Votes will be tabulated by an inspector of election appointed by the Company's Board of Directors. Votes in which the stockholder specifies that he is "Withholding" or "Abstaining" from voting are counted for quorum purposes. Abstentions and broker non-votes are not considered as votes "For" a particular matter.

The following table shows the aggregate cash compensation which the Company and its subsidiaries paid or accrued to the Chief Executive Officer and each of the other four (4) most highly-paid executive officers of the Company (which includes the President of the Company's Environmental Control Business, who also serves as Vice Chairman of the Board of Directors of the Company and who performs key policy making functions for the Company). The table includes cash distributed for services rendered during 1995, plus any cash distributed during 1995 for services rendered in a prior year, less any amount relating to those services previously included in the cash compensation table for a prior year.

(1) Bonuses noted are for services rendered for the prior fiscal year. Bonuses, if any, have not been declared or paid for 1995 performance as of the date of this proxy statement.

(2) Does not include perquisites and other personal benefits, securities or property for the named executive officer in any year if the aggregate amount of such compensation for such year does not exceed the lesser of either \$50,000 or 10% of the total of annual salary and bonus reported for the named executive officer for such year.

(3) In 1994, the Company paid to Messrs. J. Golsen, B. Golsen, Goss and Shelby an additional bonus of \$100,000 each for their services as members of the Board of Directors of Equity Bank for Savings, F.A., during the six years that the Company owned that financial business, which was sold by the Company in 1994.

(4) On June 1, 1989, the Company originally granted a nonqualified stock option to J. Golsen to purchase 165,000 shares of the Company's Common Stock at an exercise price of \$2.625 per share (the "NQSO"), which on the date of grant was the fair market value of the Company's Common Stock. Prior to the NQSO's expiration date of June 1, 1994, the Company granted an extension of the option period of the NQSO for an additional five (5) year period, beginning on June 1, 1994, and terminating on June 1, 1999 (the "Extended NQSO"). The Extended NQSO vests and becomes exercisable at twenty percent (20%) per year on June 1, 1995, 1996, and 1997, and the remaining forty percent (40%) becomes exercisable June 1, 1998. The exercise price of the Extended NQSO is \$2.625 per share, the same as the original NQSO. The Extended NQSO shall become immediately exercisable in full upon the death of the optionee or a change in control of the Company, and the Board of Directors of the Company may, at its option, accelerate such vesting at any time.

OPTION GRANTS IN 1995. No stock options were granted by the Company to any named executive officer in 1995.

Aggregated Option Exercises in 1995 and Fiscal Year End Option Values. The following table sets forth information concerning each exercise of stock options by each of the named executive officers during the last fiscal year and the year-end value of unexercised options:

(1) Each number represents the number of shares received by the named individual upon exercise.

(2) The values set forth in the column below are the difference between the market value of the Company's common stock on the date the particular option was exercised and the exercise price of such option.

(3) The options granted under the Company's Plans become exercisable 20% after one year from date of grant, an additional 20% after two years, an additional 30% after three years, and the remaining 30% after four years.

(4) The values are based on the difference between the price of the Company's common stock on the New York Stock Exchange at the close of trading on December 31, 1995 of \$4.375 per share and the exercise price of such option. The actual value realized by a named executive on the exercise of these options depends on the market value of the Company's common stock on the date of exercise.

(5) The amounts shown include 165,000 non-qualified stock options which vest and are exercisable 20% on June 1, 1995, June 1, 1996 and June 1, 1997 with the remaining 40% exercisable June 1, 1998.

OTHER PLANS. The Board of Directors has adopted an LSB Industries, Inc., Employee Savings Plan (the "401(k) Plan") for the employees (including executive officers) of the Company and its subsidiaries, excluding certain (but not all) employees covered under union agreements. The 401(k) Plan is an employee contribution plan, and the Company and its subsidiaries make no contributions to the 401(k) Plan. The amount that an employee may contribute to the 401(k) Plan equals a certain percentage of the employee's compensation, with the percentage based on the employee's income and certain other criteria as required under Section 401(k) of the Internal Revenue Code. The Company or subsidiary deducts the amounts contributed to the 401(k) Plan from the employee's compensation each pay period, in accordance with the employee's instructions, and pays the amount into the 401(k) Plan for the employee's benefit. The Summary Compensation Table set forth above includes any amount contributed and deferred during the 1993, 1994 and 1995 fiscal years pursuant to the 401(k) Plan by the named executive officers of the Company.

The Company has a death benefit plan for certain key employees. Under the plan, the designated beneficiary of an employee covered by the plan will receive a monthly benefit for a period of ten (10) years if the employee dies while in the employment of the Company or a wholly-owned subsidiary of the Company. The agreement with each employee provides, in addition to being subject to other terms and conditions set forth in the agreement, that the Company may terminate the agreement as to any employee at anytime prior to the employee's death. The Company has purchased life insurance on the life of each employee covered under the plan to provide, in large part, a source of funds for the Company's obligations under the Plan. The Company also will fund a portion of the benefits by investing the proceeds of such insurance policy received by the Company upon the employee's death. The Company is the owner and sole beneficiary of the insurance policy, with the proceeds payable to the Company upon the death of the employee. The following table sets forth the amounts of annual benefits payable to the designated beneficiary or beneficiaries of the executive officers named in the Summary Compensation Table set forth above under the above-described death benefits plan.

Name of Individual	Amount of Annual Payment

Jack E. Golsen	\$175,000
Barry H. Golsen	\$ 30,000
David R. Goss	\$ 35,000
Tony M. Shelby	\$ 35,000
David M. Shear	\$ N/A

In addition to the above-described plans, during 1991 the Company entered into a non-qualified arrangement with certain key employees of the Company and its subsidiaries to provide compensation to such individuals in the event that they are employed by the Company or a subsidiary of the Company at age 65. Under the plan, the employee will be eligible to receive for the life of such employee, a designated benefit as set forth in the plan. In addition, if prior to attaining the age 65 the employee dies while in the employment of the Company or a subsidiary of the Company, the designated beneficiary of the employee will receive a monthly benefit for a period of ten (10) years. The agreement with each employee provides, in addition to being subject to other terms and conditions set forth in the agreement, that the Company may terminate the agreement as to any employee at any time prior to the employee's death. The Company has purchased insurance on the life of each employee covered under the plan where the Company is the owner and sole beneficiary of the insurance policy, with the proceeds payable to the Company to provide a source of funds for the Company's obligations under the plan. The Company may also fund a portion of the benefits by investing the proceeds of such insurance policies. Under the terms of the plan, if the employee becomes disabled while in the employment of the Company or a wholly-owned subsidiary of the Company, the employee may request the Company to cash-in any life insurance on the life of such employee purchased to fund the Company's obligations under the plan. Jack E. Golsen does not participate in the plan. The following table sets forth the amounts of annual benefits payable to the executive officers named in the Summary Compensation Table set forth above under such retirement plan.

Name of Individual -----	Amount of Annual Payment -----
Barry H. Golsen	\$17,480
David R. Goss	\$17,403
Tony M. Shelby	\$15,605

COMPENSATION OF DIRECTORS. In 1995, the Company compensated each non-management director of the Company for his services in the amount of \$4,500. The non-management directors of the Company also received \$500 for every meeting of the Board of Directors attended during 1995. Each member of the Audit Committee, consisting of Messrs. Ille, Brown and Shaffer, received an additional \$20,000 for their services in 1995. Each member of the Public Relations and Marketing Committee, consisting of Messrs. Ackerman and Ille, received an additional \$20,000 for their services in 1995. In addition, the Company paid C.L. Thurman \$20,000 as compensation for his services as Chairperson of the Special Projects Committee of the Board of Directors for 1995. Mr. Thurman died during the first quarter of 1996. See footnote (9) under "Election of Directors".

In September 1993, the Company adopted the 1993 Non-Employee Director Stock Option Plan (the "Outside Director Plan"). The Outside Director Plan authorizes the grant of non-qualified stock options to each member of the Company's Board of Directors who is not an officer or employee of the Company or its subsidiaries. The maximum shares for which options may be issued under the Outside Director Plan will be 150,000 shares (subject to adjustment as provided in the Outside Director Plan). The Company shall automatically grant to each outside director an option to acquire 5,000 shares of the Company's Common Stock on April 30 following the end of each of the Company's fiscal years in which the Company realizes net income of \$9.2 million or more for such fiscal year. The exercise price for an option granted under the Outside Director Plan shall be the fair market value of the shares of Common Stock at the time the option is granted. Each option granted under the Outside Director Plan, to the extent not exercised, shall terminate upon the earlier of the termination of the outside director as a member of the Company's Board of Directors or the fifth anniversary of the date such option was granted. On April 30, 1995, options to acquire 5000 shares of Common Stock were granted under this plan to each of Messrs. Ille, Brown, Shaffer, Thurman and Ackerman, at a per share exercise price of \$5.375. As a result of the Company's financial performance for 1995, the Company will not be granting options under the Outside Director Plan on April 30, 1996.

Employment Contracts and Termination of Employment and Change in Control Arrangements.

(a) Termination of Employment and Change in Control Agreements. In 1989 and 1991, the Company entered into severance agreements with Jack E. Golsen, Barry H. Golsen, Tony M. Shelby, David R. Goss, David M. Shear and certain other officers of the Company and subsidiaries of the Company.

Each severance agreement provides (among other things) that if, within twenty-four (24) months after the occurrence of a change in control (as

defined) of the Company, the Company terminates the officer's employment other than for cause (as defined) or the officer terminates his employment for good reason (as defined) the Company must pay the officer an amount equal to 2.9 times the officer's base amount (as defined). The phrase "base amount" means the average annual gross compensation paid by the Company to the officer and includable in the officer's gross income during the period consisting of the most recent five (5) year period immediately preceding the change in control. If the officer has been employed by the Company for less than 5 years, the base amount is calculated with respect to the most recent number of taxable years ending before the change in control that the officer worked for the Company.

The severance agreements provide that a "change in control" means a change in control of the Company of a nature that would require the filing of a Form 8-K with the Securities and Exchange Commission and, in any event, would mean when: (1) any individual, firm, corporation, entity or group (as defined in Section 13(d)(3) of the Securities Exchange Act of 1934, as amended) becomes the beneficial owner, directly or indirectly, of thirty percent (30%) or more of the combined voting power of the Company's outstanding voting securities having the right to vote for the election of directors, except acquisitions by: (a) any person, firm, corporation, entity or group which, as of the date of the severance agreement, has that ownership, or (b) Jack E. Golsen, his wife; his children and the spouses of his children; his estate; executor or administrator of any estate, guardian or custodian for Jack E. Golsen, his wife, his children, or the spouses of his children, any corporation, trust, partnership or other entity of which Jack E. Golsen, his wife, children, or the spouses of his children own at least eighty percent (80%) of the outstanding beneficial voting or equity interests, directly or indirectly, either by any one or more of the above-described persons, entities or estates; and certain affiliates and associates of any of the above-described persons, entities or estates; (2) individuals who, as of the date of the severance agreement, constitute the Board of Directors of the Company (the "Incumbent Board") and who cease for any reason to constitute a majority of the Board of Directors except that any person becoming a director subsequent to the date of the severance agreement, whose election or nomination for election is approved by a majority of the Incumbent Board (with certain limited exceptions), will constitute a member of the Incumbent Board; or (3) the sale by the Company of all or substantially all of its assets.

Except for the severance agreement with Jack E. Golsen, the termination of an officer's employment with the Company "for cause" means termination because of: (a) the mental or physical disability from performing the officer's duties for a period of one hundred twenty (120) consecutive days or one hundred eighty days (even though not consecutive) within a three hundred sixty (360) day period; (b) the conviction of a felony; (c) the embezzlement by the officer of Company assets resulting in substantial personal enrichment of the officer at the expense of the Company; or (d) the willful failure (when not mentally or physically disabled) to follow a direct written order from the Company's Board of Directors within the reasonable scope of the officer's duties performed during the sixty (60) day period prior to the change of control. The definition of "Cause" contained in the severance agreement with Jack E. Golsen means termination because of: (a) the conviction of Mr. Golsen of a felony involving moral turpitude after all appeals have been completed; or (b) if Mr. Golsen's serious, willful, gross misconduct or willful, gross neglect of his duties has resulted in material damages to the Company and its subsidiaries, taken as a whole; provided that (i) no action or failure to act by Mr. Golsen will constitute a reason for termination if he believed, in good faith, that such action or failure to act was in the Company's or its subsidiaries' best interest, and (ii) failure of Mr. Golsen to perform his duties hereunder due to Disability shall not be considered willful, gross misconduct or willful, gross negligence of his duties for any purpose.

The termination of an officer's employment with the Company for "good reason" means termination because of (a) the assignment to the officer of duties inconsistent with the officer's position, authority, duties or responsibilities during the sixty (60) day period immediately preceding the change in control of the Company or any other action which results in the diminishment of those duties, position, authority, or responsibilities; (b) the relocation of the officer; (c) any purported termination by the Company of the officer's employment with the Company otherwise than as permitted by the severance agreement; or (d) in the event of a change in control of the Company, the failure of the successor or parent company to agree, in form and substance satisfactory to the officer, to assume (as to a successor) or guarantee (as to a parent) the severance agreement as if no change in control had occurred.

Except for the severance agreement with Jack E. Golsen, each severance agreement runs until the earlier of: (a) three years after the date of the severance agreement, or (b) the officer's normal retirement date from the Company; however, beginning on the first anniversary of the severance agreement and on each annual anniversary thereafter, the term of the severance

agreement automatically extends for an additional one-year period, unless the Company gives notice otherwise at least sixty (60) days prior to the anniversary date. The severance agreement with Jack E. Golsen is effective for a period of three (3) years from the date of the severance agreement; except that, commencing on the date one (1) year after the date of such severance agreement and on each annual anniversary thereafter, the term of such severance agreement shall be automatically extended so as to terminate three (3) years from such renewal date, unless the Company gives notices otherwise at least one (1) year prior to the renewal date.

Effective June 1, 1994, the Company extended until June 1, 1999, the option period of a nonqualified stock option previously granted to Jack E. Golsen for the purchase of 165,000 shares of the Company's Common Stock at an exercise price of \$2.625 per share (the "Extended NQSO"). The Extended NQSO vests and becomes exercisable at twenty percent (20%) per year on June 1, 1995, 1996, and 1997, and the remaining forty percent (40%) becomes exercisable on June 1, 1998. The terms of the Extended NQSO provide, in part, that the Extended NQSO shall become immediately exercisable upon a change in control of the Company. A "change in control" for purposes of the Extended NQSO, shall be deemed to have occurred upon any of the following events: (i) consummation of any of the following transactions: any merger, recapitalization, or other business combination of the Company pursuant to which the Company is the non-surviving corporation, unless the majority of the holders of Common Stock immediately prior to such transaction will own at least fifty percent (50%) of the total voting power of the then outstanding securities of the surviving corporation immediately after such transaction; (ii) a transaction in which any person, corporation, or other entity (A) shall purchase any Common Stock pursuant to a tender offer or exchange offer, without the prior consent of the Board of Directors or (B) shall become the "beneficial owner" (as such term is defined in Rule 13d-3 under the Securities Exchange Act of 1934, as amended) of securities of the Company representing fifty percent (50%) or more of the total voting power of the then outstanding securities of the Company; or (iii) if, during any period of two (2) consecutive years, individuals who, at the beginning of such period, constituted the entire Board of Directors and any new director whose election by the Board of Directors, or nomination for election by the Company's stockholders was approved by a vote of at least two-thirds of the directors then still in office who either were directors at the beginning of the period or whose election or nomination for election by the stockholders was previously approved, cease for any reason to constitute a majority thereof.

(b) Employment Agreement. In March, 1996, the company entered into an employment agreement with Jack E. Golsen. The employment agreement requires the Company to employ Jack E. Golsen as an executive officer of the Company for an initial term of three (3) years and provides for two (2) automatic renewals of three (3) years each unless terminated by either party by the giving of written notice at least one (1) year prior to the end of the initial or first renewal period, whichever is applicable. Under the terms of such employment agreement, Mr. Golsen shall be paid (i) an annual base salary at his 1995 base rate, as adjusted from time to time by the Compensation Committee, but such shall never be adjusted to an amount less than Mr. Golsen's 1995 base salary, (ii) an annual bonus in an amount as determined by the Compensation Committee, and (iii) receive from the Company certain other fringe benefits. The employment agreement provides that Mr. Golsen's employment may not be terminated, except (i) upon conviction of a felony involving moral turpitude after all appeals have been exhausted, (ii) Mr. Golsen's serious, willful, gross misconduct or willful, gross negligence of duties resulting in material damage to the Company and its subsidiaries, taken as a whole, unless Mr. Golsen believed, in good faith, that such action or failure to act was in the Company's or its subsidiaries' best interest, and (iii) Mr. Golsen's death; provided, however, no such termination under (i) or (ii) above may occur unless and until the Company has delivered to Mr. Golsen a resolution duly adopted by an affirmative vote of three-fourths of the entire membership of the Board of Directors at a meeting called for such purpose after reasonable notice given to Mr. Golsen finding, in good faith, that Mr. Golsen violated (i) or (ii) above. If Mr. Golsen's employment is terminated in breach of this Agreement, then he shall, in addition to his other rights and remedies, receive and the Company shall pay to Mr. Golsen (i) in a lump sum cash payment, on the date of termination, a sum equal to the amount of Mr. Golsen's annual base salary at the time of such termination and the amount of the last bonus paid to Mr. Golsen prior to such termination times (a) the number of years remaining under the employment agreement or (b) four (4) if such termination occurs during the last twelve (12) months of the initial period or the first renewal period, and (ii) provide to Mr. Golsen all of the fringe benefits that the Company was obligated to provide during his employment under the employment agreement for the remainder of the term of the employment agreement, or, if terminated at any time during the last twelve (12) months of the initial period or first renewal period, then during the remainder of the term and the next renewal period.

If there is a change in control (as defined in the severance agreement

between Mr. Golsen and the Company) and within twenty-four (24) months after such change in control Mr. Golsen is terminated, other than for Cause (as defined in the severance agreement), then in such event, the severance agreement between Mr. Golsen and the Company shall be controlling.

In the event Mr. Golsen becomes disabled and is not able to perform his duties under the employment agreement as a result thereof for a period of twelve (12) consecutive months within any two (2) year period, the Company shall pay Mr. Golsen his full salary for the remainder of the term of the employment agreement and thereafter sixty percent (60%) of such salary until Mr. Golsen's death.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION. The Company's Executive Salary Review Committee has the authority to set the compensation of all officers of the Company. This Committee generally considers and approves the recommendations of the President. The members of the Executive Salary Review Committee are the following non-management directors: Robert C. Brown, M.D., Jerome D. Shaffer, M.D., and Bernard G. Ille. During 1995, the Executive Salary Review Committee had one meeting.

See "Compensation of Directors" for information concerning compensation paid and options granted to non-employee directors of the Company during 1995 for services as a director to the Company.

REPORT OF EXECUTIVE SALARY REVIEW COMMITTEE. The following report by the Executive Salary Review Committee required by the rules of the Securities and Exchange Commission to be included in this Proxy Statement shall not be considered incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934 (collectively, the "Acts"), except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed to be soliciting material or to be filed under such Acts.

GENERAL.

The Executive Salary Review Committee ("Committee") is presently comprised of three (3) directors of the Company, who are not current or former employees of the Company. See "Compensation Committee Interlocks and Insider Participation" . The Committee is responsible for reviewing and approving the compensation paid to executive officers of the Company.

COMPENSATION POLICY FOR EXECUTIVE OFFICERS.

Although the Committee has not established specific quantitative compensation policies for executive officers of the Company, including the President-Chief Executive Officer, the Committee reviews each executive officer's performance on behalf of the Company during the last preceding year in establishing the executive officer's bonus for such year, if any, and any increase or decreases to such executive officers' compensation for the next year. The guiding principle of the Committee is based on the following objectives: (i) to attract and retain qualified executives in a highly competitive environment who will play significant roles in achieving the Company's goals; (ii) to reward executives for strategic management and the long-term enhancement of shareholder value; and , (iii) to create a performance-oriented environment that rewards performance with respect to financial and operational goals of the Company. The key elements of the Company's executive compensation program have consisted of a base salary, bonus and stock options.

As to the compensation (salary and bonus) paid or payable to executive officers, other than the President-Chief Executive Officer, the President-Chief Executive Officer makes a recommendation to the Committee. The Committee considers such recommendation and generally approves the recommendation. The President-Chief Executive Officer's recommendation with respect to base salary and the Committee's approval or disapproval of such recommendation is primarily based on the three objectives set forth above. With respect to bonus compensation, such recommendation by the President - Chief Executive Officer and approval is closely tied to the individual's performance and the Company's financial performance.

Jack E. Golsen has been President and Chief Executive Officer of the Company since its formation in 1969. In setting Mr. Golsen's salary and bonus, the Committee takes into account shareholder value, which he helped create, and the fact that Mr. Golsen initiated and continues to spearhead the strategy of expanding and diversifying the Company through internal growth, acquisitions, redeployment of assets and personnel and development of international markets. Due to losses sustained by the Company in 1990 and 1991, increases in Mr. Golsen's annual salary for 1991 and 1992 were nominal. Mr. Golsen's annual base salary was increased approximately \$20,000 from 1992 to 1993, approximately \$50,000 from 1993 to 1994 and approximately \$30,000

from 1994 to 1995. The reason for these increases was in part to reward Mr. Golsen for his management in assisting the Company in its substantial improvement in earnings in 1992 over 1991, 1993 over 1992 and 1994 over 1993. The Committee considers these increases to Mr. Golsen's annual base salary to be consistent with the above goals. In March 1996, the Company entered into an employment agreement with Mr. Golsen, which employment agreement set Mr. Golsen's salary at his 1995 base rate, as adjusted from time to time by the Committee. See "Executive Compensation and Other Information - Employment Contracts and Termination of Employment and Change in Control Arrangements".

Bonuses, if any, are paid to executive officers in arrears for performance during the previous fiscal year. Jack E. Golsen received bonuses of (i) \$100,000 in 1993 for fiscal year 1992 performance, (ii) \$150,000 in 1994 for fiscal year 1993 performance, and (iii) \$100,000 in 1995 for fiscal year 1994 performance. The bonus for fiscal year 1993 was increased as a result of the substantial improvement by the Company in each of 1991, 1992, and 1993 over the previous year due, in part, to the efforts of Mr. Golsen. The Committee has not set any bonuses for 1995 performances to any executive officer, including Mr. Golsen, as of the date of this proxy statement. The Committee considers these bonuses to be consistent with the goals set forth above.

In June, 1994, the Committee granted a one time fee to each of Barry H. Golsen, Jack E. Golsen, David R. Goss, Jim D. Jones, and Tony M. Shelby, executive officers of the Company, of \$100,000 for their non-compensated services as directors of Equity Bank for Savings, F.A. ("Equity Bank") from the time of Equity Bank's acquisition by the Company in March, 1988, until Equity Bank was sold by the Company in May, 1994. The Committee considered that their service as directors of Equity Bank were important factors in the growth of Equity Bank from 1988, to May, 1994, and their contribution assisted the Company in selling Equity Bank for approximately \$92 million and a pre-tax profit of approximately \$24.2 million.

The Company has had a practice of granting stock options to the President-Chief Executive Officer and other executive officers. This practice is founded on the belief that stock options offer executive officers a valuable incentive to achieve increased profitability of the Company in order to enhance shareholder value. There are no specific factors used to determine the number of options granted or to the timing of such grants; however, certain criteria are considered such as length of service, level of responsibility, and the achievement of the Company's earnings objective.

FIVE YEAR TOTAL SHAREHOLDER RETURN GRAPH. Due to the constraints of the EDGAR system, the performance graph (in a line graph format) has been omitted. The following table has been provided to take its place in the EDGAR filing. The following table compares the yearly percentage change in the cumulative total shareholder return assuming reinvestment of dividends, if any, of (i) the Company, (ii) a composite index ("Peer Group ") comprised of a peer group of entities from two distinct industries which represent the Company's two primary lines of business (Chemical and Environmental Control), and (iii) the New York Stock Exchange Market Value Index ("Broad Market"). The table set forth below covers the period from year-end 1990 through year-end 1995.

FISCAL YEAR ENDING

	1990	1991	1992	1993	1994	1995
	----	----	----	----	----	----
LSB IND., INC.	100	100.00	550.00	784.64	507.49	359.53
PEER GROUP	100	150.61	156.03	176.84	170.20	209.79
BROAD MARKET	100	129.41	135.50	153.85	150.86	195.61

Assumes \$100 invested at year-end 1990 in the Company, the Peer Group, and the NYSE MVI.

The Peer Group was developed for the Company by Media General Financial Services and is comprised of certain companies that have Standard Industrial Classification ("SIC") codes which the Company believes correspond to the Company's primary lines of business. The companies which comprise the Peer Group are listed on Exhibit "A" to this Proxy Statement. The Peer Group is comprised of (a) chemical companies having SIC codes 102 (sulfuric and nitrate) and 103 (specialty chemicals); and (b) environmental control companies having SIC code 059 (plumbing, heating, and air conditioning), and is provided for comparison to the Company's two primary lines of business --

Chemical and Environmental Control. The NYSE MVI line is provided as a result of the Company's common stock being listed on the New York Stock Exchange. The Company has been advised that the cumulative total return of each component company in the Peer Group has been weighted according to the respective company's stock market capitalization. In light of the Company's unique industry diversification, the Company believes that the Peer Group is appropriate for comparison to the Company.

The above Five-Year Total Shareholder Return Graph shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934 (collectively, the "Acts"), except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed to be soliciting material or to be filed under such Acts.

SELECTION OF INDEPENDENT AUDITORS

The Board of Directors, based on the recommendation of the Audit Committee, has reappointed the firm of Ernst & Young LLP, certified public accountants, ("Ernst & Young") as the Company's auditors for 1996, subject to the approval and ratification by the stockholders. Ernst & Young (or its predecessor, Arthur Young & Company) has served as the Company's auditors for a period in excess of five (5) years, including the fiscal year most recently completed.

In line with past practices, it is expected that one or more representatives of Ernst & Young will attend the Annual Meeting and will be available to respond to appropriate questions or make a statement should they desire to do so.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE APPROVAL AND RATIFICATION OF THE REAPPOINTMENT OF ERNST & YOUNG LLP

OTHER MATTERS

The Board of Directors knows of no other matters which may come before the Annual Meeting. If any other business properly comes before the meeting, the persons named in the proxy will vote with respect to that matter in accordance with their best judgment.

Pursuant to the Bylaws of the Company, only such business shall be conducted at the Annual Meeting as shall have been brought before the meeting (i) by or at the direction of the Board of Directors of the Company, or (ii) by any stockholder of the Company who is entitled to vote at the Annual Meeting and who complies with the following notice requirements. No business may be properly brought before the Annual Meeting by a stockholder unless the stockholder gives written notice to the Secretary of the Company of the business to be presented at the Annual Meeting not less than fifty (50) days prior to the date of the Annual Meeting (or in the event that less than sixty (60) days notice, or public disclosure of the date of the Annual Meeting, is given or made to stockholders, written notice by the stockholder must be received by the Secretary of the Company not later than the close of business on the tenth (10th) day following the day on which notice of the date of the meeting was mailed or public disclosure was made). The written notice must set forth: (i) a brief description of the business desired to be presented before the Annual Meeting and reasons for conducting such business at the meeting; (ii) the name and address, as they appear on the Company's books, of the stockholder proposing such business, (iii) the class and number of shares of the Company's voting stock beneficially owned by such stockholder, and (iv) any material interest of such stockholder in such business.
