BEEN DECLARED EFFECTIVE UNDER THE SECURITIES ACT (AND WHICH CONTINUES TO BE EFFECTIVE AT THE TIME OF SUCH TRANSFER); (2) PRIOR TO SUCH TRANSFER (OTHER THAN A TRANSFER PURSUANT TO CLAUSE 1(D) ABOVE), IT WILL FURNISH TO UMB BANK, N.A., AS

TRANSFER AGENT (OR A SUCCESSOR TRANSFER AGENT, AS APPLICABLE), SUCH CERTIFICATIONS, LEGAL OPINIONS OR OTHER INFORMATION AS SUCH TRANSFER AGENT MAY REASONABLY REQUIRE TO CONFIRM THAT SUCH TRANSFER IS BEING MADE PURSUANT TO AN EXEMPTION FROM, OR IN A TRANSACTION NOT SUBJECT TO, THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT AND (3) IT WILL DELIVER TO EACH PERSON TO WHOM THE COMMON STOCK EVIDENCED HEREBY IS TRANSFERRED (OTHER THAN A TRANSFER PURSUANT TO CLAUSE 1(D) ABOVE) A NOTICE SUBSTANTIALLY TO THE EFFECT OF THIS LEGEND. THIS LEGEND WILL BE REMOVED UPON THE EARLIER OF THE TRANSFER OF THE COMMON STOCK EVIDENCED HEREBY PURSUANT TO CLAUSE 1(D) ABOVE OR UPON ANY TRANSFER OF THE COMMON STOCK EVIDENCED HEREBY AFTER THE EXPIRATION OF THE HOLDING PERIOD APPLICABLE TO SALES OF THE SECURITY EVIDENCED HEREBY UNDER RULE 144(k) UNDER THE SECURITIES ACT (OR ANY SUCCESSOR PROVISION).

Any such Common Stock as to which such restrictions on transfer shall have expired in accordance with their terms or as to which the conditions for removal of the foregoing legend set forth therein have been satisfied may, upon surrender of the certificates representing such shares of Common Stock for exchange in accordance with the procedures of the transfer agent for the Common Stock, be exchanged for a new certificate or certificates for a like number of shares of Common Stock, which shall not bear the restrictive legend required by this Section 2.5(d).

(e) Any Debenture or Common Stock issued upon the conversion of a Debenture that, prior to the expiration of the holding period applicable to sales thereof under Rule 144(k) under the Securities Act (or any successor provision), is purchased or owned by the Company or any Affiliate thereof may not be resold by the Company or such Affiliate unless registered under the Securities Act or resold pursuant to an exemption from the registration requirements of the Securities Act in a transaction which results in such Debentures or Common Stock, as the case may be, no longer being “**Restricted Securities**” (as defined under Rule 144).

(f) The Trustee shall have no responsibility or obligation to any Agent Members or any other Person with respect to the accuracy of the books or records, or the acts or omissions, of the Depository or its nominee or of any participant or member thereof, with respect to any ownership interest in the Debentures or with respect to the delivery to any Agent Member or other Person (other than the Depository) of any notice (including any notice of redemption) or the payment of any amount, under or with respect to such Debentures. All notices and communications to be given to the Debentureholder and all payments to be made to Debentureholders under the Debentures shall be given or made only to or upon the order of the registered Debentureholders (which shall be the Depository or its nominee in the case of a Global Debenture). The rights of beneficial owners in any Global Debenture shall be exercised only through the Depository subject to the customary procedures of the Depository. The Trustee may rely and shall be fully protected in relying upon information furnished by the Depository with respect to its Agent Members.

The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Debenture (including any transfers

between or among Agent Members in any Global Indenture) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by, the terms of this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

Section 2.6. *Mutilated, Destroyed, Lost or Stolen Debentures.* In case any Debenture shall become mutilated or be destroyed, lost or stolen, the Company in its discretion may execute, and upon its written request the Trustee or an authenticating agent appointed by the Trustee shall authenticate and make available for delivery, a new Debenture, bearing a number not contemporaneously outstanding, in exchange and substitution for the mutilated Debenture, or in lieu of and in substitution for the Debenture so destroyed, lost or stolen. In every case, the applicant for a substituted Debenture shall furnish to the Company, to the Trustee and, if applicable, to such authenticating agent such security or indemnity as may be required by them to save each of them harmless for any loss, liability, cost or expense caused by or connected with such substitution, and, in every case of destruction, loss or theft, the applicant shall also furnish to the Company, to the Trustee and, if applicable, to such authenticating agent evidence to their satisfaction of the destruction, loss or theft of such Debenture and of the ownership thereof.

Following receipt by the Trustee or such authenticating agent, as the case may be, of satisfactory security or indemnity and evidence, as described in the preceding paragraph, the Trustee or such authenticating agent may authenticate any such substituted Debenture and make available for delivery such Debenture. Upon the issuance of any substituted Debenture, the Company or the Trustee may require the payment by the Holder of a sum sufficient to cover any tax, assessment or other governmental charge that may be imposed in relation thereto and any other expenses connected therewith. In case any Debenture which has matured or is about to mature or has been called for redemption or has been tendered for redemption upon a Designated Event (and not withdrawn) or has been surrendered for repurchase on a Designated Event Repurchase Date (and not withdrawn) or is to be converted into Common Stock shall become mutilated or be destroyed, lost or stolen, the Company may, instead of issuing a substitute Debenture, pay or authorize the payment of or convert or authorize the conversion of the same (without surrender thereof except in the case of a mutilated Debenture), as the case may be, if the applicant for such payment or conversion shall furnish to the Company, to the Trustee and, if applicable, to such authenticating agent such security or indemnity as may be required by them to save each of them harmless for any loss, liability, cost or expense caused by or in connection with such substitution, and, in every case of destruction, loss or theft, the applicant shall also furnish to the Company, the Trustee and, if applicable, any paying agent or conversion agent evidence to their satisfaction of the destruction, loss or theft of such Debenture and of the ownership thereof.

Every substitute Debenture issued pursuant to the provisions of this Section 2.6 by virtue of the fact that any Debenture is destroyed, lost or stolen shall constitute an additional contractual obligation of the Company, whether or not the destroyed, lost or stolen Debenture shall be found at any time, and shall be entitled to all the benefits of (but shall be subject to all the limitations set forth in) this Indenture equally and proportionately with any and all other Debentures duly issued hereunder. To the extent permitted by law, all Debentures shall be held and owned upon the express condition that the foregoing provisions are exclusive with respect to the replacement or payment or conversion or redemption or repurchase of mutilated, destroyed,

lost or stolen Debentures and shall preclude any and all other rights or remedies notwithstanding any law or statute existing or hereafter enacted to the contrary with respect to the replacement or payment or conversion or redemption or repurchase of negotiable instruments or other securities without their surrender.

Section 2.7. *Temporary Debentures.* Pending the preparation of Debentures in certificated form, the Company may execute and the Trustee or an authenticating agent appointed by the Trustee shall, upon the written request of the Company, authenticate and deliver temporary Debentures (printed or lithographed). Any such temporary Debentures shall be issuable in any authorized denomination, and substantially in the form of the Debentures in certificated form, but with such omissions, insertions and variations as may be appropriate for temporary Debentures, all as may be determined by the Company. Every such temporary Debenture shall be executed by the Company and authenticated by the Trustee or such authenticating agent upon the same conditions and in substantially the same manner, and with the same effect, as the Debentures in certificated form. Without unreasonable delay, the Company will execute and deliver to the Trustee or such authenticating agent Debentures in certificated form and thereupon any or all temporary Debentures may be surrendered in exchange therefor, at each office or agency maintained by the Company pursuant to Section 6.2 and the Trustee or such authenticating agent shall authenticate and make available for delivery in exchange for such temporary Debentures an equal aggregate principal amount of Debentures in certificated form. Such exchange shall be made by the Company at its own expense and without any charge therefor. Until so exchanged, the temporary Debentures shall in all respects be entitled to the same benefits and subject to the same limitations under this Indenture as Debentures in certificated form authenticated and delivered hereunder.

Section 2.8. *Cancellation of Debentures.* All Debentures surrendered for the purpose of payment, redemption, repurchase, conversion, exchange or registration of transfer shall, if surrendered to the Company or any paying agent or any Debenture Registrar or any conversion agent, be surrendered to the Trustee and promptly canceled by it, or, if surrendered to the Trustee, shall be promptly canceled by it, and no Debentures shall be issued in lieu thereof except as expressly permitted by any of the provisions of this Indenture. The Trustee shall dispose of such canceled Debentures in accordance with its customary procedures. If the Company shall acquire any of the Debentures, such acquisition shall not operate as a redemption, repurchase or satisfaction of the indebtedness represented by such Debentures unless and until the same are delivered to the Trustee for cancellation.

Section 2.9. *CUSIP Numbers.* The Company in issuing the Debentures shall apply for and maintain "CUSIP" numbers, and the Trustee shall use "CUSIP" numbers in notices of redemption as a convenience to Debentureholders; provided that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Debentures or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Debentures, and any such redemption shall not be affected by any defect in or omission of such numbers. The Company will promptly notify the Trustee of any change in the "CUSIP" numbers.

ARTICLE 3.
REDEMPTION AND REPURCHASE OF DEBENTURES

Section 3.1. *Redemption of Debentures.*

(a) Optional Redemption. At any time on or after March 1, 2009, Debentures may be redeemed at the option of the Company, in whole or in part, upon notice as set forth in Section 3.2 at a redemption price, payable at the option of the Company in cash or, subject to the conditions set forth in Section 3.1(b), in shares of Common Stock, equal to 100% of the principal amount of the Debentures to be redeemed plus accrued and unpaid interest to, but excluding, the date fixed for redemption (the “**Optional Redemption**”) if the following three conditions are all satisfied on the date of mailing of the notice of redemption: (1) the Closing Sale Price has exceeded 115% of the Conversion Price for at least 20 Trading Days in the 30 consecutive Trading Day period ending on the Trading Day immediately prior to the date of mailing of the notice of redemption (it being understood for purposes of this Section 3.1(a) that the Conversion Price in effect at the close of business on each of the 30 consecutive Trading Days should be used), (2) the Common Stock is listed on a U.S. national securities exchange or on The Nasdaq Stock Market; and (3) the shelf registration statement covering resales of the Debentures and the Common Stock is effective and available for use and is expected to remain effective and available for use during the 30 days following the redemption date, unless registration is no longer required.

(b) Option to Pay in Common Stock. The Company may only elect to pay the redemption price set forth in Section 3.1(a) in shares of Common Stock if the following three conditions are all satisfied on the date of redemption: (1) the Common Stock is listed on a U.S. national securities exchange or on The Nasdaq Stock Market; (2) the Trustee has received an Opinion of Counsel (in form and substance satisfactory to the Trustee) that the Common Stock will be duly issued in compliance with all laws and listing requirements (including any shareholder approval requirements) and is fully paid and non-assessable; and (3) the shares of Common Stock used to pay the redemption price are freely tradable. Payments made in Common Stock will be valued per share at 95% of the weighted average of the Closing Sale Prices of Common Stock for the 20 consecutive Trading Days ending on the fifth Trading Day prior to the redemption date. Not later than the fourth Trading Day prior to the redemption date the Company shall publicly announce the number of shares of Common Stock to be paid as the redemption price for each \$1,000 principal amount of Debentures to be redeemed.

Section 3.2. *Notice of Optional Redemption; Selection of Debentures.* In case the Company shall desire to exercise the right to redeem all or, as the case may be, any part of the Debentures pursuant to Section 3.1, it shall fix a date for redemption and it or, at its written request received by the Trustee not fewer than forty-five (45) days prior (or such shorter period of time as may be acceptable to the Trustee) to the date fixed for redemption, the Trustee in the name of and at the expense of the Company, shall mail or cause to be mailed a notice of such redemption not fewer than thirty (30) nor more than sixty (60) days prior to the redemption date to each Holder of Debentures so to be redeemed as a whole or in part at its last address as the same appears on the Debenture Register; provided that if the Company shall give such notice, it shall also give written notice of the redemption date to the Trustee. Such mailing shall be by first class mail. The notice, if mailed in the manner herein provided, shall be conclusively

presumed to have been duly given, whether or not the Holder receives such notice. In any case, failure to give such notice by mail or any defect in the notice to the Holder of any Debenture designated for redemption as a whole or in part shall not affect the validity of the proceedings for the redemption of any other Debenture. Concurrently with the mailing of any such notice of redemption, the Company shall issue a press release announcing such redemption, the form and content of which press release shall be determined by the Company in its sole discretion. The failure to issue any such press release or any defect therein shall not affect the validity of the redemption notice or any of the proceedings for the redemption of any Debenture called for redemption.

Each such notice of redemption shall specify the aggregate principal amount of Debentures to be redeemed, the CUSIP number or numbers of the Debentures being redeemed, the date fixed for redemption (which shall be a Business Day), the redemption price at which Debentures are to be redeemed, the place or places of payment, that payment will be made upon presentation and surrender of such Debentures, that interest accrued to the date fixed for redemption will be paid as specified in said notice, and that on and after said redemption date interest thereon or on the portion thereof to be redeemed will cease to accrue. Such notice shall state the type of consideration to be paid upon redemption and the amount of each Debenture to be paid by each type of consideration. Such notice shall also state the current Conversion Rate and the date on which the right to convert such Debentures or portions thereof into Common Stock will expire. If fewer than all the Debentures are to be redeemed, the notice of redemption shall identify the Debentures to be redeemed (including CUSIP numbers). In case any Debenture is to be redeemed in part only, the notice of redemption shall state the portion of the principal amount thereof to be redeemed and shall state that, on and after the redemption date, upon surrender of such Debenture, a new Debenture or Debentures in principal amount equal to the unredeemed portion thereof will be issued.

On or prior to the redemption date specified in the notice of redemption given as provided in this Section 3.2, the Company will deposit with the Trustee or with one or more paying agents (or, if the Company is acting as its own paying agent, set aside, segregate and hold in trust as provided in Section 6.4) an amount of money in immediately available funds, or shares of Common Stock, sufficient to redeem on the redemption date all the Debentures (or portions thereof) so called for redemption (other than those theretofore surrendered for conversion into Common Stock) at the appropriate redemption price, together with accrued interest to, but excluding, the redemption date; provided that if such payment is made on the redemption date it must be received by the Trustee or paying agent, as the case may be, by 10:00 a.m. New York City time on such date. If any Debenture called for redemption is converted pursuant hereto prior to such redemption date, any money deposited with the Trustee or any paying agent or so segregated and held in trust for the redemption of such Debenture shall be paid to the Company upon its written request, or, if then held by the Company, shall be discharged from such trust. Whenever any Debentures are to be redeemed, the Company will give the Trustee written notice in the form of an Officers' Certificate not fewer than forty-five (45) days (or such shorter period of time as may be acceptable to the Trustee) prior to the redemption date as to the aggregate principal amount of Debentures to be redeemed.

If less than all of the outstanding Debentures are to be redeemed, the Trustee shall select the Debentures or portions thereof of the Global Debenture or the Debentures in certificated form

to be redeemed (in principal amounts of \$1,000 or multiples thereof) by lot or other equitable means as determined by the Trustee. If any Debenture selected for partial redemption is submitted for conversion in part after such selection, the portion of such Debenture submitted for conversion shall be deemed (so far as may be possible) to be the portion to be selected for redemption. The Debentures (or portions thereof) so selected shall be deemed duly selected for redemption for all purposes hereof, notwithstanding that any such Debenture is submitted for conversion in part before the mailing of the notice of redemption.

Upon any redemption of less than all of the outstanding Debentures, the Company and the Trustee may (but need not), solely for purposes of determining the pro rata allocation among such Debentures as are unconverted and outstanding at the time of redemption, treat as outstanding any Debentures surrendered for conversion during the period of fifteen (15) days next preceding the mailing of a notice of redemption and may (but need not) treat as outstanding any Debenture authenticated and delivered during such period in exchange for the unconverted portion of any Debenture converted in part during such period.

Section 3.3. *Payment of Debentures Called for Redemption by the Company.* If notice of redemption has been given as provided in Section 3.2, the Debentures or portion of Debentures with respect to which such notice has been given shall, unless converted into Common Stock pursuant to the terms hereof, become due and payable on the date fixed for redemption and at the place or places stated in such notice at the applicable redemption price, together with interest accrued to (but excluding) the redemption date, and on and after said date (unless the Company shall default in the payment of such Debentures at the redemption price, together with interest accrued to said date) interest on the Debentures or portion of Debentures so called for redemption shall cease to accrue and, after the close of business on the Business Day immediately preceding the redemption date (unless the Company shall default in the payment of such Debentures at the redemption price, together with interest accrued to said date) such Debentures shall cease to be convertible into Common Stock and, except as provided in Section 9.5 and Section 14.4, to be entitled to any benefit or security under this Indenture, and the Holders thereof shall have no right in respect of such Debentures except the right to receive the redemption price thereof and unpaid interest to (but excluding) the redemption date. On presentation and surrender of such Debentures at a place of payment in said notice specified, the said Debentures or the specified portions thereof shall be paid and redeemed by the Company at the applicable redemption price, together with interest accrued thereon to, but excluding, the redemption date; provided that if the applicable redemption date is an interest payment date, the interest payable on such interest payment date shall be paid on such interest payment date to the holders of record of such Debentures on the applicable Record Date instead of the holders surrendering such Debentures for redemption on such date.

Upon presentation of any Debenture redeemed in part only, the Company shall execute and the Trustee shall authenticate and make available for delivery to the Holder thereof, at the expense of the Company, a new Debenture or Debentures, of authorized denominations, in principal amount equal to the unredeemed portion of the Debentures so presented.

Notwithstanding the foregoing, the Trustee shall not redeem any Debentures or mail any notice of redemption during the continuance of a default in payment of interest or premium, if any, on the Debentures. If any Debenture called for redemption shall not be so paid upon

surrender thereof for redemption, the principal and premium, if any, shall, until paid or duly provided for, bear interest from the redemption date at a rate equal to 1% per annum plus the rate borne by the Debenture and such Debenture shall remain convertible into Common Stock until the principal and premium, if any, and interest shall have been paid or duly provided for.

Section 3.4. *Conversion Arrangement on Call for Redemption.* In connection with any redemption of Debentures, the Company may arrange for the purchase and conversion of any Debentures by an agreement with one or more investment banks or other purchasers to purchase such Debentures by paying to the Trustee in trust for the Debentureholders, before the date fixed for redemption, an amount not less than the applicable redemption price, together with interest accrued to, but excluding, the date fixed for redemption, of such Debentures. Notwithstanding anything to the contrary contained in this ARTICLE 3, the obligation of the Company to pay the redemption price of such Debentures, together with interest accrued to, but excluding, the date fixed for redemption, shall be deemed to be satisfied and discharged to the extent such amount is so paid by such purchasers. If such an agreement is entered into, a copy of which will be filed with the Trustee prior to the date fixed for redemption, any Debentures not duly surrendered for conversion by the Holders thereof may, at the option of the Company, be deemed, to the fullest extent permitted by law, acquired by such purchasers from such Holders and (notwithstanding anything to the contrary contained in ARTICLE 16) surrendered by such purchasers for conversion, all as of immediately prior to the close of business on the date fixed for redemption (and the right to convert any such Debentures shall be extended through such time), subject to payment of the above amount as aforesaid. At the direction of the Company, the Trustee shall hold and dispose of any such amount paid to it in the same manner as it would monies deposited with it by the Company for the redemption of Debentures. Without the Trustee's prior written consent, no arrangement between the Company and such purchasers for the purchase and conversion of any Debentures shall increase or otherwise affect any of the powers, duties, responsibilities or obligations of the Trustee as set forth in this Indenture.

Section 3.5. *Repurchase at Option of Holders Upon a Designated Event.*

(a) (i) If there shall occur any Designated Event at any time prior to maturity of the Debentures, then each Debentureholder shall have the right, at such Holder's option, to require the Company to repurchase all of such Holder's Debentures then outstanding, or any portion thereof that is a multiple of \$1,000 principal amount, on the date specified by the Company that is not less than forty-five (45) Calendar Days after the date of the Designated Event Notice (as defined in Section 3.5(b)) of such Designated Event (or, if such 45th day is not a Business Day, the next succeeding Business Day), such date being the "Designated Event Repurchase Date", at a redemption price equal to 101% of the principal amount thereof, together with accrued and unpaid interest to, but excluding, the Designated Event Repurchase Date; provided that if such Designated Event Repurchase Date falls after a Record Date and on or prior to the corresponding interest payment date, then the interest payable on such interest payment date shall be paid to the holders of record of the Debentures on the applicable Record Date instead of the holders surrendering the Debentures for redemption on such date.

A “**Fundamental Change**” will be deemed to have occurred at any time after the Debentures are originally issued when any of the following events shall occur:

(1) a “person” or “group” within the meaning of Section 13(d) of the Exchange Act other than the Company, its subsidiaries or the Company’s or its subsidiaries’ employee benefit plans, files a Schedule TO or any schedule, form or report under the Exchange Act disclosing that such person or group has become the direct or indirect ultimate “beneficial owner,” as defined in Rule 13d-3 under the Exchange Act, of the Common Stock representing more than 50% (or, in the case of a Permitted Holder, Common Stock representing more than 70%) of the voting power of the Company’s Common Stock entitled to vote generally in the election of directors; or

(2) consummation of any share exchange, consolidation or merger of the Company pursuant to which its Common Stock will be converted into cash, securities or other property or any sale, lease or other transfer in one transaction or a series of transactions of all or substantially all of the consolidated assets of the Company and its subsidiaries, taken as a whole, to any person other than the Company or one or more of its subsidiaries; provided, however, that a transaction where the holders of the Company’s Common Stock immediately prior to such transaction have directly or indirectly, more than 50% of the aggregate voting power of all classes of Common Stock of the continuing or surviving corporation or transferee entitled to vote generally in the election of directors immediately after such event shall not be a Fundamental Change; or

(3) Continuing Directors cease to constitute at least a majority of the Board of Directors.

(ii) Notwithstanding any provision hereof to the contrary, no Designated Event shall be deemed to have occurred in respect of the foregoing if (1) the Closing Sale Price for any five Trading Days within the ten (10) consecutive Trading Days ending immediately before the later of the Fundamental Change or the public announcement of the Fundamental Change, equals or exceeds 105% of the Conversion Price of the Debentures in effect immediately before the Fundamental Change or the public announcement of the Fundamental Change, or (2) at least 90% of the consideration (excluding cash payments for fractional shares) in the transaction or transactions constituting the Fundamental Change consists of shares of capital stock traded on a national securities exchange or quoted on the Nasdaq National Market or which will be so traded or quoted when issued or exchanged in connection with a Fundamental Change (such securities being referred to as “**Publicly Traded Securities**”), and, as a result of the transaction or transactions, the Debentures become convertible into such Publicly Traded Securities (excluding cash payments for fractional shares).

For purposes of this Section 3.5, (a) “**Continuing Directors**” means a director who either was a member of the Board of Directors on the date of this Indenture or who becomes a member of the Board of Directors subsequent to that date and whose appointment, election or nomination for election by the Company’s stockholders is duly approved by a majority of the continuing directors on the Board of Directors at the time of such approval, either by a specific vote or by approval of the proxy statement issued by the Company on behalf of the Board of Directors in which such individual is named as nominee for director and (b) the “capital stock” of any Person means any and all shares, interests, participations or other equivalents however designated of corporate stock or other equity participations, including partnership interests, whether general or limited, of such Person and any rights (other than debt securities convertible or exchangeable

into any equity interest), warrants or options to acquire an equity interest in such Person. Notwithstanding the foregoing, directors selected and approved by the holders of the Company's Series 2 Preferred voting as a separate class, pursuant to the terms of the Series 2 Preferred, shall not be deemed Continuing Directors.

Upon presentation of any Debenture redeemed in part only, the Company shall execute and, upon the Company's written direction to the Trustee, the Trustee shall authenticate and make available for delivery to the Holder thereof, at the expense of the Company, a new Debenture or Debentures, of authorized denominations, in aggregate principal amount equal to the unredeemed portion of the Debentures presented.

(b) On or before the fifteenth day after the occurrence of a Designated Event, and in the case of any Fundamental Change, on or before the fifteenth day after the occurrence of a Fundamental Change (whether or not the same constitutes a Designated Event) the Company or at its written request (which must be received by the Trustee at least five (5) Business Days prior to the date the Trustee is requested to give notice as described below, unless the Trustee shall agree in writing to a shorter period), the Trustee, in the name of and at the expense of the Company, shall mail or cause to be mailed to all Holders on the date of the Designated Event a notice (the "**Designated Event Notice**") of the occurrence of such Designated Event or Fundamental Change and of the redemption right (or right to receive a Make-Whole Premium upon conversion) at the option of the Holders arising as a result thereof. Such notice shall be mailed in the manner and with the effect set forth in the first paragraph of Section 3.2 (without regard for the time limits set forth therein). If the Company shall give such notice, the Company shall also deliver a copy of the Company's Designated Event Notice to the Trustee at such time as it is mailed to Debentureholders. Concurrently with the mailing of any Designated Event Notice, the Company shall issue a press release announcing such Designated Event referred to in the Designated Event Notice, the form and content of which press release shall be determined by the Company in its sole discretion. The failure to issue any such press release or any defect therein shall not affect the validity of the Designated Event Notice or any proceedings for the redemption of any Debenture which any Debentureholder may elect to have the Company redeem as provided in this Section 3.5.

Each Designated Event Notice shall state, among other things:

(1) briefly, the events causing the Designated Event or Fundamental Change;

(2) the date of the such Designated Event or Fundamental Change;

(3) that the Holder must exercise the repurchase right prior to the close of business on the Business Day prior to the Designated Event Repurchase Date (the "**Designated Event Expiration Time**") which may not be less than forty-five (45) days after the date of mailing of the Designated Event Notice, if applicable;

(4) the price at which the Company shall be obligated to redeem Debentures, including the amount of interest accrued, on each Debenture to the Designated Event Repurchase Date, if applicable;

(5) the Designated Event Repurchase Date, if applicable;

(6) the name and address of the agent to whom the Holder is to surrender such Holder's debentures;

(7) the Conversion Rate and any adjustments to the Conversion Rate;

(8) that the Holder can only convert surrendered Debentures if the Holder withdraws any Debentures surrendered prior to the Designated Event Expiration Time in accordance with the terms of the Indenture;

(9) a description of the procedure which a Holder must follow to exercise such redemption right and to withdraw any surrendered Debentures, if applicable;

(10) the CUSIP number or numbers of the Debentures (if then generally in use);

(11) in the case of a Fundamental Change, in which a Make-Whole Premium is required to be paid hereunder, that a Make-Whole Premium is required to be paid by the Company upon any conversion in connection with a Fundamental Change; and

(12) in the case of a Fundamental Change, whether such Make-Whole Premium shall be paid by delivery of shares of Common Stock, Exchange Property or any combination thereof in accordance with Section 5.1(d) (and containing such information required by Section 5.1(d)).

No failure of the Company to give the foregoing notices and no defect therein shall limit the Debentureholders' redemption rights or affect the validity of the proceedings for the redemption of the Debentures pursuant to this Section 3.5.

(c) For a Debenture to be so redeemed at the option of the Holder, the Company must receive at the office or agency of the Company maintained for that purpose or, at the option of such Holder, the Corporate Trust Office, the form entitled "**Designated Event Repurchase Notice**" duly completed, on or before the Designated Event Expiration Time. All questions as to the validity, eligibility (including time of receipt) and acceptance of any Debenture for redemption shall be determined by the Company, whose determination shall be final and binding absent manifest error.

The Designated Event Repurchase Notice shall state, among other things:

(1) the certificate numbers of the Debentures that the Holder will deliver to be purchased or the appropriate Depository procedures if certificated Debentures have not been issued;

(2) the portion of the principal amount of Debentures that the Holder will deliver to be purchased, which portion must be \$1,000 or an integral multiple of \$1,000; and

(3) that the Debentures shall be purchased pursuant to the terms and conditions specified in this Article 3 of the Debentures and in this Indenture.

(d) For a Debenture to be so redeemed at the option of a Holder, the Debentures must be delivered or transferred by book-entry to the Trustee (or other paying agent

appointed by the Company) at any time after delivery of the Designated Event Repurchase Notice (together with all necessary endorsements) but on or prior to the Designated Event Expiration Time at the Corporate Trust Office of the Trustee (or other paying agent appointed by the Company) as provided in Section 6.2, such delivery being a condition to the receipt by the Holder of the purchase price therefor; provided that such purchase price shall be so paid pursuant to this Section 3.5(d) only if the Debenture so delivered to the Trustee (or other paying agent appointed by the Company) shall conform in all respects to the description thereof in the related Designated Event Repurchase Notice.

The Company shall purchase from the Holder thereof, pursuant to this Section 3.5, a portion of a Debenture, if the principal amount of such portion is \$1,000 or a whole multiple of \$1,000. Provisions of this Indenture that apply to the purchase of all of a Debenture also apply to the purchase of such portion of such Debenture.

Any purchase by the Company contemplated pursuant to the provisions of this Section 3.5 shall be consummated by the delivery of the consideration to be received by the Holder promptly following the later of the Designated Event Repurchase Date and the time of the book-entry transfer or delivery of the Debenture.

Notwithstanding anything herein to the contrary, any Holder delivering the Designated Event Repurchase Notice contemplated by this Section 3.5(d) shall have the right to withdraw such Designated Event Repurchase Notice at any time prior to the close of business on the Business Day immediately preceding the Designated Event Repurchase Date by delivery of a written notice of withdrawal in accordance with Section 3.6.

The Trustee (or other paying agent appointed by the Company) shall promptly notify the Company of the receipt by it of any Designated Event Repurchase Notice or written notice of withdrawal thereof.

(e) In the case of a reclassification, change, consolidation, merger, combination, sale or conveyance to which Section 16.6 applies, in which the Common Stock of the Company is changed or exchanged as a result into the right to receive stock, securities or other property or assets (including cash), which includes shares of Common Stock of the Company or shares of common stock of another Person that are, or upon issuance will be, traded on the Nasdaq National Market, the Nasdaq Capital Market or any United States national securities exchange or approved for trading on an established automated over-the-counter trading market in the United States and such shares constitute at the time such change or exchange becomes effective in excess of 50% of the aggregate fair market value of such stock, securities or other property or assets (including cash) (as determined by the Company, which determination shall be conclusive and binding), then the Person formed by such consolidation or resulting from such merger or which acquires such assets, as the case may be, shall execute and deliver to the Trustee a supplemental indenture (accompanied by an Opinion of Counsel that such supplemental indenture complies with the Trust Indenture Act as in force at the date of execution of such supplemental indenture) modifying the provisions of this Indenture relating to the right of Holders of the Debentures to cause the Company to repurchase the Debentures following a Designated Event, including without limitation the applicable provisions of this Section 3.5 and the definitions of Common Stock and Designated Event, as appropriate, as determined in good

faith by the Company (which determination shall be conclusive and binding), to make such provisions apply to such other Person if different from the Company and the common stock issued by such Person (in lieu of the Company and the Common Stock of the Company).

(f) The Company will comply with the provisions of Rule 13e-4 and any other tender offer rules under the Exchange Act to the extent then applicable in connection with the redemption rights of the Holders of Debentures in the event of a Designated Event.

Section 3.6. *Effect of Designated Event Repurchase.* Upon receipt by the Trustee (or other paying agent appointed by the Company) of the Designated Event Repurchase Notice specified in Section 3.5, the Holder of the Debenture in respect of which such Designated Event Repurchase Notice was given shall (unless such Designated Event Repurchase Notice is validly withdrawn) thereafter be entitled to receive solely the purchase price with respect to such Debenture. Such purchase price shall be paid to such Holder, subject to receipt of funds and/or Debentures by the Trustee (or other paying agent appointed by the Company), promptly following the later of (x) the Designated Event Repurchase Date with respect to such Debenture (provided the Holder has satisfied the conditions in Section 3.5 and (y) the time of delivery of such Debenture to the Trustee (or other paying agent appointed by the Company) by the Holder thereof in the manner required by Section 3.5. Debentures in respect of which a Designated Event Repurchase Notice has been given by the Holder thereof may not be converted pursuant to ARTICLE 16 hereof on or after the date of the delivery of such Designated Event Repurchase Notice, as the case may be, unless such Designated Event Repurchase Notice, as the case may be, has first been validly withdrawn.

A Designated Event Repurchase Notice may be withdrawn by means of a written notice of withdrawal delivered to the office of the Trustee (or other paying agent appointed by the Company) in accordance with the Designated Event Repurchase Notice at any time prior to the close of business on the Business Day immediately preceding the Designated Event Repurchase Date, specifying:

(a) the certificate number, if any, of the Debenture in respect of which such notice of withdrawal is being submitted, or the appropriate Depository information if the Debenture in respect of which such notice of withdrawal is being submitted is represented by a Global Debenture,

(b) the principal amount of the Debenture with respect to which such notice of withdrawal is being submitted, and

(c) the principal amount, if any, of such Debenture which remains subject to the original Designated Event Repurchase Notice, as the case may be, and which has been or will be delivered for purchase by the Company.

A written notice of withdrawal of a Designated Event Repurchase Notice may be in the form set forth in the preceding paragraph.

Section 3.7. *Deposit of Purchase Price for Designated Event Repurchase.* (a) Prior to 10:00 a.m. (New York City time) on the Business Day following the Designated Event Repurchase Date, the Company shall deposit with the Trustee (or other paying agent appointed

by the Company; or, if the Company or a Subsidiary or an Affiliate of either of them is acting as the paying agent, shall segregate and hold in trust as provided in Section 6.4) an amount of funds (in immediately available funds if deposited on such Business Day), sufficient to pay the aggregate purchase price of all the Debentures or portions thereof that are to be purchased as of the Designated Event Repurchase Date.

(b) If the Trustee or other paying agent appointed by the Company, or the Company or a Subsidiary or Affiliate of either of them, if such entity is acting as the paying agent, holds funds immediately available sufficient to pay the aggregate purchase price of all the Debentures, or portions thereof that are to be purchased as of the Designated Event Repurchase Date, on or after the Designated Event Repurchase Date (i) the Debentures will cease to be outstanding, (ii) interest on the Debentures will cease to accrue, and (iii) all other rights of the Holders of such Debentures will terminate, whether or not book-entry transfer of the Debentures has been made or the Debentures have been delivered to the Trustee or paying agent, other than the right to receive the repurchase price upon delivery of the Debentures.

Section 3.8. *Debentures Repurchased in Part.* Upon presentation of any Debenture repurchased only in part, the Company shall execute and the Trustee shall authenticate and make available for delivery to the Holder thereof, at the expense of the Company, a new Debenture or Debentures, of any authorized denomination, in aggregate principal amount equal to the unredeemed portion of the Debentures presented.

Section 3.9. *Repayment to the Company.* The Trustee (or other paying agent appointed by the Company) shall return to the Company any funds that remain unclaimed as provided in ARTICLE 14 of this Indenture without liability for interest (unless such funds have been deposited in an interest bearing account, then with interest thereon) held by them for the payment of the purchase price; provided that to the extent that the aggregate amount of funds deposited by the Company pursuant to Section 3.7 exceeds the aggregate purchase price of the Debentures or portions thereof which the Company is obligated to purchase as of the Designated Event Repurchase Date then, unless otherwise agreed in writing with the Company, promptly after the Business Day following the Designated Event Repurchase Date, the Trustee shall return any such excess to the Company.

Section 3.10. *Payment of Debentures at Maturity.*

(a) Payment at Maturity. The Company may pay the Debentures at maturity on the Maturity Date, at the option of the Company, in cash or, subject to the conditions and limitations set forth in Section 3.10(b) below, a combination of cash and shares of Common Stock, equal to 100% of the principal amount of the Debentures plus accrued and unpaid interest to, but excluding, the Maturity Date ("Debenture Amount at Maturity"); provided, however that no more than 50% of the Debenture Amount at Maturity may be paid in shares of Common Stock.

(b) Option to Pay in Common Stock. The Company may elect to pay up to 50% of the Debenture Amount at Maturity as set forth in Section 3.10(a), on the Maturity Date in shares of Common Stock if the following conditions are all satisfied on the date of the Maturity Date: (1) the Common Stock is listed on a U.S. national securities exchange or on The Nasdaq

Stock Market; (2) the Trustee has received an Opinion of Counsel (in form and substance reasonably satisfactory to the Trustee) that the Common Stock will be duly issued in compliance with all laws and listing requirements (including any shareholder approval requirements) and is fully paid and non-assessable, (3) the shares of Common Stock used to pay any portion of the Debenture Amount at Maturity are freely tradable by the Holder, without regard to volume limitations, manner of sale, holding periods or other restrictions under the Securities Act, and (4) there shall exist no Default or Event of Default. Common Stock used to pay any portion of the Debenture Amount at Maturity will be valued at 95% of the weighted average of the closing sales prices of Common Stock for the 20 consecutive Trading Days ending on the fifth Trading Day prior to the Maturity Date. Not later than the fourth Trading Day prior to the Maturity Date the Company shall publicly announce the number of shares of Common Stock to be paid on the Maturity Date in respect of the Debenture Amount at Maturity. In case the Company shall elect to pay any portion of the Debenture Amount at Maturity in Common Stock pursuant to this Section 3.10, it shall so notify the Trustee no fewer than forty-five (45) days prior (or such shorter period of time as may be acceptable to the Trustee) prior to the Maturity Date, advising the Trustee of the portion of the Debenture Amount at Maturity to be paid in Common Stock and that portion to be paid in cash. The Trustee shall mail or cause to be mailed in the name of, and at the expense of, the Company, a notice to each Debentureholder of the Company's election not fewer than thirty (30) nor more than sixty (60) days prior to the Maturity Date at its last address as the name appears on the Debenture Register. Such mailing shall be by first class mail. The notice, if mailed in the manner herein provided, shall be conclusively presumed to have been duly given, whether or not the Holder receives such notice. In any case, failure to give such notice by mail to the Holder of any Debenture designated to be paid at Maturity in part in Common Stock shall not affect the validity of the proceedings for the payment of the Debenture Amount at Maturity of any other Debenture. Concurrently with the mailing of such notice by the Trustee, the Company shall issue a press release announcing its election to pay some of the Debenture Amount at Maturity in shares of Common Stock.

(c) Content of Notice. Each such notice provided in (b) above of this Section 3.10 shall specify the aggregate principal amount of the Debenture Amount at Maturity to be paid in Common Stock and the amount to be paid in cash. Such notice shall also state the current Conversion Rate and the date on which the right to convert such Debentures into Common Stock will expire.

(d) Payments Proportional. If any portion of the Debenture Amount at Maturity is to be paid in shares of Common Stock, then all Debentures shall be paid in both cash and Common Stock in the same proportion, provided, however, that the Trustee may make such variations as may be necessary to assure that only whole shares of Common Stock are issued. The Company shall not issue fractional shares.

ARTICLE 4.
SUBORDINATION OF DEBENTURES

Section 4.1. *Agreement of Subordination*. The Company covenants and agrees, and each Holder of Debentures issued hereunder by its acceptance thereof likewise covenants and agrees, that all Debentures shall be issued subject to the provisions of this ARTICLE 4, and each Person holding any Debentures, whether upon original issue or upon registration of transfer, assignment or exchange thereof, accepts and agrees to be bound by such provisions.

The payment of the principal of, premium, if any, and interest on all Debentures (including, but not limited to, the redemption or repurchase price with respect to the Debentures subject to redemption or repurchase in accordance with ARTICLE 3 as provided in this Indenture) issued hereunder shall, to the extent and in the manner hereinafter set forth, be subordinated and subject in right of payment to the prior payment in full of all Senior Indebtedness, whether outstanding at the date of this Indenture or thereafter incurred.

No provision of this ARTICLE 4 shall prevent the occurrence of any default or Event of Default hereunder or have any effect on the rights of the Holders of the Debentures or the Trustee to accelerate the maturity of the Debentures.

Section 4.2. *Payments to Debentureholders.* No payment shall be made with respect to the principal of, premium, if any, or interest on the Debentures (including, but not limited to, the redemption or repurchase price with respect to the Debentures subject to redemption or repurchase in accordance with ARTICLE 3, as provided in this Indenture), except payments and distributions made by the Trustee as permitted by the first or second paragraph of Section 4.5, if:

(i) a default in the payment of principal, premium, if any, interest, rent or other obligations in respect of Designated Senior Indebtedness occurs and is continuing (or, in the case of Designated Senior Indebtedness for which there is a period of grace, in the event of such a default that continues beyond the period of grace, if any, specified in the instrument or lease evidencing such Designated Senior Indebtedness) (a “**Payment Default**”); or

(ii) a default, other than a Payment Default, on any Designated Senior Indebtedness occurs and is continuing (or would occur as a result of such payment; provided in that case that the Company has notified the Trustee that such default would result from such payment prior to the time that the Trustee is required to make such payment) that then permits holders of such Designated Senior Indebtedness to accelerate its maturity (or in the case of any lease that is Designated Senior Indebtedness, a default occurs and is continuing that permits the lessor to either terminate the lease or require the Company to make an irrevocable offer to terminate the lease following an event of default thereunder) and the Trustee receives a notice of the default (a “**Payment Blockage Notice**”) from a holder of Designated Senior Indebtedness or a Representative of Designated Senior Indebtedness (a “**Non-Payment Default**”).

If the Trustee receives any Payment Blockage Notice pursuant to clause (ii) above, no subsequent Payment Blockage Notice shall be effective for purposes of this Section 4.2 unless and until at least 365 days shall have elapsed since the initial effectiveness of the immediately prior Payment Blockage Notice. No Non-Payment Default that existed or was continuing on the date of delivery of any Payment Blockage Notice to the Trustee shall be, or be made, the basis for a subsequent Payment Blockage Notice.

The Company may and shall resume payments on and distributions in respect of the Debentures (including, but not limited to, the redemption price with respect to the Debentures to be redeemed) upon the earlier of:

(1) in the case of a Payment Default, the date upon which any such Payment Default is cured or waived or ceases to exist, or

(2) in the case of a Non-Payment Default, the earlier of (a) the date upon which such default is cured or waived or ceases to exist or (b) 179 days after the applicable Payment Blockage Notice is received by the Trustee if the maturity of such Designated Senior Indebtedness has not been accelerated (or in the case of any lease, 179 days after notice is received if the Company has not received notice that the lessor under such lease has exercised its right to terminate the lease or require the Company to make an irrevocable offer to terminate the lease following an event of default thereunder), unless this ARTICLE 4 otherwise prohibits the payment or distribution at the time of such payment or distribution.

Upon any payment by the Company, or distribution of assets of the Company of any kind or character, whether in cash, property or securities, to creditors upon any dissolution or winding up or liquidation or reorganization of the Company, whether voluntary or involuntary or in bankruptcy, insolvency, receivership or other proceedings, all amounts due or to become due upon all Senior Indebtedness shall first be paid in full in cash or other payment satisfactory to the holders of such Senior Indebtedness before any payment is made on account of the principal of, premium, if any, or interest on the Debentures (except payments made pursuant to ARTICLE 14 from monies deposited with the Trustee pursuant thereto prior to commencement of proceedings for such dissolution, winding up, liquidation or reorganization unless the Trustee has received notice to the contrary in accordance with Section 4.5), and upon any such dissolution or winding up or liquidation or reorganization of the Company or bankruptcy, insolvency, receivership or other similar proceeding, any payment by the Company, or distribution of assets of the Company of any kind or character, whether in cash, property or securities, to which the Holders of the Debentures or the Trustee would be entitled, except for the provisions of this Article 4, shall (except as aforesaid) be paid by the Company or by any receiver, trustee in bankruptcy, liquidating trustee, agent or other Person making such payment or distribution, or by the Holders of the Debentures or by the Trustee under this Indenture if received by them or it, directly to the holders of Senior Indebtedness (pro rata to such holders on the basis of the respective amounts of Senior Indebtedness held by such holders, or as otherwise required by law or a court order) or their Representative or Representatives, as their respective interests may appear, to the extent necessary to pay all Senior Indebtedness in full, in cash or other payment satisfactory to the holders of such Senior Indebtedness, after giving effect to any concurrent payment or distribution to or for the holders of Senior Indebtedness, before any payment or distribution is made to the Holders of the Debentures or to the Trustee.

For purposes of this ARTICLE 4, the words, "**Cash, Property or Securities**" shall not be deemed to include shares of Common Stock of the Company as reorganized or readjusted, or securities of the Company or any other corporation provided for by a plan of reorganization or readjustment, the payment of which is subordinated at least to the extent provided in this ARTICLE 4 with respect to the Debentures to the payment of all Senior Indebtedness which may at the time be outstanding; provided that (i) the Senior Indebtedness is assumed by the new corporation, if any, resulting from any reorganization or readjustment, and (ii) the rights of the holders of Senior Indebtedness (other than leases which are not assumed by the Company or the new corporation, as the case may be) are not, without the consent of such holders, altered by such reorganization or readjustment. The consolidation of the Company with, or the merger of

the Company into, another corporation or the liquidation or dissolution of the Company following the conveyance or transfer of its property as an entirety, or substantially as an entirety, to another Person upon the terms and conditions provided for in ARTICLE 13 shall not be deemed a dissolution, winding-up, liquidation or reorganization for the purposes of this Section 4.2 if such other Person shall, as a part of such consolidation, merger, conveyance or transfer, comply with the conditions stated in ARTICLE 13.

In the event of the acceleration of the Debentures because of an Event of Default, no payment or distribution shall be made to the Trustee or any Holder of Debentures in respect of the principal of, premium, if any, or interest on the Debentures (including, but not limited to, the redemption price with respect to the Debentures called for redemption in accordance with Section 3.2 or submitted for redemption in accordance with Section 3.5, as the case may be, as provided in this Indenture, whether called or submitted for redemption before or after an Event of Default), except payments and distributions made by the Trustee as permitted by the first or second paragraph of Section 4.5, until all Senior Indebtedness has been paid in full in cash or other payment satisfactory to the holders of Senior Indebtedness or such acceleration is rescinded in accordance with the terms of this Indenture. If payment of the Debentures is accelerated because of an Event of Default, the Company or, at the Company's request and expense, the Trustee shall promptly notify holders of Senior Indebtedness of the acceleration.

In the event that, notwithstanding the foregoing provisions, any payment or distribution of assets of the Company of any kind or character, whether in cash, property or securities (including, without limitation, by way of setoff or otherwise), prohibited by the foregoing provisions in this Section 4.2, shall be received by the Trustee or the Holders of the Debentures before all Senior Indebtedness is paid in full in cash or other payment satisfactory to the holders of such Senior Indebtedness, or provision is made for such payment thereof in accordance with its terms in cash or other payment satisfactory to the holders of such Senior Indebtedness, to the extent that the Trustee or any Holder of the Debentures has acquired notice, by whatever means, that all Senior Indebtedness has not been paid in full, such payment or distribution shall be held in trust for the benefit of and shall be paid over or delivered to the holders of Senior Indebtedness or their Representative or Representatives, as their respective interests may appear, as calculated by the Company, for application to the payment of any Senior Indebtedness remaining unpaid to the extent necessary to pay all Senior Indebtedness in full in cash or other payment satisfactory to the holders of such Senior Indebtedness, after giving effect to any concurrent payment or distribution to or for the holders of such Senior Indebtedness.

Nothing in this Section 4.2 shall apply to claims of, or payments to, the Trustee under or pursuant to Section 9.6. This Section 4.2 shall be subject to the further provisions of Section 4.5.

Section 4.3. *Subrogation of Debentures.* Subject to the payment in full of all Senior Indebtedness, the rights of the Holders of the Debentures shall be subrogated to the extent of the payments or distributions made to the holders of such Senior Indebtedness pursuant to the provisions of this ARTICLE 4 (equally and ratably with the holders of all Indebtedness of the Company which by its express terms is subordinated to other Indebtedness of the Company to substantially the same extent as the Debentures are subordinated and is entitled to like rights of subrogation) to the rights of the holders of Senior Indebtedness to receive payments or distributions of cash, property or securities of the Company applicable to the Senior Indebtedness

until the principal, premium, if any, and interest on the Debentures shall be paid in full, and, for the purposes of such subrogation, no payments or distributions to the holders of the Senior Indebtedness of any cash, property or securities to which the Holders of the Debentures or the Trustee would be entitled except for the provisions of this ARTICLE 4, and no payment pursuant to the provisions of this ARTICLE 4, to or for the benefit of the holders of Senior Indebtedness by Holders of the Debentures or the Trustee, shall, as among the Company, its creditors other than holders of Senior Indebtedness, and the Holders of the Debentures, be deemed to be a payment by the Company to or on account of the Senior Indebtedness, and no payments or distributions of cash, property or securities to or for the benefit of the Holders of the Debentures pursuant to the subrogation provisions of this ARTICLE 4, which would otherwise have been paid to the holders of Senior Indebtedness, shall be deemed to be a payment by the Company to or for the account of the Debentures. It is understood that the provisions of this ARTICLE 4 are intended solely for the purposes of defining the relative rights of the Holders of the Debentures, on the one hand, and the holders of the Senior Indebtedness, on the other hand.

Nothing contained in this ARTICLE 4 or elsewhere in this Indenture or in the Debentures is intended to or shall impair, as among the Company, its creditors other than the holders of Senior Indebtedness, and the Holders of the Debentures, the obligation of the Company, which is absolute and unconditional, to pay to the Holders of the Debentures the principal of, premium, if any, and interest on the Debentures as and when the same shall become due and payable in accordance with their terms, or is intended to or shall affect the relative rights of the Holders of the Debentures and creditors of the Company other than the holders of the Senior Indebtedness, nor shall anything herein or therein prevent the Trustee or, subject to Section 8.4, the Holder of any Debenture from exercising all remedies otherwise permitted by applicable law upon default under this Indenture, subject to the rights, if any, under this ARTICLE 4 of the holders of Senior Indebtedness in respect of cash, property or securities of the Company received upon the exercise of any such remedy.

Upon any payment or distribution of assets of the Company referred to in this ARTICLE 4, the Trustee, subject to the provisions of Section 9.1, and the Holders of the Debentures shall be entitled to rely upon any order or decree made by any court of competent jurisdiction in which such bankruptcy, dissolution, winding up, liquidation or reorganization proceedings are pending, or a certificate of the receiver, trustee in bankruptcy, liquidating trustee, agent or other Person making such payment or distribution, delivered to the Trustee or to the Holders of the Debentures, for the purpose of ascertaining the Persons entitled to participate in such distribution, the holders of the Senior Indebtedness and other indebtedness of the Company, the amount thereof or payable thereon and all other facts pertinent thereto or to this ARTICLE 4.

Section 4.4. *Authorization to Effect Subordination.* Each Holder of a Debenture by the Holder's acceptance thereof authorizes and directs the Trustee on the Holder's behalf to take such action as may be necessary or appropriate to effectuate the subordination as provided in this ARTICLE 4 and appoints the Trustee to act as the Holder's attorney-in-fact for any and all such purposes. If the Trustee does not file a proper proof of claim or proof of debt in the form required in any proceeding referred to in the third paragraph of Section 8.2 hereof at least thirty (30) days before the expiration of the time to file such claim, the holders of any Senior Indebtedness or their Representatives are hereby authorized to file an appropriate claim for and on behalf of the Holders of the Debentures.

Section 4.5. *Notice to Trustee.* The Company shall give prompt written notice in the form of an Officers' Certificate to a Responsible Officer of the Trustee and to any paying agent of any fact known to the Company that would prohibit the making of any payment of monies to or by the Trustee or any paying agent in respect of the Debentures pursuant to the provisions of this ARTICLE 4. Notwithstanding the provisions of this ARTICLE 4 or any other provision of this Indenture, the Trustee shall not be charged with knowledge of the existence of any facts that would prohibit the making of any payment of monies to or by the Trustee in respect of the Debentures pursuant to the provisions of this ARTICLE 4, unless and until a Responsible Officer of the Trustee shall have received written notice thereof at the Corporate Trust Office from the Company (in the form of an Officers' Certificate) or a Representative or a holder or holders of Senior Indebtedness, and before the receipt of any such written notice, the Trustee, subject to the provisions of Section 9.1, shall be entitled in all respects to assume that no such facts exist; provided, however, that if by the Business Day prior to the date upon which by the terms hereof any such monies may become payable for any purpose (including, without limitation, the payment of the principal of, or premium, if any, or interest on any Debenture) the Trustee shall not have received, with respect to such monies, the notice provided for in this Section 4.5, then, anything herein contained to the contrary notwithstanding, the Trustee shall have full power and authority to apply monies received to the purpose for which they were received, and shall not be affected by any notice to the contrary that may be received by it on or after such prior date.

Notwithstanding anything in this ARTICLE 4 to the contrary, nothing shall prevent any payment by the Trustee to the Debentureholders of monies deposited with it pursuant to Section 14.1, if a Responsible Officer of the Trustee shall not have received written notice at the Corporate Trust Office on or before one Business Day prior to the date such payment is due that such payment is not permitted under Section 4.1 or Section 4.2.

The Trustee, subject to the provisions of Section 9.1, shall be entitled to rely on the delivery to it of a written notice by a Representative or a person representing himself to be a holder of Senior Indebtedness (or a trustee on behalf of such holder) to establish that such notice has been given by a Representative or a holder of Senior Indebtedness or a trustee on behalf of any such holder or holders. The Trustee shall not be required to make any payment or distribution to or on behalf of a holder of Senior Indebtedness pursuant to this ARTICLE 4 unless it has received satisfactory evidence as to the amount of Senior Indebtedness held by such Person, the extent to which such Person is entitled to participate in such payment or distribution and any other facts pertinent to the rights of such Person under this Article 4.

Section 4.6. *Trustee's Relation to Senior Indebtedness.* The Trustee, in its individual capacity, shall be entitled to all the rights set forth in this ARTICLE 4 in respect of any Senior Indebtedness at any time held by it, to the same extent as any other holder of Senior Indebtedness, and nothing in Section 9.13 or elsewhere in this Indenture shall deprive the Trustee of any of its rights as such holder.

With respect to the holders of Senior Indebtedness, the Trustee undertakes to perform or to observe only such of its covenants and obligations as are specifically set forth in this ARTICLE 4, and no implied covenants or obligations with respect to the holders of Senior Indebtedness shall be read into this Indenture against the Trustee. The Trustee shall not be deemed to owe any fiduciary duty to the holders of Senior Indebtedness and, subject to the

provisions of Section 9.1, the Trustee shall not be liable to any holder of Senior Indebtedness (i) for any failure to make any payments or distributions to such holder or (ii) if it shall pay over or deliver money to Holders of Debentures, the Company or any other Person in compliance with this ARTICLE 4.

Section 4.7. *No Impairment of Subordination.* No right of any present or future holder of any Senior Indebtedness to enforce subordination as herein provided shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of the Company or by any act or failure to act, in good faith, by any such holder, or by any noncompliance by the Company with the terms, provisions and covenants of this Indenture, regardless of any knowledge thereof which any such holder may have or otherwise be charged with. Senior Indebtedness may be created, renewed or extended and holders of Senior Indebtedness may exercise any rights under any instrument creating or evidencing such Senior Indebtedness, including, without limitation, any waiver of default thereunder, without any notice to or consent from the Holders of the Debentures or the Trustee. No compromise, alteration, amendment, modification, extension, renewal or other change of, or waiver, consent or other action in respect of, any liability or obligation under or in respect of the Senior Indebtedness or any terms or conditions of any instrument creating or evidencing such Senior Indebtedness shall in any way alter or affect any of the provisions of this ARTICLE 4 or the subordination of the Debentures provided thereby.

Section 4.8. *Certain Conversions Not Deemed Payment.* For the purposes of this ARTICLE 4 only, (1) the issuance and delivery of Junior Securities upon conversion of Debentures in accordance with ARTICLE 16 and/or delivered as a Make-Whole Premium in accordance with ARTICLE 5 and (2) the payment, issuance or delivery of cash, property or securities (including any such cash, property or securities described as a Make-Whole Premium) upon conversion of a Debenture as a result of any transaction specified in Section 16.6 shall not be deemed to constitute a payment or distribution on account of the principal of, premium, if any, or interest on Debentures or on account of the purchase or other acquisition of Debentures. For the purposes of this Section 4.8, the term “**Junior Securities**” means (a) Common Stock of the Company or (b) securities of the Company that are subordinated in right of payment to all Senior Indebtedness that may be outstanding at the time of issuance or delivery of such securities to substantially the same extent as, or to a greater extent than, the Debentures are so subordinated as provided in this ARTICLE 4. Nothing contained in this ARTICLE 4 or elsewhere in this Indenture or in the Debentures is intended to or shall impair, as among the Company, its creditors (other than holders of Senior Indebtedness) and the Debentureholders, the right, which is absolute and unconditional, of the Holder of any Debenture to convert such Debenture in accordance with ARTICLE 16.

Section 4.9. *Article Applicable to Paying Agents.* If at any time any paying agent other than the Trustee shall have been appointed by the Company and be then acting hereunder, the term “Trustee” as used in this ARTICLE 4 shall (unless the context otherwise requires) be construed as extending to and including such paying agent within its meaning as fully for all intents and purposes as if such paying agent were named in this ARTICLE 4 in addition to or in place of the Trustee; provided, however, that the first paragraph of Section 4.5 shall not apply to the Company or any Affiliate of the Company if it or such Affiliate acts as paying agent.

The Trustee shall not be responsible for the actions or inactions of any other paying agents (including the Company if acting as its own paying agent) and shall have no control of any funds held by such other paying agents.

Section 4.10. *Senior Indebtedness Entitled to Rely*. The holders of Senior Indebtedness (including, without limitation, Designated Senior Indebtedness) shall have the right to rely upon this ARTICLE 4, and no amendment or modification of the provisions contained herein shall diminish the rights of such holders unless such holders shall have agreed in writing thereto.

Section 4.11. *Reliance on Judicial Order or Certificate of Liquidating Agent*. Upon any payment or distribution of assets of the Company referred to in this ARTICLE 4, the Trustee and the Debentureholders shall be entitled to rely upon any order or decree entered by any court of competent jurisdiction in which such insolvency, bankruptcy, receivership, liquidation, reorganization, dissolution, winding up or similar case or proceeding is pending, or a certificate of the trustee in bankruptcy, liquidating trustee, custodian, receiver, assignee for the benefit of creditors, agent or other Person making such payment or distribution, delivered to the Trustee or to the Debentureholders, for the purpose of ascertaining the Persons entitled to participate in such payment or distribution, the holders of Senior Indebtedness and other indebtedness of the Company, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this ARTICLE 4.

ARTICLE 5. MAKE-WHOLE PREMIUM

Section 5.1. *Make-Whole Premium*. (a) Upon the occurrence of a Fundamental Change (whether or not such Fundamental Change constitutes a Designated Event), the Holders will be entitled to receive from the Company upon the later to occur of the Conversion Date, or the Effective Date, the Make-Whole Premium, if any, if they convert any of their Debentures pursuant to Section 16.1 hereof at any time during the Fundamental Change Conversion Period.

(b) The Make-Whole Premium shall be equal to an additional number of shares of Common Stock calculated in accordance with Section 5.1(c) hereof. The Make-Whole Premium will be in addition to, and not in substitution for, any cash, securities, or other assets otherwise due to Holders of Debentures upon conversion thereof.

(c) The “**Make-Whole Premium**” shall be equal to the principal amount of the Debentures to be converted divided by \$1,000 and multiplied by the applicable number of shares of Common Stock determined by reference to the table set forth in Exhibit C hereto (the “**Make-Whole Premium Table**”).

(1) If the Stock Price is between two stock price amounts on the Make-Whole Premium Table or the Effective Date is between two dates on the Make-Whole Premium Table, the Make-Whole Premium will be determined by straight-line interpolation between Make-Whole Premium amounts set forth for the higher and lower stock price amounts and the two dates, as applicable, based on a 365-day year (or a 366-day year if the Effective Date occurs in a leap year).

(2) If the Stock Price is in excess of \$30.00 per share of Common Stock (subject to adjustment as described in Section 5.3, the “**Stock Price Cap**”), the Make-Whole Premium corresponding to the Stock Price row “\$30.00 or above” shall be paid per \$1,000 principal amount of Debentures.

(3) If the Stock Price is less than or equal to \$7.00 per share of Common Stock (subject to adjustment as described in Section 5.3, the “**Stock Price Threshold**”), the Make-Whole Premium shall equal zero.

(4) For purposes of this Section 5.1(c), “**Stock Price**” means the price paid per share of Common Stock in the transaction constituting the Fundamental Change, determined as follows: (i) if holders of Common Stock receive only cash in the transaction constituting the Fundamental Change, the Stock Price shall equal the cash amount paid per share of Common Stock; and (ii) in all other cases, the Stock Price shall equal the arithmetic average of the Closing Sale Prices of a share of Common Stock over the five Trading Day period ending on the Trading Day immediately preceding the Effective Date.

(d) The Company may pay the Make-Whole Premium in shares of Common Stock (other than cash paid in lieu of fractional shares), in the same form of consideration into which shares of Common Stock have been converted in connection with the applicable Fundamental Change or in any combination of the foregoing. The Designated Event Notice delivered pursuant to Section 3.5(b), in connection with the Fundamental Change shall state the percentage of any Make-Whole Premium, stated in total principal amount as if all Debentures then Outstanding shall be converted or redeemed during the Fundamental Change Conversion Period, that will be paid in shares of Common Stock (which indication shall be irrevocable). If holders of Common Stock have the right to elect the form of consideration received in a Fundamental Change, then for purposes of the foregoing the consideration into which a share of Common Stock has been converted shall be deemed to equal the same percentage of each form of consideration as encompasses the aggregate consideration distributed in respect of all shares of Common Stock participating in the distribution. Unless the Company gives notice to the contrary, the Make-Whole Premium shall be paid in shares of Common Stock (or, if applicable, in Exchange Property).

If the Company elects to pay the Make-Whole Premium in Exchange Property (the same form of consideration used to pay for the shares of the Common Stock in connection with the applicable Fundamental Change), the value of the consideration to be delivered in respect of the Make-Whole Premium will be calculated as follows:

(i) securities that are traded on a United States national securities exchange or approved for quotation on the Nasdaq National Market or any similar system of automated dissemination of quotations of securities prices will be based on 100% of the arithmetic average of the Closing Price of such securities during each of the ten (10) Trading Days ending on the Trading Day immediately preceding the Effective Date;

(ii) other securities, assets or property (other than cash) will be valued on 100% of the arithmetic average of the Fair Market Value of such securities, assets or property (other than cash) as determined by two independent nationally recognized investment banks selected by the Trustee; and

(iii) 100% of any cash.

If a Make-Whole Premium is required, the Company or the Trustee, at the expense of the Company, shall from time to time appoint an independent nationally recognized investment bank to serve as calculation agent with respect to calculation of the Make-Whole Premium (the “**Calculation Agent**”). The Calculation Agent shall, on behalf of and upon request by the Company or the Trustee, (A) calculate the Stock Price, the Stock Price Cap and the Stock Price Threshold, (B) calculate the Make-Whole Premium with respect to such Stock Price based on the Effective Date specified by the Company or the Trustee, and (C) make the adjustments to the Make-Whole Premium Table as provided for in Section 5.3, and shall deliver its calculation of the Stock Price and Make-Whole Premium, along with its adjustments to the Make-Whole Premium Table, to the Company and the Trustee within five (5) Business Days after the request by the Company or the Trustee. The Company, or at the Company’s request and expense, the Trustee in the name of the Company, (X) shall notify the Holders of the Stock Price and the estimated Make-Whole Premium per \$1,000 Principal Amount of Securities with respect to a Fundamental Change as part of the Designated Event Notice delivered in connection with a Fundamental Change in accordance with Section 3.5(b) or otherwise in accordance with the notice provisions of the Indenture and (Y) shall notify the Holders promptly upon the opening of business on the Effective Date of the number of shares of Common Stock (or, at the option of the Company, other securities, assets or property or cash into which all or substantially all of the shares of Common Stock have been converted as of the Effective Date as described above) to be delivered in respect of the Make-Whole Premium, if any, payable in connection with conversions upon such Fundamental Change.

(e) In the event of a Fundamental Change where the Company is not the surviving entity, for each conversion by a Holder after the Effective Date, such Holder shall receive in lieu of each share of Common Stock payable as part of the Make-Whole Premium the Exchange Property received in such Fundamental Change for each share of Common Stock.

(f) Promptly after determination of the actual number of shares of Common Stock to be issued in respect of the Make-Whole Premium, the Company shall publish a notice containing this information in a newspaper published in the English language, customarily published each Business Day and of general circulation in The City of New York and publish such information on the Company’s web site or through such other public medium as the Company may use at that time.

Section 5.2. *Payment Of Make-Whole Premium.* On or prior to 10:00 a.m., New York City time, on the Effective Date, the Company will deposit with the Trustee or with one or more paying agents, additional shares of Common Stock, cash and/or other assets or property sufficient to satisfy the entitlement of the Holders of Debentures under Section 5.1. Payment of the entitlement pursuant to Section 5.1 to Holders of Debentures surrendered for conversion during the Fundamental Change Conversion Period will be made promptly by the Trustee or such paying agent on the Conversion Date or Effective Date, as applicable. To the extent that the aggregate amount of shares of Common Stock, cash and/or other assets or property deposited

by the Company pursuant to this Section exceeds the aggregate entitlement of the Holders of Debentures under Section 5.1 that are converted in respect of the Fundamental Change and are entitled to receive the Make-Whole Premium, then, promptly after the expiration of the Fundamental Change Conversion Period, the Trustee (or the paying agent) shall return any such excess to the Company.

Section 5.3. *Adjustments Relating To The Make-Whole Premium.* Each time that the Conversion Rate is adjusted by the Company pursuant to Section 16.5 hereof, (A) the Stock Price Threshold, the Stock Price Cap and each of the stock prices set forth in the left hand column of the Make-Whole Premium Table shall be adjusted (rounded to the nearest cent) by multiplying each such amount by a fraction, the numerator of which is the Conversion Rate immediately prior to such adjustment and the denominator of which is the Conversion Rate as so adjusted, and (B) each of share amounts set forth in the body of the Make-Whole Premium Table shall be adjusted (rounded to the nearest one-one hundredth of a share) in the same manner as the Conversion Rate is adjusted pursuant to Section 16.5 hereof.

ARTICLE 6. PARTICULAR COVENANTS OF THE COMPANY

Section 6.1. *Payment of Principal, Premium and Interest.* The Company covenants and agrees that it will duly and punctually pay or cause to be paid the principal of and premium, if any (including the redemption price upon redemption or the purchase price upon repurchase, in each case pursuant to ARTICLE 3), and interest, on each of the Debentures at the places, at the respective times and in the manner provided herein and in the Debentures.

Section 6.2. *Maintenance of Office or Agency.* The Company will, or will cause the Trustee to, maintain an office or agency where the Debentures may be surrendered for registration of transfer or exchange or for presentation for payment or for conversion, redemption or repurchase and where notices and demands to or upon the Company in respect of the Debentures and this Indenture may be served. The Company will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency not designated or appointed by the Trustee. If at any time the Company shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office.

The Company may also from time to time designate co-registrars and one or more offices or agencies where the Debentures may be presented or surrendered for any or all such purposes and may from time to time rescind such designations. The Company will give prompt written notice of any such designation or rescission and of any change in the location of any such other office or agency.

The Company hereby initially designates the Trustee as paying agent, Debenture Registrar, Custodian and conversion agent and each of the Corporate Trust Office and the office of agency of the Trustee, shall be considered as one such office or agency of the Company for each of the aforesaid purposes.

So long as the Trustee is the Debenture Registrar, the Trustee agrees to mail, or cause to be mailed, the notices set forth in Section 9.10(a) and the third paragraph of Section 9.11. If co-registrars have been appointed in accordance with this Section 6.2, the Trustee shall mail such notices only to the Company and the Holders of Debentures it can identify from its records.

Section 6.3. *Appointments to Fill Vacancies in Trustee's Office.* The Company, whenever necessary to avoid or fill a vacancy in the office of Trustee, will appoint, in the manner provided in Section 9.10, a Trustee, so that there shall at all times be a Trustee hereunder.

Section 6.4. *Provisions as to Paying Agent.* (a) If the Company shall appoint a paying agent other than the Trustee, or if the Trustee shall appoint such a paying agent, the Company will cause such paying agent to execute and deliver to the Trustee an instrument in which such agent shall agree with the Trustee, subject to the provisions of this Section 6.4:

(1) that it will hold all sums held by it as such agent for the payment of the principal of and premium, if any, or interest on the Debentures (whether such sums have been paid to it by the Company or by any other obligor on the Debentures) in trust for the benefit of the Holders of the Debentures;

(2) that it will give the Trustee notice of any failure by the Company (or by any other obligor on the Debentures) to make any payment of the principal of and premium, if any, or interest on the Debentures when the same shall be due and payable; and

(3) that at any time during the continuance of an Event of Default, upon request of the Trustee, it will forthwith pay to the Trustee all sums so held in trust.

The Company shall, on or before each due date of the principal of, premium, if any, or interest on the Debentures, deposit with the paying agent a sum (in funds which are immediately available on the due date for such payment) sufficient to pay such principal, premium, if any, or interest, and (unless such paying agent is the Trustee) the Company will promptly notify the Trustee of any failure to take such action; provided that if such deposit is made on the due date, such deposit shall be received by the paying agent by 10:00 a.m. New York City time, on such date.

(b) If the Company shall act as its own paying agent, it will, on or before each due date of the principal of, premium, if any, or interest on the Debentures, set aside, segregate and hold in trust for the benefit of the Holders of the Debentures a sum sufficient to pay such principal, premium, if any, or interest so becoming due and will promptly notify the Trustee of any failure to take such action and of any failure by the Company (or any other obligor under the Debentures) to make any payment of the principal of, premium, if any, or interest on the Debentures when the same shall become due and payable.

(c) Anything in this Section 6.4 to the contrary notwithstanding, the Company may, at any time, for the purpose of obtaining a satisfaction and discharge of this Indenture, or for any other reason, pay or cause to be paid to the Trustee all sums held in trust by the Company or any paying agent hereunder as required by this Section 6.4, such sums to be held by the Trustee upon the trusts herein contained and upon such payment by the Company or any paying agent to the Trustee, the Company or such paying agent shall be released from all further liability with respect to such sums.

(d) Anything in this Section 6.4 to the contrary notwithstanding, the agreement to hold sums in trust as provided in this Section 6.4 is subject to Section 14.3 and Section 14.4.

The Trustee shall not be responsible for the actions of any other paying agents (including the Company if acting as its own paying agent) and shall have no control of any funds held by such other paying agents.

Section 6.5. *Existence*. Subject to ARTICLE 13, the Company will do or cause to be done all things necessary to preserve and keep in full force and effect its existence and rights (charter and statutory); provided that the Company shall not be required to preserve any such right if the Company shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Company and that the loss thereof does not adversely effect in any material respect the Debentureholders.

Section 6.6. *Maintenance of Properties*. The Company will cause all material properties used or useful in the conduct of its business or the business of any Significant Subsidiary to be maintained and kept in good condition, repair and working order (normal wear and tear excepted) and supplied with all necessary equipment and will cause to be made all necessary repairs, renewals, replacements, betterments and improvements thereof, all as in the judgment of the Company may be necessary so that the business carried on in connection therewith may be properly conducted at all times; provided that nothing in this Section 6.6 shall prevent the Company from (i) selling, assigning, transferring, consigning, delivering or otherwise disposing of such properties or (ii) discontinuing the operation or maintenance of any of such properties, in each case, if such sale, assignment, transfer, conveyance, delivery, disposition or discontinuance is, in the judgment of the Company, desirable in the conduct of its business or the business of any subsidiary.

Section 6.7. *Payment of Taxes and Other Claims*. The Company will pay or discharge, or cause to be paid or discharged, before the same may become delinquent, (i) all taxes, assessments and governmental charges levied or imposed upon the Company or any Significant Subsidiary or upon the income, profits or property of the Company or any Significant Subsidiary, (ii) all claims for labor, materials and supplies which, if unpaid, might by law become a lien or charge upon the property of the Company or any Significant Subsidiary and (iii) all stamp taxes and other duties, if any, which may be imposed by the United States or any political subdivision thereof or therein in connection with the issuance, transfer, exchange, conversion, redemption or repurchase of any Debentures or with respect to this Indenture; provided that, in the case of clauses (i) and (ii), the Company shall not be required to pay or discharge or cause to be paid or discharged any such tax, assessment, charge or claim (A) if the failure to do so will not, in the aggregate, have a material adverse impact on the Company, or (B) if the amount, applicability or validity is being contested in good faith by appropriate proceedings.

Section 6.8. *Rule 144A Information Requirement*. Within the period prior to the expiration of the holding period applicable to sales thereof under Rule 144(k) under the

Securities Act (or any successor provision), the Company covenants and agrees that it shall, during any period in which it is not subject to Sections 13 or 15(d) under the Exchange Act, make available to any Holder or beneficial holder of Debentures or any Common Stock issued upon conversion thereof which continue to be Restricted Securities in connection with any sale thereof and any prospective purchaser of Debentures or such Common Stock designated by such Holder or beneficial holder, the information required pursuant to Rule 144A(d)(4) under the Securities Act upon the request of any Holder or beneficial holder of the Debentures or such Common Stock and it will take such further action as any Holder or beneficial holder of such Debentures or such Common Stock may reasonably request, all to the extent required from time to time to enable such Holder or beneficial holder to sell its Debentures or Common Stock without registration under the Securities Act within the limitation of the exemption provided by Rule 144A, as such Rule may be amended from time to time. Upon the reasonable request of any Holder or any beneficial holder of the Debentures or such Common Stock, the Company will deliver to such Holder or beneficial holder a written statement as to whether it has complied with such requirements.

Section 6.9. *Stay, Extension and Usury Laws.* The Company covenants (to the extent that it may lawfully do so) that it shall not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law or other law which would prohibit or forgive the Company from paying all or any portion of the principal of, premium, if any, or interest on the Debentures as contemplated herein, wherever enacted, now or at any time hereafter in force, or which may affect the covenants or the performance of this Indenture and the Company (to the extent it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it will not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

Section 6.10. *Compliance Certificate.* The Company shall deliver to the Trustee, within one hundred twenty (120) days after the end of each fiscal year of the Company, a certificate signed by either the principal executive officer, principal financial officer or principal accounting officer of the Company, stating whether or not, to the best knowledge of the signer thereof, the Company is in default, in any material respect, in the performance and observance of any of the terms, provisions and conditions of this Indenture (without regard to any period of grace or requirement of notice provided hereunder) and, if the Company shall be in default, specifying all such defaults and the nature and the status thereof of which the signer may have knowledge.

The Company will deliver to the Trustee, forthwith upon becoming aware of (i) any default in any material respect in the performance or observance of any covenant, agreement or condition contained in this Indenture, or (ii) any Event of Default, an Officers' Certificate specifying with particularity such default or Event of Default and further stating what action the Company has taken, is taking or proposes to take with respect thereto.

Any notice required to be given under this Section 6.10 shall be delivered to a Responsible Officer of the Trustee at its Corporate Trust Office.

Section 6.11. *Liquidated Damages Notice.* In the event that the Company is required to pay Liquidated Damages to Holders of Debentures pursuant to the Registration Rights

Agreement, the Company will provide written notice (“**Liquidated Damages Notice**”) to the Trustee of its obligation to pay Liquidated Damages no later than fifteen (15) days prior to the proposed payment date for the Liquidated Damages, and the Liquidated Damages Notice shall set forth the amount of Liquidated Damages to be paid by the Company on such payment date. The Trustee shall not at any time be under any duty or responsibility to any Holder of Debentures to determine the Liquidated Damages, or with respect to the nature, extent or calculation of the amount of Liquidated Damages when made, or with respect to the method employed in such calculation of the Liquidated Damages.

Section 6.12. *Future Subordinated Indebtedness.* The Company will not create Future Subordinated Indebtedness unless, by its terms, it is either junior to, or pari passu with, the Debentures. The term “**Future Subordinated Indebtedness**” refers to indebtedness for money borrowed hereafter created by the Company which is designated as subordinated to Senior Indebtedness of the Company.

ARTICLE 7.
DEBENTUREHOLDERS’ LISTS AND REPORTS
BY THE COMPANY AND THE TRUSTEE

Section 7.1. *Debentureholders’ Lists.* The Company covenants and agrees that it will furnish or cause to be furnished to the Trustee, semiannually, not more than fifteen (15) days after each February 15 and August 15 in each year beginning with August 15, 2006, and at such other times as the Trustee may request in writing, within thirty (30) days after receipt by the Company of any such request (or such lesser time as the Trustee may reasonably request in order to enable it to timely provide any notice to be provided by it hereunder), a list in such form as the Trustee may reasonably require of the names and addresses of the Holders of Debentures as of a date not more than fifteen (15) days (or such other date as the Trustee may reasonably request in order to so provide any such notices) prior to the time such information is furnished, except that no such list need be furnished by the Company to the Trustee so long as the Trustee is acting as the sole Debenture Registrar.

Section 7.2. *Preservation And Disclosure Of Lists.* (a) The Trustee shall preserve, in as current a form as is reasonably practicable, all information as to the names and addresses of the Holders of Debentures contained in the most recent list furnished to it as provided in Section 7.1 or maintained by the Trustee in its capacity as Debenture Registrar or co-registrar in respect of the Debentures, if so acting. The Trustee may destroy any list furnished to it as provided in Section 7.1 upon receipt of a new list so furnished.

(b) The rights of Debentureholders to communicate with other holders of Debentures with respect to their rights under this Indenture or under the Debentures, and the corresponding rights and duties of the Trustee, shall be as provided by the Trust Indenture Act.

(c) Every Debentureholder, by receiving and holding the same, agrees with the Company and the Trustee that neither the Company nor the Trustee nor any agent of either of them shall be held accountable by reason of any disclosure of information as to names and addresses of holders of Debentures made pursuant to the Trust Indenture Act.

Section 7.3. *Reports By Trustee.* (a) Within sixty (60) days after May 15 of each year commencing with the year 2006, the Trustee shall transmit to Holders of Debentures such reports dated as of May 15 of the year in which such reports are made concerning the Trustee and its actions under this Indenture as may be required pursuant to the Trust Indenture Act at the times and in the manner provided pursuant thereto. In the event that no events have occurred under the applicable sections of the Trust Indenture Act the Trustee shall be under no duty or obligation to provide such reports.

(b) A copy of such report shall, at the time of such transmission to Holders of Debentures, be filed by the Trustee with each stock exchange and automated quotation system upon which the Debentures are listed and with the Company. The Company will promptly notify the Trustee in writing when the Debentures are listed on any stock exchange or automated quotation system or delisted therefrom.

Section 7.4. *Reports by Company.* The Company shall file with the Trustee (and the Commission if at any time after the Indenture becomes qualified under the Trust Indenture Act), and transmit to Holders of Debentures, such information, documents and other reports and such summaries thereof, as may be required pursuant to the Trust Indenture Act at the times and in the manner provided pursuant to such Act, whether or not the Debentures are governed by such Act; provided that any such information, documents or reports required to be filed with the Commission pursuant to Sections 13 or 15(d) of the Exchange Act shall be filed with the Trustee within fifteen (15) days after the same is so required to be filed with the Commission. Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on an Officers' Certificates).

ARTICLE 8.
REMEDIES OF THE TRUSTEE AND
DEBENTUREHOLDERS ON AN EVENT OF DEFAULT

Section 8.1. *Events Of Default.* In case one or more of the following Events of Default (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body) shall have occurred and be continuing:

(a) default in the payment of the principal of or premium, if any, on any of the Debentures as and when the same shall become due and payable either at maturity or in connection with any redemption, repurchase or otherwise, in each case pursuant to ARTICLE 3, by acceleration or otherwise and whether or not prohibited by ARTICLE 4; or

(b) default in the payment of any installment of interest upon any of the Debentures as and when the same shall become due and payable, whether or not prohibited by ARTICLE 4, and continuance of such default for a period of ten (10) Business Days; or

(c) default in the Company's obligation to convert any Debentures following the exercise by the Holder of the Debentures of the right to convert such Debentures into Common Stock pursuant to and in accordance with ARTICLE 16; or

(d) default in the Company's obligation to provide a Designated Event Notice upon a Designated Event as provided in Section 3.5; or

(e) default in the payment of principal when due at interim or final maturity or resulting in acceleration of other Indebtedness of the Company for borrowed money where the aggregate principal amount with respect to which the default or acceleration has occurred exceeds \$5 million and such acceleration has not been cured or rescinded within a period of ten (10) days after written notice of such failure, requiring the Company to remedy the same, shall have been given to the Company by the Trustee, or to the Company and the Trustee by the Required Holders; or

(f) failure on the part of the Company duly to observe or perform any other of the covenants or agreements on the part of the Company in the Debentures or in this Indenture (other than a covenant or agreement a default in whose performance or whose breach is elsewhere in this Section 8.1 specifically dealt with) continued for a period of thirty (30) days after the date on which written notice of such failure, requiring the Company to remedy the same, shall have been given to the Company by the Trustee, or the Company and a Responsible Officer of the Trustee by the Required Holders; or

(g) the Company shall commence a voluntary case or other proceeding seeking liquidation, reorganization or other relief with respect to the Company or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of the Company or any substantial part of the property of the Company, or shall consent to any such relief or to the appointment of or taking possession by any such official in an involuntary case or other proceeding commenced against the Company, or shall make a general assignment for the benefit of creditors, or shall fail generally to pay its debts as they become due or admit in writing its inability to pay its debts as they become due; or

(h) an involuntary case or other proceeding shall be commenced against the Company seeking liquidation, reorganization or other relief with respect to the Company or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of the Company or any substantial part of the property of the Company, and such involuntary case or other proceeding shall remain undismissed and unstayed for a period of sixty (60) consecutive days, then, and in each and every such case (other than an Event of Default specified in Section 8.1(g) or Section 8.1(h)), unless the principal of all of the Debentures then outstanding shall have already become due and payable, either the Trustee or the Required Holders, by notice in writing to the Company (and to the Trustee if given by Debentureholders), may declare the principal of and premium, if any, on all the Debentures then outstanding and the interest accrued thereon to be due and payable immediately, and upon any such declaration the same shall become and shall be immediately due and payable, anything in this Indenture or in the Debentures contained to the contrary notwithstanding. If an Event of Default specified in Section 8.1(g) or Section 8.1(h)

occurs, the principal of all the Debentures then outstanding and the interest accrued thereon shall be immediately and automatically due and payable without necessity of further action. This provision, however, is subject to the conditions that if, at any time after the principal of the Debentures shall have been so declared due and payable, and before any judgment or decree for the payment of the monies due shall have been obtained or entered as hereinafter provided, the Company shall pay or shall deposit with the Trustee a sum sufficient to pay all matured installments of interest upon all Debentures then outstanding and the principal of and premium, if any, on any and all Debentures which shall have become due otherwise than by acceleration (with interest on overdue installments of interest (to the extent that payment of such interest is enforceable under applicable law) and on such principal and premium, if any, at the rate borne by the Debentures, to the date of such payment or deposit) and amounts due to the Trustee pursuant to Section 9.6, and if any and all defaults under this Indenture, other than the nonpayment of principal of and premium, if any, and accrued interest on Debentures which shall have become due by acceleration, shall have been cured or waived pursuant to Section 8.7, then and in every such case the Holders of a majority in aggregate principal amount of the Debentures then outstanding, by written notice to the Company and to the Trustee, may waive all defaults or Events of Default and rescind and annul such declaration and its consequences; but no such waiver or rescission and annulment shall extend to or shall affect any subsequent default or Event of Default, or shall impair any right consequent thereon. The Company shall notify in writing a Responsible Officer of the Trustee, promptly upon becoming aware thereof, of any Event of Default.

In case the Trustee shall have proceeded to enforce any right under this Indenture and such proceedings shall have been discontinued or abandoned because of such waiver or rescission and annulment or for any other reason or shall have been determined adversely to the Trustee, then and in every such case the Company, the Holders of Debentures, and the Trustee shall be restored respectively to their several positions and rights hereunder, and all rights, remedies and powers of the Company, the Holders of Debentures, and the Trustee shall continue as though no such proceeding had been taken.

Section 8.2. *Payments of Debentures on Default; Suit Therefor.* The Company covenants that (i) in case default shall be made in the payment of any installment of interest upon any of the Debentures then outstanding as and when the same shall become due and payable, and such default shall have continued for a period of ten (10) Business Days, or (ii) in case default shall be made in the payment of the principal of or premium, if any, on any of the Debentures then outstanding as and when the same shall have become due and payable, whether at maturity of the Debentures or in connection with any redemption, by or under this Indenture declaration or otherwise, then, upon demand of the Trustee, the Company will pay to the Trustee, for the benefit of the Holders of the Debentures, the whole amount that then shall have become due and payable on all such Debentures for principal and premium, if any, or interest, as the case may be, with interest upon the overdue principal and premium, if any, and (to the extent that payment of such interest is enforceable under applicable law) upon the overdue installments of interest at the rate borne by the Debentures, plus 1% and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including reasonable compensation to the Trustee, its agents, attorneys and counsel, and all other amounts due the Trustee under Section 9.6. Until such demand by the Trustee, the Company may pay the principal of and premium, if any, and interest on the Debentures to the Holders, whether or not the Debentures are overdue.

In case the Company shall fail forthwith to pay such amounts upon such demand, the Trustee, in its own name and as trustee of an express trust, shall be entitled and empowered to institute any actions or proceedings at law or in equity for the collection of the sums so due and unpaid, and may prosecute any such action or proceeding to judgment or final decree, and may enforce any such judgment or final decree against the Company or any other obligor on the Debentures and collect in the manner provided by law out of the property of the Company or any other obligor on the Debentures wherever situated the monies adjudged or decreed to be payable.

In case there shall be pending proceedings for the bankruptcy or for the reorganization of the Company or any other obligor on the Debentures under Title 11 of the United States Code, or any other applicable law, or in case a receiver, assignee or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official shall have been appointed for or taken possession of the Company or such other obligor, the property of the Company or such other obligor, or in the case of any other judicial proceedings relative to the Company or such other obligor upon the Debentures, or to the creditors or property of the Company or such other obligor, the Trustee, irrespective of whether the principal of the Debentures shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand pursuant to the provisions of this Section 8.2, shall be entitled and empowered, by intervention in such proceedings or otherwise, to file and prove a claim or claims for the whole amount of principal, premium, if any, and interest owing and unpaid in respect of the Debentures, and, in case of any judicial proceedings, to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee and of the Debentureholders allowed in such judicial proceedings relative to the Company or any other obligor on the Debentures, its or their creditors, or its or their property, and to collect and receive any monies or other property payable or deliverable on any such claims, and to distribute the same after the deduction of any amounts due the Trustee under Section 9.6, and to take any other action with respect to such claims, including participating as a member of any official committee of creditors, as it reasonably deems necessary or advisable, and, unless prohibited by law or applicable regulations, and any receiver, assignee or trustee in bankruptcy or reorganization, liquidator, custodian or similar official is hereby authorized by each of the Debentureholders to make such payments to the Trustee, and, in the event that the Trustee shall consent to the making of such payments directly to the Debentureholders, to pay to the Trustee any amount due it for reasonable compensation, expenses, advances and disbursements, including counsel fees and expenses incurred by it up to the date of such distribution. To the extent that such payment of reasonable compensation, expenses, advances and disbursements out of the estate in any such proceedings shall be denied for any reason, payment of the same shall be secured by a lien on, and shall be paid out of, any and all distributions, dividends, monies, securities and other property which the Holders of the Debentures may be entitled to receive in such proceedings, whether in liquidation or under any plan of reorganization or arrangement or otherwise.

All rights of action and of asserting claims under this Indenture, or under any of the Debentures, may be enforced by the Trustee without the possession of any of the Debentures, or the production thereof at any trial or other proceeding relative thereto, and any such suit or proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Holders of the Debentures.

In any proceedings brought by the Trustee (and in any proceedings involving the interpretation of any provision of this Indenture to which the Trustee shall be a party) the Trustee shall be held to represent all the Holders of the Debentures, and it shall not be necessary to make any Holders of the Debentures parties to any such proceedings.

Section 8.3. *Application of Monies Collected By Trustee.* Any monies collected by the Trustee pursuant to this ARTICLE 8 or any other monies held by the Trustee under this Indenture shall be applied in the order following, at the date or dates fixed by the Trustee for the distribution of such monies, upon presentation of the several Debentures, and stamping thereon the payment, if only partially paid, and upon surrender thereof, if fully paid:

FIRST: To the payment of all amounts due the Trustee under Section 9.6;

SECOND: In case the principal of the outstanding Debentures shall not have become due and be unpaid, to the payment of interest on the Debentures in default in the order of the maturity of the installments of such interest, with interest (to the extent that such interest has been collected by the Trustee) upon the overdue installments of interest at the rate borne by the Debentures, such payments to be made ratably to the Persons entitled thereto;

THIRD: In case the principal of the outstanding Debentures shall have become due, by declaration or otherwise, and be unpaid to the payment of the whole amount then owing and unpaid upon the Debentures for principal and premium, if any, and interest, with interest on the overdue principal and premium, if any, and (to the extent that such interest has been collected by the Trustee) upon overdue installments of interest at the rate borne by the Debentures, and in case such monies shall be insufficient to pay in full the whole amounts so due and unpaid upon the Debentures, then to the payment of such principal and premium, if any, and interest without preference or priority of principal and premium, if any, over interest, or of interest over principal and premium, if any, or of any installment of interest over any other installment of interest, or of any Debenture over any other Debenture, ratably to the aggregate of such principal and premium, if any, and accrued and unpaid interest; and

FOURTH: To the payment of the remainder, if any, to the Company or any other Person lawfully entitled thereto.

Section 8.4. *Proceedings by Debentureholder.* No Holder of any Debenture shall have any right by virtue of or by reference to any provision of this Indenture to institute any suit, action or proceeding in equity or at law upon or under or with respect to this Indenture, or for the appointment of a receiver, trustee, liquidator, custodian or other similar official, or for any other remedy hereunder, unless such Holder previously shall have given to the Trustee written notice of an Event of Default and of the continuance thereof, as hereinbefore provided, and unless also the Required Holders shall have made written request upon the Trustee to institute such action, suit or proceeding in its own name as Trustee hereunder and shall have offered to the Trustee such reasonable security or indemnity as it may require against the costs, expenses and liabilities to be incurred therein or thereby, and the Trustee for sixty (60) days after its receipt of such

notice, request and offer of indemnity, shall have neglected or refused to institute any such action, suit or proceeding and no direction inconsistent with such written request shall have been given to the Trustee pursuant to Section 8.7; it being understood and intended, and being expressly covenanted by the taker and Holder of every Debenture with every other taker and Holder and the Trustee, that no one or more Holders of Debentures shall have any right in any manner whatever by virtue of or by reference to any provision of this Indenture to affect, disturb or prejudice the rights of any other Holder of Debentures, or to obtain or seek to obtain priority over or preference to any other such Holder, or to enforce any right under this Indenture, except in the manner herein provided and for the equal, ratable and common benefit of all Holders of Debentures (except as otherwise provided herein). For the protection and enforcement of this Section 8.4, each and every Debentureholder and the Trustee shall be entitled to such relief as can be given either at law or in equity.

Notwithstanding any other provision of this Indenture and any provision of any Debenture, the right of any Holder of any Debenture to receive payment of the principal of and premium, if any (including the redemption price upon redemption pursuant to ARTICLE 8), and accrued interest on such Debenture, on or after the respective due dates expressed in such Debenture or in the event of redemption, or to institute suit for the enforcement of any such payment on or after such respective dates against the Company shall not be impaired or affected without the consent of such Holder.

Anything in this Indenture or the Debentures to the contrary notwithstanding, the Holder of any Debenture, without the consent of either the Trustee or the Holder of any other Debenture, in its own behalf and for its own benefit, may enforce, and may institute and maintain any proceeding suitable to enforce, its rights of conversion as provided herein.

Section 8.5. *Proceedings By Trustee.* In case of an Event of Default, the Trustee may, in its discretion, proceed to protect and enforce the rights vested in it by this Indenture by such appropriate judicial proceedings as are necessary to protect and enforce any of such rights, either by suit in equity or by action at law or by proceeding in bankruptcy or otherwise, whether for the specific enforcement of any covenant or agreement contained in this Indenture or in aid of the exercise of any power granted in this Indenture, or to enforce any other legal or equitable right vested in the Trustee by this Indenture or by law.

Section 8.6. *Remedies Cumulative And Continuing.* Except as provided in Section 2.6, all powers and remedies given by this Article 8 to the Trustee or to the Debentureholders shall, to the extent permitted by law, be deemed cumulative and not exclusive of any thereof or of any other powers and remedies available to the Trustee or the Holders of the Debentures, by judicial proceedings or otherwise, to enforce the performance or observance of the covenants and agreements contained in this Indenture, and no delay or omission of the Trustee or of any Holder of any of the Debentures to exercise any right or power accruing upon any default or Event of Default occurring and continuing as aforesaid shall impair any such right or power, or shall be construed to be a waiver of any such default or any acquiescence therein, and, subject to the provisions of Section 8.4, every power and remedy given by this ARTICLE 8 or by law to the Trustee or to the Debentureholders may be exercised from time to time, and as often as shall be deemed expedient, by the Trustee or by the Debentureholders.

Section 8.7. *Direction of Proceedings and Waiver of Defaults By Majority of Debentureholders.* The Holders of a majority in aggregate principal amount of the Debentures at the time outstanding determined in accordance with Section 10.4 shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee; provided that (a) such direction shall not be in conflict with any rule of law or with this Indenture, (b) the Trustee may take any other action which is not inconsistent with such direction, (c) the Trustee may decline to take any action that would benefit some Debentureholder to the detriment of other Debentureholders and (d) the Trustee may decline to take any action that would involve the Trustee in personal liability. The Holders of a majority in aggregate principal amount of the Debentures at the time outstanding determined in accordance with Section 10.4 may, on behalf of the Holders of all of the Debentures, waive any past default or Event of Default hereunder and its consequences except (i) a default in the payment of interest or premium, if any, on, or the principal of, the Debentures, (ii) a failure by the Company to convert any Debentures into Common Stock, (iii) a default in the payment of the redemption price pursuant to ARTICLE 3, (iv) a default in the payment of the purchase price pursuant to ARTICLE 3 or (v) a default in respect of a covenant or provisions hereof which under ARTICLE 12 cannot be modified or amended without the consent of the Holders of each or all Debentures then outstanding or affected thereby. Upon any such waiver, the Company, the Trustee and the Holders of the Debentures shall be restored to their former positions and rights hereunder; but no such waiver shall extend to any subsequent or other default or Event of Default or impair any right consequent thereon. Whenever any default or Event of Default hereunder shall have been waived as permitted by this Section 8.7, said default or Event of Default shall for all purposes of the Debentures and this Indenture be deemed to have been cured and to be not continuing; but no such waiver shall extend to any subsequent or other default or Event of Default or impair any right consequent thereon.

Section 8.8. *Notice of Defaults.* The Trustee shall, within ninety (90) days after a Responsible Officer of the Trustee has knowledge of the occurrence of a default, mail to all Debentureholders, as the names and addresses of such Holders appear upon the Debenture Register, notice of all defaults known to a Responsible Officer, unless such defaults shall have been cured or waived before the giving of such notice; provided that except in the case of default in the payment of the principal of, or premium, if any, or interest on any of the Debentures, the Trustee shall be protected in withholding such notice if and so long as a trust committee of directors and/or Responsible Officers of the Trustee in good faith determines that the withholding of such notice is in the interests of the Debentureholders.

Section 8.9. *Undertaking To Pay Costs.* All parties to this Indenture agree, and each Holder of any Debenture by his acceptance thereof shall be deemed to have agreed, that any court may, in its discretion, require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; provided that the provisions of this Section 8.9 (to the extent permitted by law) shall not apply to any suit instituted by the Trustee, to any suit instituted by any Debentureholder, or group of Debentureholders, holding in the aggregate more than ten percent in principal amount of the Debentures at the time outstanding determined

in accordance with Section 10.4, or to any suit instituted by any Debentureholder for the enforcement of the payment of the principal of or premium, if any, or interest on any Debenture on or after the due date expressed in such Debenture or to any suit for the enforcement of the right to convert any Debenture in accordance with the provisions of ARTICLE 16.

**ARTICLE 9.
THE TRUSTEE**

Section 9.1. *Duties and Responsibilities of Trustee.* The Trustee, prior to the occurrence of an Event of Default and after the curing of all Events of Default which may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture. In case an Event of Default has occurred (which has not been cured or waived), the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of his own affairs, and no implied covenants or obligations shall be read into this Indenture and the Trust Indenture Act against the Trustee.

No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:

(a) prior to the occurrence of an Event of Default and after the curing or waiving of all Events of Default which may have occurred:

(i) the duties and obligations of the Trustee shall be determined solely by the express provisions of this Indenture and the Trust Indenture Act, and the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture and the Trust Indenture Act against the Trustee; and

(ii) in the absence of bad faith and willful misconduct on the part of the Trustee, the Trustee may conclusively rely as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but, in the case of any such certificates or opinions which by any provisions hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not the forms of such certificates or opinions conform to the requirements of this Indenture;

(b) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer or Officers of the Trustee, unless the Trustee was negligent in ascertaining the pertinent facts;

(c) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the written direction of the Holders of not less than a majority in principal amount of the Debentures at the time outstanding determined as provided in Section 10.4 relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture;

(d) whether or not therein provided, every provision of this Indenture relating to the conduct or affecting the liability of, or affording protection to, the Trustee shall be subject to the provisions of this ARTICLE 9;

(e) the Trustee shall not be liable in respect of any payment (as to the correctness of amount, entitlement to receive or any other matters relating to payment) or notice effected by the Company or any paying agent or any records maintained by any co-registrar with respect to the Debentures;

(f) if any party fails to deliver a notice relating to an event the fact of which, pursuant to this Indenture, requires notice to be sent to the Trustee, the Trustee may conclusively rely on its failure to receive such notice as reason to act as if no such event occurred; and

(g) the Trustee shall not be deemed to have knowledge of any Event of Default hereunder unless it shall have been notified in writing of such Event of Default by the Company or the Holders of at least 10% in aggregate principal amount of the Debentures.

None of the provisions contained in this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur personal financial liability in the performance of any of its duties or in the exercise of any of its rights or powers, if there is reasonable ground for believing that the repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

Section 9.2. *Reliance on Documents, Opinions, Etc.* Except as otherwise provided in Section 9.1:

(a) the Trustee may conclusively rely and shall be protected in acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, bond, debenture, note, coupon or other paper or document (whether in its original or facsimile form) believed by it in good faith to be genuine and to have been signed or presented by the proper party or parties;

(b) any request, direction, order or demand of the Company mentioned herein shall be sufficiently evidenced by an Officers' Certificate (unless other evidence in respect thereof be herein specifically prescribed); and any resolution of the Board of Directors may be evidenced to the Trustee by a copy thereof certified by the Secretary or an Assistant Secretary of the Company;

(c) the Trustee may consult with counsel of its own selection and any advice or Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or omitted by it hereunder in good faith and in accordance with such advice or Opinion of Counsel;

(d) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request, order or direction of any of the Debentureholders pursuant to the provisions of this Indenture, unless such Debentureholders shall have offered to the Trustee reasonable security or indemnity satisfactory to it against the costs, expenses and liabilities which may be incurred therein or thereby;

(e) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture or other paper or document, but the Trustee may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney; and

(f) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed by it with due care hereunder.

(g) the Trustee shall not be liable for any action taken, suffered or omitted to be taken by it in good faith and reasonably believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture;

(h) the rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder;

(i) the Trustee may request that the Company deliver an Officers' Certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officers' Certificate may be signed by any person authorized to sign an Officers' Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded; and

(j) Any permissive right or authority granted to the Trustee shall not be construed as a mandatory duty.

Section 9.3. *No Responsibility For Recitals, Etc.* The recitals contained herein and in the Debentures (except in the Trustee's certificate of authentication) shall be taken as the statements of the Company, and the Trustee assumes no responsibility for the correctness of the same. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Debentures. The Trustee shall not be accountable for the use or application by the Company of any Debentures or the proceeds of any Debentures authenticated and delivered by the Trustee in conformity with the provisions of this Indenture.

Section 9.4. *Trustee, Paying Agents, Conversion Agents or Registrar May Own Debentures.* The Trustee, any paying agent, any conversion agent or Debenture Registrar, in its individual or any other capacity, may become the owner or pledgee of Debentures with the same rights it would have if it were not Trustee, paying agent, conversion agent or Debenture Registrar.

Section 9.5. *Monies to Be Held in Trust.* Subject to the provisions of Section 14.4, all monies received by the Trustee shall, until used or applied as herein provided, be held in trust for the purposes for which they were received. Money held by the Trustee in trust hereunder need

not be segregated from other funds except to the extent required by law. The Trustee shall be under no liability for interest on any money received by it hereunder except as may be agreed in writing from time to time by the Company and the Trustee.

Section 9.6. *Compensation and Expenses of Trustee.* The Company covenants and agrees to pay to the Trustee from time to time, and the Trustee shall be entitled to, such compensation for all services rendered by it hereunder in any capacity (which shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust) as mutually agreed to from time to time in writing between the Company and the Trustee, and the Company will pay or reimburse the Trustee upon its request for all reasonable expenses, disbursements and advances reasonably incurred or made by the Trustee in accordance with any of the provisions of this Indenture (including the reasonable compensation and the expenses and disbursements of its counsel and of all Persons not regularly in its employ) except any such expense, disbursement or advance as may arise from its negligence, willful misconduct, recklessness or bad faith. The Company also covenants to indemnify the Trustee and any predecessor Trustee (or any officer, director or employee of the Trustee), in any capacity under this Indenture and its agents and any authenticating agent for, and to hold them harmless against, any and all loss, liability, damage, claim or expense including taxes (other than taxes based on the income of the Trustee) incurred without negligence, willful misconduct, recklessness or bad faith on the part of the Trustee or such officers, directors, employees and agent or authenticating agent, as the case may be, and arising out of or in connection with the acceptance or administration of this trust or in any other capacity hereunder, including the costs and expenses of defending themselves against any claim (whether asserted by the Company, any Holder or any other Person) of liability in the premises. The obligations of the Company under this Section 9.6 to compensate or indemnify the Trustee and to pay or reimburse the Trustee for expenses, disbursements and advances shall be secured by a lien prior to that of the Debentures upon all property and funds held or collected by the Trustee as such, except funds held in trust for the benefit of the Holders of particular Debentures. The obligation of the Company under this Section 9.6 shall survive the satisfaction and discharge of this Indenture.

When the Trustee and its agents and any authenticating agent incur expenses or render services after an Event of Default specified in Section 8.1(g) or Section 8.1(h) with respect to the Company occurs, the expenses and the compensation for the services are intended to constitute expenses of administration under any bankruptcy, insolvency or similar laws.

Section 9.7. *Officers' Certificate As Evidence.* Except as otherwise provided in Section 9.1, whenever in the administration of the provisions of this Indenture the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or omitting any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of bad faith or willful misconduct on the part of the Trustee, be deemed to be conclusively proved and established by an Officers' Certificate delivered to the Trustee.

Section 9.8. *Conflicting Interests of Trustee.* If the Trustee has or shall acquire a conflicting interest within the meaning of the Trust Indenture Act, the Trustee shall either eliminate such interest or resign, to the extent and in the manner provided by, and subject to the provisions of, the Trust Indenture Act and this Indenture.

Section 9.9. *Eligibility of Trustee.* There shall at all times be a Trustee hereunder which shall be a Person that is eligible pursuant to the Trust Indenture Act to act as such and has a combined capital and surplus of at least \$50,000,000 (or if such Person is a member of a bank holding company system, its bank holding company shall have a combined capital and surplus of at least \$50,000,000). If such Person publishes reports of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority, then for the purposes of this Section 9.9 the combined capital and surplus of such Person shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 9.9, it shall resign immediately in the manner and with the effect hereinafter specified in this Article.

Section 9.10. *Resignation or Removal of Trustee.*

(a) The Trustee may at any time resign by giving written notice of such resignation to the Company and to the Holders of Debentures. Upon receiving such notice of resignation, the Company shall promptly appoint a successor trustee by written instrument, in duplicate, executed by order of the Board of Directors, one copy of which instrument shall be delivered to the resigning Trustee and one copy to the successor trustee. If no successor trustee shall have been so appointed and have accepted appointment sixty (60) days after the mailing of such notice of resignation to the Debentureholders, the resigning Trustee may, upon ten (10) Business Days' notice to the Company and the Debentureholders, appoint a successor identified in such notice or may petition, at the expense of the Company, any court of competent jurisdiction for the appointment of a successor trustee, or, if any Debentureholder who has been a bona fide Holder of a Debenture or Debentures for at least six (6) months may, subject to the provisions of Section 8.9, on behalf of himself and all others similarly situated, petition any such court for the appointment of a successor trustee. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, appoint a successor trustee.

(b) In case at any time any of the following shall occur:

(i) the Trustee shall fail to comply with Section 9.8 after written request therefor by the Company or by any Debentureholder who has been a bona fide Holder of a Debenture or Debentures for at least six (6) months; or

(ii) the Trustee shall cease to be eligible in accordance with the provisions of Section 9.9 and shall fail to resign after written request therefor by the Company or by any such Debentureholder; or

(iii) the Trustee shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or a receiver of the Trustee or of its property shall be appointed, or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation;

then, in any such case, the Company may remove the Trustee and appoint a successor trustee by written instrument, in duplicate, executed by order of the Board of Directors, one copy of which instrument shall be delivered to the Trustee so removed and one copy to the successor trustee, or,

subject to the provisions of Section 8.9, any Debentureholder who has been a bona fide Holder of a Debenture or Debentures for at least six (6) months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor trustee; provided that if no successor Trustee shall have been appointed and have accepted appointment sixty (60) days after either the Company or the Debentureholders has removed the Trustee, or the Trustee resigns, the Trustee so removed may petition, at the expense of the Company, any court of competent jurisdiction for an appointment of a successor trustee. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, remove the Trustee and appoint a successor trustee.

(c) The Holders of a majority in aggregate principal amount of the Debentures at the time outstanding may at any time remove the Trustee and nominate a successor trustee which shall be deemed appointed as successor trustee unless, within ten (10) days after notice to the Company of such nomination, the Company objects thereto, in which case the Trustee so removed or any Debentureholder, or if such Trustee so removed or any Debentureholder fails to act, the Company, upon the terms and conditions and otherwise as in Section 9.10(a) provided, may petition any court of competent jurisdiction for an appointment of a successor trustee.

(d) Any resignation or removal of the Trustee and appointment of a successor trustee pursuant to any of the provisions of this Section 9.10 shall become effective upon acceptance of appointment by the successor trustee as provided in Section 9.11.

(e) Notwithstanding the replacement of the Trustee pursuant to this Section, the Company's obligations under Section 9.6 shall continue for the benefit of the retiring Trustee.

Section 9.11. *Acceptance by Successor Trustee.* Any successor trustee appointed as provided in Section 9.10 shall execute, acknowledge and deliver to the Company and to its predecessor trustee an instrument accepting such appointment hereunder, and thereupon the resignation or removal of the predecessor trustee shall become effective and such successor trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, duties and obligations of its predecessor hereunder, with like effect as if originally named as trustee herein, and the predecessor trustee's duties and obligations shall cease and terminate, except as otherwise expressly provided herein; but, nevertheless, on the written request of the Company or of the successor trustee, the trustee ceasing to act shall, upon payment of any amount then due it pursuant to the provisions of Section 9.6, execute and deliver an instrument transferring to such successor trustee all the rights and powers of the trustee so ceasing to act. Upon request of any such successor trustee, the Company shall execute any and all instruments in writing for more fully and certainly vesting in and confirming to such successor trustee all such rights and powers. Any trustee ceasing to act shall, nevertheless, retain a lien upon all property and funds held or collected by such trustee as such, except for funds held in trust for the benefit of Holders of particular Debentures, to secure any amounts then due it pursuant to the provisions of Section 9.6.

No successor trustee shall accept appointment as provided in this Section 9.11 unless, at the time of such acceptance, such successor trustee shall be qualified under the provisions of Section 9.8 and be eligible under the provisions of Section 9.9.

Upon acceptance of appointment by a successor trustee as provided in this Section 9.11, the Company (or the former trustee, at the written direction of the Company) shall mail or cause to be mailed notice of the succession of such trustee hereunder to the Holders of Debentures at their addresses as they shall appear on the Debenture Register. If the Company fails to mail such notice within ten (10) days after acceptance of appointment by the successor trustee, the successor trustee shall cause such notice to be mailed at the expense of the Company.

Section 9.12. *Succession By Merger.* Any corporation, association or other entity into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of the Trustee (including any trust created by this Indenture), shall be the successor to the Trustee hereunder without the execution or filing of any paper or any further act on the part of any of the parties hereto, provided that in the case of any corporation succeeding to all or substantially all of the corporate trust business of the Trustee, such corporation shall be qualified under the provisions of Section 9.8 and eligible under the provisions of Section 9.9.

In case at the time such successor to the Trustee shall succeed to the trusts created by this Indenture, any of the Debentures shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee or authenticating agent appointed by such predecessor trustee, and deliver such Debentures so authenticated; and in case at that time any of the Debentures shall not have been authenticated, any successor to the Trustee or any authenticating agent appointed by such successor trustee may authenticate such Debentures in the name of the successor trustee; and in all such cases such certificates shall have the full force that is provided in the Debentures or in this Indenture; provided that the right to adopt the certificate of authentication of any predecessor Trustee or authenticate Debentures in the name of any predecessor Trustee shall apply only to its successor or successors by merger, conversion or consolidation.

Section 9.13. *Preferential Collection of Claims.* If and when the Trustee shall be or become a creditor of the Company (or any other obligor upon the Debentures), the Trustee shall be subject to the provisions of the Trust Indenture Act regarding the collection of the claims against the Company (or any such other obligor).

ARTICLE 10. THE DEBENTUREHOLDERS

Section 10.1. *Action By Debentureholders.* Whenever in this Indenture it is provided that the Holders of a specified percentage in aggregate principal amount of the Debentures may take any action (including the making of any demand or request, the giving of any notice, consent or waiver or the taking of any other action), the fact that at the time of taking any such action, the Holders of such specified percentage have joined therein may be evidenced (a) by any instrument or any number of instruments of similar tenor executed by Debentureholders in person or by agent or proxy appointed in writing, or (b) by the record of the Holders of Debentures voting in favor thereof at any meeting of Debentureholders duly called and held in accordance with the provisions of ARTICLE 11, or (c) by a combination of such instrument or instruments and any such record of such a meeting of Debentureholders. Whenever the

Company or the Trustee solicits the taking of any action by the Holders of the Debentures, the Company or the Trustee may fix in advance of such solicitation, a date as the record date for determining Holders entitled to take such action. The record date shall be not more than fifteen (15) days prior to the date of commencement of solicitation of such action.

Section 10.2. *Proof of Execution by Debentureholders.* Subject to the provisions of Section 9.1, Section 9.2 and Section 11.5, proof of the execution of any instrument by a Debentureholder or its agent or proxy shall be sufficient if made in accordance with such reasonable rules and regulations as may be prescribed by the Trustee or in such manner as shall be satisfactory to the Trustee. The holding of Debentures shall be proved by the registry of such Debentures or by a certificate of the Debenture Registrar.

The record of any Debentureholders' meeting shall be proved in the manner provided in Section 11.6.

Section 10.3. *Who Are Deemed Absolute Owners.* The Company, the Trustee, any paying agent, any conversion agent and any Debenture Registrar may deem the Person in whose name such Debenture shall be registered upon the Debenture Register to be, and may treat it as, the absolute owner of such Debenture (whether or not such Debenture shall be overdue and notwithstanding any notation of ownership or other writing thereon made by any Person other than the Company or any Debenture Registrar) for the purpose of receiving payment of or on account of the principal of, premium, if any, and interest on such Debenture, for conversion of such Debenture and for all other purposes; and neither the Company nor the Trustee nor any paying agent nor any conversion agent nor any Debenture Registrar shall be affected by any notice to the contrary. All such payments so made to any Holder for the time being, or upon his order, shall be valid, and, to the extent of the sum or sums so paid, effectual to satisfy and discharge the liability for monies payable upon any such Debenture.

Section 10.4. *Company-owned Debentures Disregarded.* In determining whether the Holders of the requisite aggregate principal amount of Debentures have concurred in any direction, consent, waiver or other action under this Indenture, Debentures which are owned by the Company or any other obligor on the Debentures or any Affiliate of the Company or any other obligor on the Debentures shall be disregarded and deemed not to be Outstanding for the purpose of any such determination; provided that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, consent, waiver or other action, only Debentures which a Responsible Officer knows are so owned shall be so disregarded. Debentures so owned which have been pledged in good faith may be regarded as Outstanding for the purposes of this Section 10.4 if the pledgee shall establish to the satisfaction of the Trustee the pledgee's right to vote such Debentures and that the pledgee is not the Company, any other obligor on the Debentures or any Affiliate of the Company or any such other obligor. In the case of a dispute as to such right, any decision by the Trustee taken upon the advice of counsel shall be full protection to the Trustee. Upon request of the Trustee, the Company shall furnish to the Trustee promptly an Officers' Certificate listing and identifying all Debentures, if any, known by the Company to be owned or held by or for the account of any of the above described Persons, and, subject to Section 9.1, the Trustee shall be entitled to accept such Officers' Certificate as conclusive evidence of the facts therein set forth and of the fact that all Debentures not listed therein are Outstanding for the purpose of any such determination.

Section 10.5. *Revocation Of Consents, Future Holders Bound.* At any time prior to (but not after) the evidencing to the Trustee, as provided in Section 10.1, of the taking of any action by the Holders of the percentage in aggregate principal amount of the Debentures specified in this Indenture in connection with such action, any Holder of a Debenture which is shown by the evidence to be included in the Debentures the Holders of which have consented to such action may, by filing written notice with the Trustee at its Corporate Trust Office and upon proof of holding as provided in Section 10.2, revoke such action so far as concerns such Debenture. Except as aforesaid, any such action taken by the Holder of any Debenture shall be conclusive and binding upon such Holder and upon all future Holders and owners of such Debenture and of any Debentures issued in exchange or substitution therefor, irrespective of whether any notation in regard thereto is made upon such Debenture or any Debenture issued in exchange or substitution therefor.

ARTICLE 11.
MEETINGS OF DEBENTUREHOLDERS

Section 11.1. *Purpose Of Meetings.* A meeting of Debentureholders may be called at any time and from time to time pursuant to the provisions of this ARTICLE 11 for any of the following purposes:

(1) to give any notice to the Company or to the Trustee or to give any directions to the Trustee permitted under this Indenture, or to consent to the waiving of any default or Event of Default hereunder and its consequences, or to take any other action authorized to be taken by Debentureholders pursuant to any of the provisions of ARTICLE 8;

(2) to remove the Trustee and nominate a successor trustee pursuant to the provisions of ARTICLE 9;

(3) to consent to the execution of an indenture or indentures supplemental hereto pursuant to the provisions of Section 12.2; or

(4) to take any other action authorized to be taken by or on behalf of the Holders of any specified aggregate principal amount of the Debentures under any other provision of this Indenture or under applicable law.

Section 11.2. *Call Of Meetings By Trustee.* The Trustee may at any time call a meeting of Debentureholders to take any action specified in Section 11.1, to be held at such time and at such place as the Trustee shall determine. Notice of every meeting of the Debentureholders, setting forth the time and the place of such meeting and in general terms the action proposed to be taken at such meeting and the establishment of any record date pursuant to Section 10.1, shall be mailed to Holders of Debentures at their addresses as they shall appear on the Debenture Register. Such notice shall also be mailed to the Company. Such notices shall be mailed not less than twenty (20) nor more than ninety (90) days prior to the date fixed for the meeting.

Any meeting of Debentureholders shall be valid without notice if the Holders of all Debentures then outstanding are present in person or by proxy or if notice is waived before or after the meeting by the Holders of all Debentures outstanding, and if the Company and the Trustee are either present by duly authorized representatives or have, before or after the meeting, waived notice.

Section 11.3. *Call of Meetings by Company or Debentureholders.* In case at any time the Company, pursuant to a resolution of its Board of Directors, or the Holders of at least ten percent (10%) in aggregate principal amount of the Debentures then outstanding, shall have requested the Trustee to call a meeting of Debentureholders, by written request setting forth in reasonable detail the action proposed to be taken at the meeting, and the Trustee shall not have mailed the notice of such meeting within twenty (20) days after receipt of such request, then the Company or such Debentureholders may determine the time and the place for such meeting and may call such meeting to take any action authorized in Section 11.1, by mailing notice thereof as provided in Section 11.2.

Section 11.4. *Qualifications for Voting.* To be entitled to vote at any meeting of Debentureholders a person shall (a) be a Holder of one or more Debentures on the record date pertaining to such meeting or (b) be a person appointed by an instrument in writing as proxy by a Holder of one or more Debentures on the record date pertaining to such meeting. The only persons who shall be entitled to be present or to speak at any meeting of Debentureholders shall be the persons entitled to vote at such meeting and their counsel and any representatives of the Trustee and its counsel and any representatives of the Company and its counsel.

Section 11.5. *Regulations.* Notwithstanding any other provisions of this Indenture, the Trustee may make such reasonable regulations as it may deem advisable for any meeting of Debentureholders, in regard to proof of the holding of Debentures and of the appointment of proxies, and in regard to the appointment and duties of inspectors of votes, the submission and examination of proxies, certificates and other evidence of the right to vote, and such other matters concerning the conduct of the meeting as it shall think fit.

The Trustee shall, by an instrument in writing, appoint a temporary chairman of the meeting, unless the meeting shall have been called by the Company or by Debentureholders as provided in Section 11.3, in which case the Company or the Debentureholders calling the meeting, as the case may be, shall in like manner appoint a temporary chairman. A permanent chairman and a permanent secretary of the meeting shall be elected by vote of the Holders of a majority in principal amount of the Debentures represented at the meeting and entitled to vote at the meeting.

Subject to the provisions of Section 10.4, at any meeting each Debentureholder or proxyholder shall be entitled to one vote for each \$1,000 principal amount of Debentures held or represented by him; provided that no vote shall be cast or counted at any meeting in respect of any Debenture challenged as not outstanding and ruled by the chairman of the meeting to be not outstanding. The chairman of the meeting shall have no right to vote other than by virtue of Debentures held by him or instruments in writing as aforesaid duly designating him as the proxy to vote on behalf of other Debentureholders. Any meeting of Debentureholders duly called pursuant to the provisions of Section 11.2 or Section 11.3 may be adjourned from time to time by the Holders of a majority of the aggregate principal amount of Debentures represented at the meeting, whether or not constituting a quorum, and the meeting may be held as so adjourned without further notice.

Section 11.6. *Voting.* The vote upon any resolution submitted to any meeting of Debentureholders shall be by written ballot on which shall be subscribed the signatures of the Holders of Debentures or of their representatives by proxy and the outstanding principal amount of the Debentures held or represented by them. The permanent chairman of the meeting shall appoint two inspectors of votes who shall count all votes cast at the meeting for or against any resolution and who shall make and file with the secretary of the meeting their verified written reports in duplicate of all votes cast at the meeting. A record in duplicate of the proceedings of each meeting of Debentureholders shall be prepared by the secretary of the meeting and there shall be attached to said record the original reports of the inspectors of votes on any vote by ballot taken thereat and affidavits by one or more persons having knowledge of the facts setting forth a copy of the notice of the meeting and showing that said notice was mailed as provided in Section 11.2. The record shall show the principal amount of the Debentures voting in favor of or against any resolution. The record shall be signed and verified by the affidavits of the permanent chairman and secretary of the meeting and one of the duplicates shall be delivered to the Company and the other to the Trustee to be preserved by the Trustee, the latter to have attached thereto the ballots voted at the meeting.

Any record so signed and verified shall be conclusive evidence of the matters therein stated.

Section 11.7. *No Delay Of Rights By Meeting.* Nothing contained in this ARTICLE 11 shall be deemed or construed to authorize or permit, by reason of any call of a meeting of Debentureholders or any rights expressly or impliedly conferred hereunder to make such call, any hindrance or delay in the exercise of any right or rights conferred upon or reserved to the Trustee or to the Debentureholders under any of the provisions of this Indenture or of the Debentures.

ARTICLE 12. SUPPLEMENTAL INDENTURES

Section 12.1. *Supplemental Indentures Without Consent of Debentureholders.* The Company, when authorized by the resolutions of the Board of Directors, and the Trustee may, from time to time, and at any time enter into an indenture or indentures supplemental hereto for one or more of the following purposes:

(a) make provision with respect to the conversion rights of the Holders of Debentures pursuant to the requirements of Section 16.6 and the redemption obligations of the Company pursuant to the requirements of Section 3.5(e);

(b) to convey, transfer, assign, mortgage or pledge to the Trustee as security for the Debentures, any property or assets;

(c) to evidence the succession of another Person to the Company, or successive successions, and the assumption by the successor Person of the covenants, agreements and obligations of the Company pursuant to ARTICLE 13;

(d) to add to the covenants of the Company such further covenants, restrictions or conditions as the Board of Directors and the Trustee shall consider to be for the

benefit of the Holders of Debentures, and to make the occurrence, or the occurrence and continuance, of a default in any such additional covenants, restrictions or conditions a default or an Event of Default permitting the enforcement of all or any of the several remedies provided in this Indenture as herein set forth; provided that in respect of any such additional covenant, restriction or condition, such supplemental indenture may provide for a particular period of grace after default (which period may be shorter or longer than that allowed in the case of other defaults) or may provide for an immediate enforcement upon such default or may limit the remedies available to the Trustee upon such default;

(e) to provide for the issuance under this Indenture of Debentures in coupon form (including Debentures registrable as to principal only) and to provide for exchangeability of such Debentures with the Debentures issued hereunder in fully registered form and to make all appropriate changes for such purpose;

(f) to cure any ambiguity or to correct or supplement any provision contained herein or in any supplemental indenture that may be defective or inconsistent with any other provision contained herein or in any supplemental indenture, or to make such other provisions in regard to matters or questions arising under this Indenture that shall not materially adversely affect the interests of the Holders of the Debentures;

(g) to evidence and provide for the acceptance of appointment hereunder by a successor Trustee with respect to the Debentures; or

(h) to modify, eliminate or add to the provisions of this Indenture to such extent as shall be necessary to effect the qualifications of this Indenture under the Trust Indenture Act, or under any similar federal statute hereafter enacted.

Upon the written request of the Company, accompanied by a copy of the resolutions of the Board of Directors certified by its Secretary or Assistant Secretary authorizing the execution of any supplemental indenture, the Trustee is hereby authorized to join with the Company in the execution of any such supplemental indenture, to make any further appropriate agreements and stipulations that may be therein contained and to accept the conveyance, transfer and assignment of any property thereunder, but the Trustee shall not be obligated to, but may in its discretion, enter into any supplemental indenture that affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

Any supplemental indenture authorized by the provisions of this Section 12.1 may be executed by the Company and the Trustee without the consent of the Holders of any of the Debentures at the time outstanding, notwithstanding any of the provisions of Section 12.2.

Notwithstanding any other provision of the Indenture or the Debentures, the Registration Rights Agreement and the obligation to pay Liquidated Damages thereunder may be amended, modified or waived in accordance with the provisions of the Registration Rights Agreement.

Section 12.2. *Supplemental Indenture With Consent Of Debentureholders.* With the consent (evidenced as provided in ARTICLE 10) of the Holders of at least a majority in aggregate principal amount of the Debentures at the time outstanding, the Company, when authorized by the resolutions of the Board of Directors, and the Trustee may, from time to time

and at any time, enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or any supplemental indenture or of modifying in any manner the rights of the Holders of the Debentures; provided that no such supplemental indenture shall (i) extend the fixed maturity of any Debenture, or (ii) reduce the rate or extend the time of payment of interest thereon, or (iii) reduce the principal amount thereof or premium, if any, thereon, or (iv) reduce any amount payable on redemption or repurchase thereof, or (v) impair the right of any Debentureholder to institute suit for the payment thereof, or (vi) make the principal thereof or interest or premium, if any, thereon payable in any coin or currency other than that provided in the Debentures, or (vii) change the obligation of the Company to redeem any Debenture on a redemption date in a manner adverse to the Holders of Debentures, or (viii) change the obligation of the Company to redeem any Debenture upon the happening of a Designated Event in a manner adverse to the Holders of Debentures, or (ix) change the obligation of the Company to repurchase any Debenture on a Designated Event Repurchase Date in a manner adverse to the Holders of Debentures, or (x) impair the right to convert the Debentures into Common Stock subject to the terms set forth herein, including Section 16.6, in each case, without the consent of the Holder of each Debenture so affected, or (xi) modify any of the provisions of this Section 12.2 or Section 8.7, except to increase any such percentage or (xii) to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Debenture so affected, or (xiii) change any obligation of the Company to maintain an office or agency in the places and for the purposes set forth in Section 6.1, or (xiv) reduce the quorum or voting requirements set forth in ARTICLE 11, or change the provisions of ARTICLE 4 in a manner adverse to the Holders of Debentures, or modify in any manner the entitlement and calculation of the Make-Whole Premium, or (xv) reduce the aforesaid percentage of Debentures, the Holders of which are required to consent to any such supplemental indenture, without the consent of the Holders of all Debentures then outstanding.

Upon the written request of the Company, accompanied by a copy of the resolutions of the Board of Directors certified by its Secretary or Assistant Secretary authorizing the execution of any such supplemental indenture, and upon the filing with the Trustee of evidence of the consent of Debentureholders as aforesaid, the Trustee shall join with the Company in the execution of such supplemental indenture unless such supplemental indenture affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such supplemental indenture.

It shall not be necessary for the consent of the Debentureholders under this Section 12.2 to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such consent shall approve the substance thereof.

Section 12.3. *Effect Of Supplemental Indenture.* Any supplemental indenture executed pursuant to the provisions of this ARTICLE 12 shall comply with the Trust Indenture Act, as then in effect, provided that this Section 12.3 shall not require such supplemental indenture or the Trustee to be qualified under the Trust Indenture Act prior to the time such qualification is in fact required under the terms of the Trust Indenture Act or the Indenture has been qualified under the Trust Indenture Act, nor shall it constitute any admission or acknowledgment by any party to such supplemental indenture that any such qualification is required prior to the time such

qualification is in fact required under the terms of the Trust Indenture Act or the Indenture has been qualified under the Trust Indenture Act. Upon the execution of any supplemental indenture pursuant to the provisions of this ARTICLE 12, this Indenture shall be and be deemed to be modified and amended in accordance therewith and the respective rights, limitation of rights, obligations, duties and immunities under this Indenture of the Trustee, the Company and the Holders of Debentures shall thereafter be determined, exercised and enforced hereunder, subject in all respects to such modifications and amendments and all the terms and conditions of any such supplemental indenture shall be and be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

Section 12.4. *Notation On Debentures.* Debentures authenticated and delivered after the execution of any supplemental indenture pursuant to the provisions of this ARTICLE 12 may bear a notation in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Company or the Trustee shall so determine, new Debentures so modified as to conform, in the opinion of the Trustee and the Board of Directors, to any modification of this Indenture contained in any such supplemental indenture may, at the Company's expense, be prepared and executed by the Company, authenticated by the Trustee (or an authenticating agent duly appointed by the Trustee pursuant to Section 17.10 and delivered in exchange for the Debentures then outstanding, upon surrender of such Debentures then outstanding.

Section 12.5. *Evidence Of Compliance Of Supplemental Indenture To Be Furnished To Trustee.* Prior to entering into any supplemental indenture, the Trustee shall be provided with an Officers' Certificate and an Opinion of Counsel as conclusive evidence that any supplemental indenture executed pursuant hereto complies with the requirements of this ARTICLE 12 and is otherwise authorized or permitted by this Indenture.

ARTICLE 13.
CONSOLIDATION, MERGER, SALE, CONVEYANCE AND LEASE

Section 13.1. *Company May Consolidate on Certain Terms.* Subject to the provisions of Section 13.2, the Company shall not consolidate or merge with or into any other Person or Persons (whether or not affiliated with the Company), nor shall the Company or its successor or successors be a party or parties to successive consolidations or mergers, nor shall the Company sell, convey, transfer or lease all or substantially all of the property and assets of the Company (computed on a consolidated basis), to any other Person (whether or not affiliated with the Company), unless: (i) the Company is the surviving Person, or the resulting, surviving or transferee Person is a corporation organized and existing under the laws of the United States, any state thereof or the District of Columbia; (ii) upon any such consolidation, merger, sale, conveyance, transfer or lease, the due and punctual payment of the principal of and premium, if any, and interest on all of the Debentures, according to their tenor and the due and punctual performance and observance of all of the covenants and conditions of this Indenture to be performed by the Company, shall be expressly assumed, by supplemental indenture satisfactory in form to the Trustee, executed and delivered to the Trustee by the Person (if other than the Company) formed by such consolidation, or into which the Company shall have been merged, or by the Person that shall have acquired or leased such property, and such supplemental indenture shall provide for the applicable conversion rights set forth in Section 16.6; and (iii) immediately

after giving effect to the transaction described above, no Event of Default, and no event which, after notice or lapse of time or both, would become an Event of Default, shall have happened and be continuing. If the Company were to sell its chemical business, based upon the current configuration of the Company, such sale would not constitute a sale of all or substantially all of the property and assets of the Company (computed on a consolidated basis) within the meaning of this Section 13.1.

Section 13.2. *Successor to be Substituted.* In case of any such consolidation, merger or sale, conveyance, transfer or lease of all or substantially all of the Company's properties and assets, and upon the assumption by the successor Person, by supplemental indenture, executed and delivered to the Trustee and satisfactory in form to the Trustee, of the due and punctual payment of the principal of and premium, if any, and interest on all of the Debentures and the due and punctual performance of all of the covenants and conditions of this Indenture to be performed by the Company, such successor Person shall succeed to and be substituted for the Company, with the same effect as if it had been named herein as the party of this first part. Such successor Person thereupon may cause to be signed, and may issue either in its own name or in the name of the Person named as the Company in the first paragraph of this Indenture any or all of the Debentures, issuable hereunder that theretofore shall not have been signed by the Company and delivered to the Trustee; and, upon the order of such successor Person instead of the Company and subject to all the terms, conditions and limitations in this Indenture prescribed, the Trustee shall authenticate and shall deliver, or cause to be authenticated and delivered, any Debentures that previously shall have been signed and delivered by the officers of the Company to the Trustee for authentication, and any Debentures that such successor Person thereafter shall cause to be signed and delivered to the Trustee for that purpose. All the Debentures so issued shall in all respects have the same legal rank and benefit under this Indenture as the Debentures theretofore or thereafter issued in accordance with the terms of this Indenture as though all of such Debentures had been issued at the date of the execution hereof. In the event of any such consolidation, merger or sale, conveyance, transfer or lease of all or substantially all of the Company's properties and assets, the Person named as the "Company" in the first paragraph of this Indenture or any successor that shall thereafter have become such in the manner prescribed in this ARTICLE 13 may be dissolved, wound up and liquidated at any time thereafter and such Person shall be released from its liabilities as obligor and maker of the Debentures and from its obligations under this Indenture.

In case of any such consolidation, merger or sale, conveyance, transfer or lease of all or substantially all of the Company's properties and assets, such changes in phraseology and form (but not in substance) may be made in the Debentures thereafter to be issued as may be appropriate.

Section 13.3. *Opinion of Counsel to be Given Trustee.* The Trustee shall receive an Officers' Certificate and an Opinion of Counsel as conclusive evidence that any such consolidation, merger or sale, conveyance, transfer or lease of all or substantially all of the Company's properties and assets and any such assumption complies with the provisions of this ARTICLE 13.

ARTICLE 14.
SATISFACTION AND DISCHARGE OF INDENTURE

Section 14.1. *Discharge of Indenture.* When (i) the Company shall deliver to the Trustee for cancellation all Debentures theretofore authenticated (other than any Debentures that have been destroyed, lost or stolen and in lieu of or in substitution for which other Debentures shall have been authenticated and delivered) and not theretofore canceled, or (ii) all the Debentures not theretofore canceled or delivered to the Trustee for cancellation shall have become due and payable, or are by their terms to become due and payable within one year or are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption, and the Company shall deposit with the Trustee, in trust, funds sufficient to pay at maturity or upon redemption of all of the Debentures (other than any Debentures that shall have been mutilated, destroyed, lost or stolen and in lieu of or in substitution for which other Debentures shall have been authenticated and delivered) not theretofore canceled or delivered to the Trustee for cancellation, including principal and premium, if any, and interest due or to become due to such date of maturity or redemption date, as the case may be, accompanied by a verification report, as to the sufficiency of the deposited amount, from an independent certified accountant or other financial professional satisfactory to the Trustee, and if the Company shall also pay or cause to be paid all other sums payable hereunder by the Company, then this Indenture shall cease to be of further effect (except as to (1) remaining rights of registration of transfer, substitution and exchange and conversion of Debentures, (2) rights hereunder of Debentureholders to receive payments of principal of and premium, if any, and interest on, the Debentures and the other rights, duties and obligations of Debentureholders, as beneficiaries hereof with respect to the amounts, if any, so deposited with the Trustee and (3) the rights, obligations and immunities of the Trustee hereunder), and the Trustee, on written demand of the Company accompanied by an Officers' Certificate and an Opinion of Counsel as required by Section 17.4 and at the cost and expense of the Company, shall execute proper instruments acknowledging satisfaction of and discharging this Indenture; the Company, however, hereby agrees to reimburse the Trustee for any costs or expenses thereafter reasonably and properly incurred by the Trustee and to compensate the Trustee for any services thereafter reasonably and properly rendered by the Trustee in connection with this Indenture or the Debentures.

Section 14.2. *Deposited Monies to be Held in Trust by Trustee.* Subject to Section 14.4, all monies deposited with the Trustee pursuant to Section 14.1, shall be held in trust for the sole benefit of the Debentureholders, and such monies shall be applied by the Trustee to the payment, either directly or through any paying agent (including the Company if acting as its own paying agent), to the Holders of the particular Debentures for the payment or redemption of which such monies have been deposited with the Trustee, of all sums due and to become due thereon for principal and interest and premium, if any.

Section 14.3. *Paying Agent to Repay Monies Held.* Upon the satisfaction and discharge of this Indenture, all monies then held by any paying agent of the Debentures (other than the Trustee) shall, upon written request of the Company, be repaid to it or paid to the Trustee, and thereupon such paying agent shall be released from all further liability with respect to such monies.

Section 14.4. *Return of Unclaimed Monies.* Subject to the requirements of applicable law, any monies deposited with or paid to the Trustee for payment of the principal of, premium, if any, or interest on Debentures and not applied but remaining unclaimed by the Holders of Debentures for two years after the date upon which the principal of, premium, if any, or interest on such Debentures, as the case may be, shall have become due and payable, shall be repaid to the Company by the Trustee on demand and all liability of the Trustee shall thereupon cease with respect to such monies; and the Holder of any of the Debentures shall thereafter look only to the Company for any payment that such Holder may be entitled to collect unless an applicable abandoned property law designates another Person.

Section 14.5. *Reinstatement.* If the Trustee or the paying agent is unable to apply any money in accordance with Section 14.2 by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's obligations under this Indenture and the Debentures shall be revived and reinstated as though no deposit had occurred pursuant to Section 14.1 until such time as the Trustee or the paying agent is permitted to apply all such money in accordance with Section 14.2; provided that if the Company makes any payment of interest on or principal of any Debenture following the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Debentures to receive such payment from the money held by the Trustee or paying agent.

ARTICLE 15.
IMMUNITY OF INCORPORATORS,
STOCKHOLDERS, OFFICERS AND DIRECTORS

Section 15.1. *Indenture and Debentures Solely Corporate Obligations.* No recourse for the payment of the principal of or premium, if any, or Interest on any Debenture, or for any claim based thereon or otherwise in respect thereof, and no recourse under or upon any obligation, covenant or agreement of the Company in this Indenture or in any supplemental indenture or in any Debenture, or because of the creation of any Indebtedness represented thereby, shall be had against any incorporator, stockholder, employee, agent, officer, director or subsidiary, as such, past, present or future, of the Company or of any successor corporation, either directly or through the Company or any successor corporation, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise; it being expressly understood that all such liability is hereby expressly waived and released as a condition of, and as a consideration for, the execution of this Indenture and the issue of the Debentures.

ARTICLE 16.
CONVERSION OF DEBENTURES

Section 16.1. *Right to Convert.*

(a) Subject to the provisions of this Indenture, the Holder of any Debenture shall have the right, at such Holder's option, to, at any time prior to the close of business on February 28, 2011 convert the principal amount of the Debenture, or any portion of such principal amount which is a multiple of \$1,000, into fully paid and non-assessable shares of Common Stock (as such shares shall then be constituted) at the Conversion Rate in effect at such time, by surrender of the Debenture so to be converted in whole or in part, together with any

required funds, under the circumstances described in this Section 16.1 and in the manner provided in Section 16.2. Any Holder of a Debenture electing to convert a Debenture, in whole or in part, in connection with a Fundamental Change, shall be entitled to receive, in addition to any cash and shares of Common Stock, if any, provided for in the foregoing sentence, a Make-Whole Premium in accordance with Article V. Notwithstanding the foregoing, if such Debenture has been called for redemption, the Debenture may be converted only until the close of business on the Business Day immediately preceding the redemption date unless the Company fails to pay the redemption price.

(b) A Debenture in respect of which a Holder is electing to exercise its option to require redemption upon a Designated Event pursuant to Section 3.5 may be converted only if such Holder withdraws its election in accordance with Section 3.5(b), or Section 3.6, respectively. A Holder of Debentures is not entitled to any rights of a holder of Common Stock until such Holder has converted his Debentures to Common Stock, and only to the extent such Debentures are deemed to have been converted to Common Stock under this ARTICLE 16.

Section 16.2. *Exercise of Conversion Privilege; Issuance of Common Stock on Conversion.* In order to exercise the conversion privilege with respect to any Debenture in certificated form, the Company must receive at the office or agency of the Company maintained for that purpose or, at the option of such Holder, the Corporate Trust Office, such Debenture with the original or facsimile of the form entitled “**Conversion Notice**” on the reverse thereof, duly completed and manually signed, together with such Debentures duly endorsed for transfer, accompanied by the funds, if any, required by this Section 16.2. Such notice shall also state the name or names (with address or addresses) in which the certificate or certificates for shares of Common Stock which shall be issuable on such conversion shall be issued, and shall be accompanied by transfer or similar taxes, if required pursuant to Section 16.7.

In order to exercise the conversion privilege with respect to any interest in a Global Debenture, the beneficial holder must complete, or cause to be completed, the appropriate instruction form for conversion pursuant to the Depository’s book-entry conversion program, deliver, or cause to be delivered, by book-entry delivery an interest in such Global Debenture, furnish appropriate endorsements and transfer documents if required by the Company or the Trustee or conversion agent, and pay the funds, if any, required by this Section 16.2 and any transfer taxes if required pursuant to Section 16.7.

In order to validly exercise the conversion privilege under this Section 16.2, a conversion must be effected prior to the expiration of the period of time set forth in the applicable clause of Section 16.1. Each conversion shall be deemed to have been effected as to any such Debenture (or portion thereof) on the date on which the requirements set forth above in this Section 16.2 have been satisfied as to such Debenture (or portion thereof) (the “**Conversion Date**”), and the Person in whose name any certificate or certificates for shares of Common Stock shall be issuable upon such conversion shall be deemed to have become on said date the holder of record of the shares represented thereby; provided that any such surrender on any date when the stock transfer books of the Company shall be closed shall constitute the Person in whose name the certificates are to be issued as the holder of record thereof for all purposes on the next succeeding day on which such stock transfer books are open, but such conversion shall be at the Conversion Rate in effect on the date upon which such Debenture shall be surrendered.

As promptly as practicable following the Conversion Date, subject to compliance with any restrictions on transfer if shares issuable on conversion are to be issued in a name other than that of the Debentureholder (as if such transfer were a transfer of the Debenture or Debentures (or portion thereof) so converted) but in any event, no later than three (3) Business Days following the Conversion Date, the Company shall issue and shall deliver to such Debentureholder at the office or agency maintained by the Company for such purpose pursuant to Section 6.2, a certificate or certificates for the number of full shares of Common Stock issuable upon the conversion of such Debenture or portion thereof as determined by the Company in accordance with the provisions of this ARTICLE 16 and a check or cash in respect of any fractional interest in respect of a share of Common Stock arising upon such conversion, calculated by the Company as provided in Section 16.3. If the Company is unable to comply with its obligations in the previous sentence within such three (3) Business Days because of the occurrence of a Force Majeure Event, then the days in which such Force Majeure Event exists shall not be deemed Business Days for purposes of the previous sentence. In case any Debenture of a denomination greater than \$1,000 shall be surrendered for partial conversion, and subject to Section 2.3, the Company shall execute and the Trustee shall authenticate and deliver to the Holder of the Debenture so surrendered, without charge to him, a new Debenture or Debentures in authorized denominations in an aggregate principal amount equal to the unconverted portion of the surrendered Debenture.

Any Debenture or portion thereof surrendered for conversion during the period from the close of business on the Record Date for any interest payment date to the close of business on the Business Day preceding the following interest payment date that has not been called for redemption during such period shall be accompanied by payment, in immediately available funds or other funds acceptable to the Company, of an amount equal to the interest otherwise payable on such interest payment date on the principal amount being converted; provided that no such payment need be made (1) if the Company has specified a redemption date that is after a Record Date and prior to the next interest payment date, (2) if the Company has specified a redemption date following a Designated Event that is during such period or (3) to the extent of any overdue interest, if any overdue interest exists at the time of conversion with respect to such Debenture. Except as provided above in this Section 16.2, no payment or other adjustment shall be made for interest accrued on any Debenture converted or for dividends on any shares issued upon the conversion of such Debenture as provided in this ARTICLE 16.

Upon the conversion of an interest in a Global Debenture, the Trustee (or other conversion agent appointed by the Company), or the Custodian at the direction of the Trustee (or other conversion agent appointed by the Company), shall make a notation on such Global Debenture as to the reduction in the principal amount represented thereby.

Upon the conversion of a Debenture, that portion of the accrued but unpaid interest, attributable to the period from the issue date of the Debenture to the Conversion Date, with respect to the converted Debenture shall not be cancelled, extinguished or forfeited, but rather shall be deemed to be paid in full to the Holder thereof through delivery of the Common Stock (together with the cash payment, if any in lieu of fractional shares) in exchange for the Debenture being converted pursuant to the provisions hereof; and the fair market value of such shares of Common Stock (together with any such cash payment in lieu of fractional shares) shall be treated as issued, to the extent thereof, first in exchange for and in satisfaction of our

obligation to pay the principal amount of the converted Debenture, the accrued but unpaid interest, through the Conversion Date from the issue date, and the balance, if any, of such fair market value of such Common Stock (and any such cash payment) shall be treated as issued in exchange for and in satisfaction of the right to convert the Debenture being converted pursuant to the provisions hereof.

Section 16.3. *Cash Payments in Lieu of Fractional Shares.* No fractional shares of Common Stock or scrip certificates representing fractional shares shall be issued upon conversion of Debentures. If more than one Debenture shall be surrendered for conversion at one time by the same Holder, the number of full shares that shall be issuable upon conversion shall be computed on the basis of the aggregate principal amount of the Debentures (or specified portions thereof to the extent permitted hereby) so surrendered. If any fractional share of stock would be issuable upon the conversion of any Debenture or Debentures, the Company shall make an adjustment and payment therefor in cash at the current market price thereof to the Holder of Debentures. The current market price of a share of Common Stock shall be the Closing Sale Price on the last Trading Day immediately preceding the day on which the Debentures (or specified portions thereof) are deemed to have been converted.

Section 16.4. *Conversion Rate.* The conversion rate (herein called the “**Conversion Rate**”) means the number of shares of Common Stock per \$1,000 principal amount of the Debentures issuable upon conversion of a Debenture determined by reference to the table below, subject to adjustment as provided in this ARTICLE 16:

<u>Number of Shares</u>	<u>Date of Debenture Conversion</u>
125.00	before September 1, 2006
141.25	on or after September 1, 2006 and on or before February 28, 2007
141.04	on or after March 1, 2007 and on or before August 31, 2007
137.27	on or after September 1, 2007 and on or before February 29, 2008
133.32	on or after March 1, 2008 and on or before August 31, 2008
129.23	on or after September 1, 2008 and on or before February 28, 2009
125.00	on or after March 1, 2009

Section 16.5. *Adjustment Of Conversion Rate.* The Conversion Rate shall be adjusted from time to time by the Company as follows:

(a) In case the Company shall hereafter pay a dividend or make a distribution to all holders of the outstanding Common Stock in shares of Common Stock, the Conversion Rate shall be increased so that the same shall equal the rate determined by multiplying the Conversion Rate in effect at the opening of business on the date following the date fixed for the determination of stockholders entitled to receive such dividend or other distribution by a fraction,

(i) the numerator of which shall be the sum of the number of shares of Common Stock outstanding at the close of business on the date fixed for the determination of stockholders entitled to receive such dividend or other distribution plus the total number of shares of Common Stock constituting such dividend or other distribution; and

(ii) the denominator of which shall be the number of shares of Common Stock outstanding at the close of business on the date fixed for such determination,

such increase to become effective immediately after the opening of business on the day following the date fixed for such determination. For the purpose of this paragraph (a), the number of shares of Common Stock at any time outstanding shall not include shares held in the treasury of the Company. The Company will not pay any dividend or make any distribution on shares of Common Stock held in the treasury of the Company. If any dividend or distribution of the type described in this Section 16.5(a) is declared but not so paid or made, the Conversion Rate shall again be adjusted to the Conversion Rate that would then be in effect if such dividend or distribution had not been declared.

(b) In case the Company shall issue rights or warrants to all holders of its outstanding shares of Common Stock (except as otherwise provided in this ARTICLE 16) entitling them (for a period expiring within forty-five (45) days after the date fixed for determination of stockholders entitled to receive such rights or warrants) to subscribe for or purchase shares of Common Stock at a price per share less than the Current Market Price on the date fixed for determination of stockholders entitled to receive such rights or warrants, the Conversion Rate shall be increased by multiplying the Conversion Rate in effect immediately prior to the date fixed for determination of stockholders entitled to receive such rights or warrants by a fraction,

(i) the numerator of which shall be the sum of (x) the number of shares of Common Stock outstanding on the date fixed for determination of stockholders entitled to receive such rights or warrants and (y) the total number of shares (the “**Underlying Shares**”) of Common Stock underlying all of such issued rights or warrants (whether by exercise, conversion, exchange or otherwise), and

(ii) the denominator of which shall be the sum of (x) the number of shares of Common Stock outstanding at the close of business on the date fixed for determination of stockholders entitled to receive such rights or warrants and (y) the number of shares of Common Stock which the aggregate exercise, conversion, exchange or other price at which the Underlying Shares may be subscribed for or purchased pursuant to such rights or warrants would purchase at such Current Market Price.

Such adjustment shall be successively made whenever any such rights or warrants are issued, and shall become effective immediately after the opening of business on the day following the date fixed for determination of stockholders entitled to receive such rights or warrants. To the extent that shares of Common Stock are not delivered after the expiration of such rights or warrants, the Conversion Rate shall be readjusted to the Conversion Rate that would then be in effect had the adjustments made upon the issuance of such rights or warrants been made on the basis of delivery of only the number of shares of Common Stock actually delivered. If such rights or warrants are not so issued, the Conversion Rate shall again be adjusted to be the Conversion Rate that would then be in effect if such date fixed for the determination of stockholders entitled to receive such rights or warrants had not been fixed. In determining whether any rights or warrants entitle the holders to subscribe for or purchase shares of Common Stock at less than such Current Market Price, and in determining the aggregate

offering price of such shares of Common Stock, there shall be taken into account any consideration received by the Company for such rights or warrants and any amount payable on exercise or conversion thereof, the value of such consideration, if other than cash, to be determined by the Board of Directors.

(c) In case outstanding shares of Common Stock shall be subdivided into a greater number of shares of Common Stock, the Conversion Rate in effect at the opening of business on the day following the day upon which such subdivision becomes effective shall be proportionately increased, and conversely, in case outstanding shares of Common Stock shall be combined into a smaller number of shares of Common Stock, the Conversion Rate in effect at the opening of business on the day following the day upon which such combination becomes effective shall be proportionately reduced, such increase or reduction, as the case may be, to become effective immediately after the opening of business on the day following the day upon which such subdivision or combination becomes effective.

(d) Except as otherwise provided in this ARTICLE 16, in case the Company shall, by dividend or otherwise, distribute to all holders of its Common Stock a portion of its assets (including cash and shares of a Subsidiary) or debt or other securities issued by the Company or certain rights to purchase the Company's securities (including securities, but excluding any rights or warrants referred to in Section 16.5(b), and excluding any dividend or distribution (x) paid exclusively in cash or (y) referred to in Section 16.5(a)) (any of the foregoing hereinafter in this Section 16.5(d) called the "Securities"), then, in each such case (unless the Company elects to reserve such Securities for distribution to the Debentureholders upon the conversion or redemption of the Debentures, or the redemption of the Debentures pursuant to Section 3.1(b), so that any such Holder converting or redeeming Debentures will receive upon such conversion, in addition to the shares of Common Stock to which such Holder is entitled, the amount and kind of such Securities which such Holder would have received if such Holder had converted its Debentures into Common Stock immediately prior to the Record Date) the Conversion Rate shall be increased so that the same shall be equal to the rate determined by multiplying the Conversion Rate in effect on the Record Date with respect to such distribution by a fraction,

(i) the numerator of which shall be the Current Market Price on such Record Date; and

(ii) the denominator of which shall be the Current Market Price on such Record Date less the fair market value (as determined by the Board of Directors, whose determination shall be conclusive, and described in a resolution of the Board of Directors) on the Record Date of the portion of the Securities so distributed applicable to one share of Common Stock,

such adjustment to become effective immediately prior to the opening of business on the day following such Record Date; provided that if the then fair market value (as so determined) of the portion of the Securities so distributed applicable to one share of Common Stock is equal to or greater than the Current Market Price on the Record Date, in lieu of the foregoing adjustment, adequate provision shall be made so that each Debentureholder shall have the right to receive upon conversion or redemption pursuant to Section 3.1(b) the amount of Securities such Holder

would have received had such Holder converted each Debenture on the Record Date. If such dividend or distribution is not so paid or made, the Conversion Rate shall again be adjusted to be the Conversion Rate that would then be in effect if such dividend or distribution had not been declared. If the Board of Directors determines the fair market value of any distribution for purposes of this Section 16.5(d) by reference to the actual or when issued trading market for any securities, it must in doing so consider the prices in such market over the same period used in computing the Current Market Price on the applicable Record Date. Notwithstanding the foregoing, if the Securities distributed by the Company to all holders of its Common Stock consists of capital stock of, or similar equity interests in, a Subsidiary or other business unit, the Conversion Rate shall be increased so that the same shall be equal to the rate determined by multiplying the Conversion Rate in effect on the Record Date with respect to such distribution by a fraction:

(1) the numerator of which shall be the sum of (x) the average Closing Sale Price over the ten (10) consecutive Trading Day period (the “**Spinoff Valuation Period**”) commencing on and including the fifth Trading Day after the date on which “ex-dividend trading” commences on the Common Stock on the Nasdaq National Market or such other national or regional exchange or market on which the Common stock is then listed or quoted and (y) the average Fair Market Value (as determined by the Board of Directors, whose determination shall be conclusive, and described in a resolution of the Board of Directors) over the Spinoff Valuation Period of the portion of the Securities so distributed applicable to one share of Common Stock; and

(2) the denominator of which shall be the average Closing Sale Price over the Spinoff Valuation Period,

such adjustment to become effective immediately prior to the opening of business on the day following such Record Date; provided that the Company may in lieu of the foregoing adjustment make adequate provision so that each Debentureholder shall have the right to receive upon conversion or redemption pursuant to Section 3.1(b) the amount of Securities such Holder would have received had such Holder converted each Debenture on the Record Date with respect to such distribution.

Rights or warrants distributed by the Company to all holders of Common Stock entitling the holders thereof to subscribe for or purchase shares of the Company’s capital stock (either initially or under certain circumstances), which rights or warrants, until the occurrence of a specified event or events (“**Trigger Event**”): (i) are deemed to be transferred with such shares of Common Stock; (ii) are not exercisable; and (iii) are also issued in respect of future issuances of Common Stock, shall be deemed not to have been distributed for purposes of this Section 16.5 (and no adjustment to the Conversion Rate under this Section 16.5 will be required) until the occurrence of the earliest Trigger Event, whereupon such rights and warrants shall be deemed to have been distributed and an appropriate adjustment (if any is required) to the Conversion Rate shall be made under this Section 16.5(d). If any such right or warrant, including any such existing rights or warrants distributed prior to the date of this Indenture, are subject to events, upon the occurrence of which such rights or warrants become exercisable to purchase different securities, evidences of indebtedness or other assets, then the date of the occurrence of any and each such event shall be deemed to be the date of distribution and record date with respect to

new rights or warrants with such rights (and a termination or expiration of the existing rights or warrants without exercise by any of the holders thereof). In addition, in the event of any distribution (or deemed distribution) of rights or warrants, or any Trigger Event or other event (of the type described in the preceding sentence) with respect thereto that was counted for purposes of calculating a distribution amount for which an adjustment to the Conversion Rate under this Section 16.5 was made, (1) in the case of any such rights or warrants that shall all have been redeemed or repurchased without exercise by any holders thereof, the Conversion Rate shall be readjusted upon such final redemption or repurchase to give effect to such distribution or Trigger Event, as the case may be, as though it were a cash distribution, equal to the per share redemption or repurchase price received by a holder or holders of Common Stock with respect to such rights or warrants (assuming such holder had retained such rights or warrants), made to all holders of Common Stock as of the date of such redemption or repurchase, and (2) in the case of such rights or warrants that shall have expired or been terminated without exercise by any holders thereof, the Conversion Rate shall be readjusted as if such rights and warrants had not been issued.

No adjustment of the Conversion Rate shall be made pursuant to this Section 16.5(d) in respect of rights or warrants distributed or deemed distributed on any Trigger Event to the extent that such rights or warrants are actually distributed, or reserved by the Company for distribution to Holders of Debentures upon conversion by such Holders of Debentures to Common Stock or redemption of the Debentures pursuant to Section 3.1(b).

For purposes of this Section 16.5(d) and Section 16.5(a) and Section 16.5(b), any dividend or distribution to which this Section 16.5(d) is applicable that also includes shares of Common Stock, or rights or warrants to subscribe for or purchase shares of Common Stock (or both), shall be deemed instead to be (1) a dividend or distribution of the evidences of indebtedness, assets or shares of capital stock other than such shares of Common Stock or rights or warrants (and any Conversion Rate adjustment required by this Section 16.5(d) with respect to such dividend or distribution shall then be made) immediately followed by (2) a dividend or distribution of such shares of Common Stock or such rights or warrants (and any further Conversion Rate adjustment required by Section 16.5(a) and Section 16.5(b) with respect to such dividend or distribution shall then be made), except (A) the Record Date of such dividend or distribution shall be substituted as “the date fixed for the determination of stockholders entitled to receive such dividend or other distribution”, “the date fixed for the determination of stockholders entitled to receive such rights or warrants” and “the date fixed for such determination” within the meaning of Section 16.5(a) and Section 16.5(b) and (B) any shares of Common Stock included in such dividend or distribution shall not be deemed “outstanding at the close of business on the date fixed for such determination” within the meaning of Section 16.5(a).

(e) In case a tender or exchange offer made by the Company or any Subsidiary for all or any portion of the Common Stock shall expire and such tender or exchange offer (as amended upon the expiration thereof) shall require the payment to stockholders of consideration per share of Common Stock having a Fair Market Value (as determined by the Board of Directors, whose determination shall be conclusive and described in a resolution of the Board of Directors) that as of the last time (the “**Expiration Time**”) tenders or exchanges may be made pursuant to such tender or exchange offer (as it may be amended) exceeds the last

reported Closing Sale Price of a share of Common Stock on the Trading Day next succeeding the Expiration Time, the Conversion Rate shall be increased so that the same shall equal the rate determined by multiplying the Conversion Rate in effect immediately prior to the Expiration Time by a fraction,

(i) the numerator of which shall be the sum of (x) the Fair Market Value (determined as aforesaid) of the aggregate consideration payable to stockholders based on the acceptance (up to any maximum specified in the terms of the tender or exchange offer) of all shares validly tendered or exchanged and not withdrawn as of the Expiration Time (the shares deemed so accepted up to any such maximum, being referred to as the “**Purchased Shares**”) and (y) the product of the number of shares of Common Stock outstanding (less any Purchased Shares) at the Expiration Time and the Closing Sale Price of a share of Common Stock on the Trading Day next succeeding the Expiration Time, and

(ii) the denominator of which shall be the number of shares of Common Stock outstanding (including any tendered or exchanged shares) at the Expiration Time multiplied by the Closing Sale Price of a share of Common Stock on the Trading Day next succeeding the Expiration Time

such adjustment to become effective immediately prior to the opening of business on the day following the Expiration Time. If the Company is obligated to purchase shares pursuant to any such tender or exchange offer, but the Company is permanently prevented by applicable law from effecting any such purchases or all such purchases are rescinded, the Conversion Rate shall again be adjusted to be the Conversion Rate that would then be in effect if such tender or exchange offer had not been made.

(f) In case of a tender or exchange offer made by a Person other than the Company or any Subsidiary for an amount that increases the offeror’s ownership of Common Stock to more than fifty percent (50%) of the Common Stock outstanding and shall involve the payment by such Person of consideration per share of Common Stock having a Fair Market Value (as determined by the Board of Directors, whose determination shall be conclusive, and described in a resolution of the Board of Directors) that as of the last time (the “**Offer Expiration Time**”) tenders or exchanges may be made pursuant to such tender or exchange offer (as it shall have been amended) exceeds the Closing Price of a share of Common Stock on the Trading Day next succeeding the Offer Expiration Time, and in which, as of the Offer Expiration Time the Board of Directors is not recommending rejection of the offer, the Conversion Rate shall be increased so that the same shall equal the rate determined by multiplying the Conversion Rate in effect immediately prior to the Offer Expiration Time by a fraction

(i) the numerator of which shall be the sum of (x) the Fair Market Value (determined as aforesaid) of the aggregate consideration payable to stockholders based on the acceptance (up to any maximum specified in the terms of the tender or exchange offer) of all shares validly tendered or exchanged and not withdrawn as of the Offer Expiration Time (the shares deemed so accepted, up to any such maximum, being referred to as the “**Accepted Purchased Shares**”) and (y) the product of the number of shares of Common Stock outstanding (less any Accepted Purchased Shares) at the Offer Expiration Time and the Closing Sale Price of a share of Common Stock on the Trading Day next succeeding the Offer Expiration Time, and

(ii) the denominator of which shall be the number of shares of Common Stock outstanding (including any tendered or exchanged shares) at the Offer Expiration Time multiplied by the Closing Sale Price of a share of Common Stock on the Trading Day next succeeding the Offer Expiration Time,

such adjustment to become effective immediately prior to the opening of business on the day following the Offer Expiration Time. If such Person is obligated to purchase shares pursuant to any such tender or exchange offer, but such Person is permanently prevented by applicable law from effecting any such purchases or all such purchases are rescinded, the Conversion Rate shall again be adjusted to be the Conversion Rate that would then be in effect if such tender or exchange offer had not been made. Notwithstanding the foregoing, the adjustment described in this Section 16.5(f) shall not be made if, as of the Offer Expiration Time, the offering documents with respect to such offer disclose a plan or intention to cause the Company to engage in any transaction described in ARTICLE 13.

(g) In case the Company shall, by dividend or otherwise, at any time make a distribution of cash (excluding any cash that is distributed as part of a distribution requiring a Conversion Rate adjustment pursuant to Section 16.5(d)) to all holders of its Common stock, then in such case the Conversion Rate shall be increased by multiplying the Conversion Rate in effect on the Record Date for the determination of holders of Common Stock entitled to such distribution by a fraction, the numerator of which shall be the Current Market Price and the denominator of which shall be an amount equal to the Current Market Price less the amount of the distribution per share of Common Stock.

(h) For purposes of this Section 16.5, the following terms shall have the meaning indicated:

(i) “**Current Market Price**” shall mean the average of the daily Closing Sale Prices per share of Common Stock for the ten consecutive Trading Days selected by the Company commencing no more than 30 Trading Days before and ending not later than the earlier of such date of determination and the day before the “**ex**” date with respect to the issuance, distribution, subdivision or combination requiring such computation immediately prior to the date in question. For purpose of this paragraph, the term “**ex**” date, (1) when used with respect to any issuance or distribution, means the first date on which the Common Stock trades, regular way, on the relevant exchange or in the relevant market from which the Closing Sale Price was obtained without the right to receive such issuance or distribution, and (2) when used with respect to any subdivision or combination of shares of Common Stock, means the first date on which the Common Stock trades, regular way, on such exchange or in such market after the time at which such subdivision or combination becomes effective.

If another issuance, distribution, subdivision or combination to which Section 16.5 applies occurs during the period applicable for calculating “**Current Market Price**” pursuant to the definition in the preceding paragraph, “**Current Market Price**” shall be calculated for such period in a manner determined by the Board of Directors to reflect the impact of such issuance, distribution, subdivision or combination on the Closing Sale Price of the Common Stock during such period.

(ii) “**Fair Market Value**” shall mean the amount which a willing buyer would pay a willing seller in an arm’s-length transaction.

(iii) “**Record Date**” shall mean, for purposes of this Section 16.5, with respect to any dividend, distribution or other transaction or event in which the holders of Common Stock have the right to receive any cash, securities or other property or in which the Common Stock (or other applicable security) is exchanged for or converted into any combination of cash, securities or other property, the date fixed for determination of stockholders entitled to receive such cash, securities or other property (whether such date is fixed by the Board of Directors or by statute, contract or otherwise).

(iv) “**Trading Day**” shall mean (x) if the applicable security is quoted on the Nasdaq National Market, a day on which trades may be made thereon or (y) if the applicable security is listed or admitted for trading on the New York Stock Exchange or another national securities exchange, a day on which the New York Stock Exchange or another national securities exchange is open for business or (z) if the applicable security is not so listed, admitted for trading or quoted, any day other than a Saturday or Sunday or a day on which banking institutions in the State of New York are authorized or obligated by law or executive order to close.

(i) The Company may make such increases in the Conversion Rate, in addition to those required by Section 16.5(a), (b), (c), (d) or (f) as the Board of Directors considers to be advisable to avoid or diminish any income tax to holders of Common Stock or rights to purchase Common Stock resulting from any dividend or distribution of stock (or rights to acquire stock) or from any event treated as such for income tax purposes.

To the extent permitted by applicable law, the Company from time to time may increase the Conversion Rate by any amount for any period of time if the period is at least twenty (20) days, the increase is irrevocable during the period and the Board of Directors shall have made a determination that such increase would be in the best interests of the Company, which determination shall be conclusive. Whenever the Conversion Rate is increased pursuant to the preceding sentence, the Company shall mail to Holders of the Debentures a notice of the increase at least fifteen (15) days prior to the date the increased Conversion Rate takes effect, and such notice shall state the increased Conversion Rate and the period during which it will be in effect.

(j) Whenever the Conversion Rate is adjusted as herein provided, the Company shall promptly file with the Trustee and any conversion agent other than the Trustee an Officers’ Certificate setting forth the Conversion Rate after such adjustment and setting forth a brief statement of the facts requiring such adjustment. Unless and until a Responsible Officer of the Trustee shall have received such Officers’ Certificate, the Trustee shall not be deemed to have knowledge of any adjustment of the Conversion Rate and may assume that the last Conversion Rate of which it has knowledge is still in effect. Promptly after delivery of such certificate, the Company shall prepare a notice of such adjustment of the Conversion Rate setting forth the adjusted Conversion Rate and the date on which each adjustment becomes effective and shall mail such notice of such adjustment of the Conversion Rate to the Holder of each Debenture at his last address appearing on the Debenture Register provided for in Section 2.5 of this Indenture, within twenty (20) days after execution thereof. Failure to deliver such notice shall not affect the legality or validity of any such adjustment.

(k) In any case in which this Section 16.5 provides that an adjustment shall become effective immediately after (1) a record date or Record Date for an event, (2) the date fixed for the determination of stockholders entitled to receive a dividend or distribution pursuant to Section 16.5(a), (3) a date fixed for the determination of stockholders entitled to receive rights or warrants pursuant to Section 16.5(b), (4) the Expiration Time for any tender or exchange offer pursuant to Section 16.5(e), or (5) the Offer Expiration Time for a tender or exchange offer pursuant to Section 16.5(f)(i) (each a “**Determination Date**”), the Company may elect to defer until the occurrence of the applicable Adjustment Event (as hereinafter defined) by (x) issuing to the Holder of any Debenture converted after such Determination Date and before the occurrence of such Adjustment Event, the additional shares of Common Stock or other securities issuable upon such conversion by reason of the adjustment required by such Adjustment Event over and above the Common Stock issuable upon such conversion before giving effect to such adjustment and (y) paying to such Holder any amount in cash in lieu of any fraction pursuant to Section 16.3. For purposes of this Section 16.5(k), the term “**Adjustment Event**” shall mean:

(i) in any case referred to in clause (1) hereof, the occurrence of such event,

(ii) in any case referred to in clause (2) hereof, the date any such dividend or distribution is paid or made,

(iii) in any case referred to in clause (3) hereof, the date of expiration of such rights or warrants, and

(iv) in any case referred to in clause (4) or clause (5) hereof, the date a sale or exchange of Common Stock pursuant to such tender or exchange offer is consummated and becomes irrevocable.

(l) For purposes of this Section 16.5, the number of shares of Common Stock at any time outstanding shall not include shares held in the treasury of the Company but shall include shares issuable in respect of scrip certificates issued in lieu of fractions of shares of Common Stock. The Company will not pay any dividend or make any distribution on shares of Common Stock held in the treasury of the Company.

Section 16.6. *Effect Of Reclassification, Consolidation, Merger or Sale.* If any of the following events occur, namely (i) any reclassification or change of the outstanding shares of Common Stock (other than a subdivision or combination to which Section 16.5(c) applies), (ii) any consolidation, merger or combination of the Company with another Person as a result of which holders of Common Stock shall be entitled to receive stock, other securities or other property or assets (including cash) with respect to or in exchange for such Common Stock, or (iii) any sale or conveyance of all or substantially all of the properties and assets of the Company to any other Person as a result of which holders of Common Stock shall be entitled to receive stock, other securities or other property or assets (including cash) with respect to or in exchange for such Common Stock (such property collectively the “**Exchange Property**”), then the

Company or the successor or purchasing Person, as the case may be, shall execute with the Trustee a supplemental indenture (which shall comply with the Trust Indenture Act as in force at the date of execution of such supplemental indenture) providing that each Debenture shall be convertible into the Exchange Property receivable upon such reclassification, change, consolidation, merger, combination, sale or conveyance by a holder of a number of shares of Common Stock issuable upon conversion of such Debentures (assuming, for such purposes, a sufficient number of authorized shares of Common Stock are available to convert all such Debentures) immediately prior to such reclassification, change, consolidation, merger, combination, sale or conveyance assuming such holder of Common Stock did not exercise his rights of election, if any, as to the kind or amount of stock, other securities or other property or assets (including cash) receivable upon such reclassification, change, consolidation, merger, combination, sale or conveyance (provided that, if the kind or amount of stock, other securities or other property or assets (including cash) receivable upon such reclassification, change, consolidation, merger, combination, sale or conveyance is not the same for each share of Common Stock in respect of which such rights of election shall not have been exercised ("**Non-Electing Share**"), then for the purposes of this Section 16.6 the kind and amount of stock, other securities or other property or assets (including cash) receivable upon such reclassification, change, consolidation, merger, combination, sale or conveyance for each non-electing share shall be deemed to be the kind and amount so receivable per share by a plurality of the non-electing shares). Such supplemental indenture shall provide for adjustments which shall be as nearly equivalent as may be practicable to the adjustments provided for in this ARTICLE 16.

The Company shall cause notice of the execution of such supplemental indenture to be mailed to each Holder of Debentures, at its address appearing on the Debenture Register provided for in Section 2.5 of this Indenture, within twenty (20) days after execution thereof. Failure to deliver such notice shall not affect the legality or validity of such supplemental indenture.

The above provisions of this Section 16.6 shall similarly apply to successive reclassifications, changes, consolidations, mergers, combinations, sales and conveyances.

Section 16.7. *Taxes On Shares Issued.* The issue of stock certificates on conversions, redemptions or at maturity of Debentures shall be made without charge to the converting or redeeming Debentureholder or those receiving stock in payment of any portion of the Debenture Amount at Maturity for any documentary, stamp or similar issue or transfer tax in respect of the issue thereof. The Company shall not, however, be required to pay any such tax which may be payable in respect of any transfer involved in the issue and delivery of stock in any name other than that of the Holder of any Debenture converted, and the Company shall not be required to issue or deliver any such stock certificate in connection with conversion unless and until the Person or Persons requesting the issue thereof shall have paid to the Company the amount of such tax or shall have established to the satisfaction of the Company that such tax has been paid.

Section 16.8. *Reservation of Shares, Shares to Be Fully Paid; Compliance With Governmental Requirements; Listing of Common Stock.* The Company shall provide, free from preemptive rights, out of its authorized but unissued shares or shares held in treasury, sufficient shares of Common Stock to provide for (a) the conversion of the Debentures from time to time as such Debentures are presented for conversion; and (b) the redemption of the Debentures from time to time as such Debentures are called or presented for redemption.

Before taking any action which would cause an adjustment increasing the Conversion Rate to an amount that would cause the Conversion Price to be reduced below the then par value, if any, of the shares of Common Stock issuable upon conversion of the Debentures, the Company will take all corporate action which may, in the opinion of its counsel, be necessary in order that the Company may validly and legally issue shares of such Common Stock at such adjusted Conversion Rate.

The Company covenants that all shares of Common Stock which may be issued upon conversion or redemption of Debentures or issued in payment of any portion of the Debenture Amount at Maturity or as a Make-Whole Premium will upon issue be fully paid and non-assessable by the Company and free from all taxes (excluding any income taxes of the Holder), liens and charges with respect to the issue thereof, and be entitled to identical rights and privileges as its then outstanding Common stock.

The Company covenants that, if any shares of Common Stock to be provided for the purpose of conversion or redemption of Debentures or payment of the Debenture Amount at Maturity hereunder require registration with or approval of any governmental authority under any federal or state law before such shares may be validly issued upon conversion, redemption at Maturity Date, the Company will in good faith and as expeditiously as possible, to the extent then permitted by the rules and interpretations of the Commission (or any successor thereto), endeavor to secure such registration or approval, as the case may be provided that in the case of issuance of Common Stock in payment of a portion of the Debenture Amount at Maturity, such registration and/or approval must have been obtained and be in effect as of the Maturity Date.

The Company further covenants that, if at any time the Common Stock shall be listed on the Nasdaq National Market or any other national securities exchange or automated quotation system, the Company will, if permitted by the rules of such exchange or automated quotation system, list and keep listed, so long as the Common Stock shall be so listed on such exchange or automated quotation system, all Common Stock issuable upon conversion or redemption of the Debenture; provided that if the rules of such exchange or automated quotation system permit the Company to defer the listing of such Common Stock until the first conversion or redemption of the Debentures into Common Stock in accordance with the provisions of this Indenture, the Company covenants to list such Common Stock issuable upon conversion or redemption of the Debentures in accordance with the requirements of such exchange or automated quotation system at such time.

Section 16.9. *Responsibility Of Trustee.* The Trustee and any other conversion agent shall not at any time be under any duty or responsibility to any Holder of Debentures to determine the Conversion Rate or whether any facts exist which may require any adjustment of the Conversion Rate, or with respect to the nature or extent or calculation of any such adjustment when made, or with respect to the method employed, or herein or in any supplemental indenture provided to be employed, in making the same. The Trustee and any other conversion agent shall not be accountable with respect to the validity or value (or the kind or amount) of any shares of Common Stock, or of any securities or property, which may at any time be issued or delivered

upon the conversion or redemption of any Debenture; and the Trustee and any other conversion agent make no representations with respect thereto. Neither the Trustee nor any conversion agent shall be responsible for any failure of the Company to issue, transfer or deliver any shares of Common Stock or stock certificates or other securities or property or cash upon the surrender of any Debenture for the purpose of conversion or redemption or to comply with any of the duties, responsibilities or covenants of the Company contained in this ARTICLE 16. Without limiting the generality of the foregoing, neither the Trustee nor any conversion or redemption agent shall be under any responsibility to determine the correctness of any provisions contained in any supplemental indenture entered into pursuant to Section 16.6 relating either to the kind or amount of shares of stock or securities or property (including cash) receivable by Debentureholders upon the conversion or redemption of their Debentures after any event referred to in such Section 16.6 or to any adjustment to be made with respect thereto, but, subject to the provisions of Section 9.1, may accept as conclusive evidence of the correctness of any such provisions, and shall be protected in relying upon, the Officers' Certificate (which the Company shall be obligated to file with the Trustee prior to the execution of any such supplemental indenture) with respect thereto.

Section 16.10. *Notice To Holders Prior To Certain Actions.* In case:

(a) the Company shall declare a dividend (or any other distribution) on its Common Stock that would require an adjustment in the Conversion Rate pursuant to Section 16.5; or

(b) the Company shall authorize the granting to the holders of all or substantially all of its Common Stock of rights or warrants to subscribe for or purchase any share of any class or any other rights or warrants; or

(c) of any reclassification or reorganization of the Common Stock of the Company (other than a subdivision or combination of its outstanding Common Stock, or a change in par value, or from par value to no par value, or from no par value to par value), or of any consolidation or merger to which the Company is a party and for which approval of any stockholders of the Company is required, or of the sale or transfer of all or substantially all of the assets of the Company; or

(d) of the voluntary or involuntary dissolution, liquidation or winding up of the Company;

the Company shall cause to be filed with the Trustee and to be mailed to each Holder of Debentures at his address appearing on the Debenture Register provided for in Section 2.5 of this Indenture, as promptly as possible but in any event at least twenty (20) days prior to the applicable date hereinafter specified, a notice stating (x) the date on which a record is to be taken for the purpose of such dividend, distribution or rights or warrants, or, if a record is not to be taken, the date as of which the holders of Common Stock of record to be entitled to such dividend, distribution or rights are to be determined, or (y) the date on which such reclassification, consolidation, merger, sale, transfer, dissolution, liquidation or winding up is expected to become effective or occur, and the date as of which it is expected that holders of Common Stock of record shall be entitled to exchange their Common Stock for securities or

other property deliverable upon such reclassification, consolidation, merger, sale, transfer, dissolution, liquidation or winding up. Failure to give such notice, or any defect therein, shall not affect the legality or validity of such dividend, distribution, reclassification, consolidation, merger, sale, transfer, dissolution, liquidation or winding up.

Section 16.11. *Stockholder Rights Plans*. The Company shall amend any current or future stockholder rights agreement, if necessary, to provide that upon conversion or redemption of the Debentures, pursuant to Section 3.1(b), the Holders will receive, in addition to the Common Stock issuable upon such conversion or redemption of the Debentures, any rights which would have attached to such Common Stock if the Debentures had been converted into Common Stock on the date of this Indenture. So long as the Company shall provide the Holders with the benefits under this Section, no adjustment to the Conversion Rate need be made under Section 16.5(b) or (d) if the rights under the stockholder rights agreement are triggered.

ARTICLE 17. MISCELLANEOUS PROVISIONS

Failure to mail a notice or communication to a Debentureholder or any defect in it shall not affect its sufficiency with respect to other Debentureholders. If a notice or communication is mailed in the manner provided above, it is duly given, whether or not the addressee receives it.

Section 17.4. *Governing Law.* This Indenture and each Debenture, and all matters arising out of or related to this Indenture and each Debenture, shall be deemed to be a contract made under the laws of the State of New York, and for all purposes shall be construed in accordance with the laws of the State of New York, without regard to conflicts of laws principles thereof.

Section 17.5. *Evidence of Compliance with Conditions Precedent, Certificates to Trustee.* Upon any application or demand by the Company to the Trustee to take any action under any of the provisions of this Indenture, the Company shall furnish to the Trustee an Officers' Certificate stating that all conditions precedent, if any, provided for in this Indenture relating to the proposed action have been complied with, and an Opinion of Counsel stating that, in the opinion of such counsel, all such conditions precedent have been complied with.

Each certificate or opinion provided for in this Indenture and delivered to the Trustee with respect to compliance with a condition or covenant provided for in this Indenture shall include: (1) a statement that the person making such certificate or opinion has read such covenant or condition; (2) a brief statement as to the nature and scope of the examination or investigation upon which the statement or opinion contained in such certificate or opinion is based; (3) a statement that, in the opinion of such person, he has made such examination or investigation as is necessary to enable him to express an informed opinion as to whether or not such covenant or condition has been complied with; and (4) a statement as to whether or not, in the opinion of such person, such condition or covenant has been complied with.

Section 17.6. *Legal Holidays.* In any case in which the date of maturity of interest on or principal of the Debentures or the redemption date of any Debenture will not be a Business Day, then payment of such interest on or principal of the Debentures need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if made on the date of maturity or the redemption date, and no interest shall accrue for the period from and after such date.

Section 17.7. *Trust Indenture Act.* This Indenture is hereby made subject to, and shall be governed by, the provisions of the Trust Indenture Act required to be part of and to govern indentures qualified under the Trust Indenture Act; provided that unless otherwise required by law, notwithstanding the foregoing, this Indenture and the Debentures issued hereunder shall not be subject to the provisions of subsections (a)(1), (a)(2), and (a)(3) of Section 314 of the Trust Indenture Act as now in effect or as hereafter amended or modified; provided further that this Section 17.7 shall not require this Indenture or the Trustee to be qualified under the Trust Indenture Act prior to the time such qualification is in fact required under the terms of the Trust Indenture Act, nor shall it constitute any admission or acknowledgment by any party to the Indenture that any such qualification is required prior to the time such qualification is in fact required under the terms of the Trust Indenture Act. If any provision hereof limits, qualifies or conflicts with another provision hereof which is required to be included in an indenture qualified under the Trust Indenture Act, such required provision shall control.

Section 17.8. *No Security Interest Created.* Nothing in this Indenture or in the Debentures, expressed or implied, shall be construed to constitute a security interest under the Uniform Commercial Code or similar legislation, as now or hereafter enacted and in effect, in any jurisdiction in which property of the Company or its subsidiaries is located.

Section 17.9. *Benefits of Indenture.* Nothing in this Indenture or in the Debentures, express or implied, shall give to any Person, other than the parties hereto, any paying agent, any authenticating agent, any Debenture Registrar and their successors hereunder and the Holders of Debentures any benefit or any legal or equitable right, remedy or claim under this Indenture.

Section 17.10. *Table Of Contents, Headings, Etc.* The table of contents and the titles and headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not to be considered a part hereof, and shall in no way modify or restrict any of the terms or provisions hereof.

For all purposes of this Indenture, the authentication and delivery of Debentures by the authenticating agent shall be deemed to be authentication and delivery of such Debentures “by the Trustee” and a certificate of authentication executed on behalf of the Trustee by an authenticating agent shall be deemed to satisfy any requirement hereunder or in the Debentures for the Trustee’s certificate of authentication. Such authenticating agent shall at all times be a Person eligible to serve as trustee hereunder pursuant to Section 9.9.

Any corporation, association or other entity into which any authenticating agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, consolidation or conversion to which any authenticating agent shall be a party, or any corporation succeeding to the corporate trust business of any authenticating agent, shall be the successor of the authenticating agent hereunder, if such successor corporation is otherwise eligible under this Section 17.11, without the execution or filing of any paper or any further act on the part of the parties hereto or the authenticating agent or such successor corporation.

Any authenticating agent may at any time resign by giving written notice of resignation to the Trustee and to the Company. The Trustee may at any time terminate the agency of any authenticating agent by giving written notice of termination to such authenticating agent and to the Company. Upon receiving such a notice of resignation or upon such a termination, or in case at any time any authenticating agent shall cease to be eligible under this Section 17.11, the Trustee shall either promptly appoint a successor authenticating agent or itself assume the duties and obligations of the former authenticating agent under this Indenture and, upon such appointment of a successor authenticating agent, if made, shall give written notice of such appointment of a successor authenticating agent to the Company and shall mail notice of such appointment of a successor authenticating agent to all Holders of Debentures as the names and addresses of such Holders appear on the Debenture Register.

The Company agrees to pay to the authenticating agent from time to time such reasonable compensation for its services as shall be agreed upon in writing between the Company and the authenticating agent.

The provisions of Section 9.2, Section 9.3, Section 9.4 and Section 10.3 and this Section 17.11 shall be applicable to any authenticating agent. This Indenture may be executed and accepted by facsimile signature and any such signature shall be of the same force and effect as an original signature.

Section 17.12. *Execution In Counterparts*. Section 17.13. *Severability*. In case any provision in this Indenture or in the Debentures shall be invalid, illegal or unenforceable, then (to the extent permitted by law) the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

UMB Bank, n.a. hereby accepts the trusts in this Indenture declared and provided, upon the terms and conditions herein above set forth.

This Debenture is one of a duly authorized issue of Debentures of the Company, designated as its 7% Convertible Senior Subordinated Debentures Due 2011 (herein called the “**Debentures**”), limited in aggregate principal amount to \$25,000,000, issued and to be issued under and pursuant to an Indenture dated as of March 3, 2006 (herein called the “**Indenture**”), between the Company and UMB Bank, n.a., as trustee (herein called the “**Trustee**”), to which Indenture and all indentures supplemental thereto reference is hereby made for a description of the rights, limitations of rights, obligations, duties and immunities thereunder of the Trustee, the Company and the Holders of the Debentures. If any of the terms of the Debenture conflict with the Indenture, the Indenture shall be controlling.

In case an Event of Default shall have occurred and be continuing, the principal of, premium, if any, and accrued interest, on all Debentures may be declared by either the Trustee or any two Required Holders, and upon said declaration shall become, due and payable, in the manner, with the effect and subject to the conditions provided in the Indenture.

The Indenture contains provisions permitting the Company and the Trustee, with the consent of the Holders of at least a majority in aggregate principal amount of the Debentures at the time outstanding, to execute supplemental indentures adding any provisions to or changing in any manner or eliminating any of the provisions of the Indenture or of any supplemental indenture or modifying in any manner the rights of the Holders of the Debentures; provided that no such supplemental indenture shall (i) extend the fixed maturity of any Debenture, or (ii) reduce the rate or extend the time of payment of interest, or (iii) reduce the principal amount thereof or premium, if any, thereon, or (iv) reduce any amount payable upon redemption or repurchase thereof, or (v) impair the right of any Debentureholder to institute suit for the payment thereof, or (vi) make the principal thereof or interest or premium, if any, thereon payable in any coin or currency other than that provided in the Debentures, or (vii) change the obligation of the Company to redeem any Debenture on a redemption date in a manner adverse to the Holders or (viii) change the obligation of the Company to redeem any Debenture upon the happening of a Designated Event in a manner adverse to the Holder of the Debentures, or (ix) change the obligation of the Company to repurchase any Debenture on a Designated Event Repurchase Date in a manner adverse to the Holder of the Debentures, or (x) impair the right to convert the Debentures into Common Stock subject to the terms set forth in the Indenture, including Section 16.6 thereof, in each case without the consent of the Holder of each Debenture so affected, or (xi) modify any of the provisions of Section 12.2 or Section 8.7 thereof, except to increase any such percentage, or (xii) to provide that certain other provisions of the Indenture cannot be modified or waived without the consent of the Holder of each Debenture so affected, or (xiii) change any obligation of the Company to maintain an office or agency in the places and for the purposes set forth in Section 6.1 thereof, or (xiv) reduce the quorum or voting requirements set forth in ARTICLE 11 or change the provisions of ARTICLE 4 in a manner adverse to the Holders of Debentures or modify in any manner the entitlement and calculation of the Make-Whole Premium or (xv) reduce the aforesaid percentage of Debentures, the Holders of which are required to consent to any such supplemental indenture, without the consent of the

Holders of all Debentures then outstanding. Subject to the provisions of the Indenture, the Holders of a majority in aggregate principal amount of the Debentures at the time outstanding may on behalf of the Holders of all of the Debentures waive any past default or Event of Default under the Indenture and its consequences except (A) a default in the payment of interest, or any premium on, or the principal of, any of the Debentures, (B) a failure by the Company to convert any Debentures into Common Stock of the Company, (C) a default in the payment of the redemption price pursuant to ARTICLE 3 of the Indenture, (D) a default in the payment of the repurchase price pursuant to ARTICLE 3 of the Indenture, or (E) a default in respect of a covenant or provisions of the Indenture which under ARTICLE 12 of the Indenture cannot be modified or amended without the consent of the Holders of each or all Debentures then outstanding or affected thereby. Any such consent or waiver by the Holder of this Debenture (unless revoked as provided in the Indenture) shall be conclusive and binding upon such Holder and upon all future Holders and owners of this Debenture and any Debentures which may be issued in exchange or substitution hereof, irrespective of whether or not any notation thereof is made upon this Debenture or such other Debentures.

THE INDEBTEDNESS EVIDENCED BY THE DEBENTURES IS, TO THE EXTENT AND IN THE MANNER PROVIDED IN THE INDENTURE, EXPRESSLY SUBORDINATED AND SUBJECT IN RIGHT OF PAYMENT TO THE PRIOR PAYMENT IN FULL OF ALL SENIOR INDEBTEDNESS OF THE COMPANY, WHETHER OUTSTANDING AT THE DATE OF THE INDENTURE OR THEREAFTER INCURRED, AND THIS DEBENTURE IS ISSUED SUBJECT TO THE PROVISIONS OF THE INDENTURE WITH RESPECT TO SUCH SUBORDINATION. EACH HOLDER OF THIS DEBENTURE, BY ACCEPTING THE SAME, AGREES TO AND SHALL BE BOUND BY SUCH PROVISIONS AND AUTHORIZES THE TRUSTEE ON ITS BEHALF TO TAKE SUCH ACTION AS MAY BE NECESSARY OR APPROPRIATE TO EFFECTUATE THE SUBORDINATION SO PROVIDED AND APPOINTS THE TRUSTEE HIS ATTORNEY-IN-FACT FOR SUCH PURPOSE.

No reference herein to the Indenture and no provision of this Debenture or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and any premium and interest, on this Debenture at the place, at the respective times, at the rate and in the coin or currency herein prescribed or in shares of Common Stock of the Company as prescribed in the Indenture.

Interest on the Debentures shall be computed on the basis of a 360-day year of twelve 30-day months.

The Debentures are issuable in fully registered form, without coupons, in denominations of \$1,000 principal amount and any multiple of \$1,000. At the office or agency of the Company referred to on the face hereof, and in the manner and subject to the limitations provided in the Indenture, without payment of any service charge but with payment of a sum sufficient to cover any tax, assessment or other governmental charge that may be imposed in connection with any registration or exchange of Debentures, Debentures may be exchanged for a like aggregate principal amount of Debentures of any other authorized denominations.

At any time on or after March 1, 2009 and prior to maturity, Debentures may be redeemed at the option of the Company, in whole or in part, upon notice as set forth in Section 3.2 at a redemption price, payable at the option of the Company in cash or, subject to the

conditions set forth in Section 3.1(b), in shares of Common Stock, equal to 100% of the principal amount of the Debentures plus accrued and unpaid interest to, but excluding, the date fixed for redemption (the “**Optional Redemption**”) if the following three conditions are all satisfied on the date of mailing of the notice of redemption: (1) the Closing Sale Price has exceeded 115% of the Conversion Price for at least 20 Trading Days in the 30 consecutive Trading Day period ending on the Trading Day immediately prior to the date of mailing of the notice of redemption (it being understood for these purposes that the Conversion Price in effect at the close of business on each of the 30 consecutive Trading Days should be used), (2) the Common Stock is listed on a U.S. national securities exchange or on The Nasdaq Stock Market; and (3) the shelf registration statement covering resales of the Debentures and the Common Stock is effective and available for use and is expected to remain effective and available for use during the 30 days following the redemption date, unless registration is no longer required.

In the event of an **Optional Redemption**, the Company may only elect to pay the redemption price in shares of Common Stock if the following three conditions are all satisfied on the date of redemption: (1) the Common Stock is listed on a U.S. national securities exchange or on The Nasdaq Stock Market; (2) the Trustee has received an Opinion of Counsel (in form and substance satisfactory to the Trustee) that the Common Stock will be duly issued in compliance with all laws and listing requirements (including any shareholder approval requirements) and is fully paid and non-assessable; and (3) the shares of Common Stock used to pay the redemption price are freely tradable. Payments made in Common Stock will be valued at 95% of the weighted average of the closing sale prices of Common Stock for the 20 consecutive Trading Days ending on the fifth Trading Day prior to the redemption date. The Company will specify in the redemption notice the type of consideration to be paid upon redemption and the amount of each Debenture to be paid by each type of consideration. Not later than the fourth Trading Day prior to the redemption date the Company shall publicly announce the number of shares of Common Stock to be paid as the redemption price for each \$1,000 principal amount of Debentures to be redeemed.

The Company may not give notice of any redemption of the Debentures if a default in the payment of interest, or premium, if any, on the Debentures has occurred and is continuing.

The Debentures are not subject to redemption through the operation of any sinking fund.

If a Designated Event occurs at any time prior to maturity of the Debentures, this Debenture will be redeemable on a Designated Event Repurchase Date, 45 days after notice thereof, at the option of the Holder of this Debenture at a redemption price equal to 101% of the principal amount thereof, together with accrued interest to (but excluding) the Designated Event Repurchase Date; provided that if such Designated Event Repurchase Date falls after a Record Date and on or prior the corresponding interest payment date, the interest payable on such interest payment date shall be paid to the Holder of this Debenture on the preceding March 1 or September 1, respectively. The Debentures will be redeemable in multiples of \$1,000 principal amount. The Company shall mail to all Holders of the Debentures a notice of the occurrence of a Designated Event and of the redemption right arising as a result thereof on or before the 10th day after the occurrence of such Designated Event. For a Debenture to be so redeemed at the option of the Holder, the Company must receive at the office or agency of the Company maintained for that purpose in accordance with the terms of the Indenture, a written notice of purchase (a “**Designated Event Repurchase Notice**”) together with such Debenture, duly endorsed for transfer, on or before the 45th day after the date of such notice of a Designated Event (or if such 45th day is not a Business Day, the immediately succeeding Business Day).

The Company shall pay a Make-Whole Premium on the Designated Event Repurchase Date on all Debentures presented for conversion in connection with a Fundamental Change in accordance with the terms of the Indenture. The Company may make the Make-Whole Premium in shares of Common Stock, in the same form of consideration into which shares of Common Stock have been converted in connection with the applicable Fundamental Change or in any combination of the foregoing, and the Company shall specify the type of consideration for the Make-Whole Premium in the Designated Event Notice.

Subject to the terms and conditions of the Indenture, the Company shall become obligated to purchase, at the option of the Holder, all or any portion of the Debentures held in whole multiples of \$1,000 at a purchase price of 101% of the principal amount, plus any accrued and unpaid interest, on such Debenture up to (but excluding) the Designated Event Repurchase Date. To exercise such right, a Holder shall deliver to the Company such Debenture with the form entitled "**Designated Event Repurchase Notice**" on the reverse thereof duly completed, together with the Debenture, duly endorsed for transfer.

Holders have the right to withdraw any Designated Event Repurchase Notice by delivering to the Trustee (or other paying agent appointed by the Company) a written notice of withdrawal prior to the date that is one Business Day prior to the Designated Event Repurchase Date, all as provided in the Indenture.

If cash, sufficient to pay the purchase price of all Debentures or portions thereof to be purchased as of the Designated Event Repurchase Date is deposited with the Trustee (or other paying agent appointed by the Company), on the Business Day following the Designated Event Repurchase Date, interest will cease to accrue on such Debentures (or portions thereof) immediately after such Designated Event Repurchase Date, and the Holder thereof shall have no other rights as such other than the right to receive the purchase price upon surrender of such Debenture.

Subject to the occurrence of certain events and in compliance with the provisions of the Indenture, prior to the final maturity date of the Debentures, the Holder hereof has the right, at its option, to convert each \$1,000 principal amount of the Debentures into the following number of shares of Common Stock: 125 shares for a Debenture conversion occurring before September 1, 2006; 141.25 shares for a Debenture conversion occurring on or after September 1, 2006 and on or before February 28, 2007; 141.04 shares for a Debenture conversion occurring on or after March 1, 2007 and on or before August 31, 2007; 137.27 shares for a Debenture conversion occurring on or after September 1, 2007 and on or before February 29, 2008; 133.32 shares for a Debenture conversion occurring on or after March 1, 2008 and on or before August 31, 2008; 129.23 shares for a Debenture conversion occurring on or after September 1, 2008 and on or before February 28, 2009; and 125 shares for a Debenture conversion occurring on or after March 1, 2009 (the "**Conversion Rate**") as such shares shall be constituted at the date of conversion and subject to adjustment from time to time as provided in the Indenture, upon surrender of this Debenture with the form entitled "**Conversion Notice**" on the reverse thereof duly completed, to the Company at the office or agency of the Company maintained for that purpose in accordance with the terms of the Indenture, or at the option of such Holder, the Corporate Trust Office, and, unless the shares issuable on conversion are to be issued in the same

name as this Debenture, duly endorsed by, or accompanied by instruments of transfer in form satisfactory to the Company duly executed by, the Holder or by his duly authorized attorney. Notwithstanding the foregoing, if such Debenture has been called for redemption, the Debenture may be converted only until the close of business on the Business Day immediately preceding the redemption date unless the Company fails to pay the redemption price.

No adjustment in respect of interest on any Debenture converted or dividends on any shares issued upon conversion of such Debenture will be made upon any conversion except as set forth in the next sentence. If this Debenture (or portion hereof) is surrendered for conversion during the period from the close of business on any Record Date for the payment of interest to the close of business on the Business Day preceding the following interest payment date and has not been called for redemption by the Company on a redemption date that occurs during such period, this Debenture (or portion hereof being converted) must be accompanied by payment, in immediately available funds or other funds acceptable to the Company, of an amount equal to the interest otherwise payable on such interest payment date on the principal amount being converted; provided that no such payment shall be required (1) if the Company has specified a redemption date that is after a Record Date and prior to the next interest payment date, (2) if the Company has specified a redemption date following a Designated Event that is during such period or (3) to the extent of any overdue interest, if any overdue interest exists at the time of conversion with respect to such debenture.

No fractional shares will be issued upon any conversion, but an adjustment and payment in cash will be made, as provided in the Indenture, in respect of any fraction of a share which would otherwise be issuable upon the surrender of any Debenture or Debentures for conversion.

A Debenture in respect of which a Holder is exercising its right to require redemption upon a Designated Event may be converted only if such Holder withdraws its election to exercise either such right in accordance with the terms of the Indenture.

Any Debentures called for redemption, unless surrendered for conversion by the Holders thereof on or before the close of business on the Business Day preceding the redemption date, may be deemed to be redeemed from the Holders of such Debentures for an amount equal to the applicable redemption price, together with accrued but unpaid interest to, but excluding, the date fixed for redemption, by one or more investment banks or other purchasers who may agree with the Company (i) to purchase such Debentures from the Holders thereof and convert them into shares of the Company's Common Stock and (ii) to make payment for such Debentures as aforesaid to the Trustee in trust for the Holders.

Upon due presentment for registration of transfer of this Debenture at the office or agency of the Company maintained for that purpose in accordance with the terms of the Indenture, a new Debenture or Debentures of authorized denominations for an equal aggregate principal amount will be issued to the transferee in exchange thereof, subject to the limitations provided in the Indenture, without charge except for any tax, assessment or other governmental charge imposed in connection therewith.

The Company, the Trustee, any authenticating agent, any paying agent, any conversion agent and any Debenture Registrar may deem and treat the Holder hereof as the absolute owner of this Debenture (whether or not this Debenture shall be overdue and notwithstanding any notation of ownership or other writing hereon made by anyone other than the Company or any

Debenture Registrar) for the purpose of receiving payment hereof, or on account hereof, for the conversion hereof and for all other purposes, and neither the Company nor the Trustee nor any other authenticating agent nor any paying agent nor other conversion agent nor any Debenture Registrar shall be affected by any notice to the contrary. All payments made to or upon the order of such Holder shall, to the extent of the sum or sums paid, satisfy and discharge liability for monies payable on this Debenture.

No recourse for the payment of the principal of or any premium or interest on this Debenture, or for any claim based hereon or otherwise in respect hereof, and no recourse under or upon any obligation, covenant or agreement of the Company in the Indenture or any supplemental indenture or in any Debenture, or because of the creation of any indebtedness represented thereby, shall be had against any incorporator, stockholder, employee, agent, officer or director or subsidiary, as such, past, present or future, of the Company or of any successor corporation, either directly or through the Company or any successor corporation, whether by virtue of any constitution, statute or rule of law or by the enforcement of any assessment or penalty or otherwise, all such liability being, by acceptance hereof and as part of the consideration for the issue hereof, expressly waived and released.

This Debenture shall be deemed to be a contract made under the laws of New York, and for all purposes this Debenture and all matters arising out of or related to this Debenture shall be construed in accordance with the laws of New York, without regard to conflicts of laws principles thereof.

Terms used in this Debenture and defined in the Indenture are used herein as therein defined.

Section 2. *Shelf Registration.* (a) The Company shall prepare and file or cause to be prepared and filed with the SEC, as soon as practicable but in any event by the date that is sixty (60) days after the Issue Date (the “Filing Deadline Date”), a Registration Statement for an offering to be made on a delayed or continuous basis pursuant to Rule 415 of the Securities Act (a “Shelf Registration Statement”) registering the resale from time to time by Holders thereof of all of the Registrable Securities (the “Initial Shelf Registration Statement”). The Initial Shelf Registration Statement shall be on Form S-1 or S-3 or another appropriate form permitting registration of such Registrable Securities for resale by such Holders in accordance with the methods of distribution elected by the Holders and permitted by applicable law and set forth in the Initial Shelf Registration Statement. The Company shall use its commercially reasonable efforts to cause the Initial Shelf Registration Statement to be declared effective under the Securities Act as promptly as is practicable but in any event by the date (the “Effectiveness Deadline Date”) that is one hundred fifty (150) days after the Issue Date, and to keep the Initial Shelf Registration Statement (or any Subsequent Shelf Registration Statement) continuously effective under the Securities Act until the expiration of the Effectiveness Period. At the time the Initial Shelf Registration Statement is declared effective, each Holder that became a Notice Holder on or prior to the date at least ten (10) Business Days prior to such time of effectiveness shall be named as a selling securityholder in the Initial Shelf Registration Statement and the related Prospectus in such a manner as to permit such Holder to deliver such Prospectus to purchasers of Registrable Securities in accordance with applicable law. Except as provided in the Other Registration Rights, none of the Company’s security holders (other than the Holders of Registrable Securities) shall have the right to include any of the Company’s securities in the Shelf Registration Statement. The Shelf Registration Statement shall, to the extent required to register the resale of all the Registrable Securities, include the qualification of the Indenture under the Trust Indenture Act of 1939, as amended.

(b) Promptly following the Closing, the Company shall use its reasonable commercial efforts to obtain the agreement of the holders of the Other Registration Rights not to require the inclusion in the Registration Statement of any of the securities covered by the Other Registration Rights. If such agreement cannot be obtained, the Company will use reasonable commercial efforts to obtain waivers of the 20 and 30 day notice periods included in the Other Registration Rights so that the filing of the Registration Statement is not delayed. In any event, unless and until any of the foregoing can be accomplished, the Company shall give all notices and take such other actions as may be required under the Other Registration Rights expeditiously and without delay and, in particular, shall give the initial notice of its proposal to file the Registration Statement on the Closing Date so as to start the respective 20 and 30 day notice periods contained in the Other Registration Rights.

(c) Following the date that the Initial Shelf Registration Statement is declared effective, if the Initial Shelf Registration Statement or any Subsequent Shelf Registration Statement ceases to be effective for any reason at any time during the Effectiveness Period (other than because all Registrable Securities registered thereunder shall have been resold pursuant thereto or shall have otherwise ceased to be Registrable Securities, it being agreed that the right of the Company to suspend the use of a Registration Statement pursuant to Section 3(h) shall not be deemed a cessation of effectiveness of the Registration Statement), the Company shall use its commercially reasonable efforts to obtain the prompt withdrawal of any order suspending the effectiveness thereof, and in any event shall within thirty (30) days of such cessation of effectiveness or as otherwise provided in this Section 2, amend the Shelf Registration Statement in a manner reasonably expected to obtain the withdrawal of the order suspending the effectiveness thereof, or file an additional Shelf Registration Statement covering all of the securities that as of the date of such filing are Registrable Securities (a "Subsequent Shelf Registration Statement"). If a Subsequent Shelf Registration Statement is filed, the Company shall use its commercially reasonable efforts to cause the Subsequent Shelf Registration Statement to become effective as promptly as is practicable after such filing and to keep such Registration Statement (or Subsequent Shelf Registration Statement) continuously effective until the end of the Effectiveness Period.

(d) The Company shall supplement and amend the Shelf Registration Statement (i) as required by the Securities Act or the rules, regulations or instructions applicable to the registration form used by the Company for such Shelf Registration Statement so as to keep the Registration Statement continuously effective and current so that Registrable Securities can be sold thereunder by the Holders named therein until the end of the Effectiveness Period and (ii) to name a Notice Holder as a selling securityholder pursuant to Section (e) below.

(e) Each Holder agrees that if such Holder wishes to sell Registrable Securities pursuant to a Shelf Registration Statement and related Prospectus, it will do so only in accordance with this Section 2(e) and Section 3(h) of this Agreement. Following the date that the Initial Shelf Registration Statement is declared effective, each Holder that is not a Notice Holder wishing to sell Registrable Securities pursuant to a Shelf Registration Statement and related Prospectus agrees to deliver a completed and executed Notice and Questionnaire to the Company prior to any intended distribution of Registrable Securities under the Shelf Registration Statement. From and after the date the Initial Shelf Registration Statement is declared effective, until the end of the Effectiveness Period, the Company shall, as promptly as practicable (subject to the limitations of clause (i) below), do the following:

(i) If required by applicable law, file with the SEC a post-effective amendment to the Shelf Registration Statement or prepare and, if required by applicable law, file a supplement to the related Prospectus or a supplement or amendment to any document incorporated therein by reference or file any other required document so that any Holder delivering a Notice and Questionnaire to the Company pursuant to Section 8(c) is named as a selling securityholder in the Shelf Registration Statement and the related Prospectus in such a manner as to permit such Holder to deliver such Prospectus to purchasers of the Registrable Securities in accordance with applicable law. If the Notice Holder can be included in the Prospectus by the filing of a supplement to the Prospectus rather than the filing of a post-effective amendment to the Registration Statement, the Company shall prepare and file such supplement promptly, but in no event later than ninety (90) days after receipt of the Notice and Questionnaire from such

Holder. If the Company shall file a post-effective amendment to the Shelf Registration Statement which adds such Holder, the Company shall use its commercially reasonable efforts to cause such post-effective amendment to be declared effective under the Securities Act as promptly as is practicable, but in any event by the date (the "Amendment Effectiveness Deadline Date") that is sixty (60) days (ninety (90) days if the post-effective amendment is reviewed by the SEC) after the date such post-effective amendment is required by this Section 2 to be filed; except that if the Shelf Registration Statement is on Form S-1 and a Deferral Period will be in effect until such post-effective amendment to such shelf Registration Statement has been declared effective, then the Amendment Effectiveness Deadline Date for such post-effective amendment shall be the applicable date set forth in Section 2(f). The Company shall not be required to file more than one post-effective amendment in any calendar year which includes additional Holders pursuant to this clause (i) provided that the Company files post-effective amendments to the Shelf Registration Statement as required by Section 2(f). Whenever the Company files a post-effective amendment to the Registration Statement by reason of Section 2(f) it shall include any additional Holders as selling securityholders therein provided the Company received the applicable Notice and Questionnaire from such Holder at least ten (10) Business Days prior to the filing of such post-effective amendment with the SEC. If the Company files two or more post-effective amendments pursuant to Section 2(f) and complies with its obligations in the preceding sentence, the Company shall not, solely by reason of this Section 2(e) be required to file an additional post-effective amendment.

(ii) The Company shall provide such Holders copies of any documents filed pursuant to Section 2(e)(i); and

(iii) The Company shall notify such Holder as promptly as practicable after the effectiveness under the Securities Act of any post-effective amendment filed pursuant to Section 2(e)(i).

Notwithstanding the foregoing, if such Notice and Questionnaire is delivered during a Deferral Period, or a Deferral Period commences within five (5) Business Days after the Company receives the Notice and Questionnaire, the Company shall so inform the Holder delivering such Notice and Questionnaire and shall take the actions set forth in clauses (i), (ii) and (iii) above upon expiration of the Deferral Period in accordance with Section 3(h). Notwithstanding anything contained herein to the contrary, (i) the Company shall be under no obligation to name any Holder that is not a Notice Holder as a selling securityholder in any Registration Statement or related Prospectus and (ii) the Amendment Effectiveness Deadline Date in Section 2(e)(i) shall be extended by up to ten (10) Business Days from the expiration of such Deferral Period (and the Company shall incur no obligation to pay Liquidated Damages during such extension) if such Deferral Period shall be in effect on such Amendment Effectiveness Deadline Date.

(f) If the Registration Statement is on Form S-1, within ten (10) Business Days after the filing with the SEC of the Company's annual report on Form 10-K for any period and within ten (10) Business Days after the filing with the SEC of any other report by the Company disclosing a fundamental change in the Company or its business or disclosing any other information which triggers or extends a Deferral Period, file a post-effective amendment to the

Registration Statement to include the information in the Registration Statement so that when such post-effective amendment has been declared effective by the SEC, the Deferral Period will terminate. The Amendment Effectiveness Deadline Date for any such post-effective amendments shall be sixty (60) days if there is no SEC review and ninety (90) days if there is an SEC review of such post-effective amendment. With respect to any post-effective amendment filed pursuant to this Section 2(f), the Company shall provide the Holders with copies thereof as filed and notify each Holder as promptly as practicable after such post-effective amendment is declared effective under the Securities Act.

(g) The parties hereto agree that the Holders of Registrable Securities will suffer damages, and that it would not be feasible to ascertain the extent of such damages with precision, if, other than as permitted hereunder,

- (i) the Initial Shelf Registration Statement has not been filed on or prior to the Filing Deadline Date, or
- (ii) the Initial Shelf Registration Statement has not been declared effective under the Securities Act on or prior to the Effectiveness Deadline Date.

Each event described in any of the foregoing clauses (i) through (ii) is individually referred to herein as an “Event.” For purposes of this Agreement, each Event set forth above shall begin and end on the dates set forth in the table set forth below:

<u>Type of Event by - Clause</u>	<u>Beginning Date</u>	<u>Ending Date</u>
(i)	Filing Deadline Date	the date the Initial Shelf Registration Statement is filed
(ii)	Effectiveness Deadline Date	the date the Initial Shelf Registration Statement becomes effective under the Securities Act

Commencing on (and including) any date that an Event has begun and ending on (but excluding) the next date on which there are no Events that have occurred and are continuing (a “Damages Accrual Period”), the Company shall pay, as liquidated damages and not as a penalty, to Record Holders of Debentures an amount (the “Liquidated Damages Amount”) accruing, for each day in the Damages Accrual Period, in respect of any Debenture, at a rate per annum equal to (1) 0.25% of the aggregate principal amount of such Debenture to and including the 90th day of such Damages Accrual Period and (2) 0.5% of the aggregate principal amount of such Debenture from and after the 91st day of such Damages Accrual Period. Notwithstanding the foregoing, no Liquidated Damages Amount shall accrue as to any Debenture from and after the earlier of (x) the date such security is no longer a Registrable Security and (y) expiration of the Effectiveness Period. The rate of accrual of the Liquidated Damages Amount with respect to any period shall not exceed the rate provided for in this paragraph notwithstanding the occurrence of multiple concurrent Events.

The Liquidated Damages Amount shall accrue from the first day of the applicable Damages Accrual Period, and shall be payable on each Damages Payment Date during the Damage Accrual Period (and on the Damages Payment Date next succeeding the end of the Damages Accrual Period if the Damage Accrual Period does not end on a Damages Payment Date) to the Record Holders of the Debentures entitled thereto; provided that any Liquidated Damages Amount accrued with respect to any Debenture or portion thereof redeemed by the Company on a redemption date or converted into Underlying Common Stock on a conversion date prior to the Damages Payment Date, shall, in any such event, be paid instead to the Holder who submitted such Debenture or portion thereof for redemption or conversion on the applicable redemption date or conversion date, as the case may be, on such date (or promptly following the conversion date, in the case of conversion). The Trustee shall be entitled, on behalf of Record Holders of Debentures or Underlying Common Stock, to seek any available remedy for the enforcement of this Agreement, including for the payment of such Liquidated Damages Amount due to Record Holders of Debentures. Notwithstanding the foregoing, the parties agree that the sole damages payable for a violation of the terms of this Agreement with respect to which liquidated damages are expressly provided shall be such liquidated damages. Nothing shall preclude any Holder from pursuing or obtaining specific performance or other equitable relief with respect to this Agreement.

All of the Company's obligations set forth in this Section 2(g) to pay any Liquidated Damages Amount that is outstanding with respect to any Debenture at the time such security ceases to be a Registrable Security shall survive until such time as all such obligations with respect to such security have been satisfied in full (notwithstanding termination of this Agreement pursuant to Section 8(k)).

The parties hereto agree that the liquidated damages provided for in this Section 2(g) constitute a reasonable estimate of the damages that may be incurred by Holders of Debentures by reason of the failure of the Shelf Registration Statement to be filed or declared effective in accordance with the provisions hereof. The parties hereto further agree that the liquidated damages provided for in this Section 2(g) do not apply to Underlying Common Stock.

Section 3. *Registration Procedures.* In connection with the registration obligations of the Company under Section 2 hereof, during the Effectiveness Period, the Company shall:

(a) Prepare and file with the SEC a Registration Statement or Registration Statements on any appropriate form under the Securities Act available for the sale of the Registrable Securities by the Holders thereof in accordance with the intended method or methods of distribution thereof, and use its commercially reasonable efforts to cause each such Registration Statement to become effective and remain effective until the expiration of the Effectiveness Period; provided that before filing any Registration Statement or Prospectus or any amendments or supplements thereto with the SEC, the Company shall furnish to the Purchasers, all Notice Holders and the Special Counsel of such offering, if any, copies of all such documents proposed to be filed at least two (2) Business Days prior to the filing of such Registration Statement or amendment thereto or Prospectus or supplement thereto except in the case of a post-effective amendment to be filed pursuant to Section 2(f), a copy of such proposed post-effective amendment shall be furnished at least one (1) Business Day prior to the filing of such post-effective amendment with the SEC.

(b) Subject to Section 3(h), prepare and file with the SEC such amendments and post-effective amendments to each Registration Statement as may be necessary to keep such Registration Statement continuously effective for the applicable period specified in Section 2(a); cause the related Prospectus to be supplemented by any required prospectus supplement, and as so supplemented to be filed pursuant to Rule 424 (or any similar provisions then in force) under the Securities Act; and use its commercially reasonable efforts to comply with the provisions of the Securities Act applicable to it with respect to the disposition by Holders of Registrable Securities of all securities covered by such Registration Statement during the Effectiveness Period.

(c) As promptly as practicable give notice to the Notice Holders, the Purchasers and the Special Counsel, (i) when any Prospectus, prospectus supplement, Registration Statement or post-effective amendment to a Registration Statement has been filed with the SEC and, with respect to a Registration Statement or any post-effective amendment, when the same has been declared effective, (ii) of any request, following the effectiveness of the Initial Shelf Registration Statement under the Securities Act, by the SEC or any other federal or state governmental authority for amendments or supplements to any Registration Statement or related Prospectus or for additional information, (iii) of the issuance by the SEC or any other federal or state governmental authority of any stop order suspending the effectiveness of any Registration Statement or the initiation or threatening of any proceedings for that purpose, (iv) of the receipt by the Company of any notification with respect to the suspension of the qualification or exemption from qualification of any of the Registrable Securities for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose, and (v) of the occurrence of, but not the nature of or details concerning, a Material Event.

(d) Use its commercially reasonable efforts to obtain the withdrawal of any order suspending the effectiveness of a Registration Statement or the lifting of any suspension of the qualification (or exemption from qualification) of any of the Registrable Securities for sale in any jurisdiction in which they have been qualified for sale, in either case as promptly as practicable, and provide prompt notice to each Notice Holder and the Purchasers of the withdrawal of any such order.

(e) As promptly as practicable furnish to each Notice Holder, the Special Counsel and the Purchasers, upon request and without charge, at least one (1) conformed copy of the Registration Statement and any amendment thereto, including exhibits and all documents incorporated or deemed to be incorporated therein by reference.

(f) During the Effectiveness Period, deliver to each Notice Holder, the Special Counsel, if any, and the Purchasers, in connection with any sale of Registrable Securities pursuant to a Registration Statement, without charge, as many copies of the Prospectus or Prospectuses relating to such Registrable Securities (including each preliminary prospectus) and any amendment or supplement thereto as such Notice Holder may reasonably request; and the Company hereby consents (except during such periods that a Deferral Notice is outstanding and has not been revoked) to the use of such Prospectus or each amendment or supplement thereto by each Notice Holder in connection with any offering and sale of the Registrable Securities covered by such Prospectus or any amendment or supplement thereto in the manner set forth therein.

(g) Prior to any public offering of the Registrable Securities pursuant to a Registration Statement, use its commercially reasonable efforts to register or qualify or cooperate with the Notice Holders and the Special Counsel in connection with the registration or qualification (or exemption from such registration or qualification) of such Registrable Securities for offer and sale under the securities or Blue Sky laws of such jurisdictions within the United States as any Notice Holder reasonably requests in writing (which request may be included in the Notice and Questionnaire); prior to any public offering of the Registrable Securities pursuant to the Shelf Registration Statement, use its commercially reasonable efforts to keep each such registration or qualification (or exemption therefrom) effective during the Effectiveness Period in connection with such Notice Holder's offer and sale of Registrable Securities pursuant to such registration or qualification (or exemption therefrom) and do any and all other acts or things reasonably necessary or advisable to enable the disposition in such jurisdictions of such Registrable Securities in the manner set forth in the relevant Registration Statement and the related Prospectus; provided that the Company will not be required to (i) qualify as a foreign corporation or as a dealer in securities in any jurisdiction where it would not otherwise be required to qualify but for this Agreement or (ii) take any action that would subject it to general service of process in suits or to taxation in any such jurisdiction where it is not then so subject.

(h) Upon (A) the issuance by the SEC of a stop order suspending the effectiveness of the Shelf Registration Statement or the initiation of proceedings with respect to the Shelf Registration Statement under Section 8(d) or 8(e) of the Securities Act, (B) the occurrence of any event or the existence of any fact, including the filing of the Company's annual report on Form 10-K or any other filing with the SEC disclosing information that is required to be included in the Registration Statement (a "Material Event") as a result of which in the reasonable opinion of the Company any Registration Statement shall contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading, or any Prospectus shall contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, or (C) the occurrence or existence of any pending corporate development that, in the reasonable discretion of the Company, makes it appropriate to suspend the availability of the Shelf Registration Statement and the related Prospectus:

(i) in the case of clause (B) above, subject to the next sentence and Section 2(f), as promptly as practicable prepare and file, if necessary pursuant to applicable law, a post-effective amendment to such Registration Statement or a supplement to the related Prospectus or any document incorporated therein by reference or file any other required document that would be incorporated by reference into such Registration Statement and Prospectus so that such Registration Statement does not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading, and such Prospectus does not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, as thereafter delivered to the purchasers of the Registrable Securities being sold thereunder, and, in the case of a post-effective amendment to a Registration Statement, subject to the next sentence, use its commercially reasonable efforts to cause it to be declared effective as promptly as is practicable, and

(ii) give notice to the Notice Holders, and the Special Counsel, if any, that the availability of the Shelf Registration Statement is suspended (a “Deferral Notice”) and, upon receipt of any Deferral Notice, each Notice Holder agrees not to sell any Registrable Securities pursuant to the Registration Statement until such Notice Holder’s receipt of copies of the supplemented or amended Prospectus provided for in clause (i) above, or until it is advised in writing by the Company that the Prospectus may be used, and has received copies of any additional or supplemental filings that are incorporated or deemed incorporated by reference in such Prospectus.

The Company will use its commercially reasonable efforts to ensure that the use of the Prospectus may be resumed (x) in the case of clause (A) above, as promptly as is practicable, (y) in the case of clause (B) above, as soon as, in the sole judgment of the Company, public disclosure of such Material Event would not be prejudicial to or contrary to the interests of the Company or, if necessary to avoid unreasonable burden or expense, as soon as practicable thereafter and (z) in the case of clause (C) above, as soon as in the reasonable discretion of the Company, such suspension is no longer appropriate. The Company shall be entitled to exercise its right under this Section 3(h) to suspend the availability of the Shelf Registration Statement or any Prospectus, without incurring or accruing any obligation to pay liquidated damages pursuant to Section 2(g), no more than, and any such period during which the availability of the Registration Statement and any Prospectus is suspended (the “Deferral Period”) shall, without incurring any obligation to pay liquidated damages pursuant to Section 2(g), not exceed, ninety (90) days in any twelve (12) month period.

(i) If requested in writing in connection with a disposition of Registrable Securities pursuant to a Registration Statement, make reasonably available for inspection during normal business hours by a representative for the Notice Holders of such Registrable Securities, any broker-dealers, attorneys and accountants retained by such Notice Holders, and any attorneys or other agents retained by a broker-dealer engaged by such Notice Holders, all relevant financial and other records and pertinent corporate documents and properties of the Company and its subsidiaries, and cause the appropriate officers, directors and employees of the Company and its subsidiaries to make reasonably available for inspection during normal business hours on reasonable notice all relevant information reasonably requested by such representative for the Notice Holders, or any such broker-dealers, attorneys or accountants in connection with such disposition, in each case as is customary for similar “due diligence” examinations; *provided* that such persons shall first agree in writing with the Company that any non-public information shall be kept confidential by such persons and shall be used solely for the purposes of exercising rights under this Agreement, unless (i) disclosure of such information is required by court or administrative order or is necessary to respond to inquiries of regulatory authorities, (ii) disclosure of such information is required by law (including any disclosure requirements pursuant to federal securities laws in connection with the filing of any Registration Statement or the use of any prospectus referred to in this Agreement), (iii) such information becomes generally available to the public other than as a result of a disclosure or failure to safeguard by any such person or (iv) such information becomes available to any such person from a source other than the Company and such source is not bound by a confidentiality agreement, and

provided further, in the case of clauses (i) and (ii), that such persons shall give the Company reasonable notice of such requirement and reasonable opportunity, at its expense, to seek an order, decree or judgment protecting the confidentiality of such information, and *provided further* that the foregoing inspection and information gathering shall, to the greatest extent possible, be coordinated on behalf of all the Notice Holders and the other parties entitled thereto by Special Counsel and shall be exercisable no more than one time in any 12-month period. Any person legally compelled to disclose any such confidential information made available for inspection shall provide the Company with prompt prior written notice of such requirement so that the Company may seek a protective order or other appropriate remedy.

(j) Use all reasonable efforts to comply with all applicable rules and regulations of the SEC and make generally available to its securityholders earning statements (which need not be audited) satisfying the provisions of Section 11(a) of the Securities Act and Rule 158 thereunder (or any similar rule promulgated under the Securities Act) for a 12-month period commencing on the first day of the first fiscal quarter of the Company commencing after the effective date of a Registration Statement, which statements shall be made available no later than 45 days after the end of the 12-month period or 90 days if the 12-month period coincides with the fiscal year of the Company.

(k) Cooperate with each Notice Holder to facilitate the timely preparation and delivery of certificates representing Registrable Securities sold or to be sold pursuant to a Registration Statement, which certificates, following the date the Registration Statement is declared effective, shall not bear any restrictive legends, and cause such Registrable Securities to be in such denominations as are permitted by the Indenture and registered in such names as such Notice Holder may request in writing at least one (1) Business Day prior to any sale of such Registrable Securities.

(l) Provide a CUSIP number for all Registrable Securities covered by each Registration Statement not later than the effective date of such Registration Statement and provide the Trustee and the transfer agent for the Common Stock with printed certificates for the Registrable Securities that are in a form eligible for deposit with The Depository Trust Company.

(m) Cooperate and assist in any filings required to be made with the National Association of Securities Dealers, Inc.

(n) Upon (i) the filing of the Initial Shelf Registration Statement and (ii) the effectiveness of the Initial Shelf Registration Statement, announce the same, in each case by release to two of Reuters Economic Services, Bloomberg Business News or Business Wire.

Section 4. *Holder's Obligations.* Each Holder agrees, by acquisition of the Registrable Securities, that no Holder shall be entitled to sell any of such Registrable Securities pursuant to a Registration Statement or to receive a Prospectus relating thereto, unless such Holder has furnished the Company with a Notice and Questionnaire as required pursuant to Section 2(e) hereof (including the information required to be included in such Notice and Questionnaire) and the information set forth in the next sentence. Each Notice Holder agrees promptly to furnish to the Company all information required to be disclosed in order to make the information previously furnished to the Company by such Notice Holder not misleading and any

other information regarding such Notice Holder and the distribution of such Registrable Securities as the Company may from time to time reasonably request. Any sale of any Registrable Securities by any Holder shall constitute a representation and warranty by such Holder that the information relating to such Holder and its plan of distribution is as set forth in the Prospectus delivered by such Holder in connection with such disposition, that such Prospectus does not as of the time of such sale contain any untrue statement of a material fact relating to or provided by such Holder or its plan of distribution and that such Prospectus does not as of the time of such sale omit to state any material fact relating to or provided by such Holder or its plan of distribution necessary to make the statements in such Prospectus, in the light of the circumstances under which they were made, not misleading.

Section 5. Registration Expenses. The Company shall bear all fees and expenses incurred in connection with the performance by the Company of its obligations under Sections 2 and 3 of this Agreement whether or not any Registration Statement is declared effective, except as otherwise noted below. Such fees and expenses shall include, without limitation, (i) all registration and filing fees (including, without limitation, fees and expenses (x) with respect to filings required to be made with the National Association of Securities Dealers, Inc. and (y) of compliance with federal and, subject to the limitation contained in Section 3(g) hereof, state securities or Blue Sky laws (including, without limitation, reasonable fees and disbursements of the Special Counsel not in excess of \$5,000 in connection with Blue Sky qualifications of the Registrable Securities under the laws of such jurisdictions as Notice Holders of a majority of the Registrable Securities being sold pursuant to the Initial Shelf Registration Statement may designate)), (ii) printing expenses (including, without limitation, expenses of printing certificates for Registrable Securities in a form eligible for deposit with The Depository Trust Company), (iii) duplication expenses relating to copies of any Registration Statement or Prospectus delivered to any Holders hereunder, (iv) fees and disbursements of counsel for the Company in connection with the Shelf Registration Statement, (v) fees and disbursements of one Special Counsel in connection with the Initial Shelf Registration Statement of up to \$25,000, (vi) reasonable fees and disbursements of the Trustee and its counsel and of the registrar and transfer agent for the Common Stock and (vii) any Securities Act liability insurance obtained by the Company in its sole discretion. In addition, the Company shall pay the internal expenses of the Company (including, without limitation, all salaries and expenses of officers and employees performing legal or accounting duties), the expense of any annual audit, the fees and expenses incurred in connection with the listing by the Company of the Registrable Securities on any securities exchange on which similar securities of the Company are then listed and the fees and expenses of any person, including special experts, retained by the Company. Notwithstanding the provisions of this Section 5, each selling Holder of Registrable Securities shall pay selling expenses, including any underwriting discount and commissions, and all transfer taxes, to the extent required by applicable law, and such selling Holder's registration expenses, including the fees and disbursements of its counsel (other than the fees and disbursements of Special Counsel paid by the Company as referred to above) and other representatives.

Section 6. Indemnification and Contribution.

(a) *Indemnification by the Company.* The Company agrees to indemnify and hold harmless each Notice Holder, each person, if any, who controls any Notice Holder within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act, and each

affiliate of any Notice Holder within the meaning of Rule 405 under the Securities Act from and against any and all losses, claims, damages and liabilities (including, without limitation, any legal or other expenses reasonably incurred in connection with defending or investigating any such action or claim but excluding any consequential damages) caused by any untrue statement or alleged untrue statement of a material fact contained in any Registration Statement or any amendment thereof, any preliminary prospectus or the Prospectus (as amended or supplemented if the Company shall have furnished any amendments or supplements thereto), caused by any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, except that the Company shall not be liable to indemnify any Holder insofar as such losses, claims, damages or liabilities are (i) caused by any such untrue statement or omission or alleged untrue statement or omission based upon information relating to any Holder furnished to the Company in writing by such Holder expressly for use therein, (ii) based upon a Holder's failure to provide the Company with a material fact relating to the Holder which is required to be included in the Registration Statement or necessary to make a statement in the Registration Statement not be misleading, (iii) relate to sales of Registrable Securities by a Holder to the person asserting any such losses, claims, damages or liabilities, if such person was not sent or given a Prospectus by or on behalf of the Holder, if required by law so to have been delivered, at or prior to the written confirmation of the sale of the Registrable Securities to such person, and if the Prospectus (as so amended or supplemented) would have cured the defect giving rise to such losses, claims, damages or liabilities, unless such failure is the result of noncompliance by the Company with Section 3(f) hereof; (iv) based upon the Holder's use of a prospectus during a period when the Holder has been notified that the use of the prospectus has been suspended; or (v) finally judicially determined to have resulted from the bad faith or gross negligence of such Holder.

(b) *Indemnification by Holders.* Each Holder agrees severally and not jointly to indemnify and hold harmless the Company and its directors, officers and each person, if any, who controls the Company (within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act) and any of their affiliates or any other Holder or its affiliates, to the same extent as the foregoing indemnity from the Company to such Holder, but only with reference to (i) information relating to such Holder furnished to the Company in writing by or on behalf of such Holder expressly for use in such Registration Statement or Prospectus or amendment or supplement thereto, (ii) information relating to the Holder which the Holder fails to provide in writing for use in the Registration Statement or Prospectus resulting in an omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, or in connection with a sale of Registrable Securities for which the Holder would not be entitled to indemnification pursuant under Section 6(a)(iii) or 6(a)(iv). In no event shall the liability of any Holder hereunder be greater in amount than the dollar amount of the proceeds received by such Holder upon the sale of the Registrable Securities pursuant to the Registration Statement giving rise to such indemnification obligation.

(c) *Conduct of Indemnification Proceedings.* In case any proceeding (including any governmental investigation) shall be instituted involving any person in respect of which indemnity may be sought pursuant to Section 6(a) or 6(b) hereof, such person (the "indemnified party") shall promptly notify the person against whom such indemnity may be sought (the "indemnifying party") in writing and the indemnifying party shall assume the defense of such proceedings and retain counsel reasonably satisfactory to the indemnified party to represent the

indemnified party and any others the indemnifying party may designate in such proceeding who are entitled to indemnification under Section 6(a) or 6(b) hereof and shall pay the reasonable fees and disbursements of such counsel related to such proceeding. In any such proceeding, any indemnified party shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such indemnified party unless (i) the indemnifying party and the indemnified party shall have mutually agreed to the retention of such counsel or (ii) the named parties to any such proceeding (including any impleaded parties) include both the indemnifying party and the indemnified party and representation of both parties by the same counsel would be inappropriate under applicable ethical legal standards due to actual or potential differing interests between them based upon the indemnified party's reasonable judgment upon advice of counsel to the indemnified party. It is understood that the indemnifying party shall not, in respect of the legal expenses of all such indemnified parties in connection with any proceeding or related proceedings in the same jurisdiction, be liable for the fees and expenses of more than one separate firm (in addition to one local counsel) for all such indemnified parties and that all such fees and expenses shall be reimbursed as they are incurred. Such firm shall be reasonably acceptable to the Company and shall be designated in writing by, in the case of parties indemnified pursuant to Section 6(a), the Holders of a majority (with Holders of Debentures deemed to be the Holders, for purposes of determining such majority, of the number of shares of Underlying Common Stock into which such Debentures are or would be convertible as of the date on which such designation is made) of the Registrable Securities covered by the Registration Statement held by Holders that are indemnified parties pursuant to Section 6(a) and, in the case of parties indemnified pursuant to Section 6(b), the Company. The indemnifying party shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent or if there be a final judgment for the plaintiff, the indemnifying party agrees to indemnify the indemnified party from and against any loss or liability by reason of such settlement or judgment that is indemnifiable pursuant to Section 6(a) or 6(b), as the case may be, subject to the limitations contained in this Section 6. Notwithstanding the foregoing sentence, if at any time an indemnified party shall have requested in writing an indemnifying party to reimburse the indemnified party for fees and expenses of counsel as contemplated by the second and third sentences of this paragraph, the indemnifying party agrees that it shall be liable for any settlement of any proceeding effected without its written consent if (i) such settlement is entered into more than 45 days after receipt by such indemnifying party of the aforesaid request (ii) such indemnifying party shall have received notice of the terms of such settlement at least 30 days prior to such settlement being entered into and (iii) such indemnifying party shall not have reimbursed the indemnified party in accordance with such request prior to the date of such settlement. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement of any pending or threatened proceeding in respect of which any indemnified party is or could have been a party and indemnity could have been sought hereunder by such indemnified party, unless such settlement includes an unconditional release of such indemnified party from all liability on claims that are the subject matter of such proceeding.

(d) *Contribution.* To the extent that the indemnification provided for in Section 6(a) or 6(b) is unavailable to an indemnified party or insufficient in respect of any losses, claims, damages or liabilities referred to therein, then each indemnifying party under such paragraph, in lieu of indemnifying such indemnified party thereunder, shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (i) in such proportion as is appropriate to reflect the relative benefits received by the indemnifying

party or parties on the one hand and the indemnified party or parties on the other hand or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the indemnifying party or parties on the one hand and of the indemnified party or parties on the other hand in connection with the statements or omissions that resulted in such losses, claims, damages or liabilities, as well as any other relevant equitable considerations. The relative benefits received by the Company shall be deemed to be equal to the total net proceeds from the placement pursuant to the Purchase Agreement (before deducting expenses) of the Registrable Securities to which such losses, claims, damages or liabilities relate. The relative benefits received by any Holder shall be deemed to be equal to the value of receiving Registrable Securities that are registered under the Securities Act. The relative fault of the Holders on the one hand and the Company on the other hand shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Holders or by the Company or the failure of such party to provide information, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The Holders' respective obligations to contribute pursuant to this Section 6 are several in proportion to the respective number of Registrable Securities they have sold pursuant to a Registration Statement, and not joint.

The parties hereto agree that it would not be just and equitable if contribution pursuant to this Section 6(d) were determined by pro rata allocation or by any other method of allocation that does not take into account the equitable considerations referred to in the immediately preceding paragraph. The amount paid or payable by an indemnified party as a result of the losses, claims, damages or liabilities referred to in the immediately preceding paragraph shall be deemed to include, subject to the limitations set forth above, any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding this Section 6(d), no indemnifying party that is a selling Holder shall be required to contribute any amount in excess of the amount by which the total price at which the Registrable Securities sold by it and distributed to the public were offered to the public exceeds the amount of any damages that such indemnifying party has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation.

(e) The remedies provided for in this Section 6 are not exclusive and shall not limit any rights or remedies which may otherwise be available to an indemnified party at law or in equity, hereunder, under the Purchase Agreement or otherwise.

(f) The indemnity and contribution provisions contained in this Section 6 shall remain operative and in full force and effect regardless of (i) any termination of this Agreement, (ii) any investigation made by or on behalf of any Holder, any person controlling any Holder or any affiliate of any Holder or by or on behalf of the Company, its officers or directors or any person controlling the Company and (iii) the sale of any Registrable Securities by any Holder.

Section 7. *Information Requirements.* The Company covenants that, if at any time before the end of the Effectiveness Period, the Company is not subject to the reporting requirements of the Exchange Act, it will cooperate with any Holder and take such further reasonable action as any Holder may reasonably request in writing (including, without limitation, making such reasonable representations as any such Holder may reasonably request), all to the extent required from time to time to enable such Holder to sell Registrable Securities without registration under the Securities Act within the limitation of the exemptions provided by Rule 144 and Rule 144A under the Securities Act and customarily taken in connection with sales pursuant to such exemptions. Upon the written request of any Holder, the Company shall deliver to such Holder a written statement as to whether it has complied with such filing requirements, unless such a statement has been included in the Company's most recent report filed pursuant to Section 13 or Section 15(d) of Exchange Act. Notwithstanding the foregoing, nothing in this Section 7 shall be deemed to require the Company to register any of its securities (other than the Common Stock) under any section of the Exchange Act.

Section 8. *Miscellaneous.*

(a) *No Conflicting Agreements.* The Company is not, as of the date hereof, a party to, nor shall it, on or after the date of this Agreement, enter into, any agreement with respect to its securities that conflicts with the rights granted to the Holders in this Agreement. The Company represents and warrants that the rights granted to the Holders hereunder do not in any way conflict with the rights granted to the holders of the Company's securities under any other agreements except to the extent that a waiver has been obtained.

(b) *Amendments and Waivers.* The provisions of this Agreement, including the provisions of this sentence, may not be amended, modified or supplemented, and waivers or consents to departures from the provisions hereof may not be given, unless the Company has obtained the written consent of Holders of a majority of the then outstanding Underlying Common Stock constituting Registrable Securities (with Holders of Debentures deemed to be the Holders, for purposes of this Section, of the number of outstanding shares of Underlying Common Stock into which such Debentures are or would be convertible as of the date on which such consent is requested). Notwithstanding the foregoing, a waiver or consent to depart from the provisions hereof with respect to a matter that relates exclusively to the rights of Holders whose securities are being sold pursuant to a Registration Statement and that does not directly or indirectly affect the rights of other Holders may be given by Holders of at least a majority of the Registrable Securities being sold by such Holders pursuant to such Registration Statement; provided that the provisions of this sentence may not be amended, modified or supplemented except in accordance with the provisions of the immediately preceding sentence. Notwithstanding the foregoing two sentences, this Agreement may be amended by written agreement signed by the Company and the Purchasers, without the consent of the Holders of Registrable Securities, to cure any ambiguity or to correct or supplement any provision contained herein that may be defective or inconsistent with any other provision contained herein, or to make such other provisions in regard to matters or questions arising under this Agreement that shall not adversely affect the interests of the Holders of Registrable Securities. Each Holder of Registrable Securities outstanding at the time of any such amendment, modification, supplement, waiver or consent or thereafter shall be bound by any such amendment, modification, supplement, waiver or consent effected pursuant to this Section 8(b), whether or not any notice, writing or marking indicating such amendment, modification, supplement, waiver or consent appears on the Registrable Securities or is delivered to such Holder.

(c) *Notices.* All notices and other communications provided for or permitted hereunder shall be made in writing by hand delivery, by telecopier, by courier guaranteeing overnight delivery or by first-class mail, return receipt requested, and shall be deemed given (i) when made, if made by hand delivery, (ii) upon confirmation, if made by telecopier, (iii) one (1) Business Day after being deposited with such courier, if made by overnight courier or (iv) on the date indicated on the notice of receipt, if made by first-class mail, to the parties as follows:

or to such other address as such person may have furnished to the other persons identified in this Section 8(c) in writing in accordance herewith (which shall be deemed given when received).

(d) *Approval of Holders.* Whenever the consent or approval of Holders of a specified percentage of Registrable Securities is required hereunder, Registrable Securities held by the Company or its affiliates (as such term is defined in Rule 405 under the Securities Act) (other than the Purchasers or subsequent Holders if such subsequent Holders are deemed to be such affiliates solely by reason of their holdings of such Registrable Securities) shall not be counted in determining whether such consent or approval was given by the Holders of such required percentage.

(e) *Successors and Assigns.* Any person who purchases any Registrable Securities from the Purchasers shall be deemed, for purposes of this Agreement, to be an assignee of the Purchasers. This Agreement shall inure to the benefit of and be binding upon the successors and assigns of each of the parties and shall inure to the benefit of and be binding upon each Holder of any Registrable Securities, provided that nothing herein shall be deemed to permit any assignment, transfer or other disposition of Registrable Securities in violation of the terms of the Indenture. If any transferee of any Holder shall acquire Registrable Securities, in any manner, whether by operation of law or otherwise, such Registrable Securities shall be held subject to all of the terms of this Agreement, and by taking and holding such Registrable Securities, such person shall be conclusively deemed to have agreed to be bound by and to perform all of the terms and provisions of this Agreement and such person shall be entitled to receive the benefits hereof.

(f) *Counterparts.* This Agreement may be executed in any number of counterparts and by the parties hereto in separate counterparts, each of which when so executed shall be deemed to be original and all of which taken together shall constitute one and the same agreement.

(g) *Headings.* The headings in this Agreement are for convenience of reference only and shall not limit or otherwise affect the meaning hereof.

(h) *Governing Law.* THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

(i) *Severability.* If any term provision, covenant or restriction of this Agreement is held to be invalid, illegal, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions set forth herein shall remain in full force and effect and shall in no way be affected, impaired or invalidated thereby, and the parties hereto shall use their best efforts to find and employ an alternative means to achieve the same or substantially the same result as that contemplated by such term, provision, covenant or restriction, it being intended that all of the rights and privileges of the parties shall be enforceable to the fullest extent permitted by law.

(j) *Entire Agreement.* This Agreement is intended by the parties as a final expression of their agreement and is intended to be a complete and exclusive statement of the agreement and understanding of the parties hereto in respect of the subject matter contained herein and the registration rights granted by the Company with respect to the Registrable Securities. Except as provided in the Purchase Agreement, there are no restrictions, promises, warranties or undertakings, other than those set forth or referred to herein, with respect to the registration rights granted by the Company with respect to the Registrable Securities. This Agreement supersedes all prior agreements and undertakings among the parties with respect to such registration rights. No party hereto shall have any rights, duties or obligations other than those specifically set forth in this Agreement.

(k) *Termination.* This Agreement and the obligations of the parties hereunder shall terminate upon the end of the Effectiveness Period, except for any liabilities or obligations under Section 4, 5 or 6 hereof and the obligations to make payments of and provide for the Liquidated Damages Amount under Section 2(g) hereof to the extent such amount accrues prior to the end of the Effectiveness Period, each of which shall remain in effect in accordance with its terms.

IN WITNESS WHEREOF, the parties have executed and delivered this Registration Rights Agreement as of the date first written above.
